Lick Wilmerding High School
San Francisco *1971*

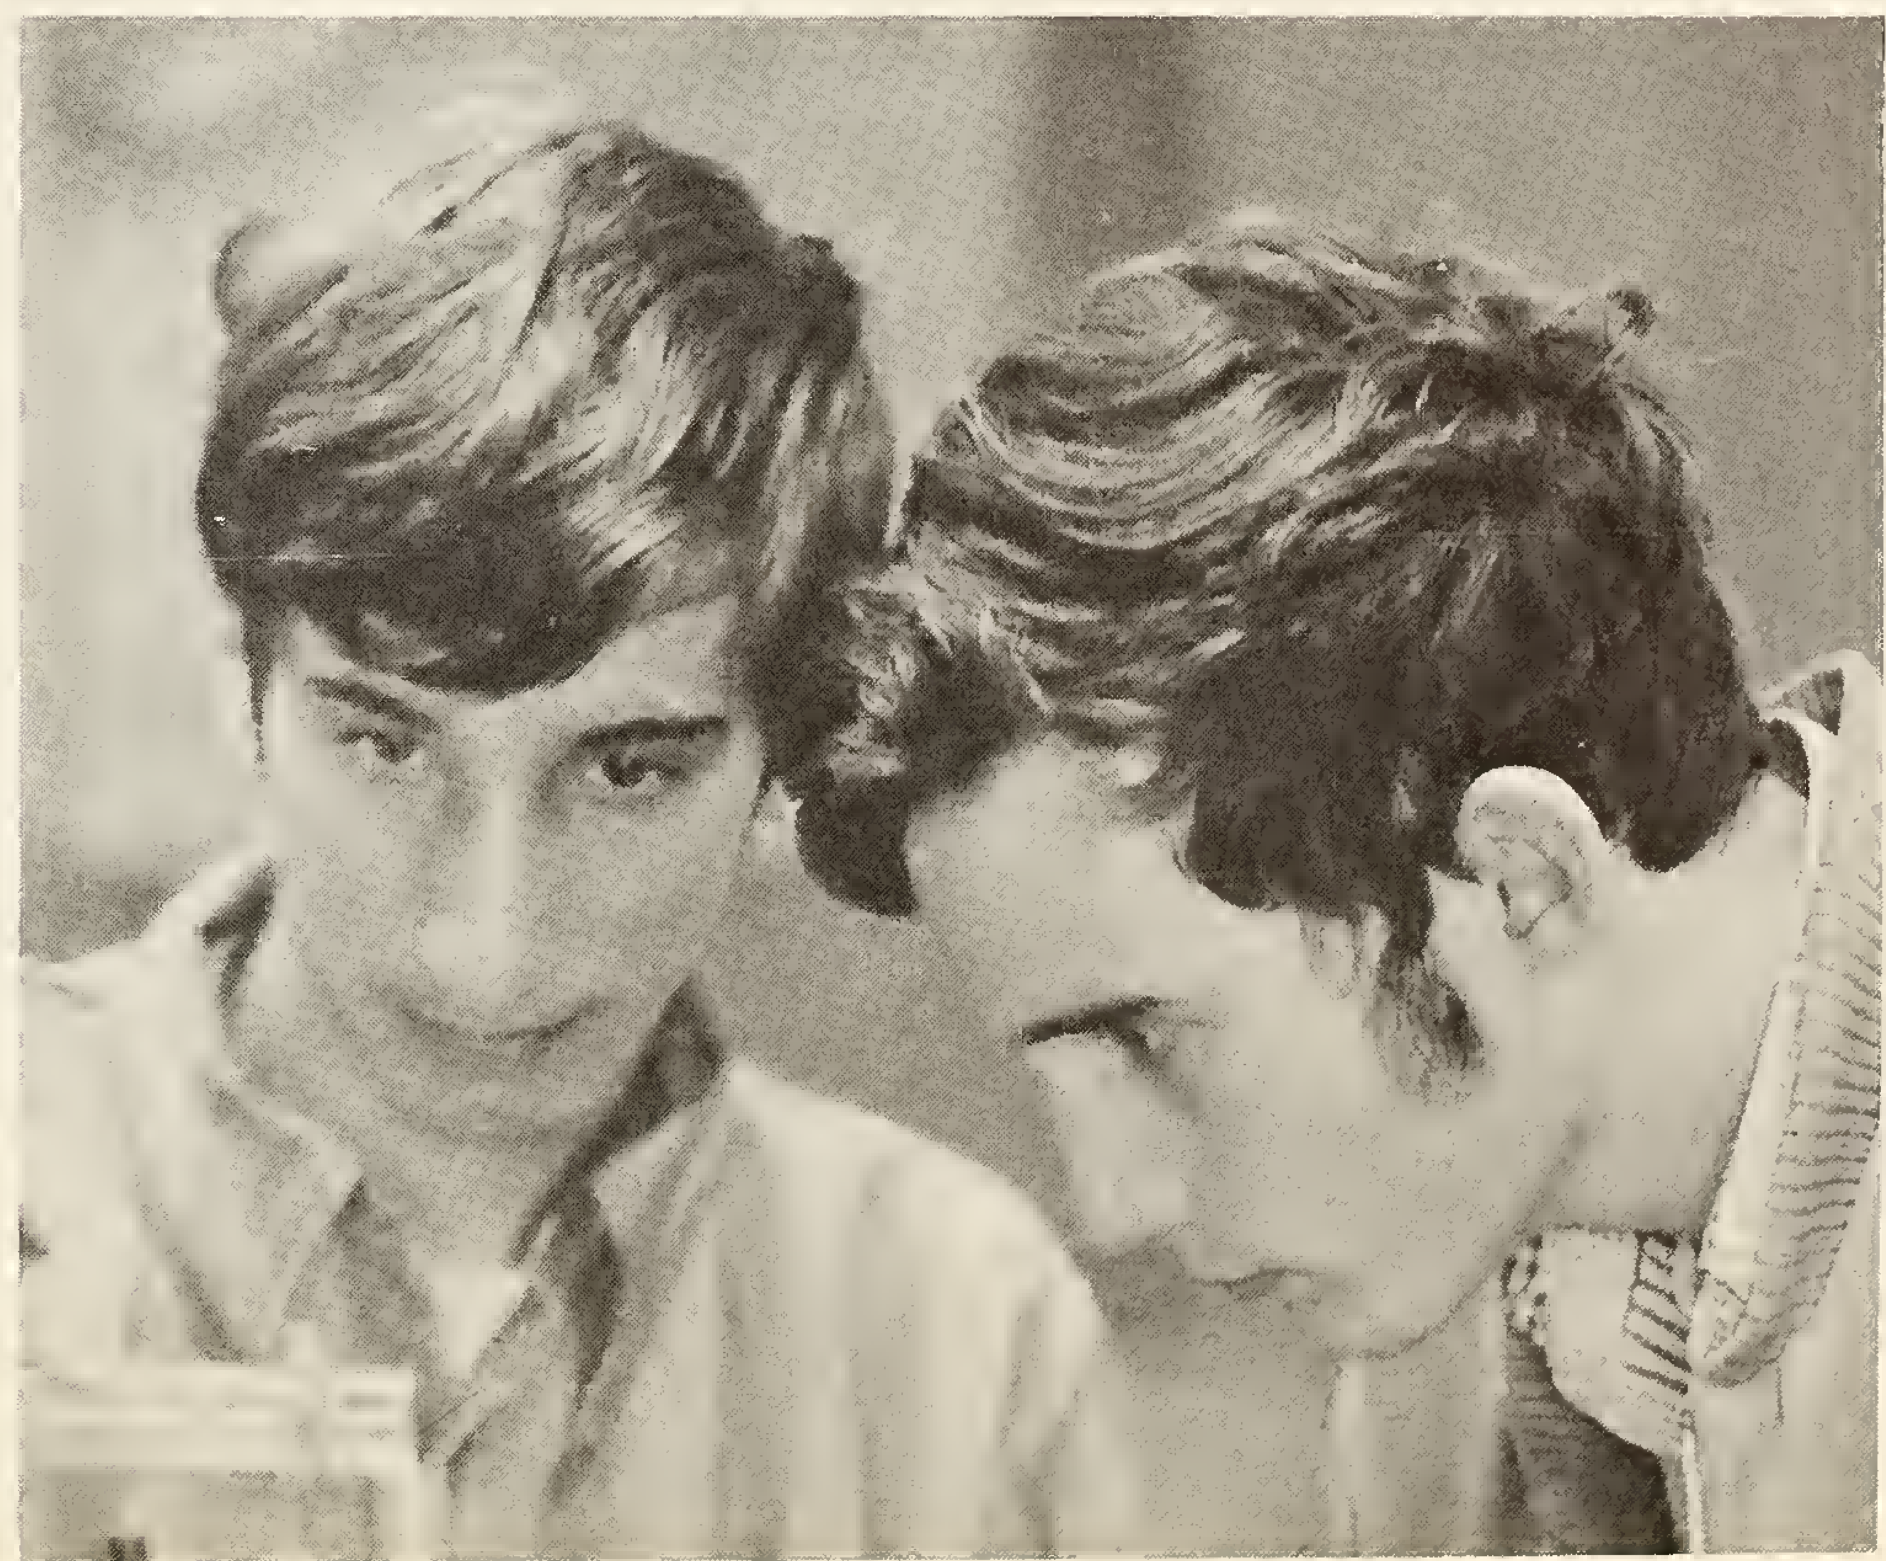

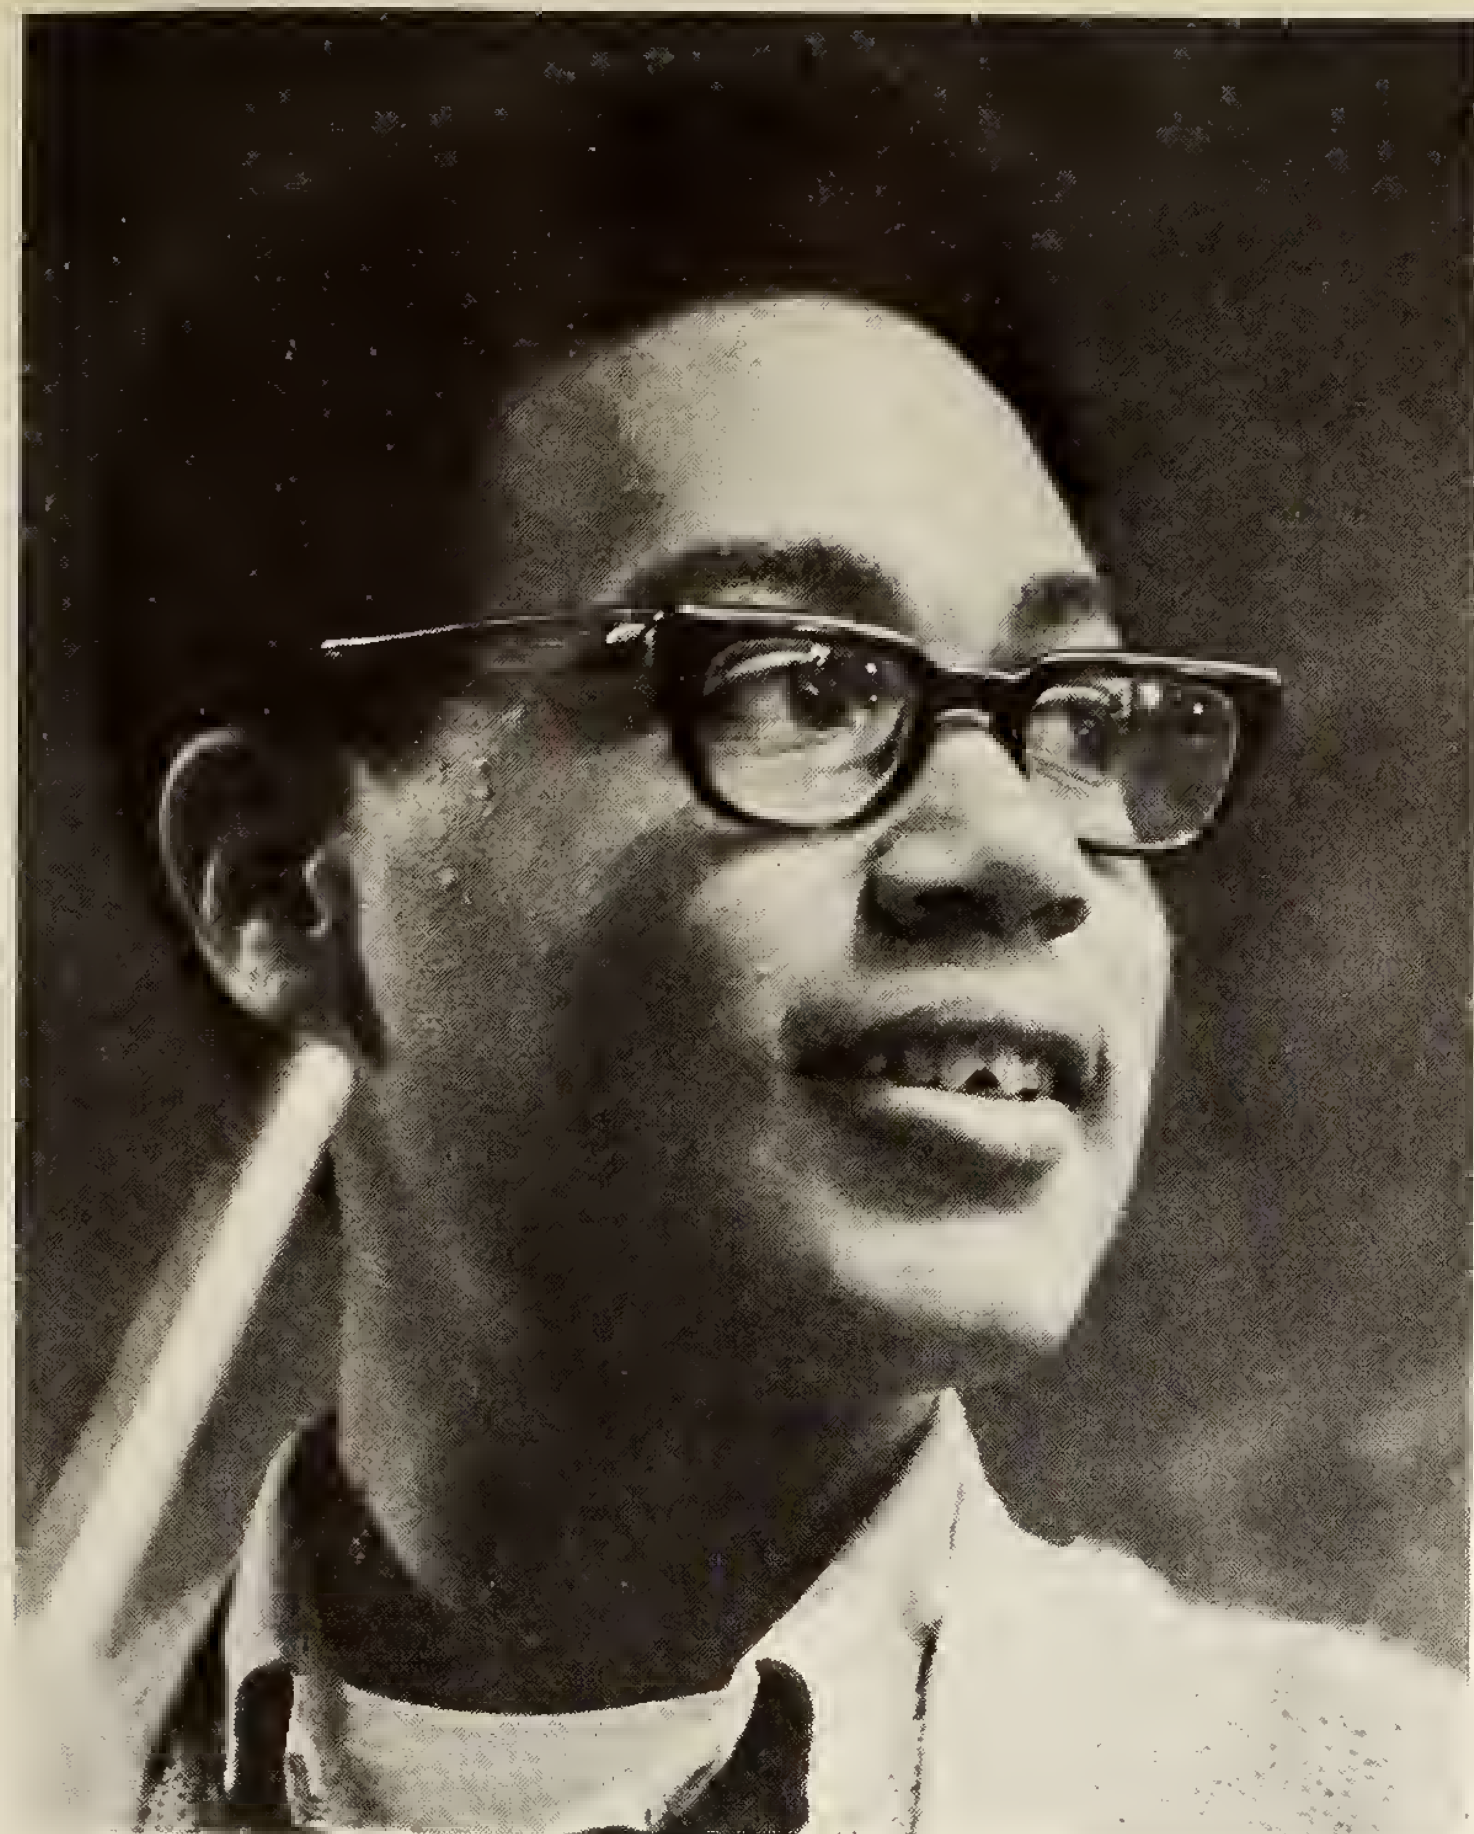

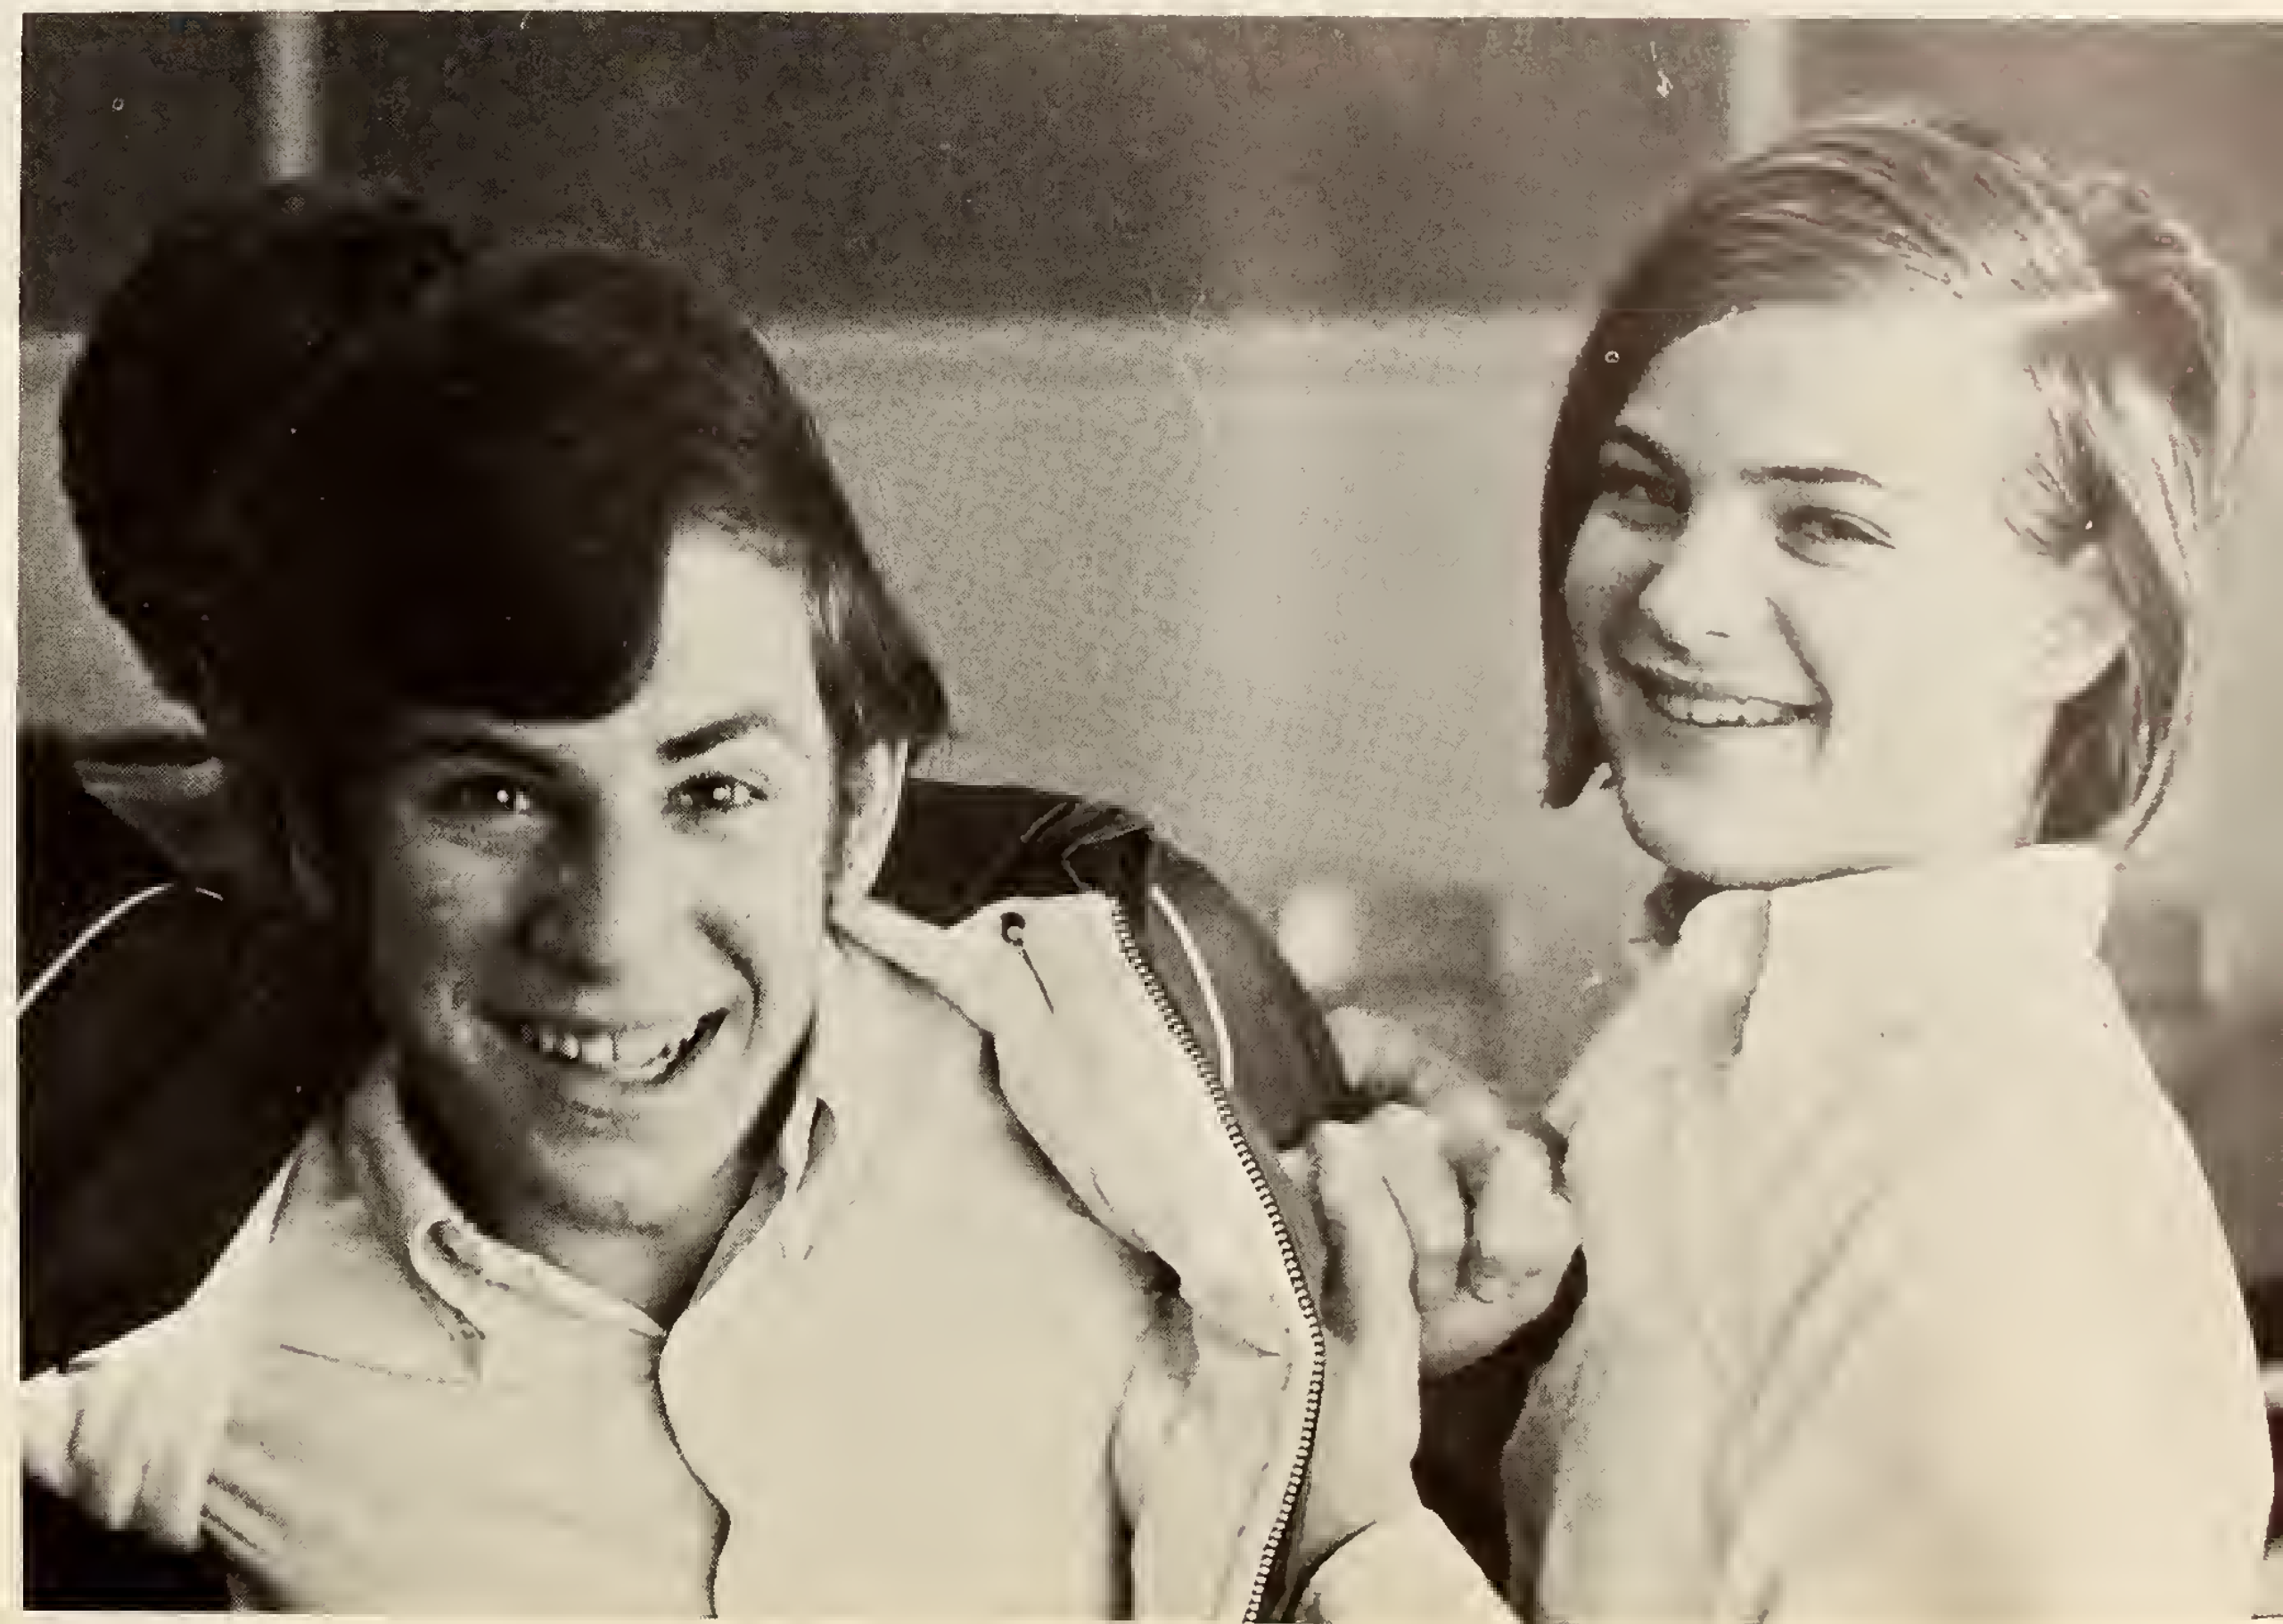

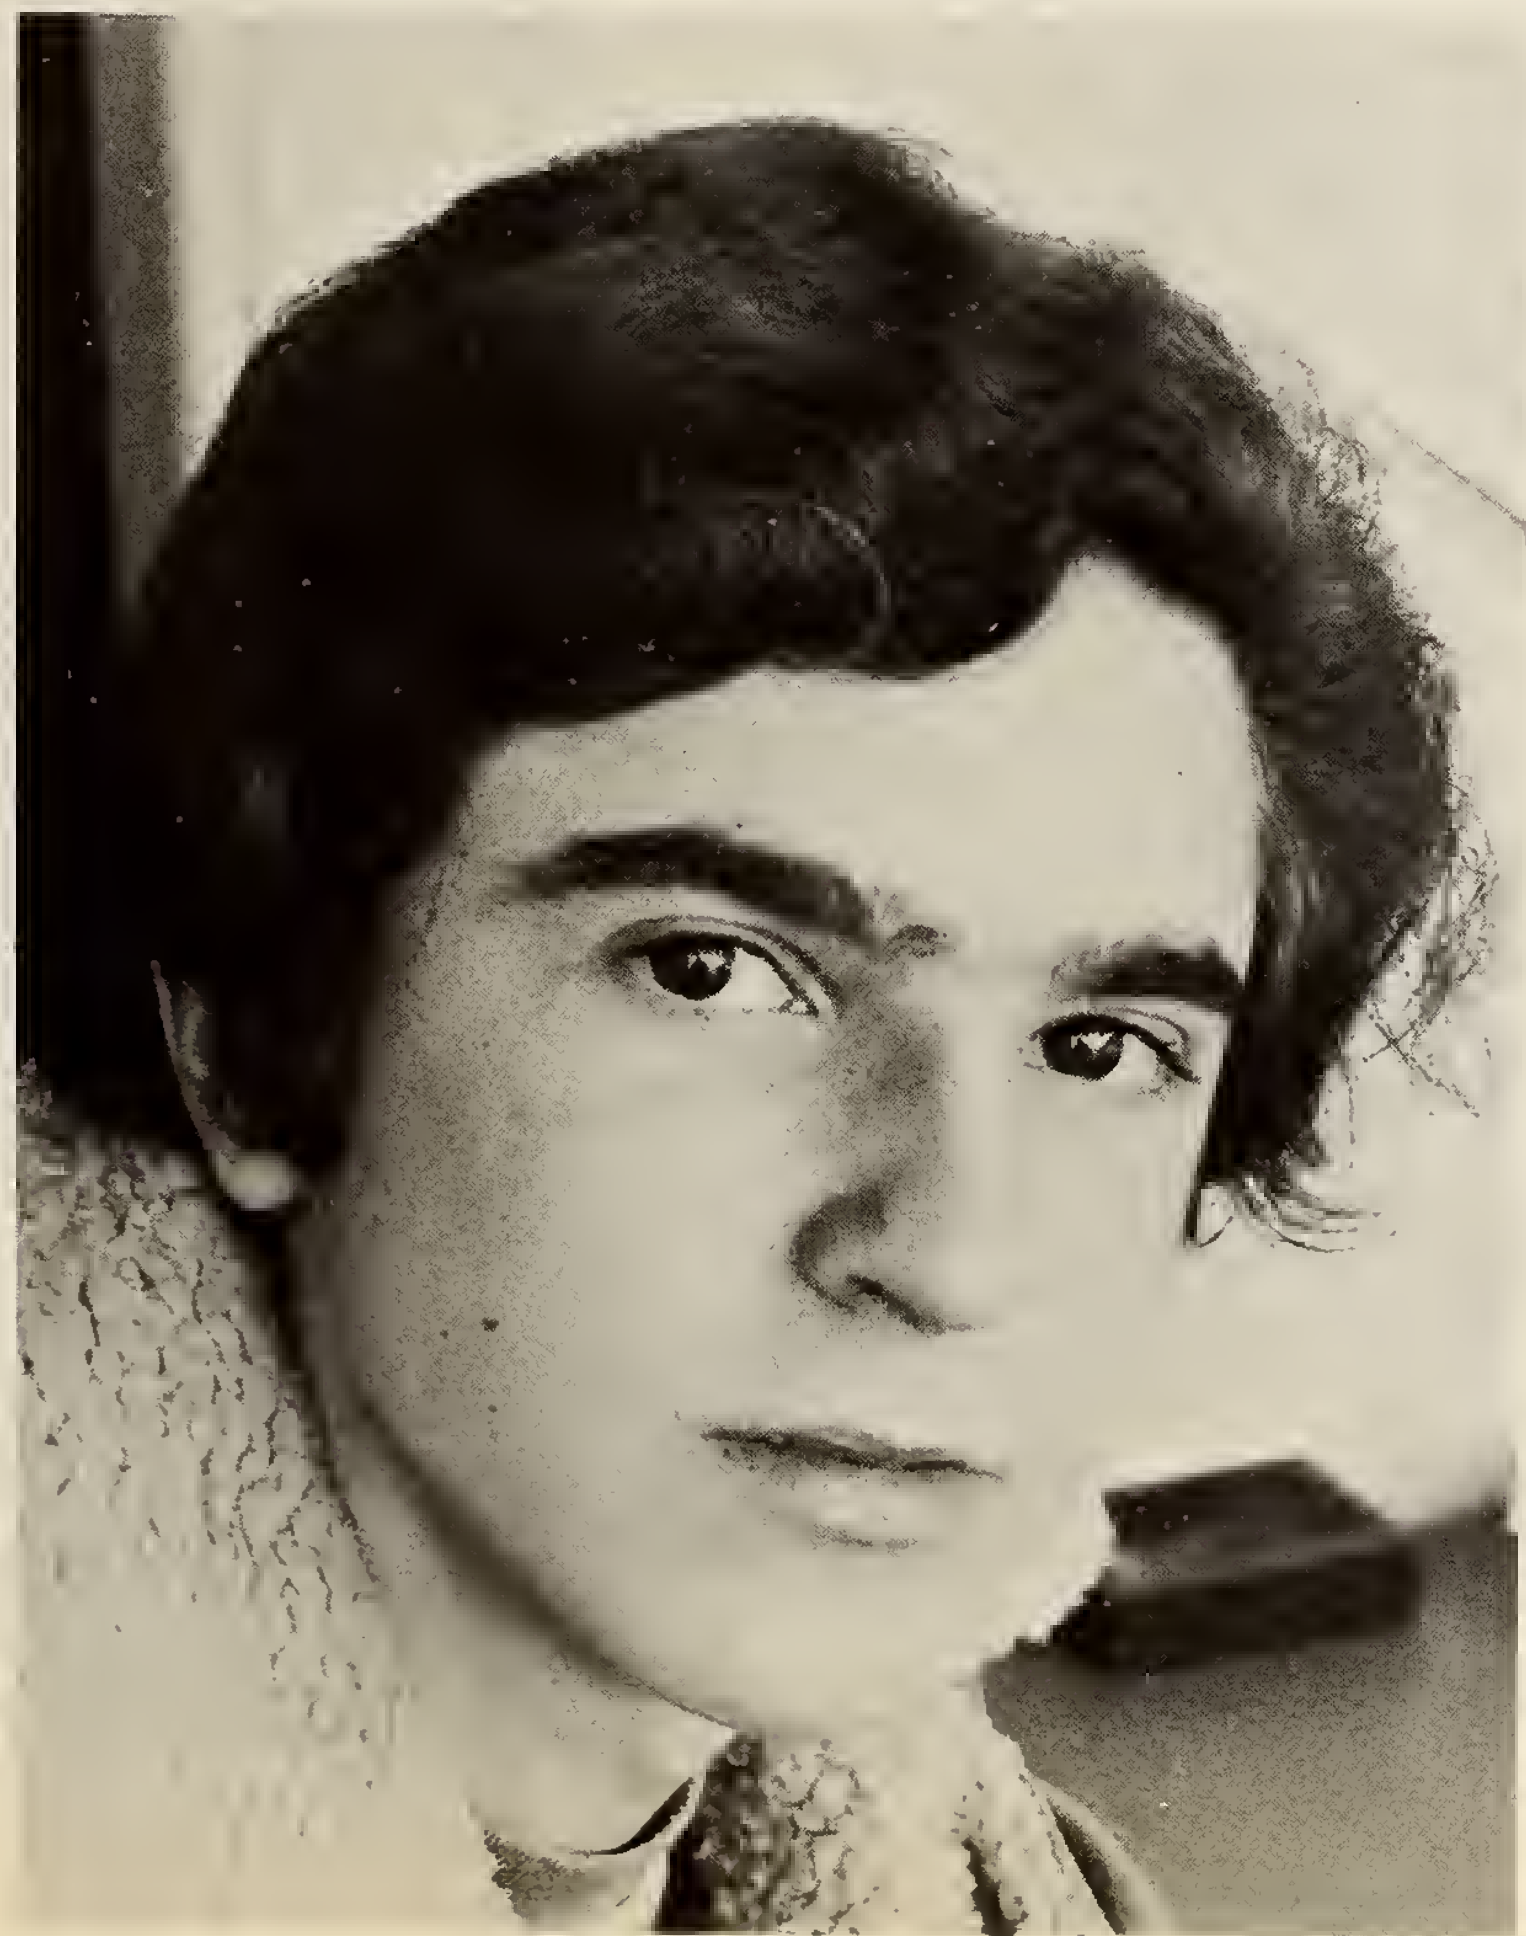

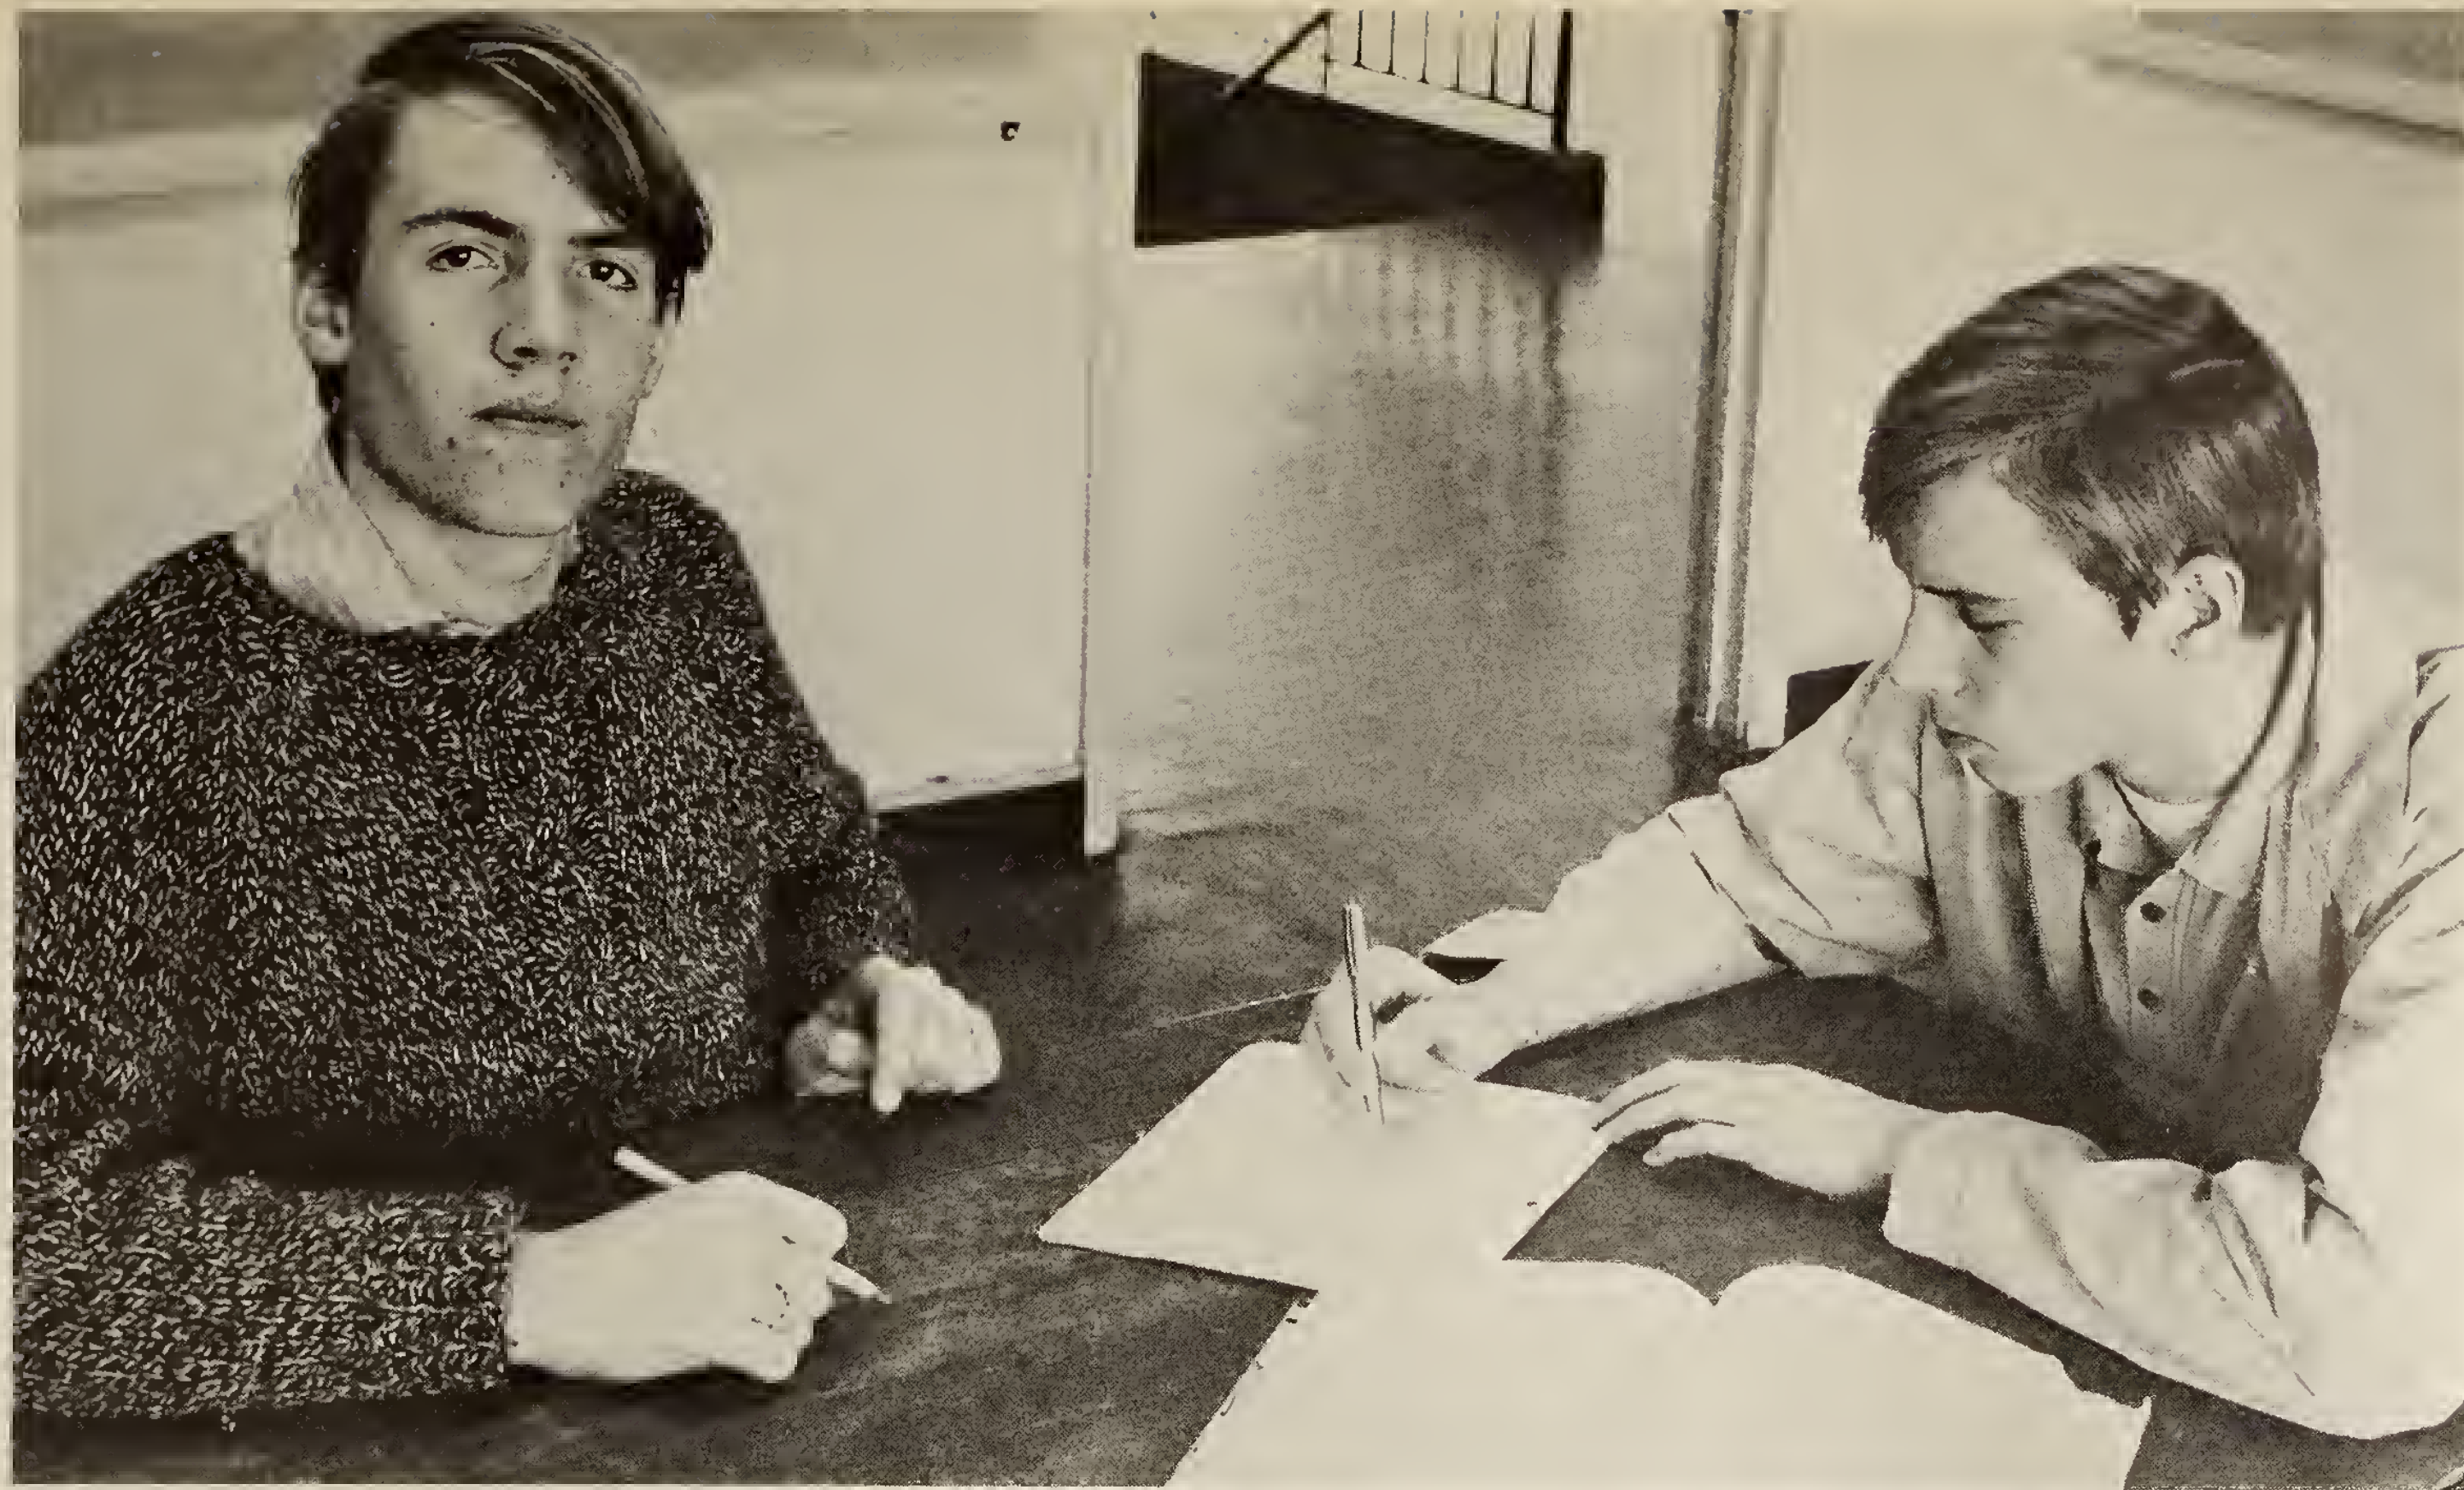

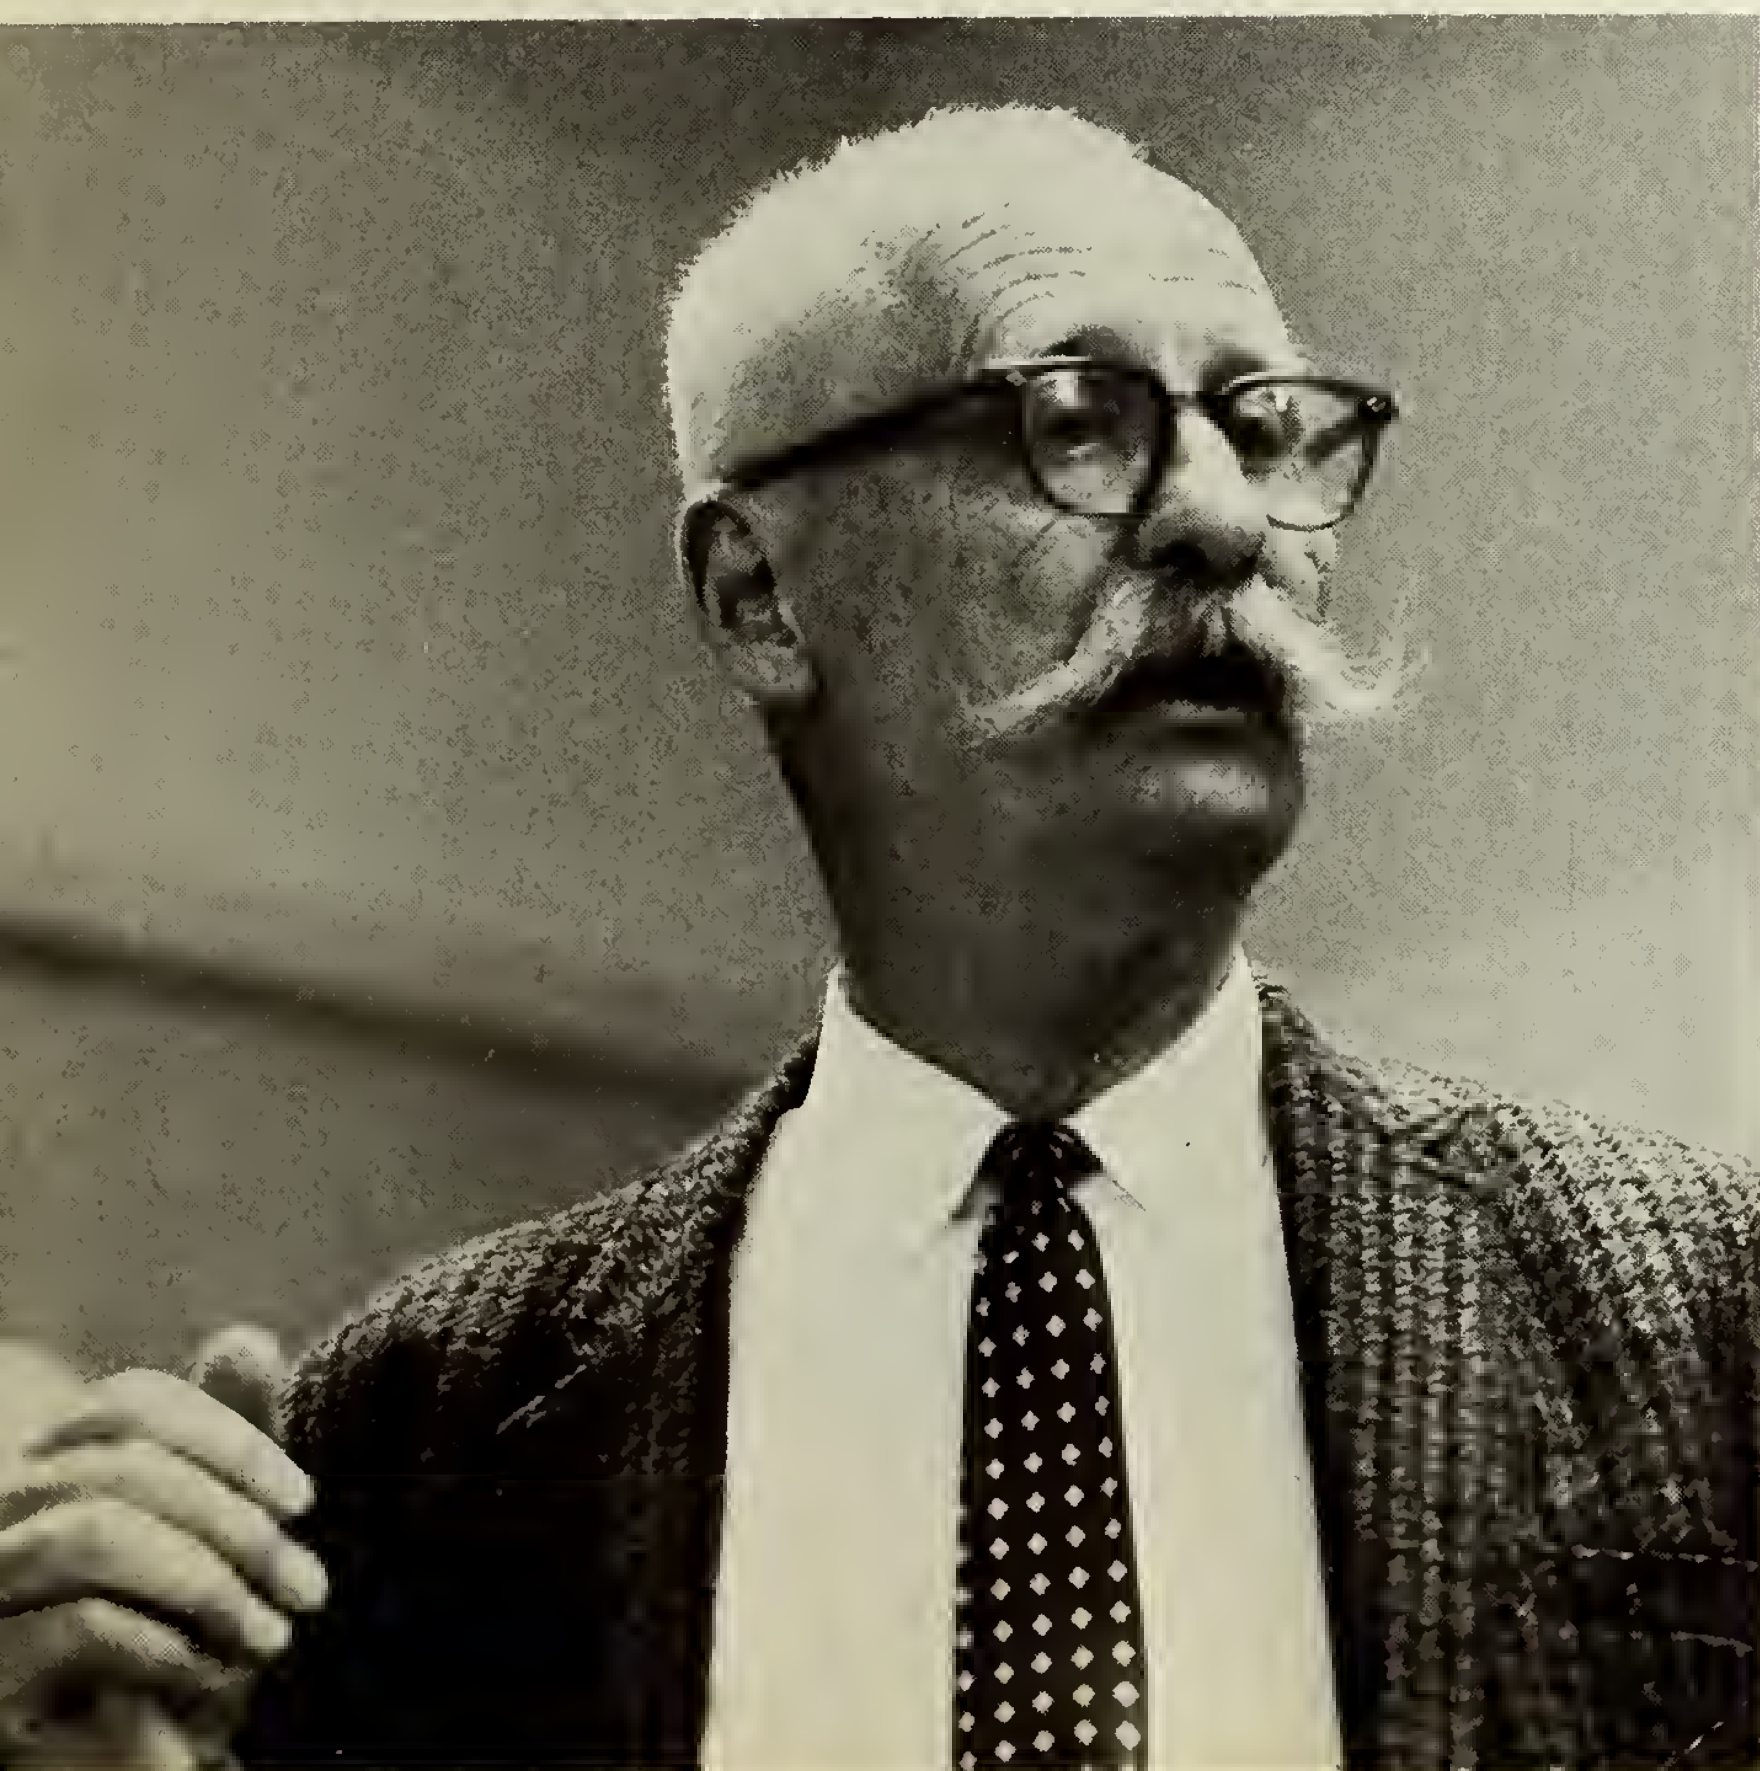

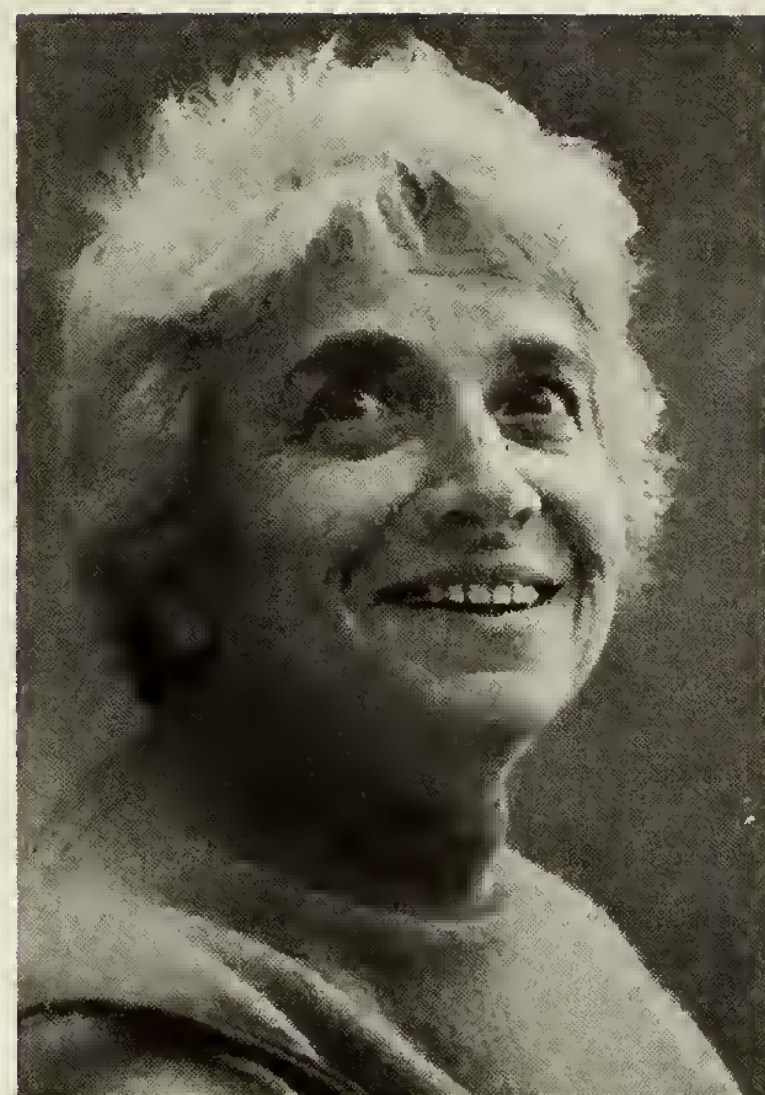

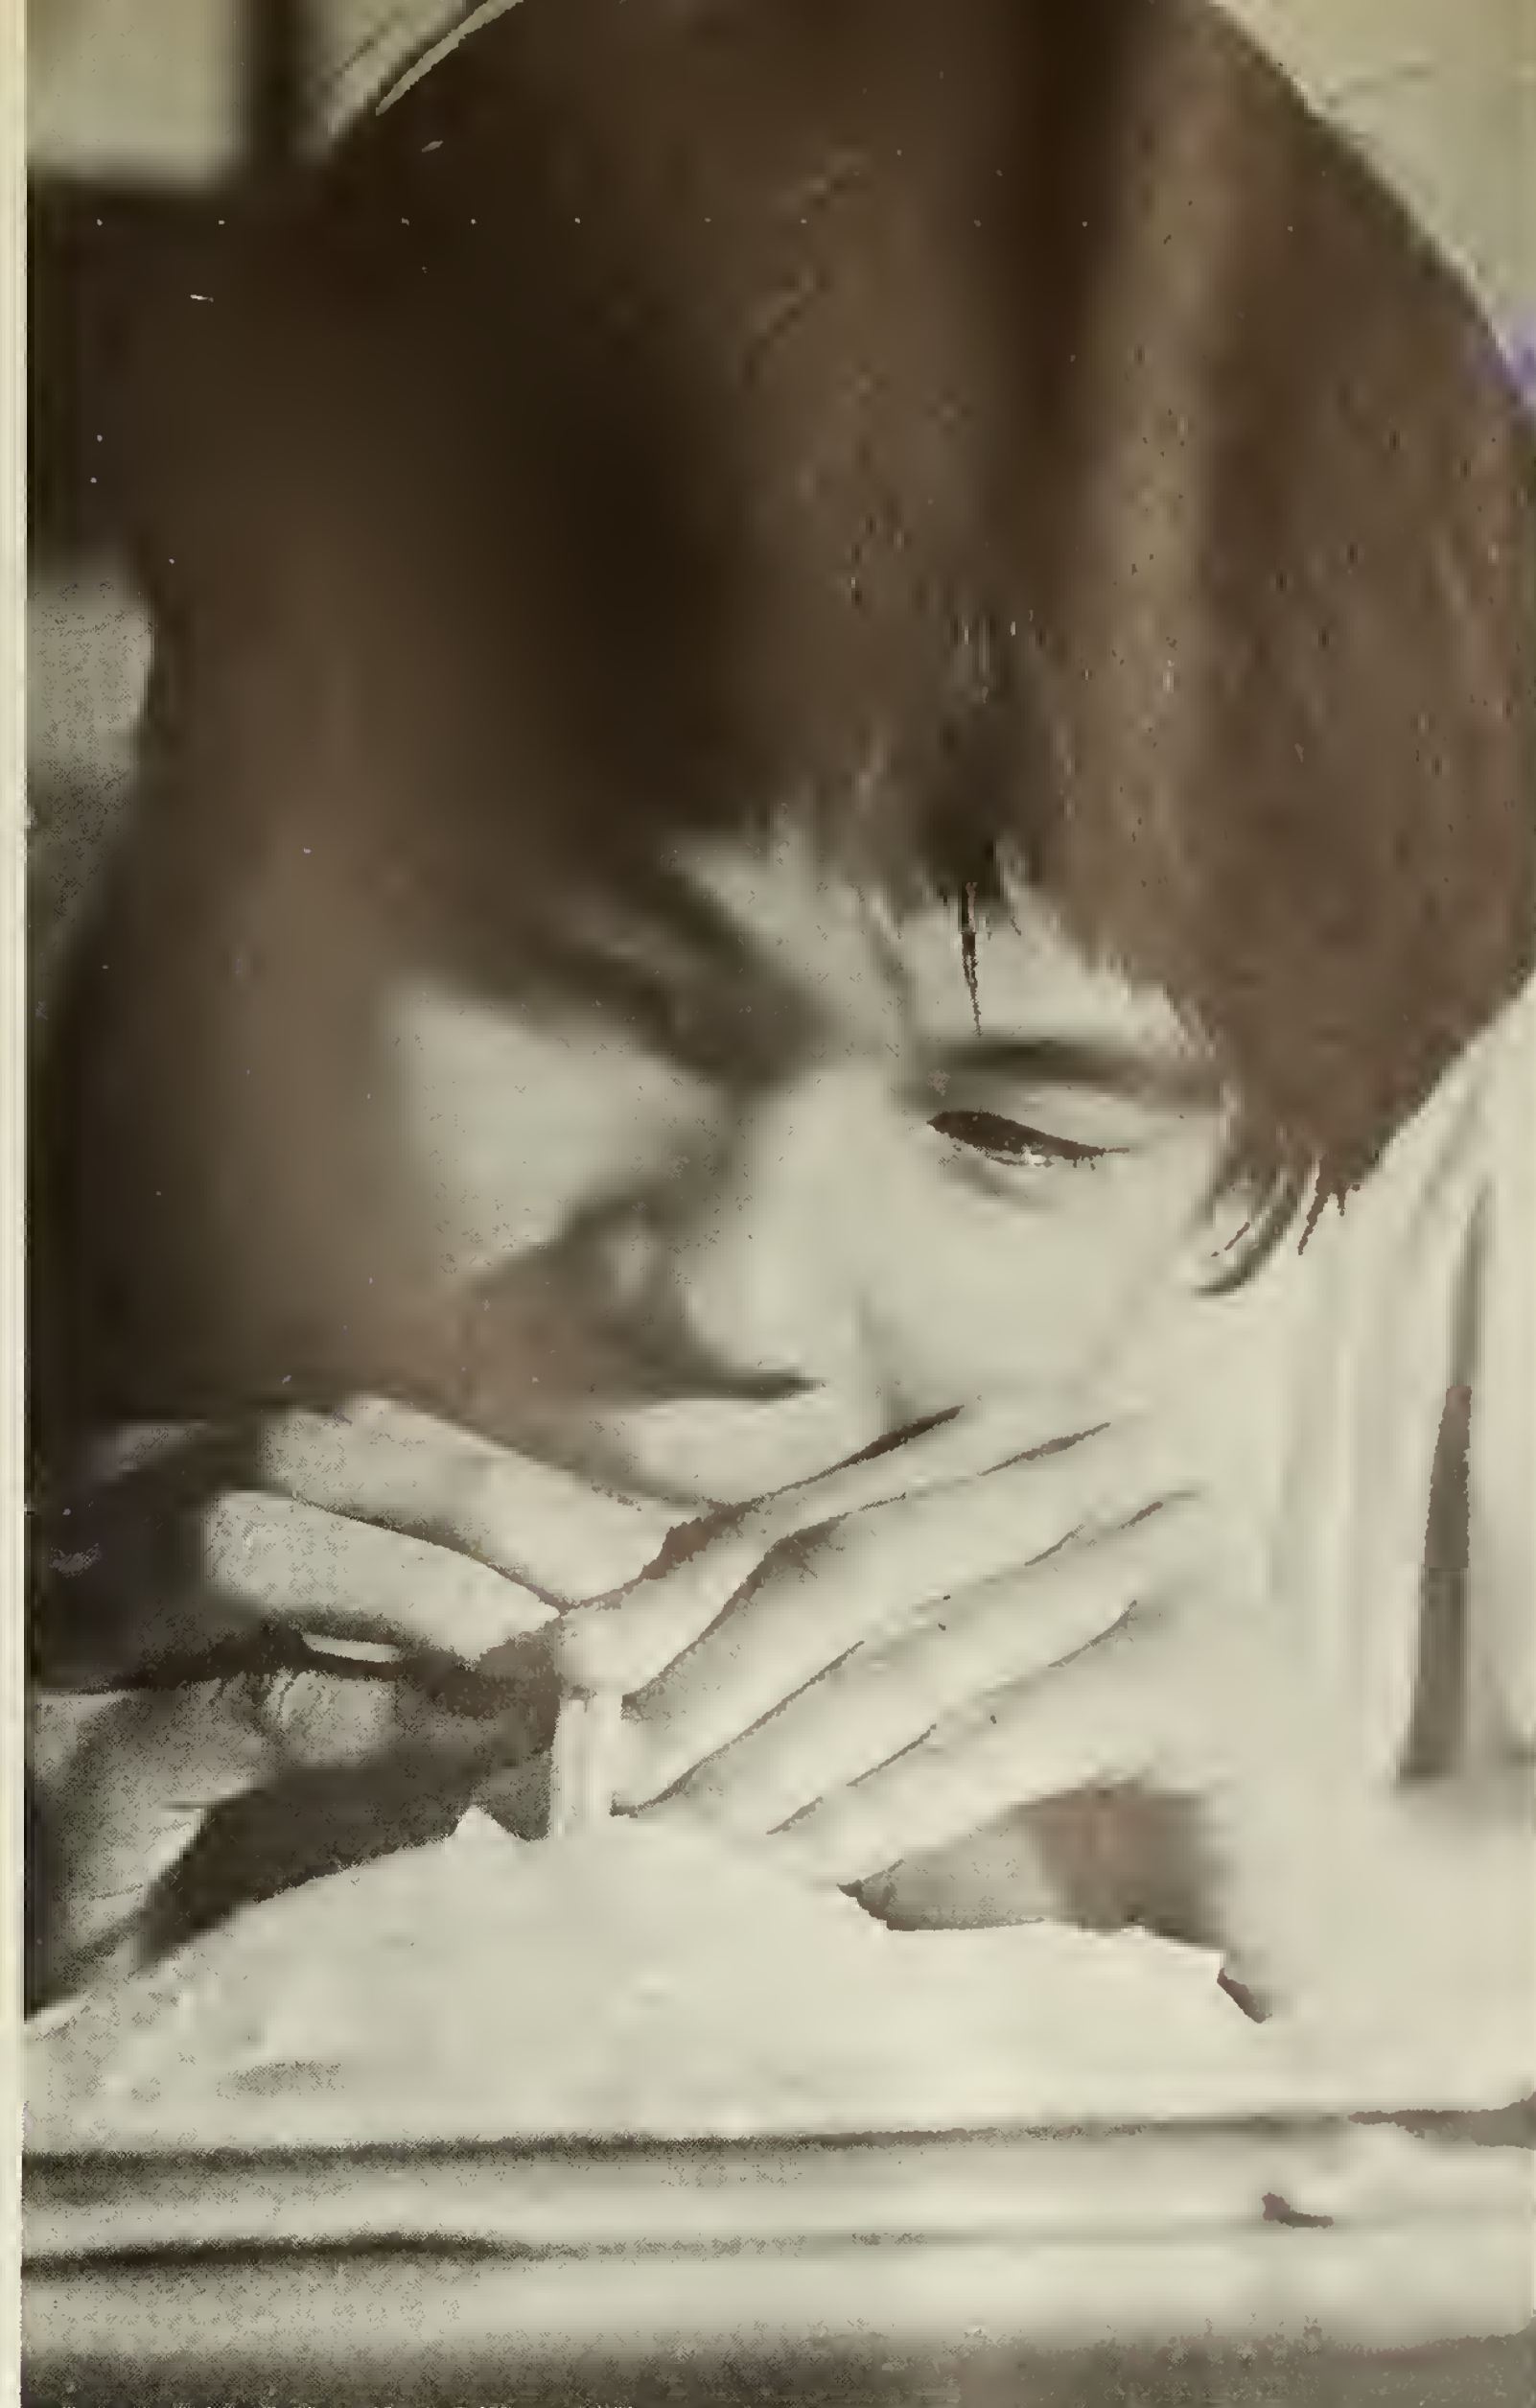

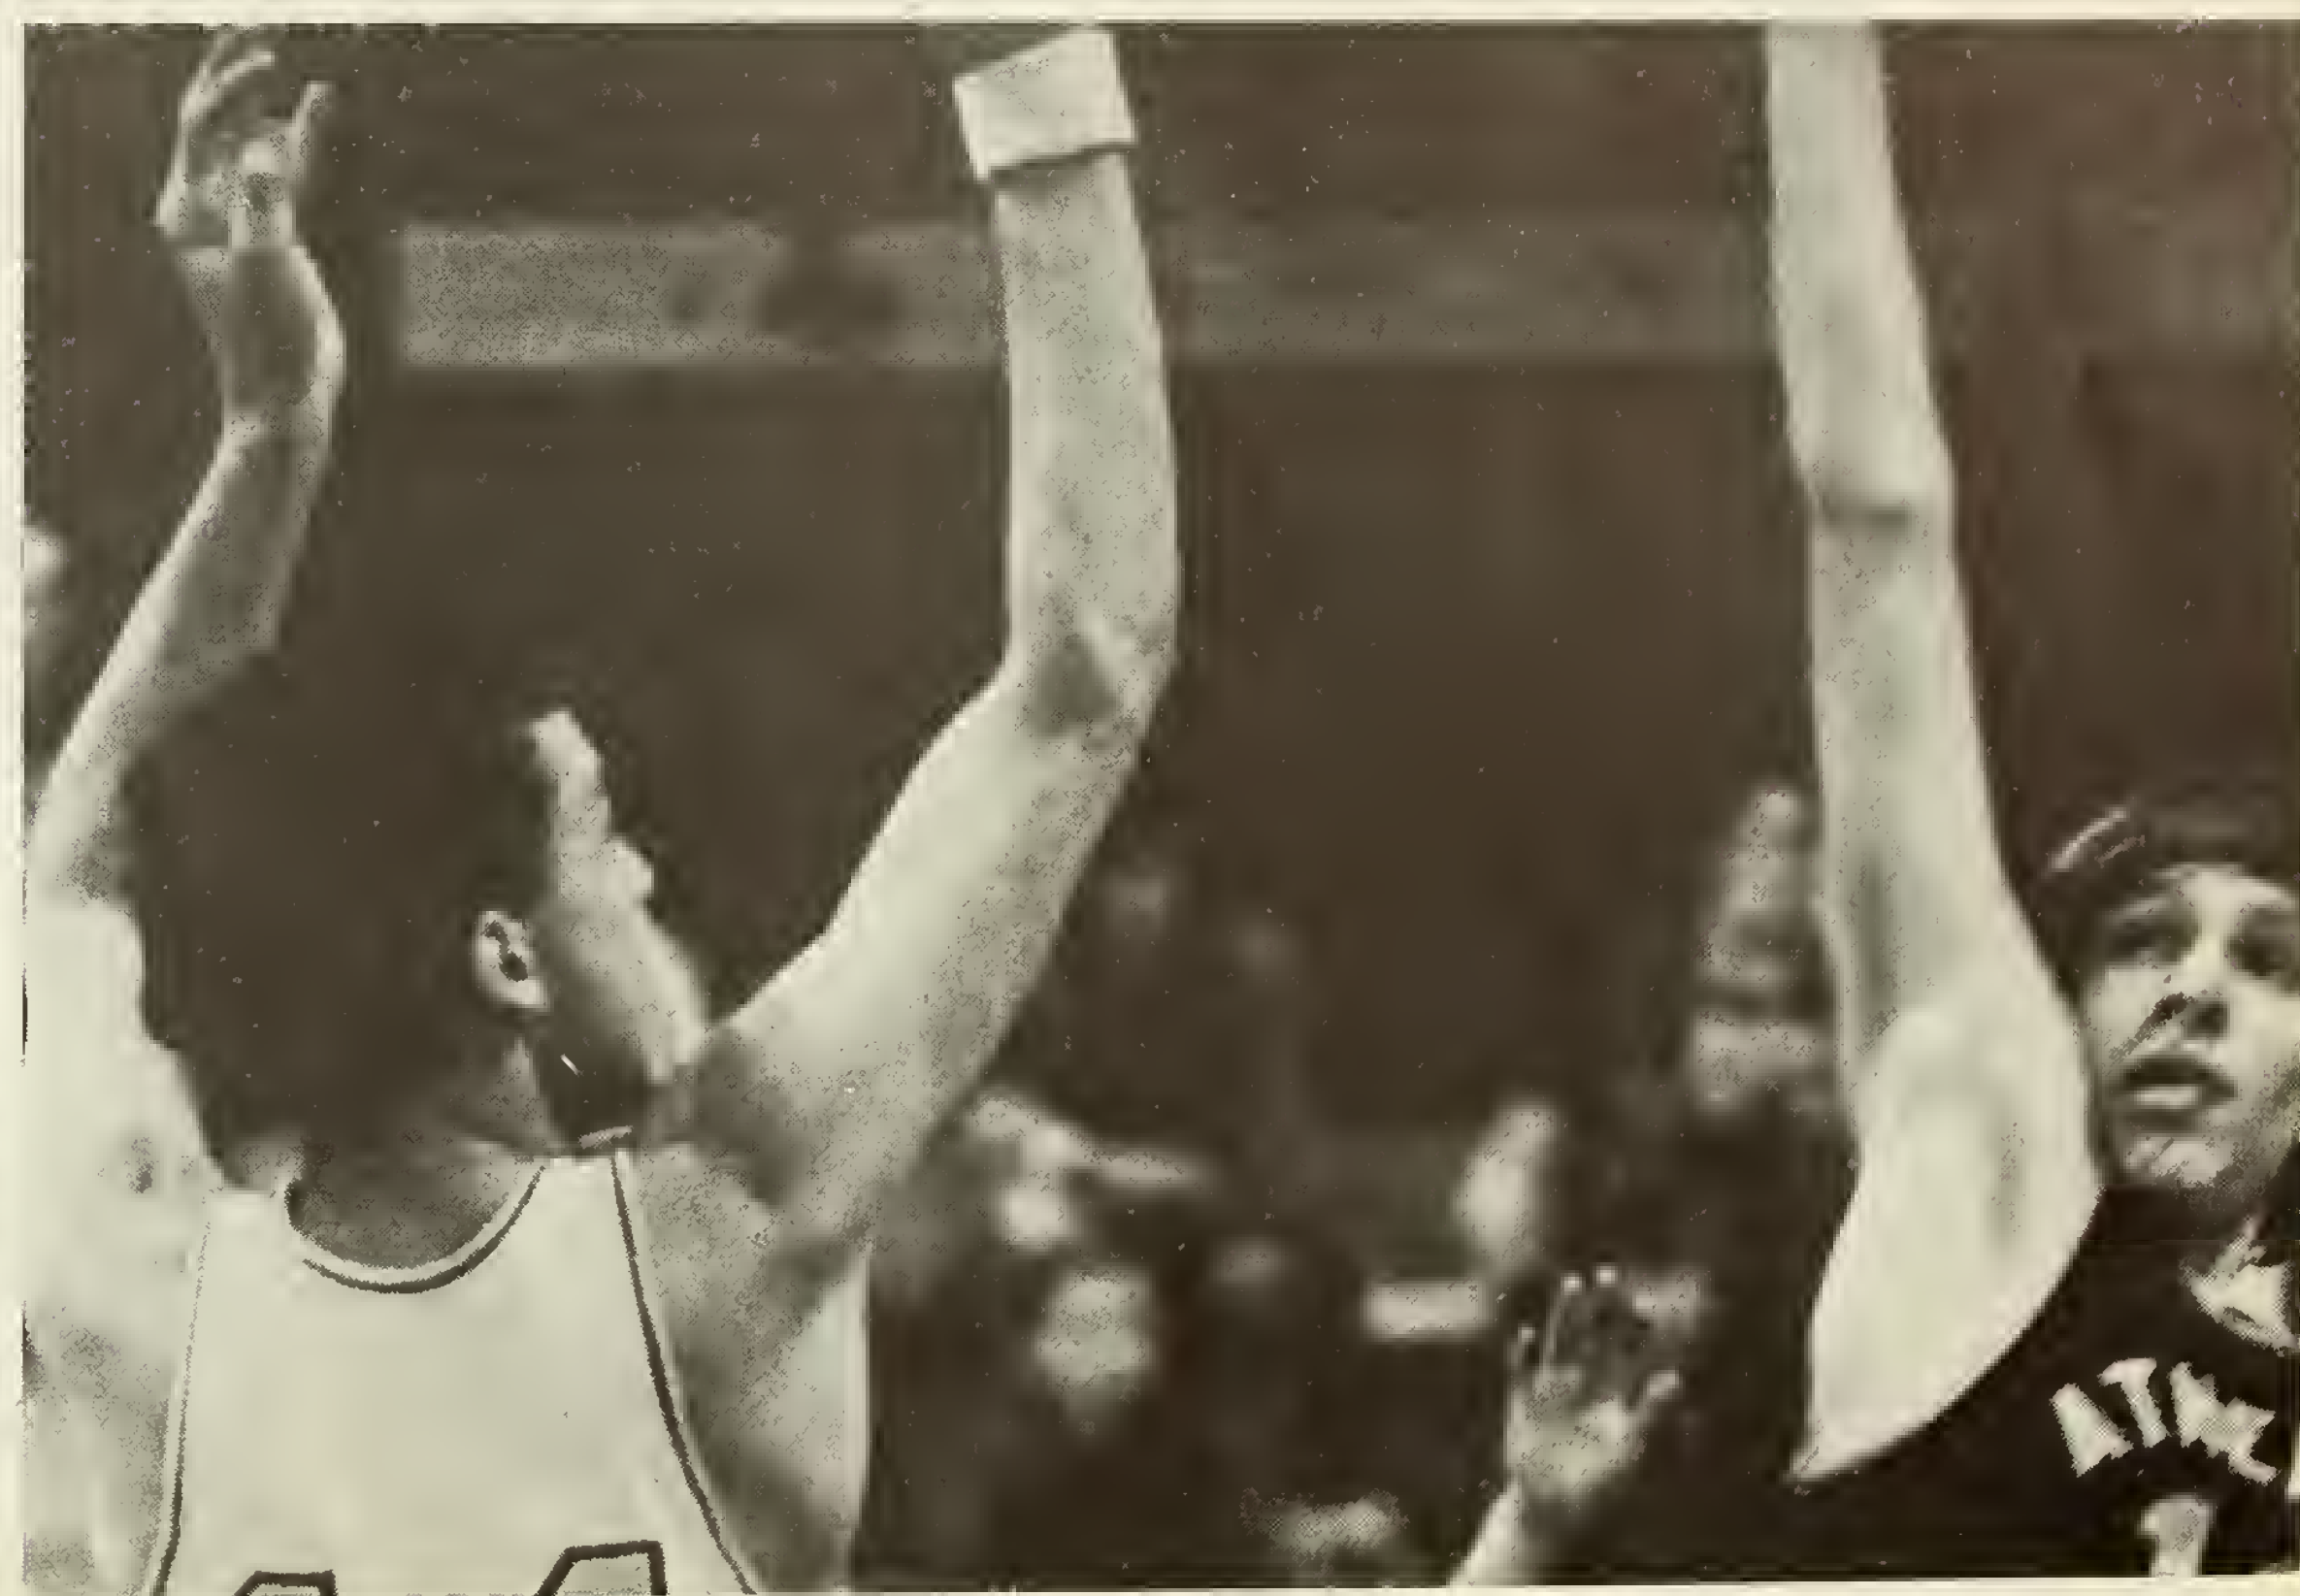

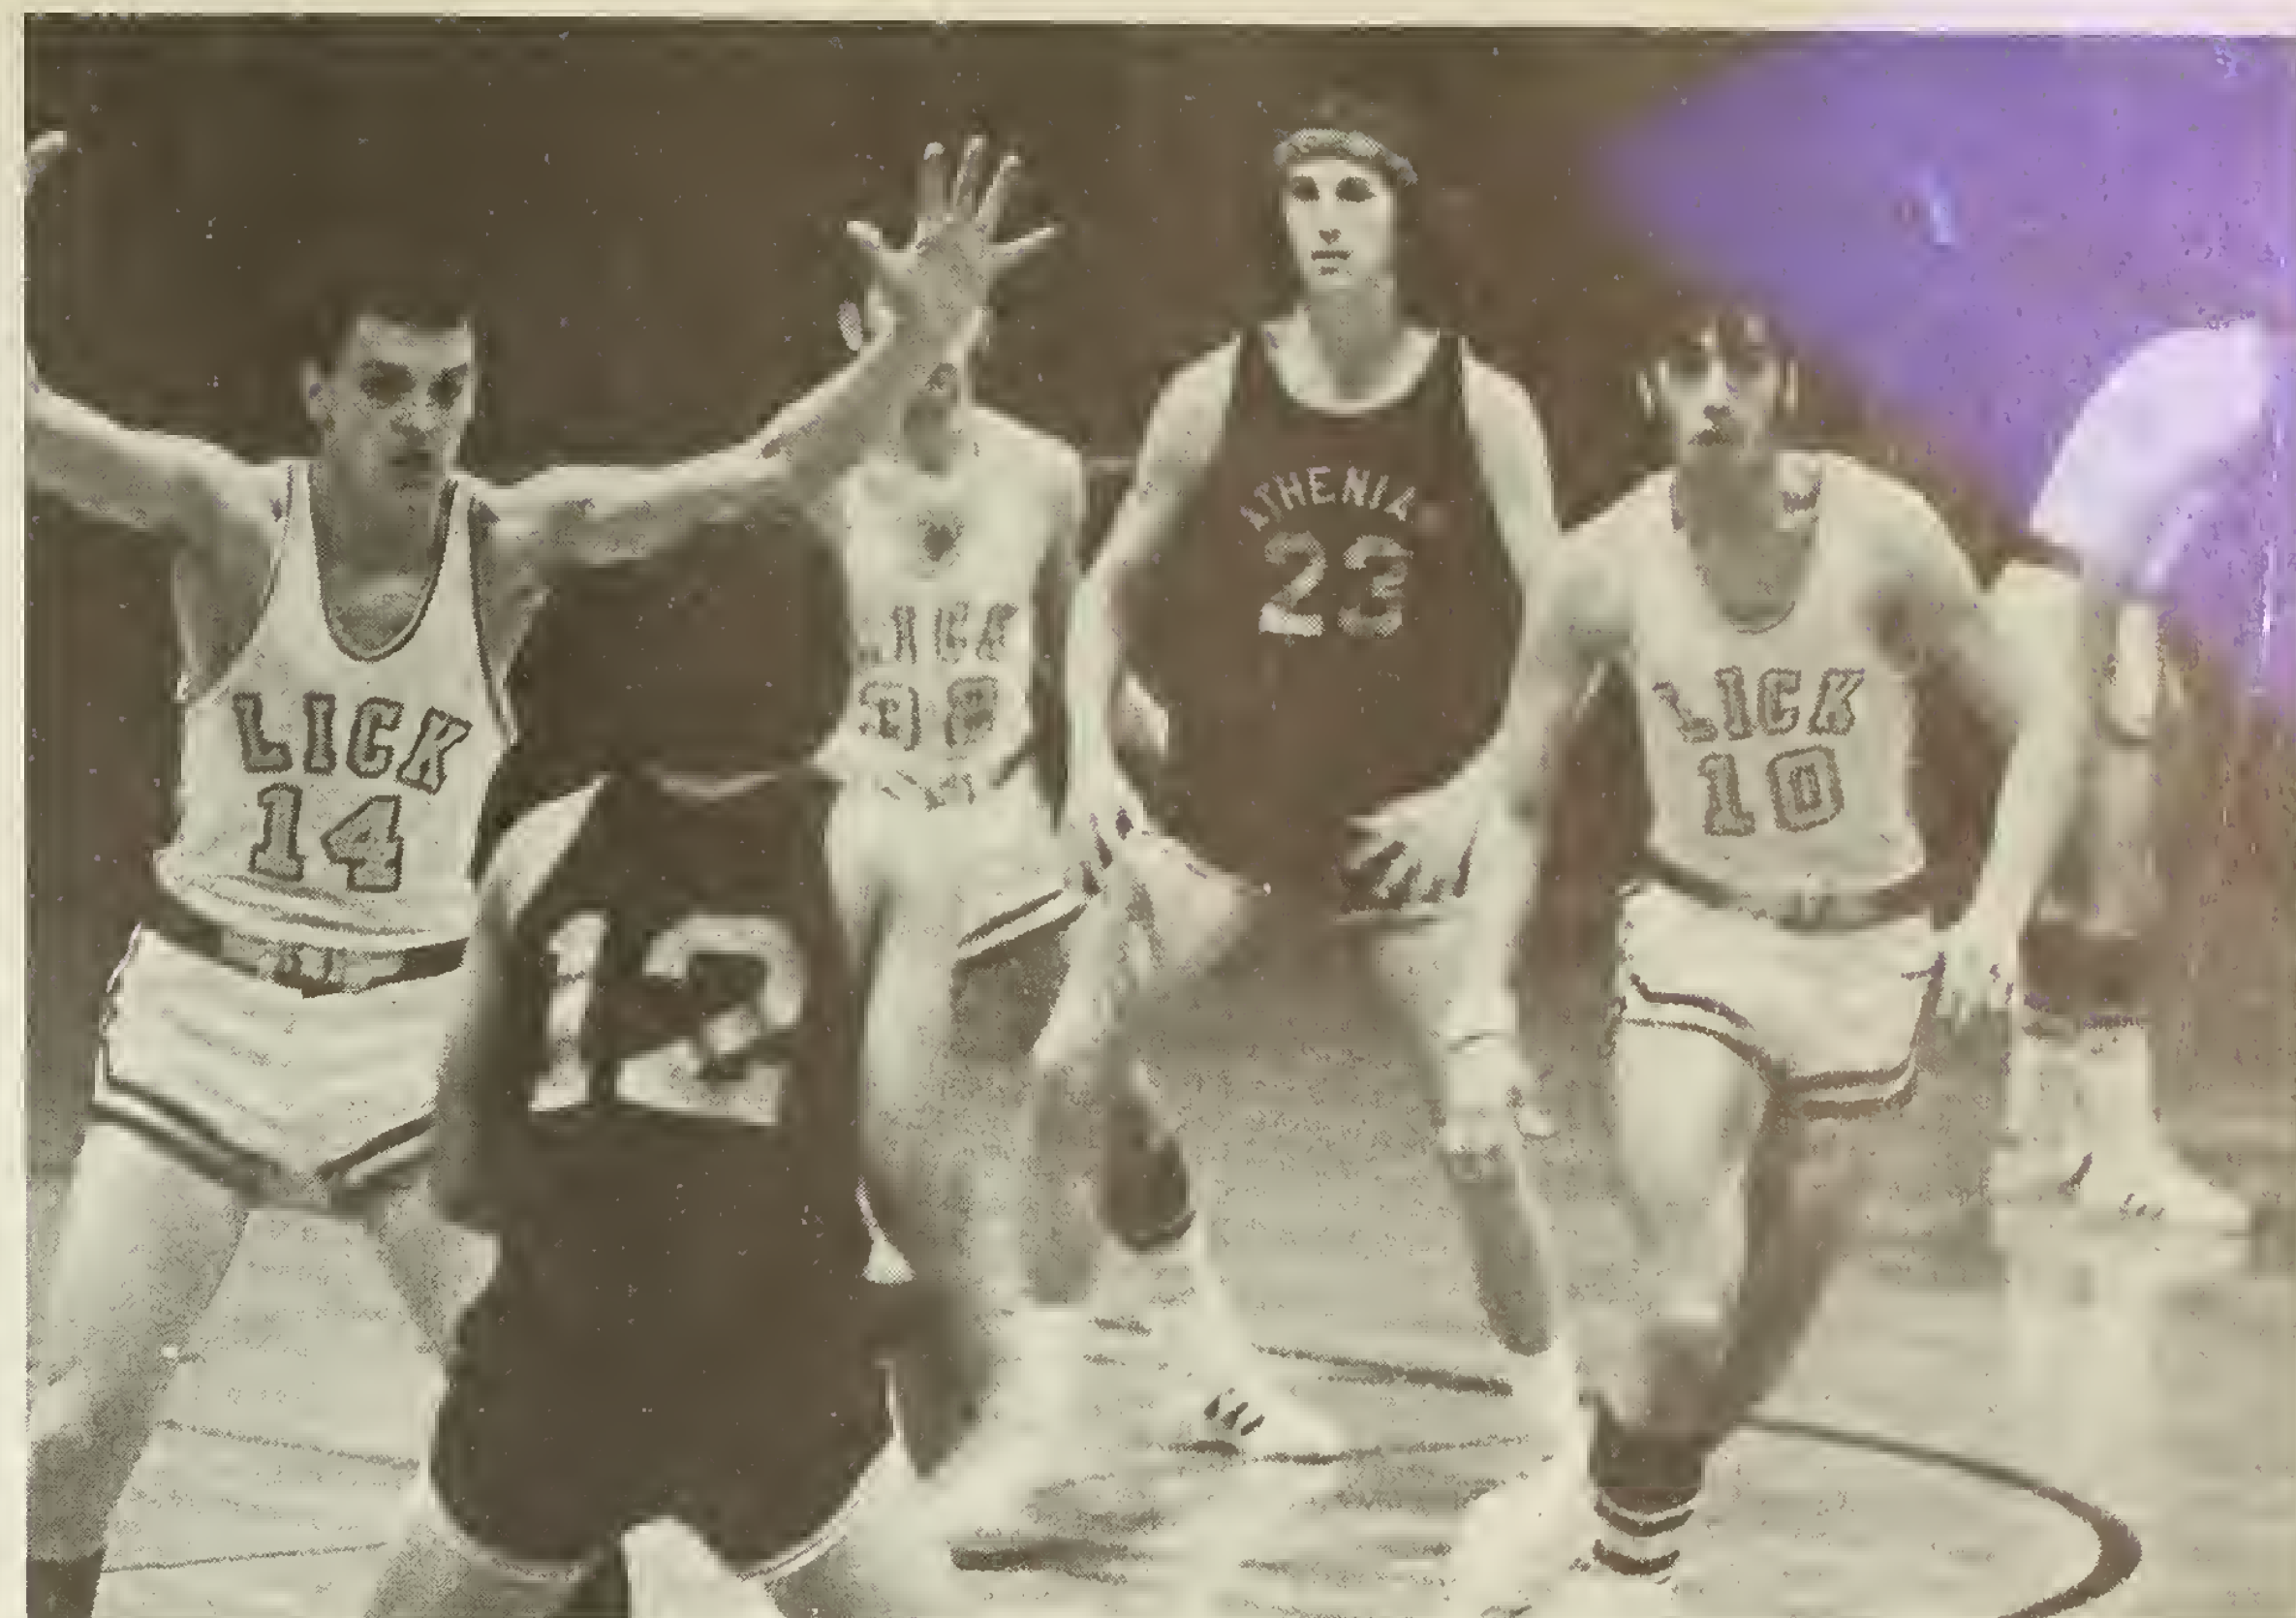

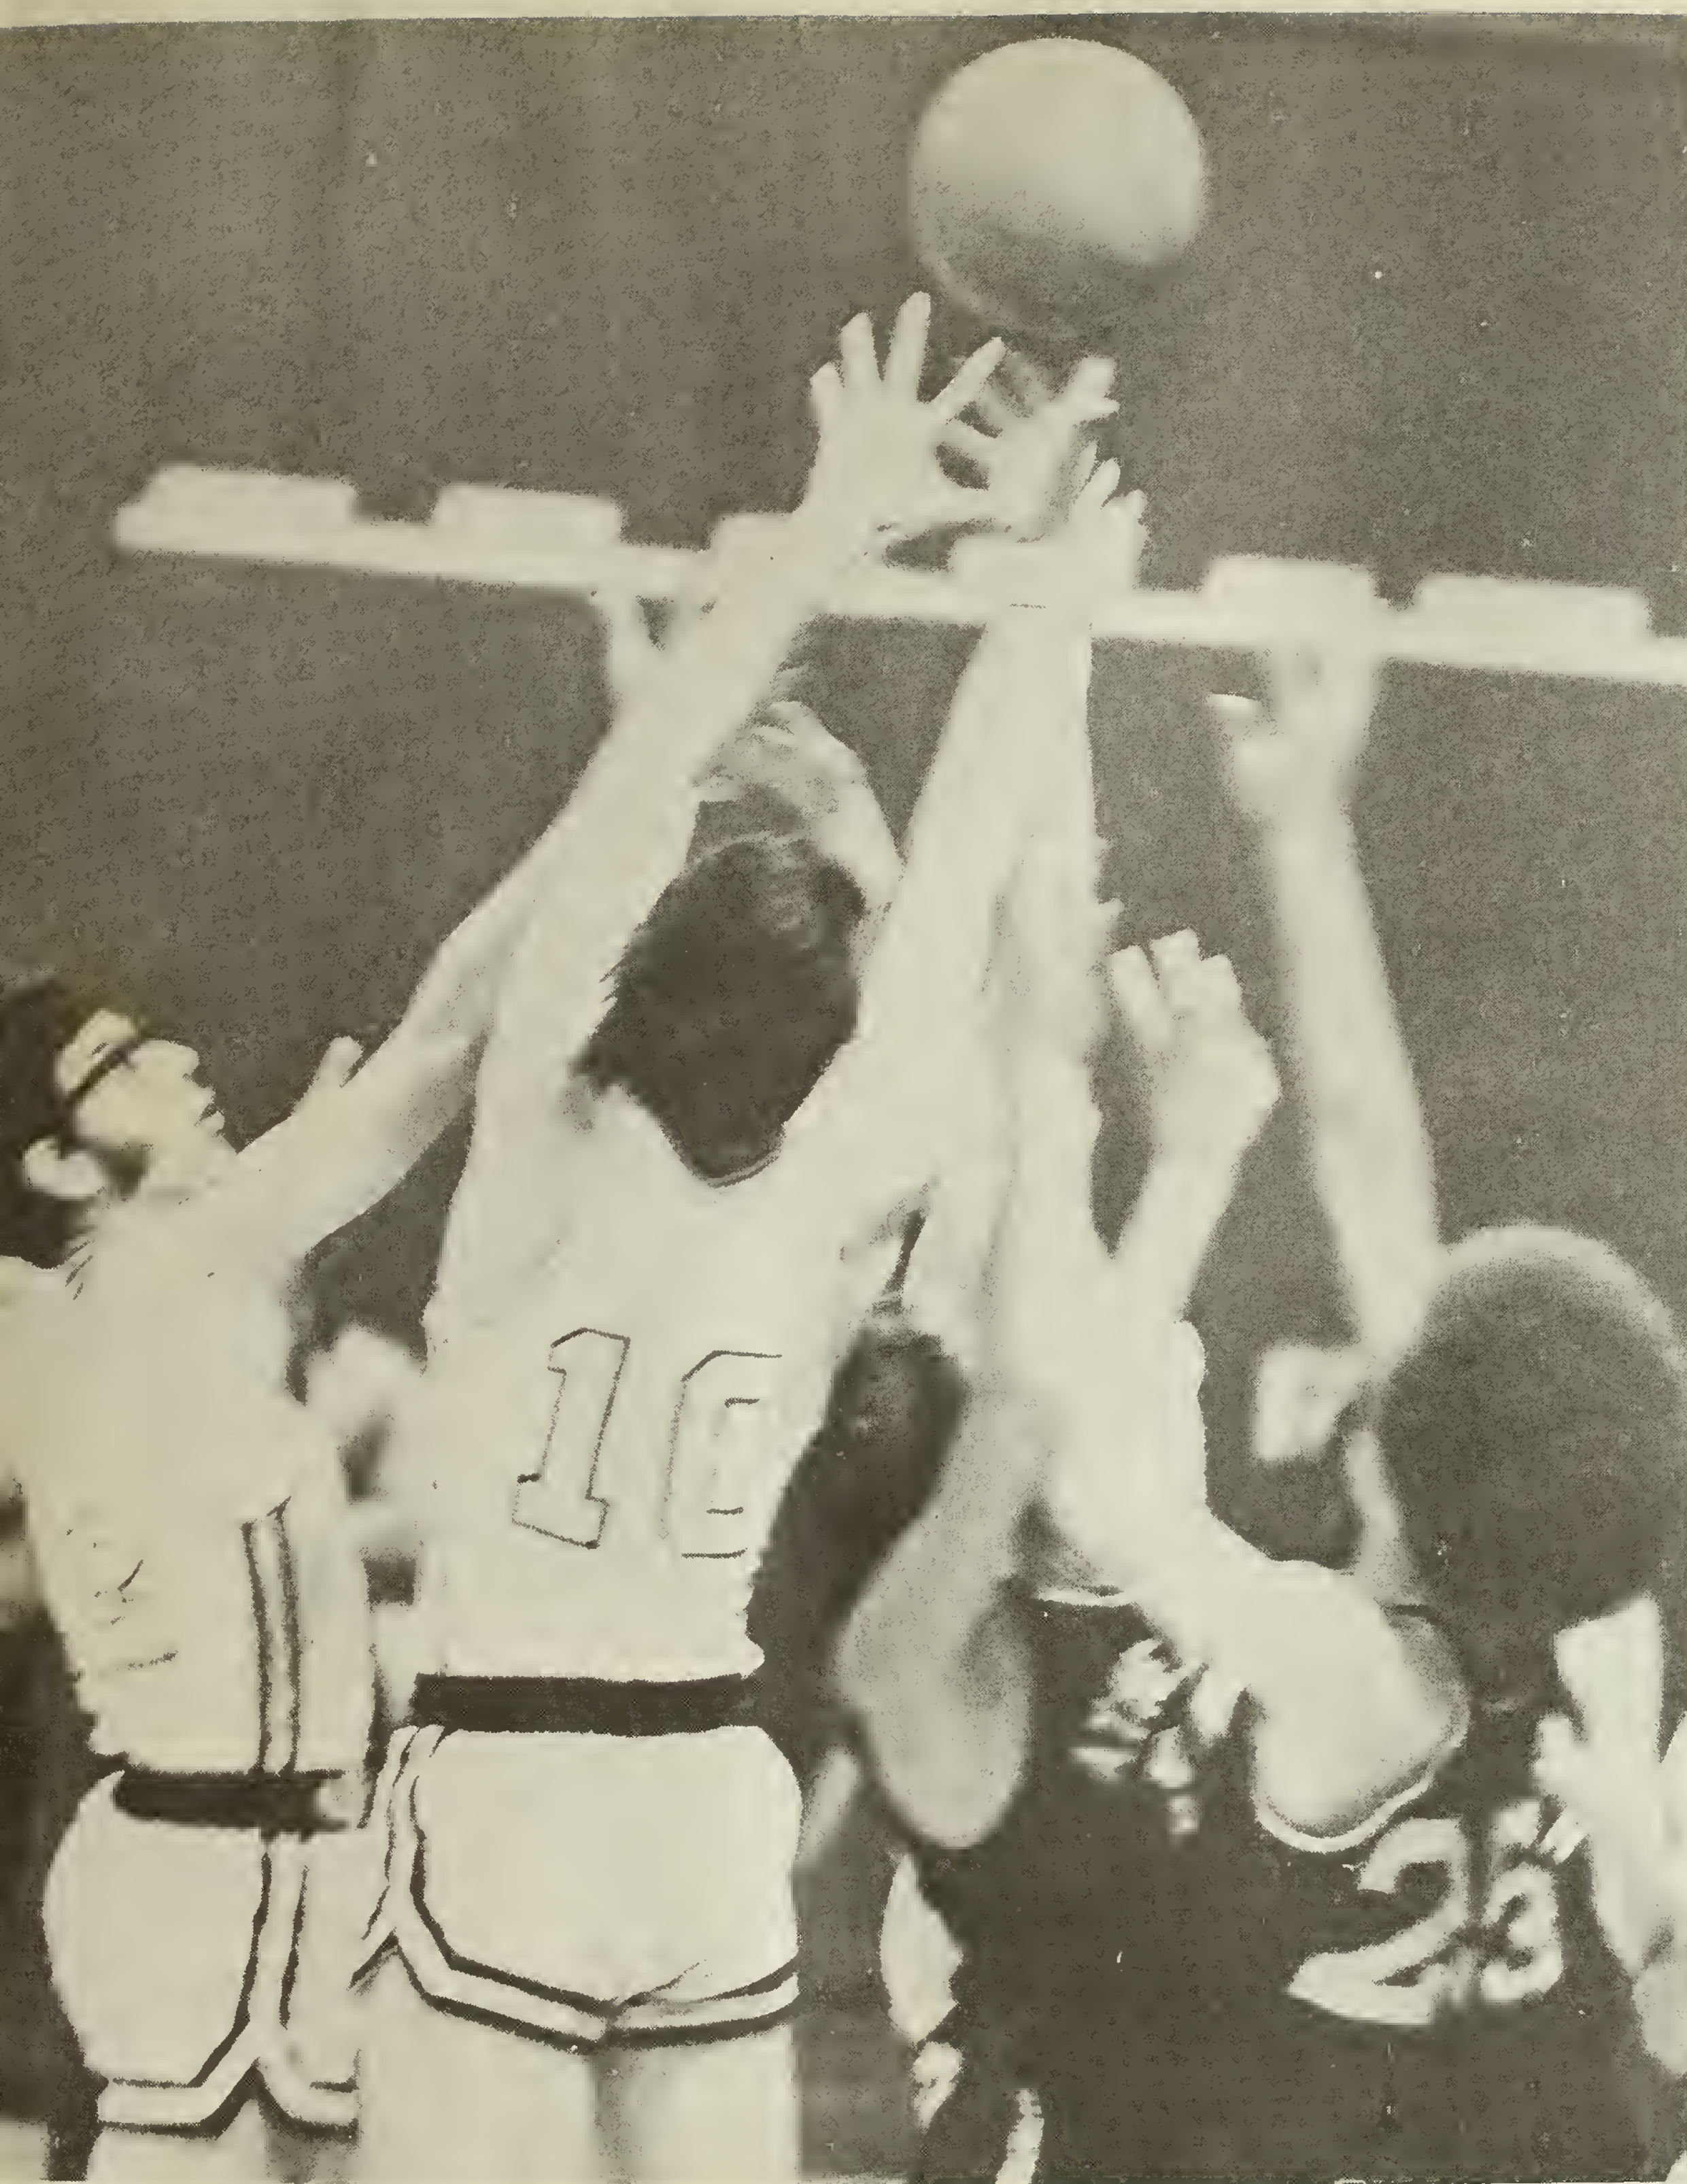

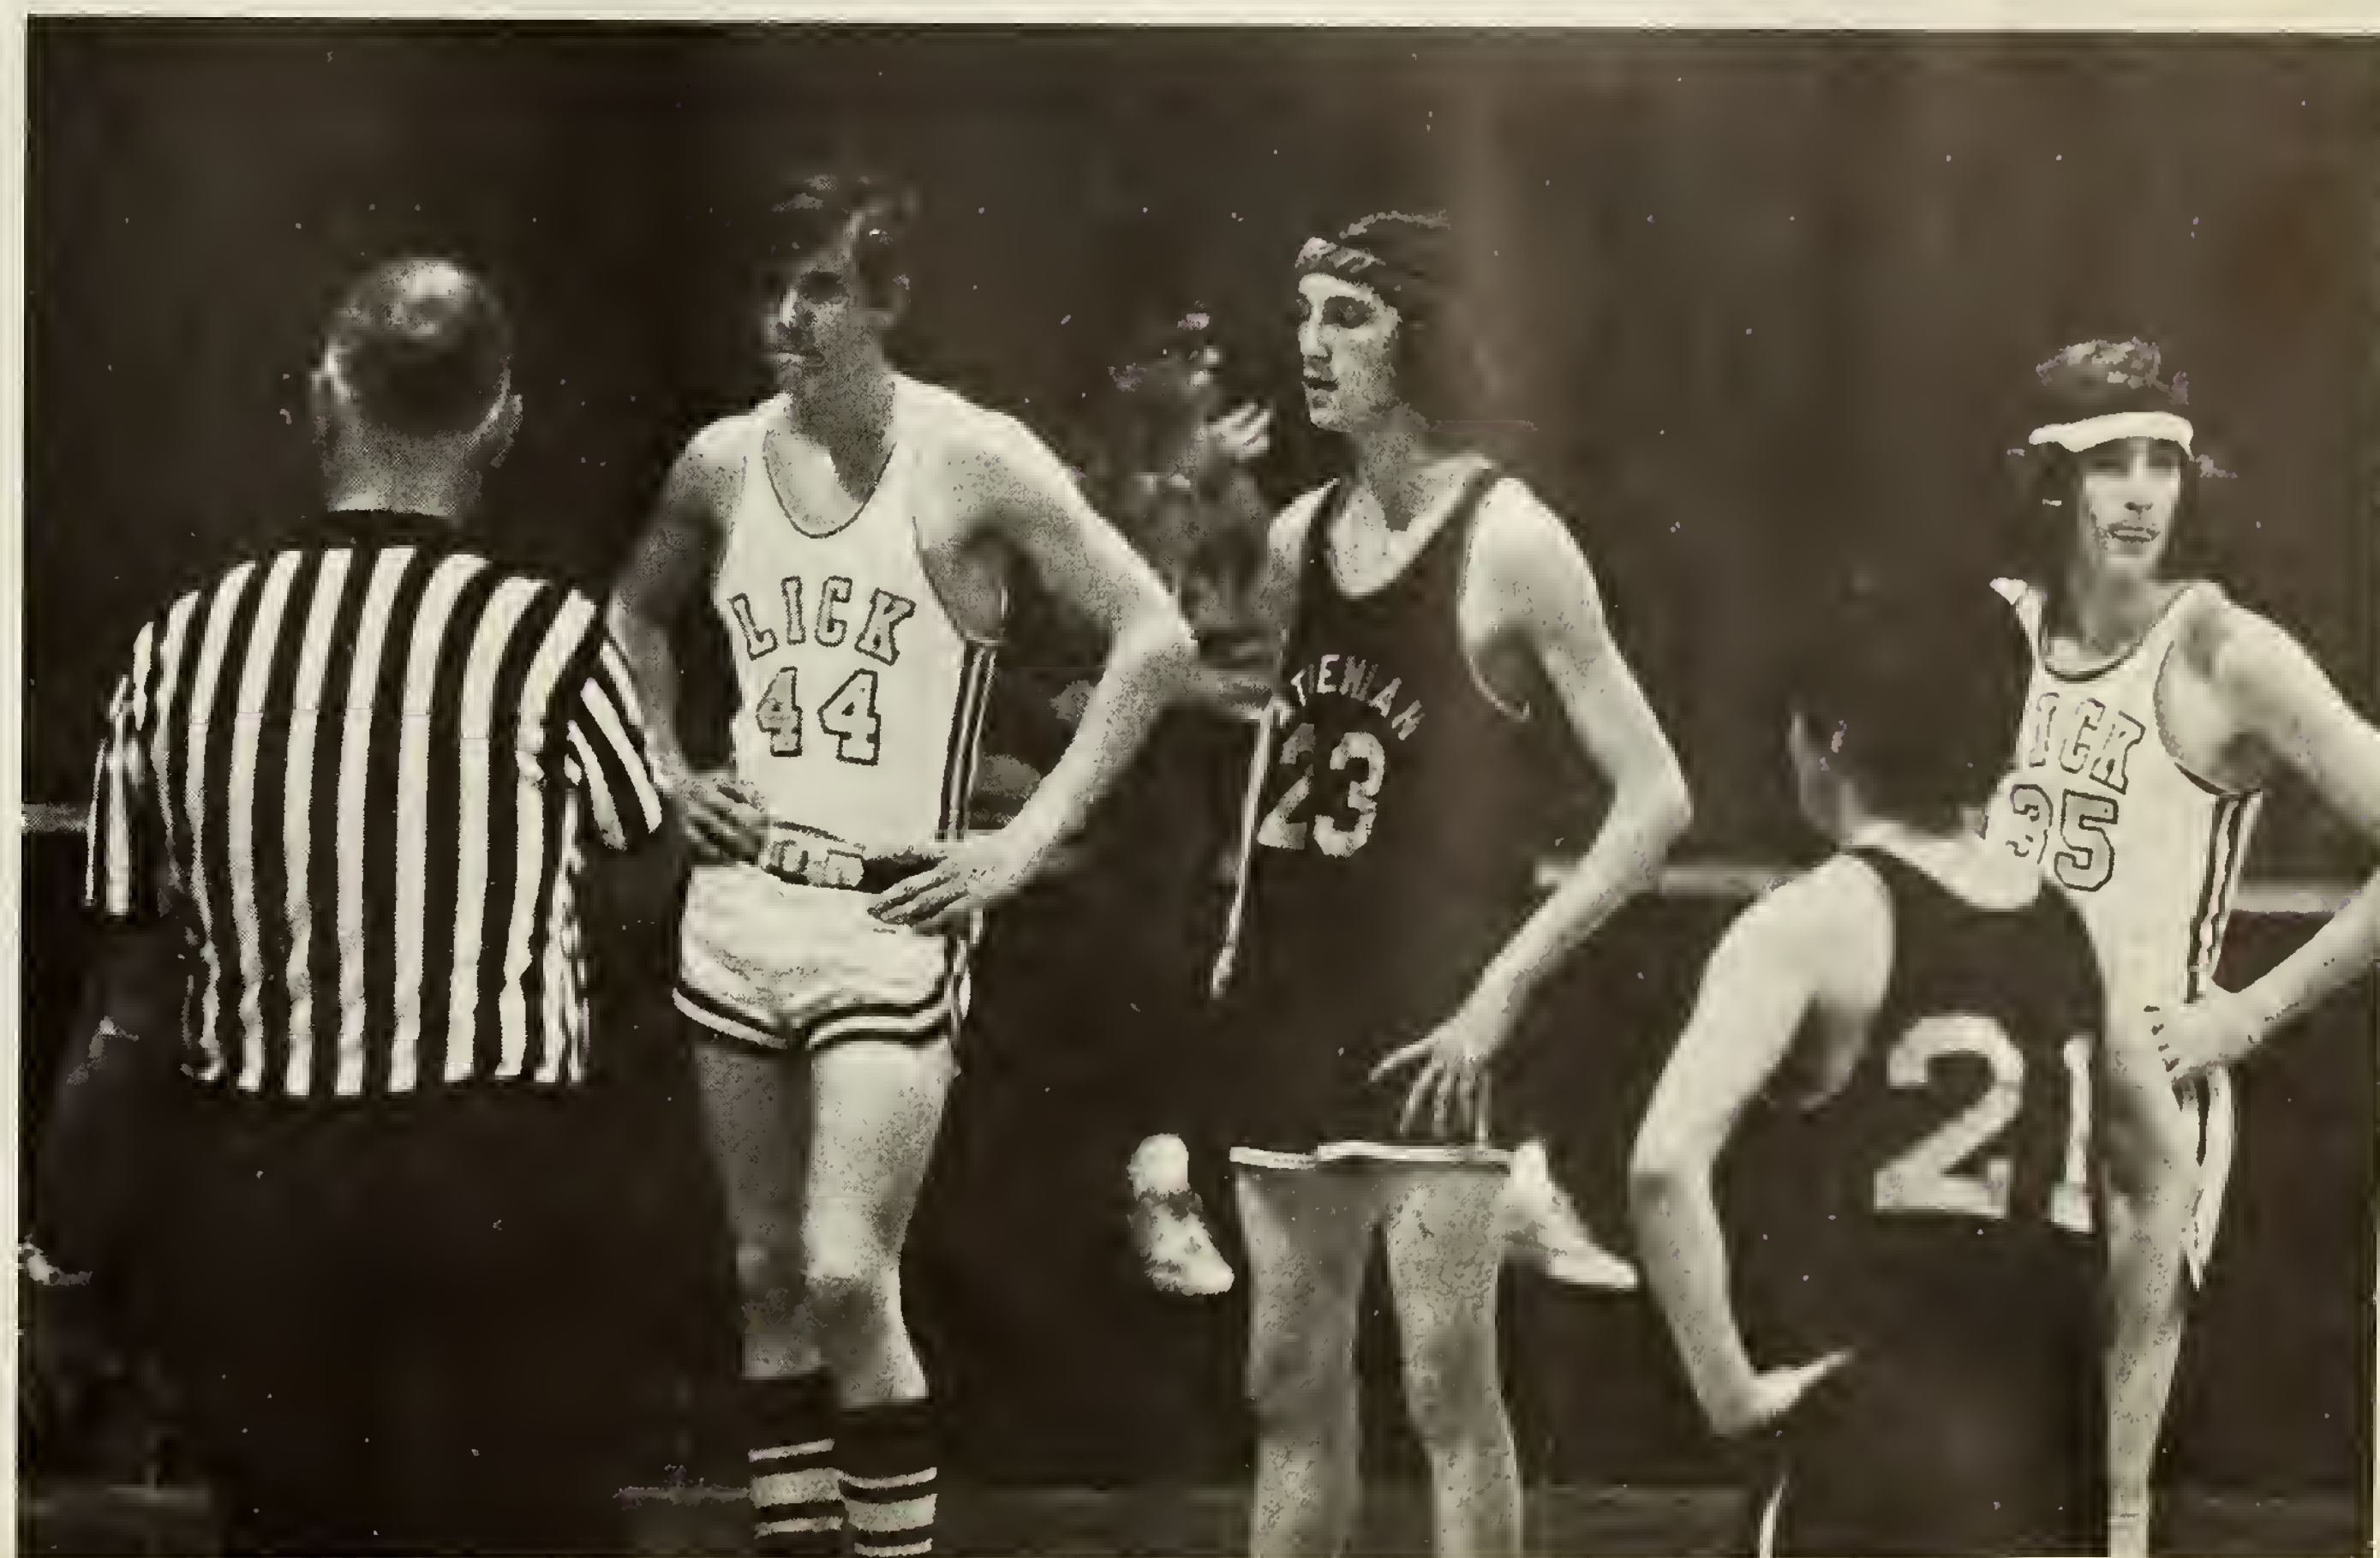

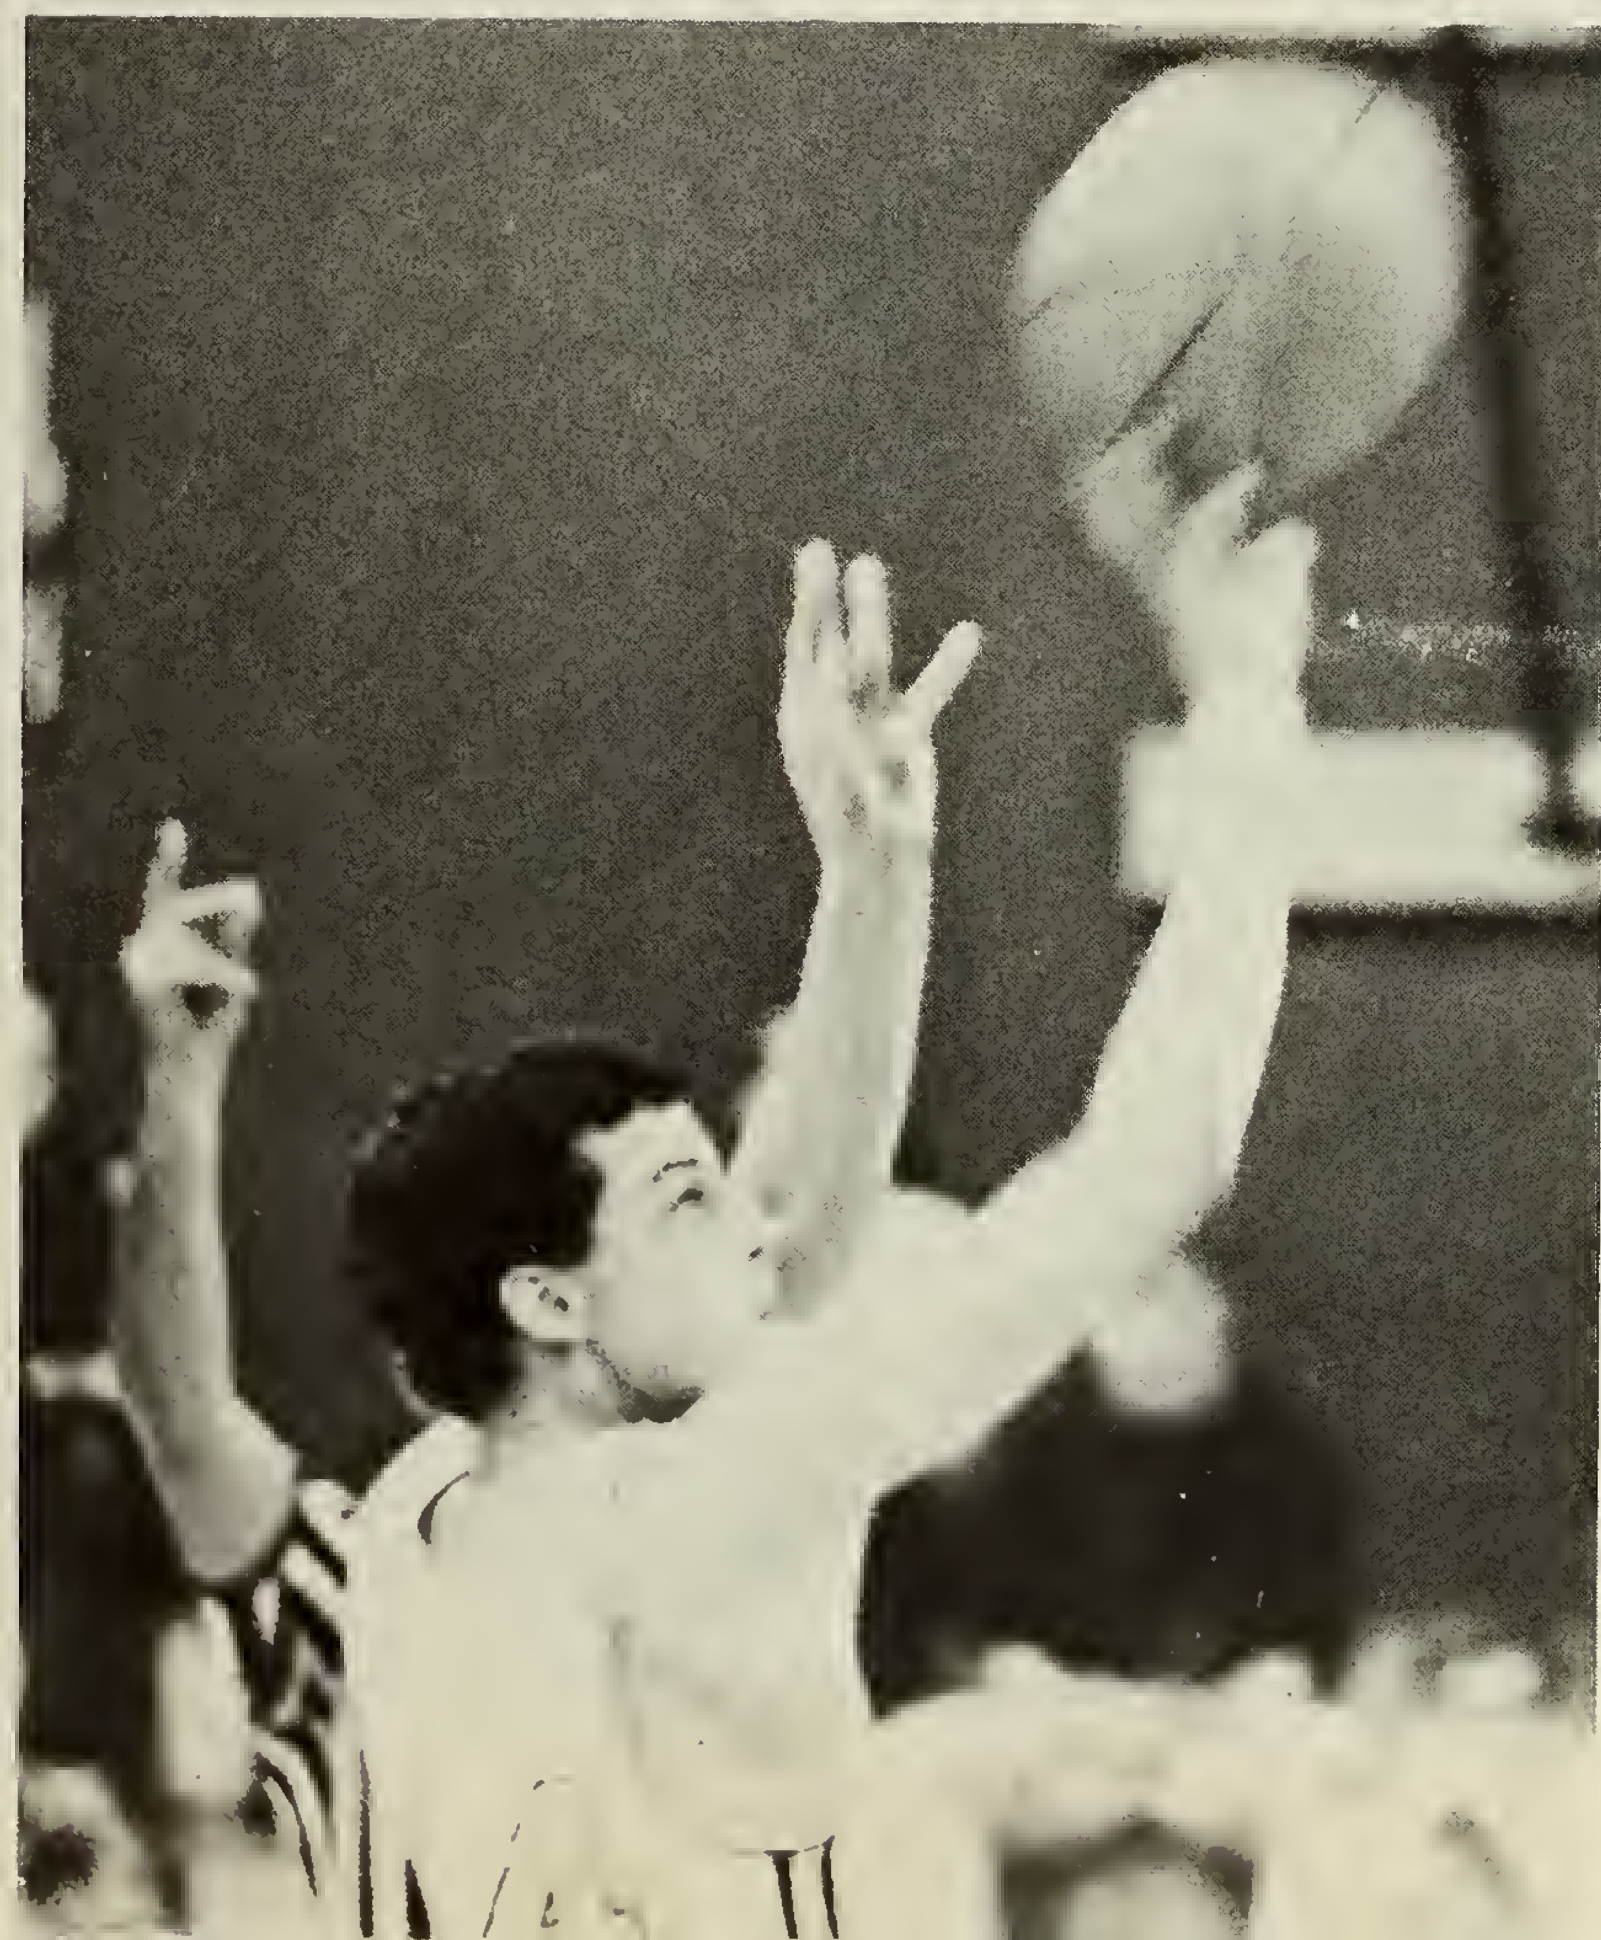

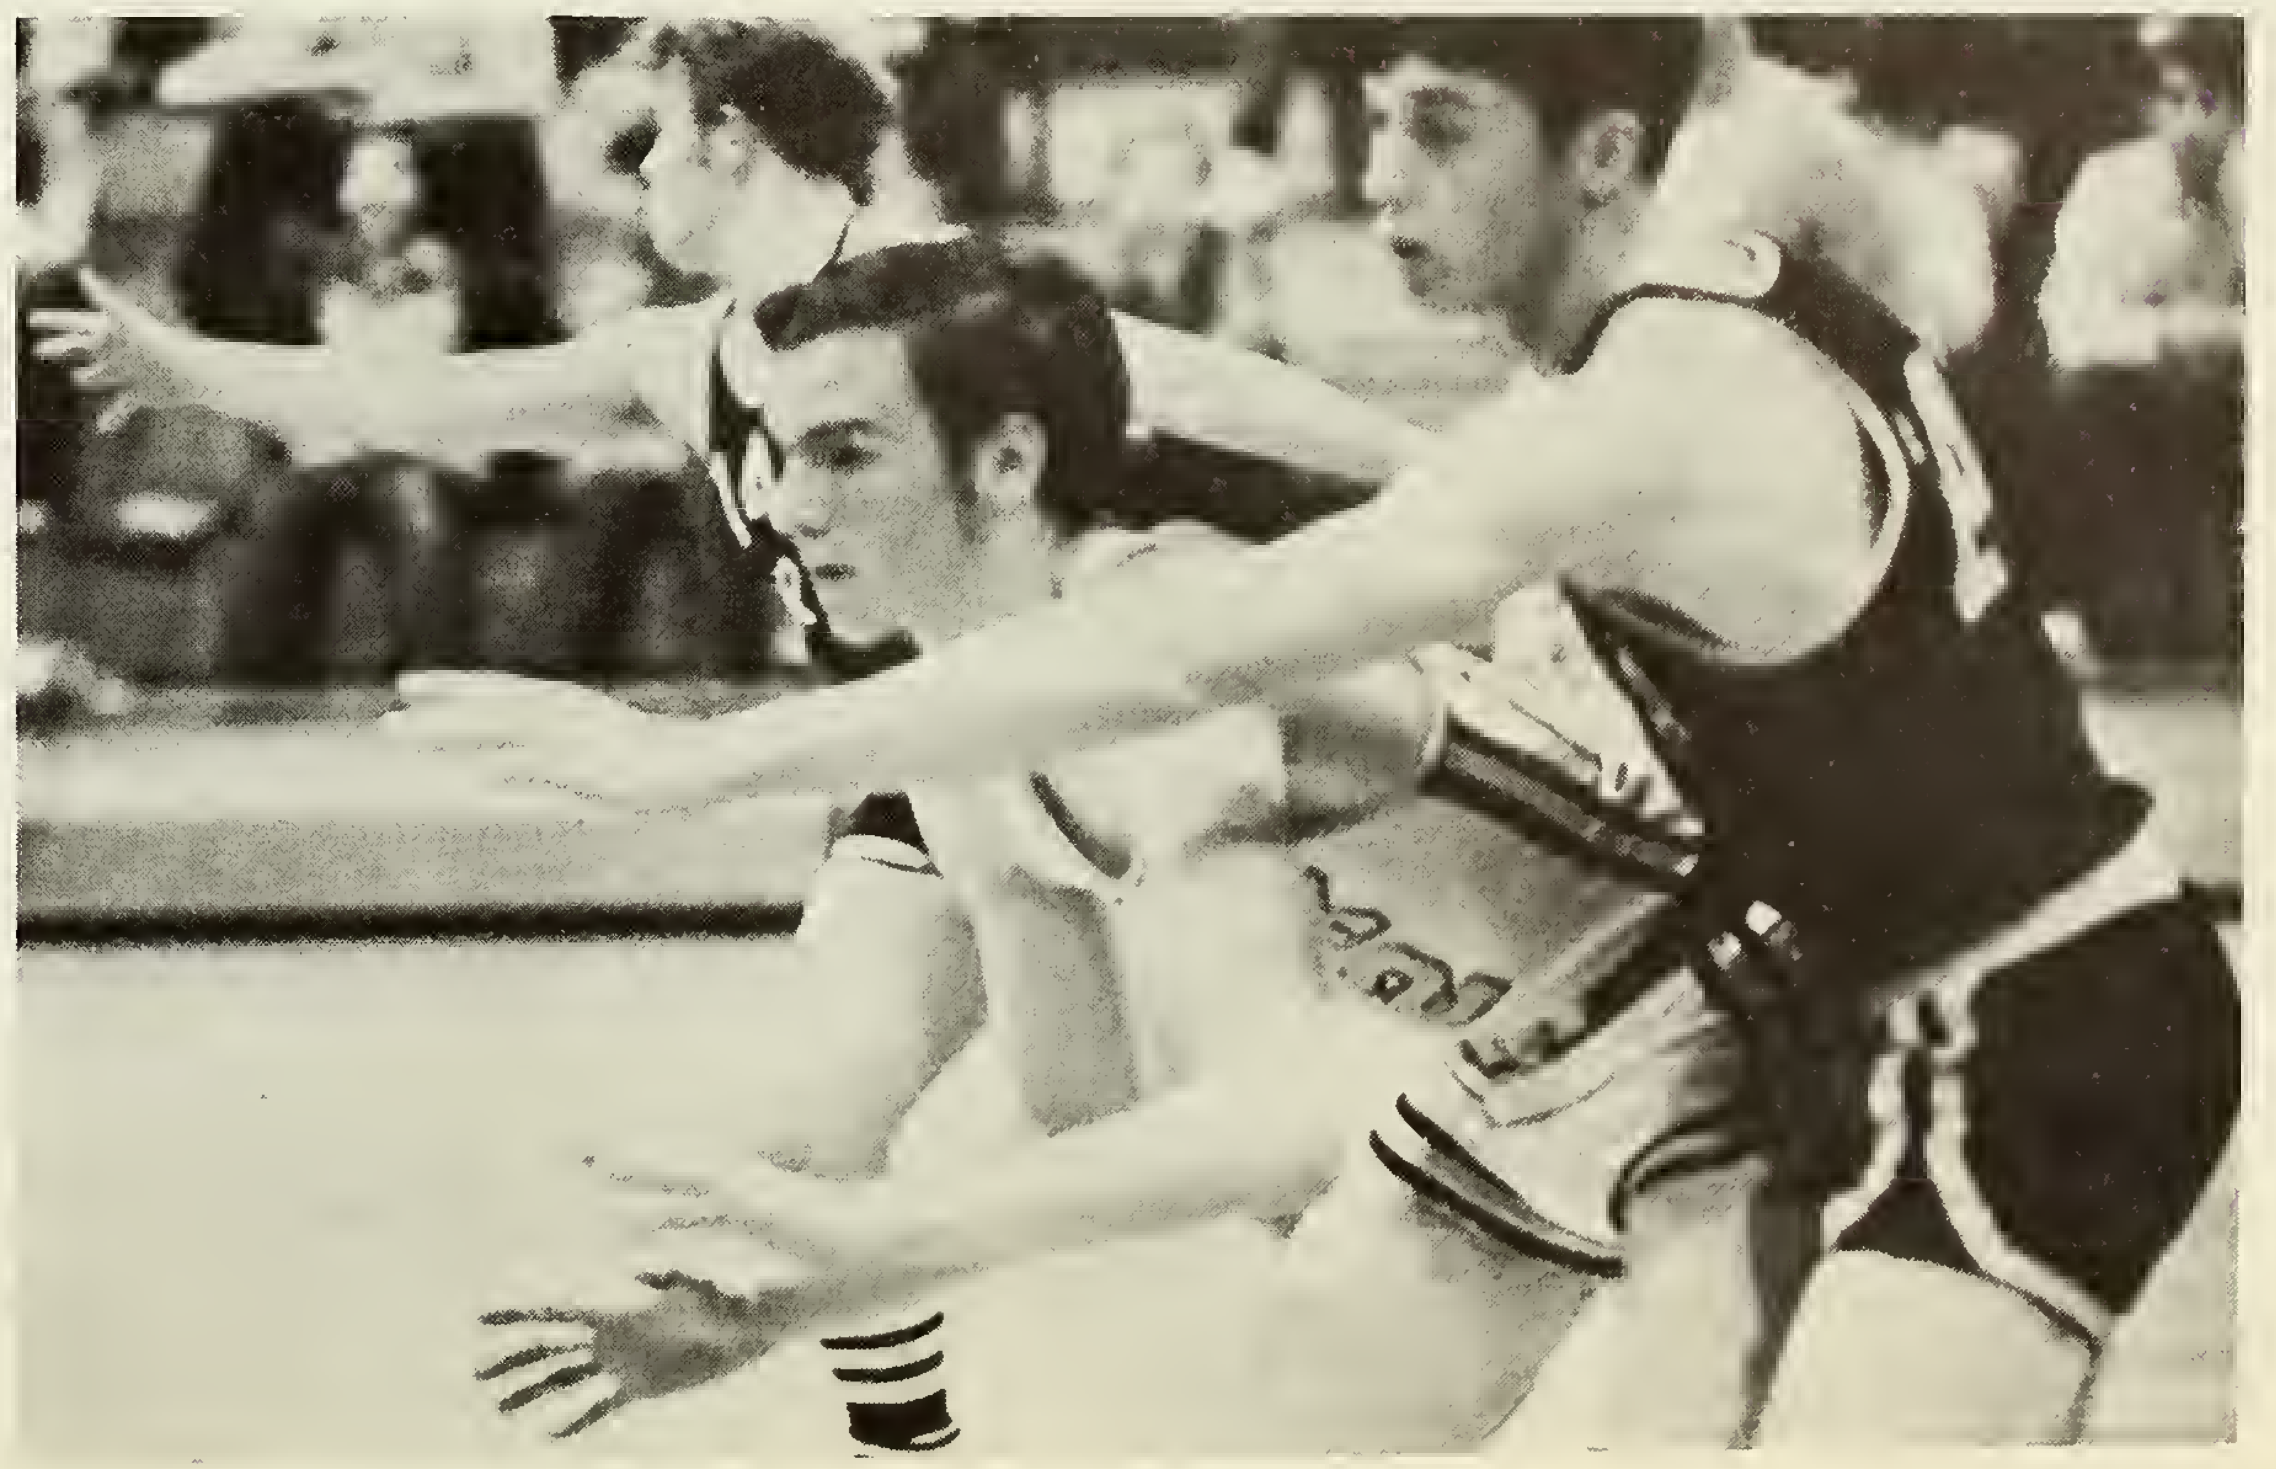

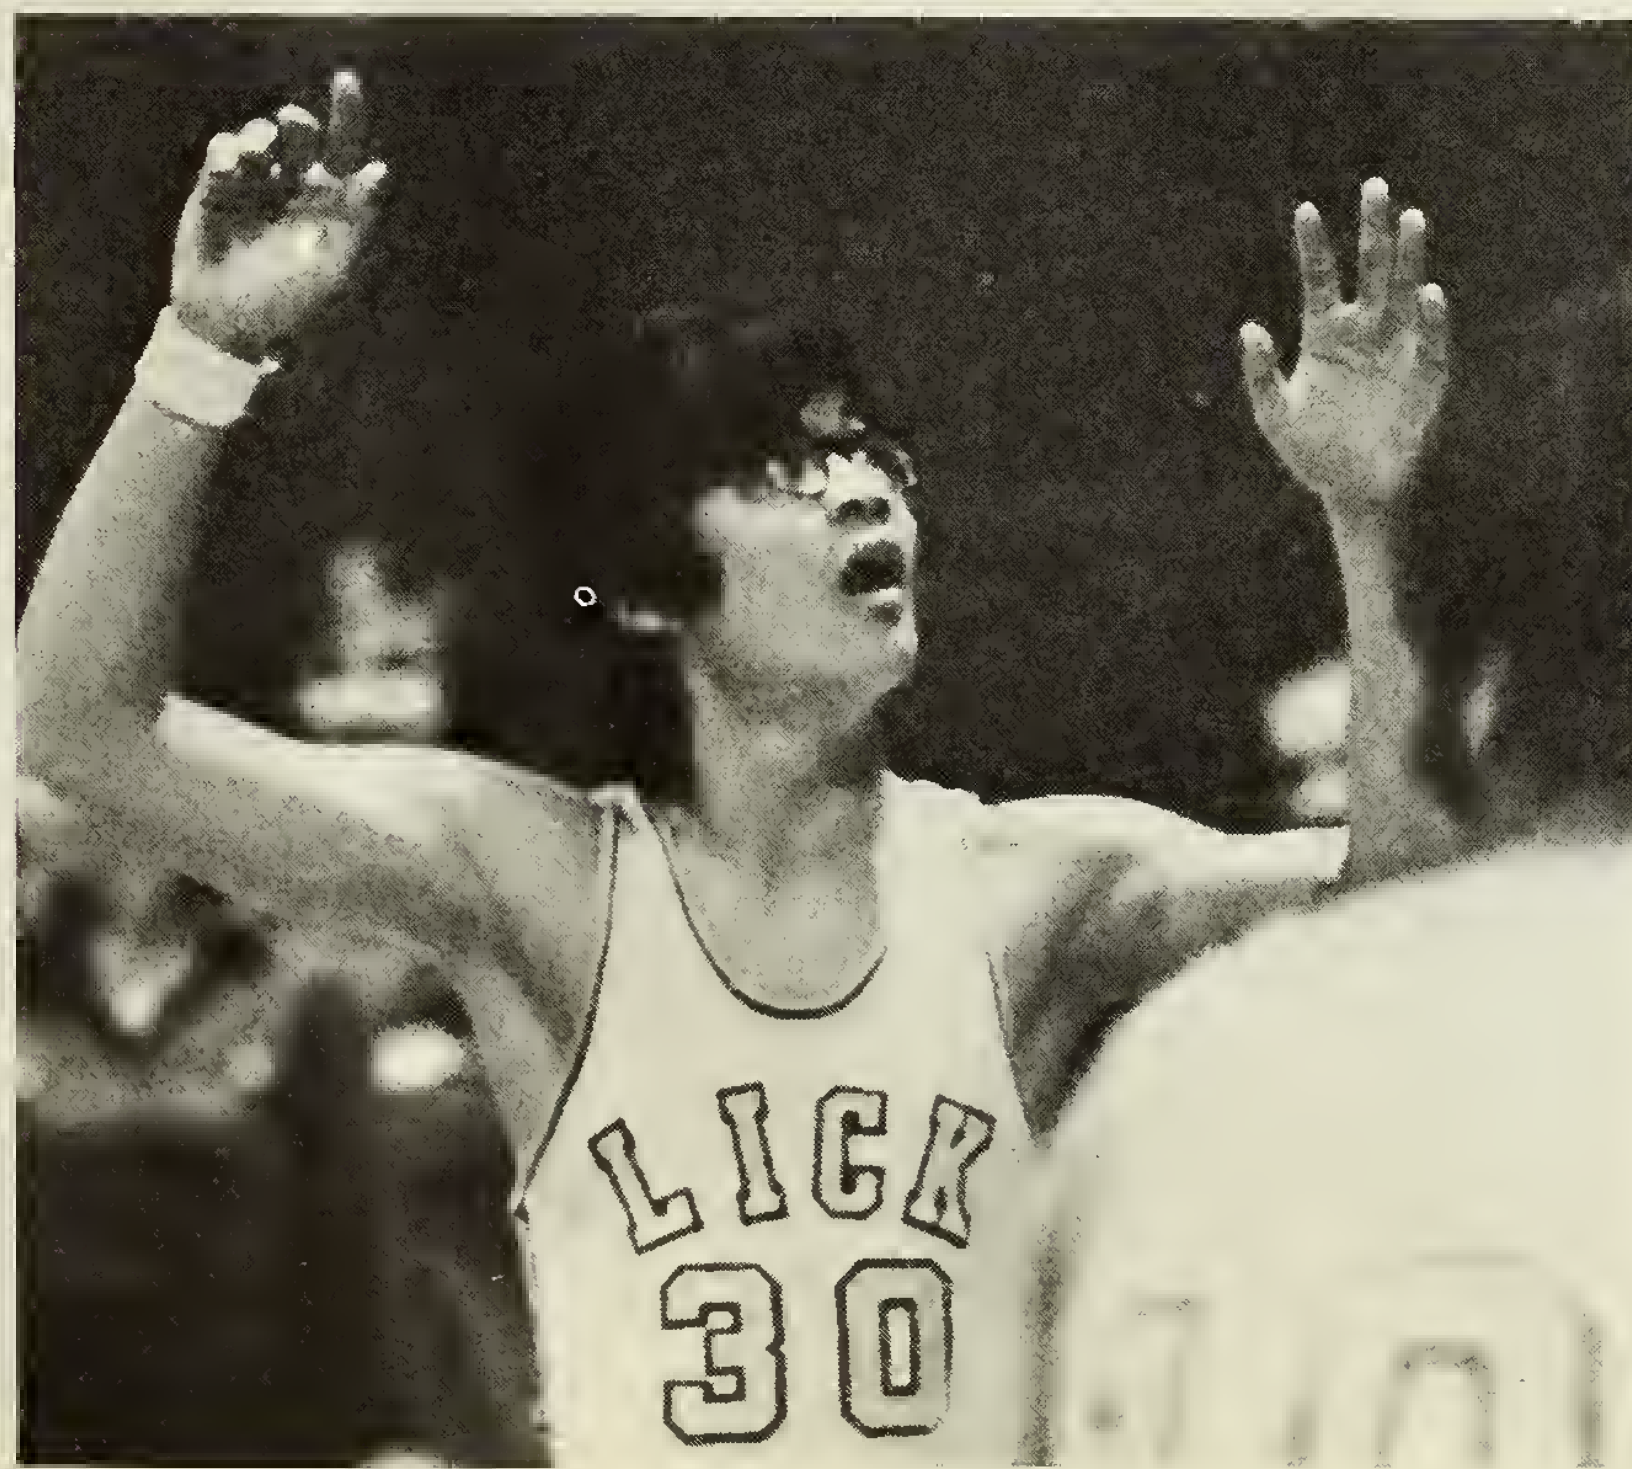

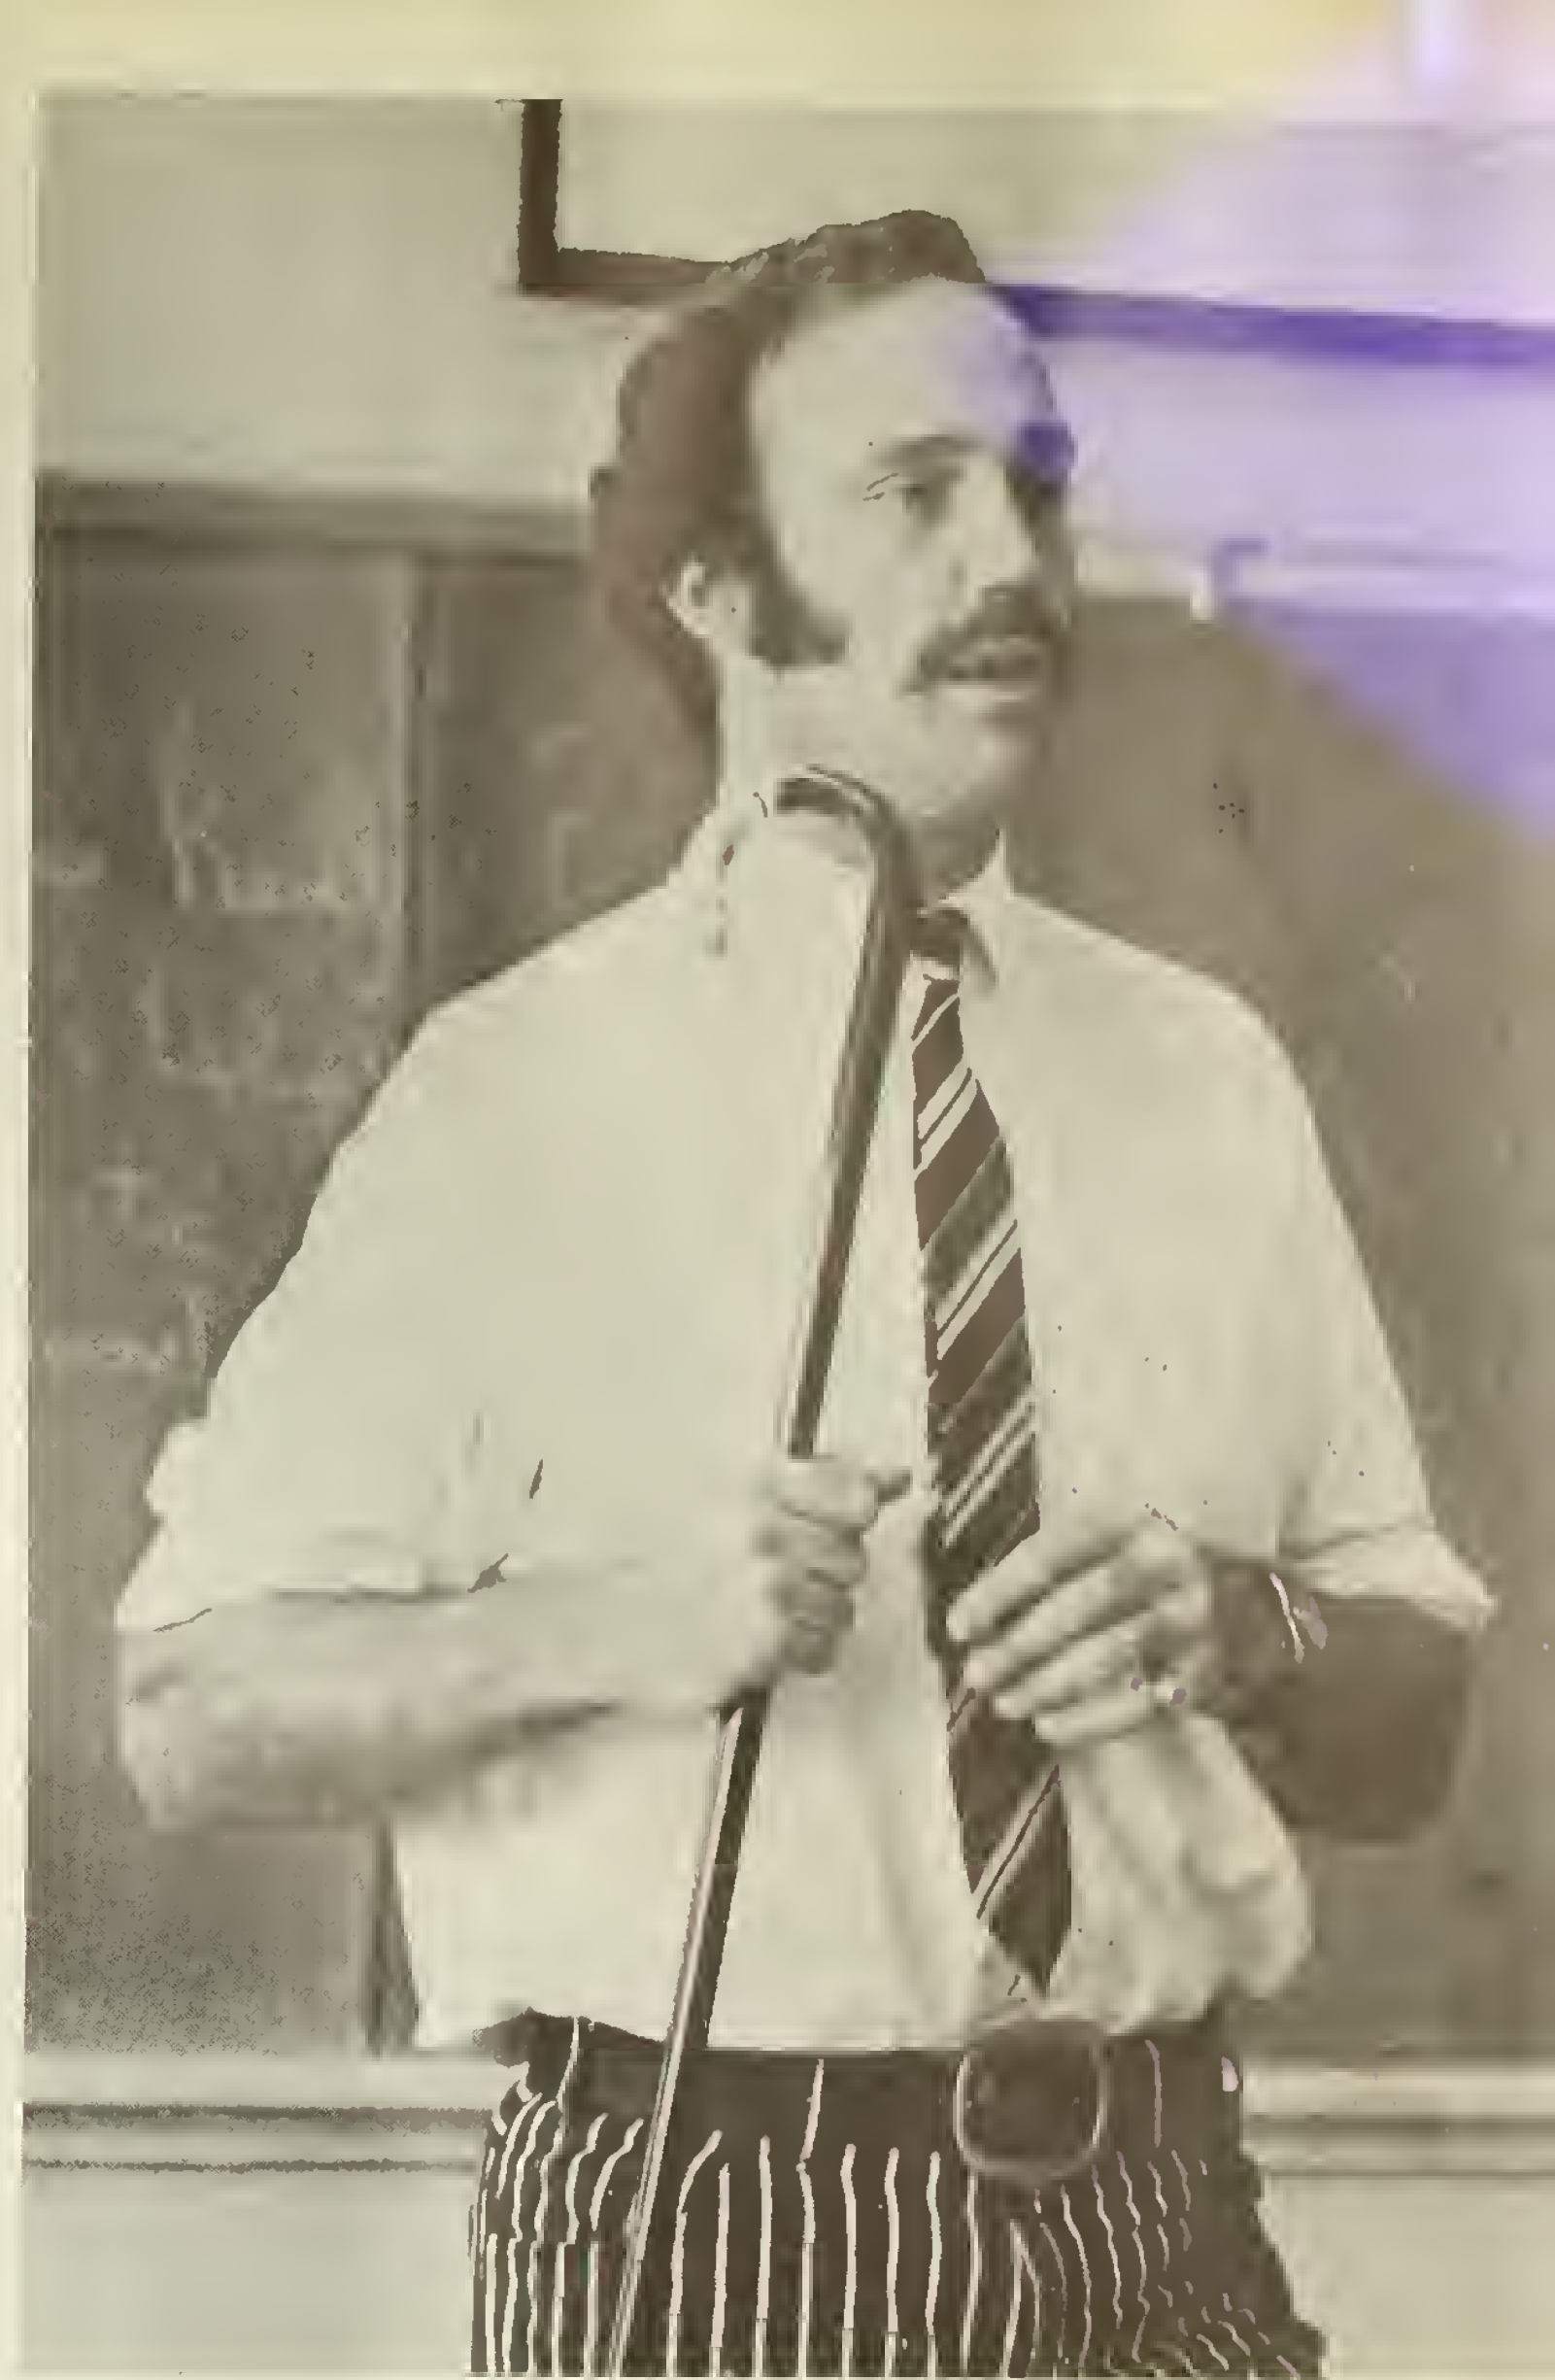

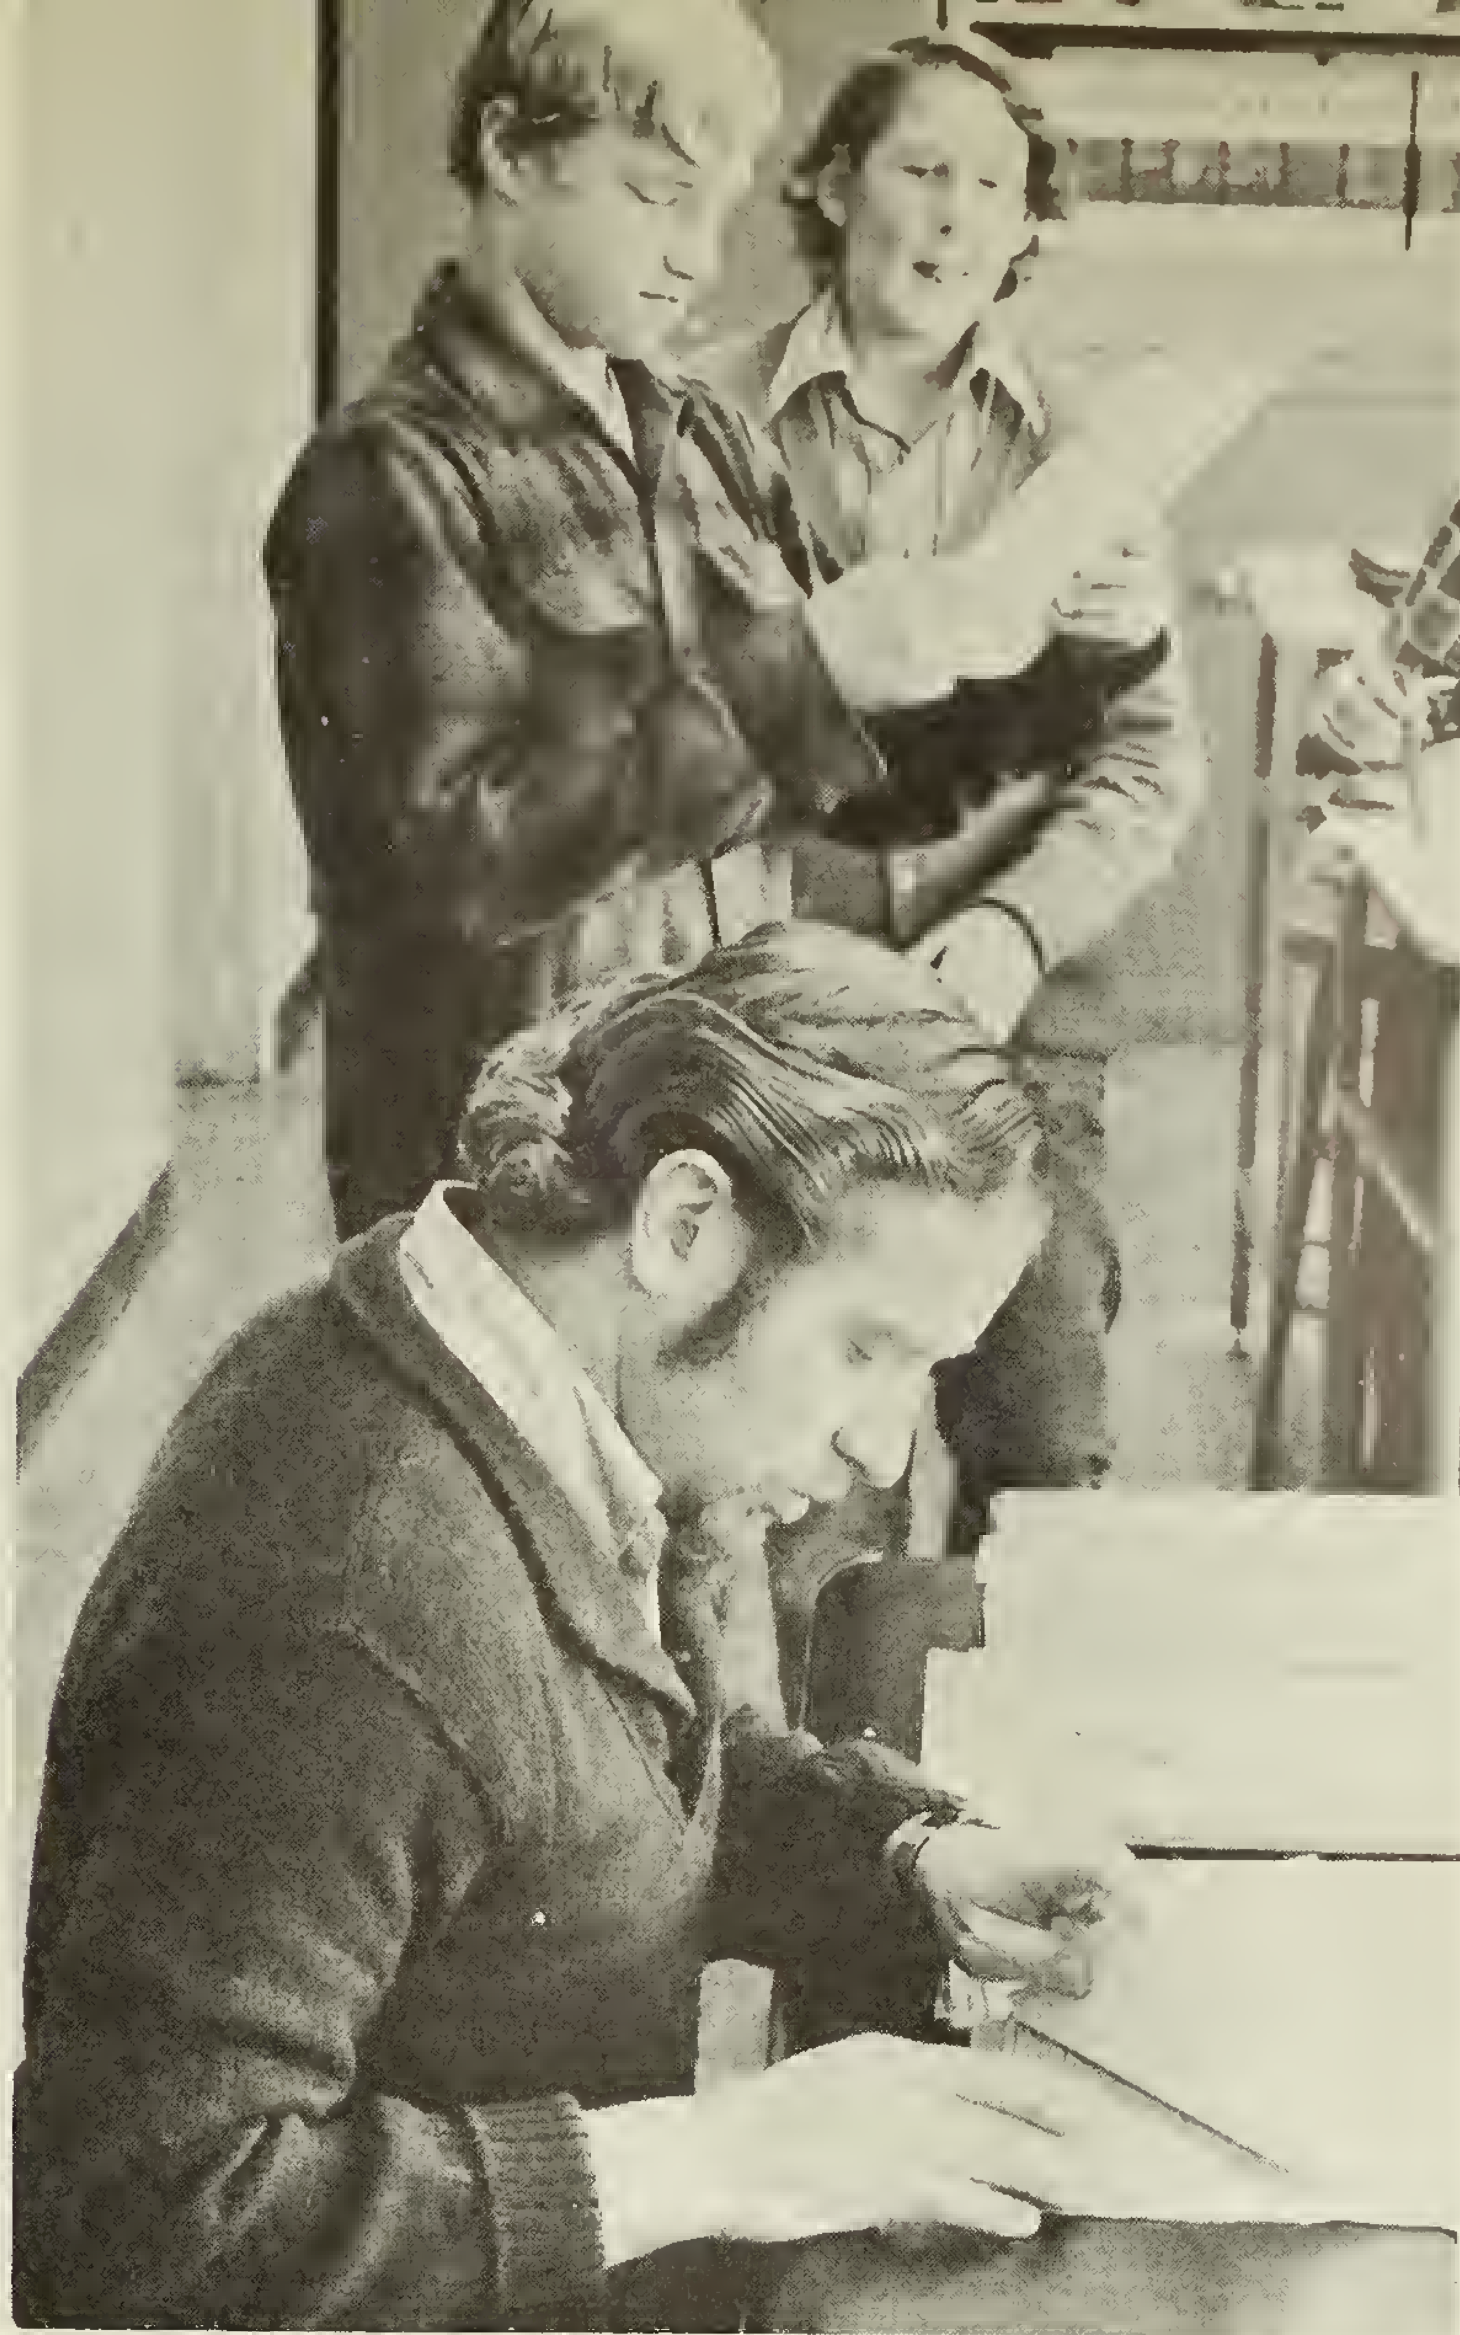

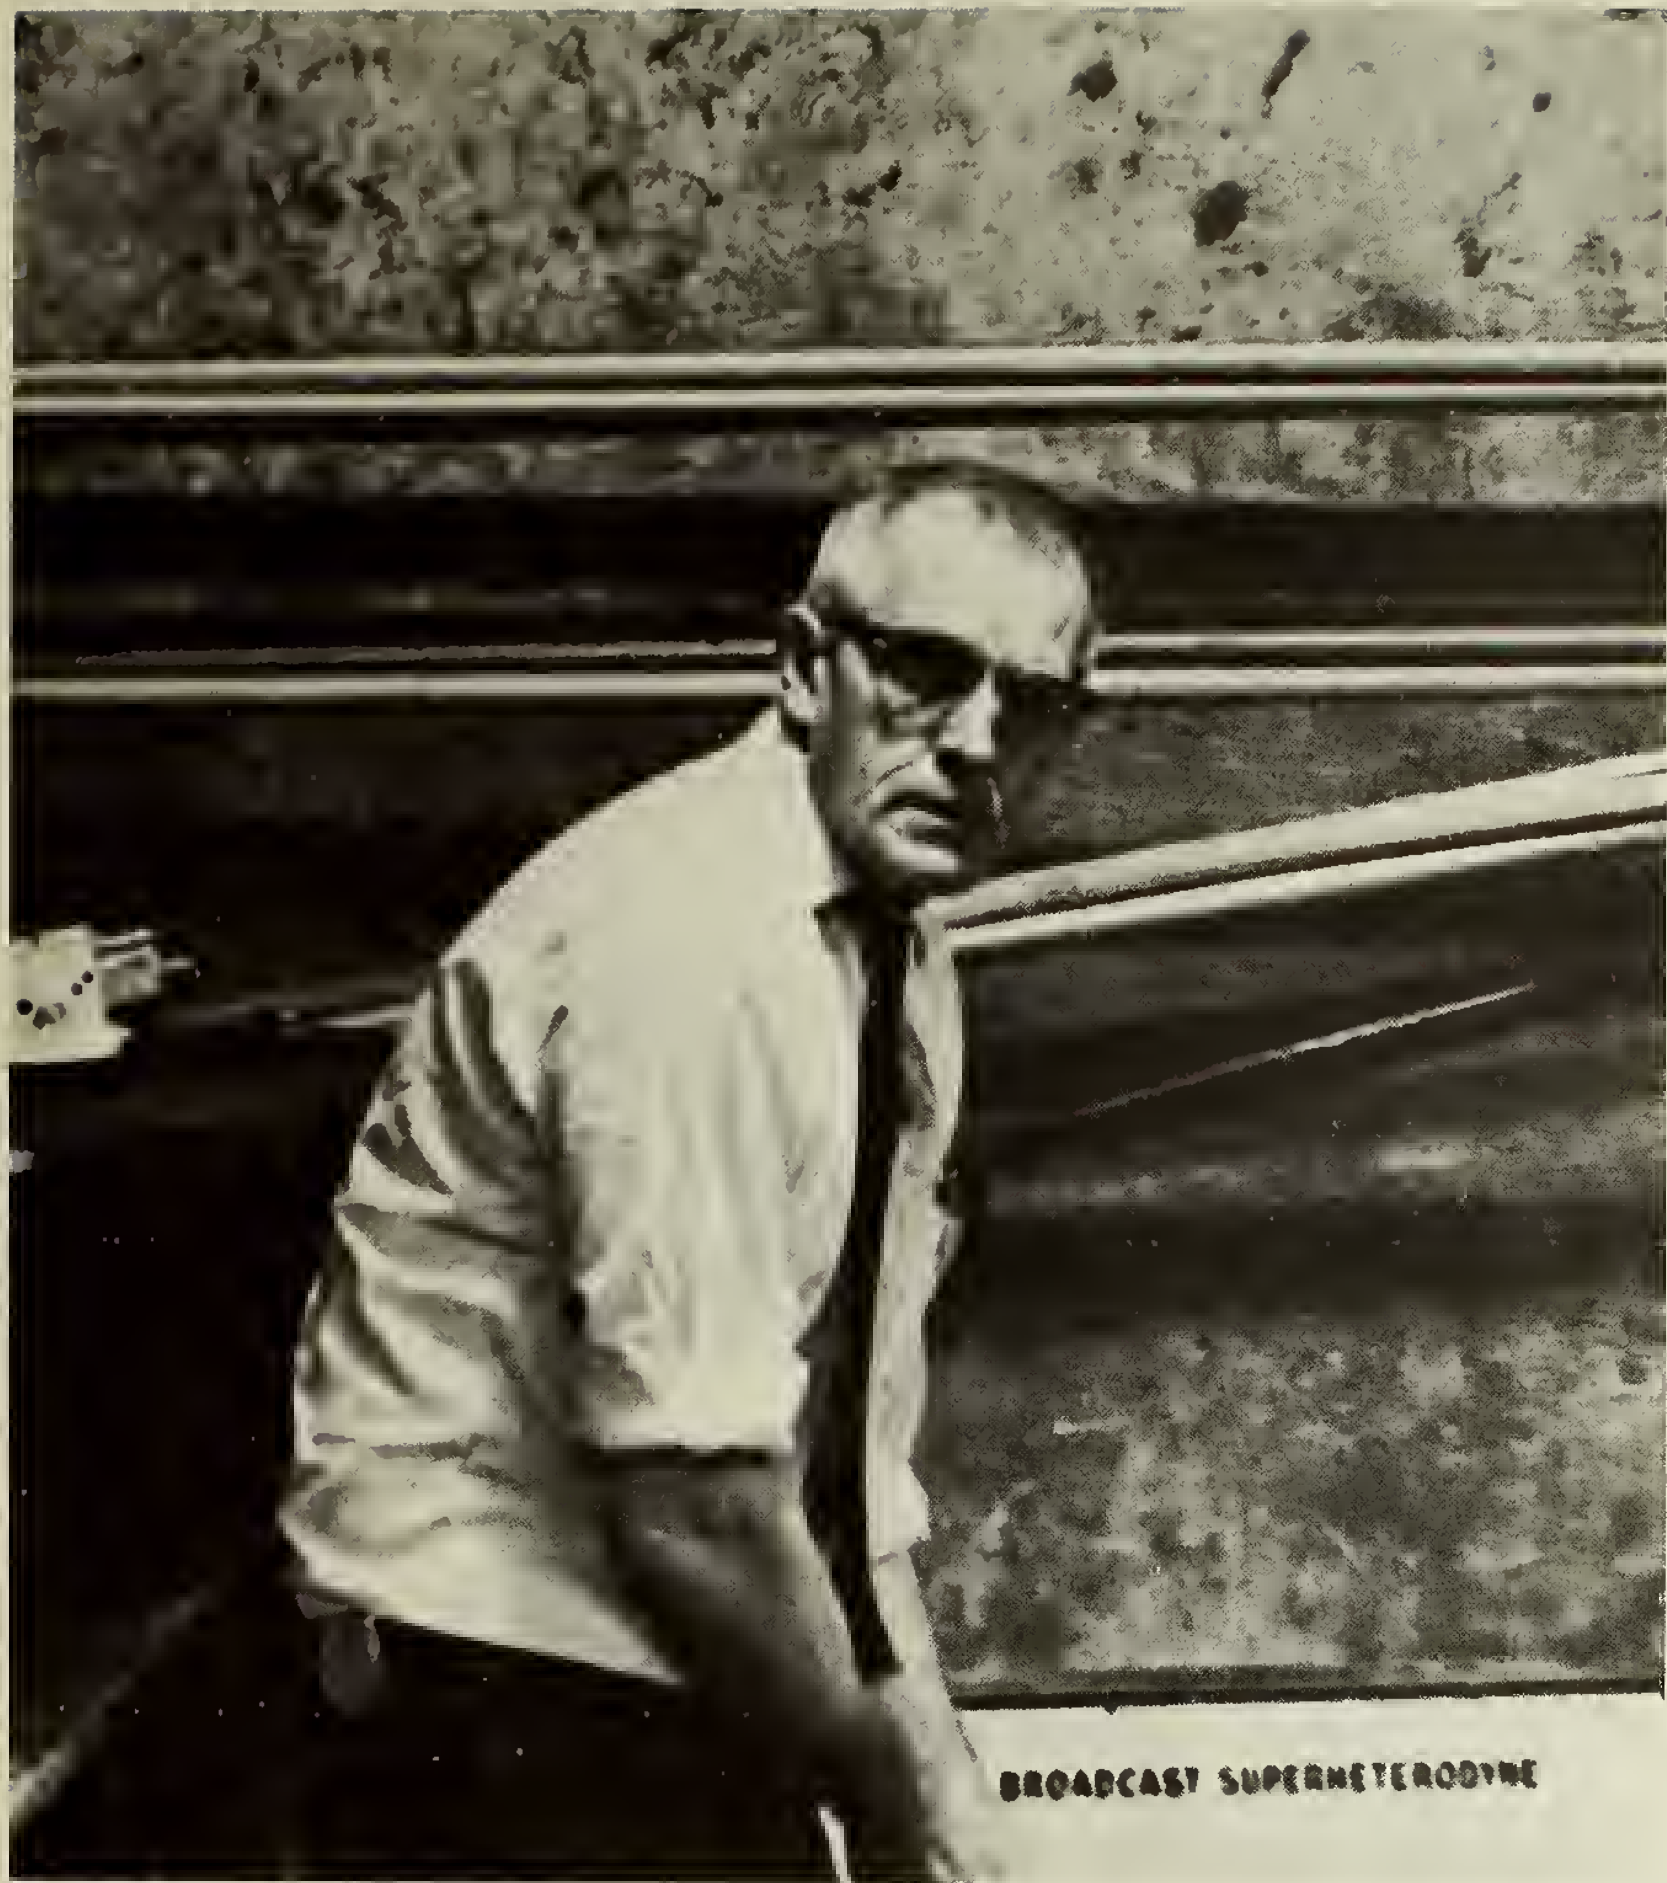

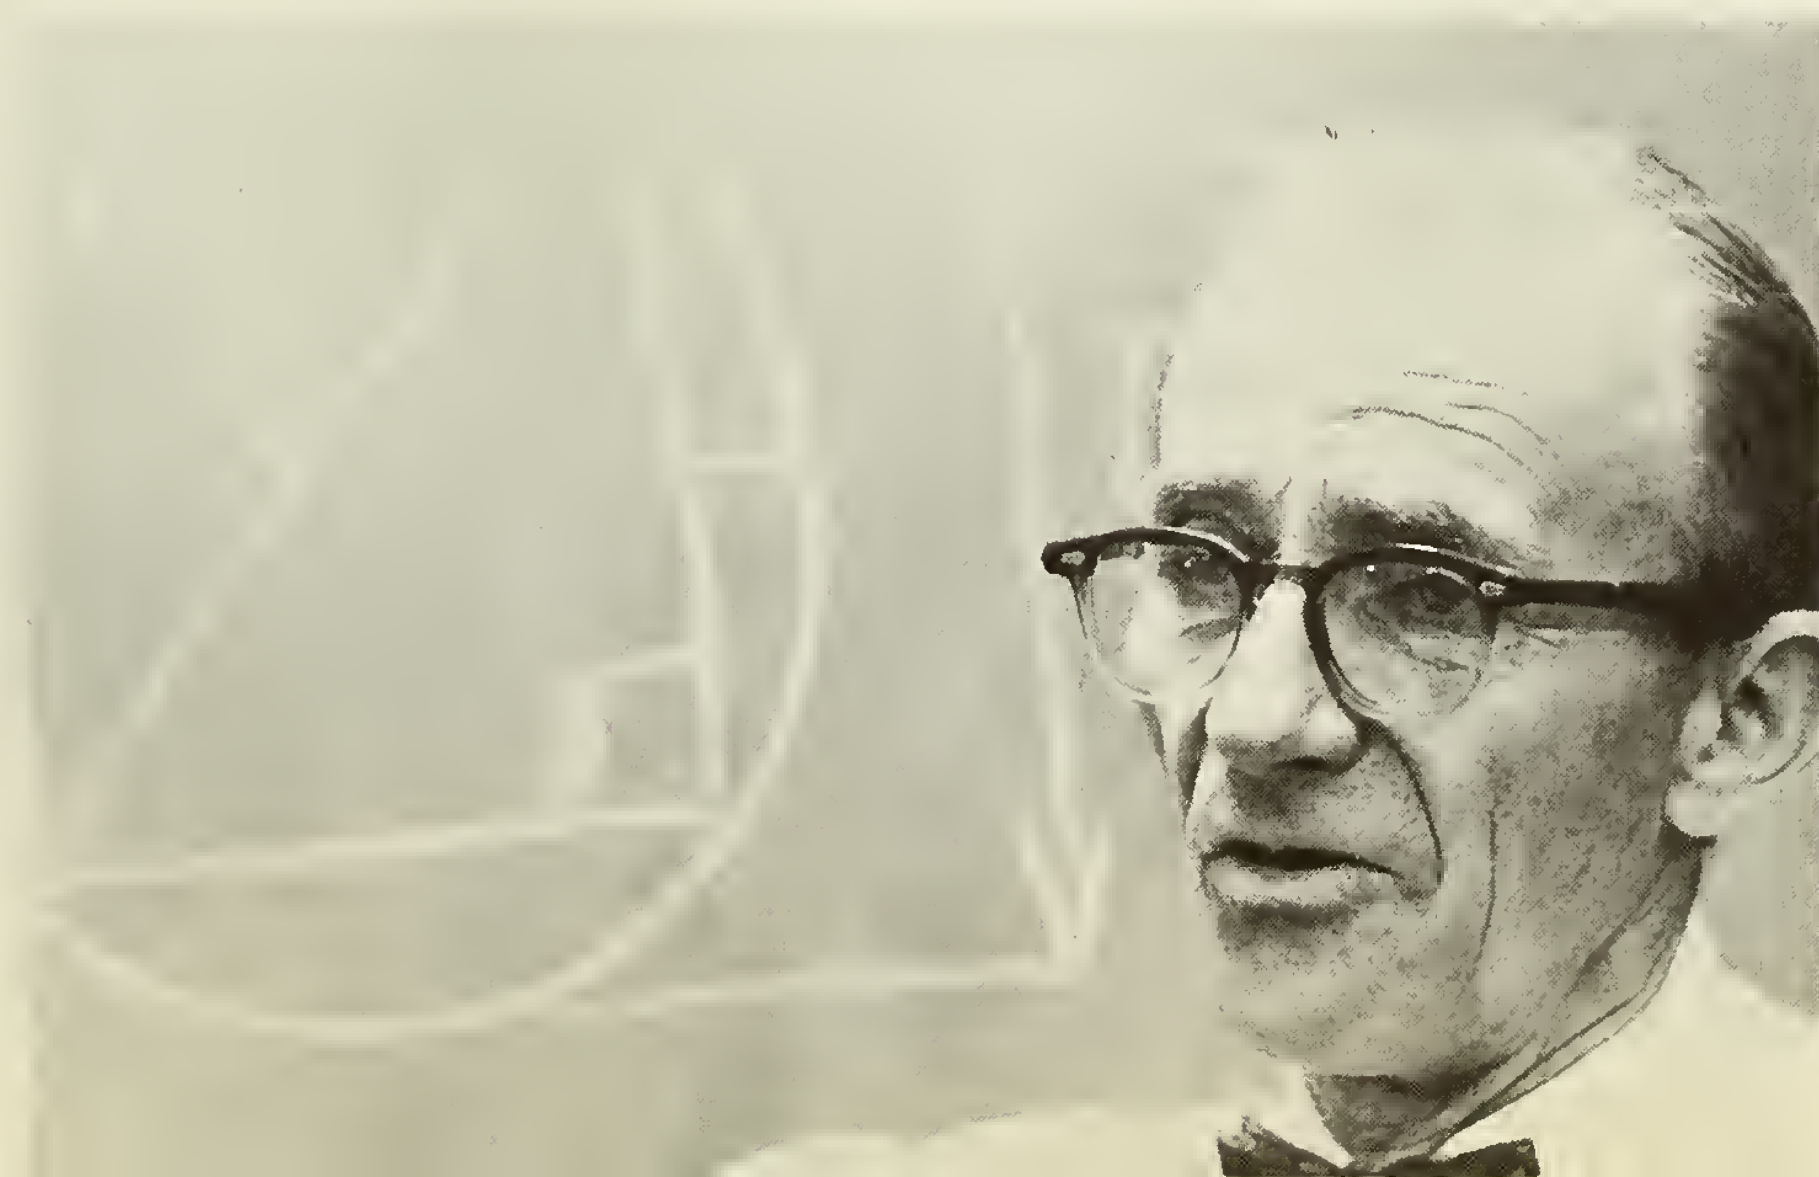

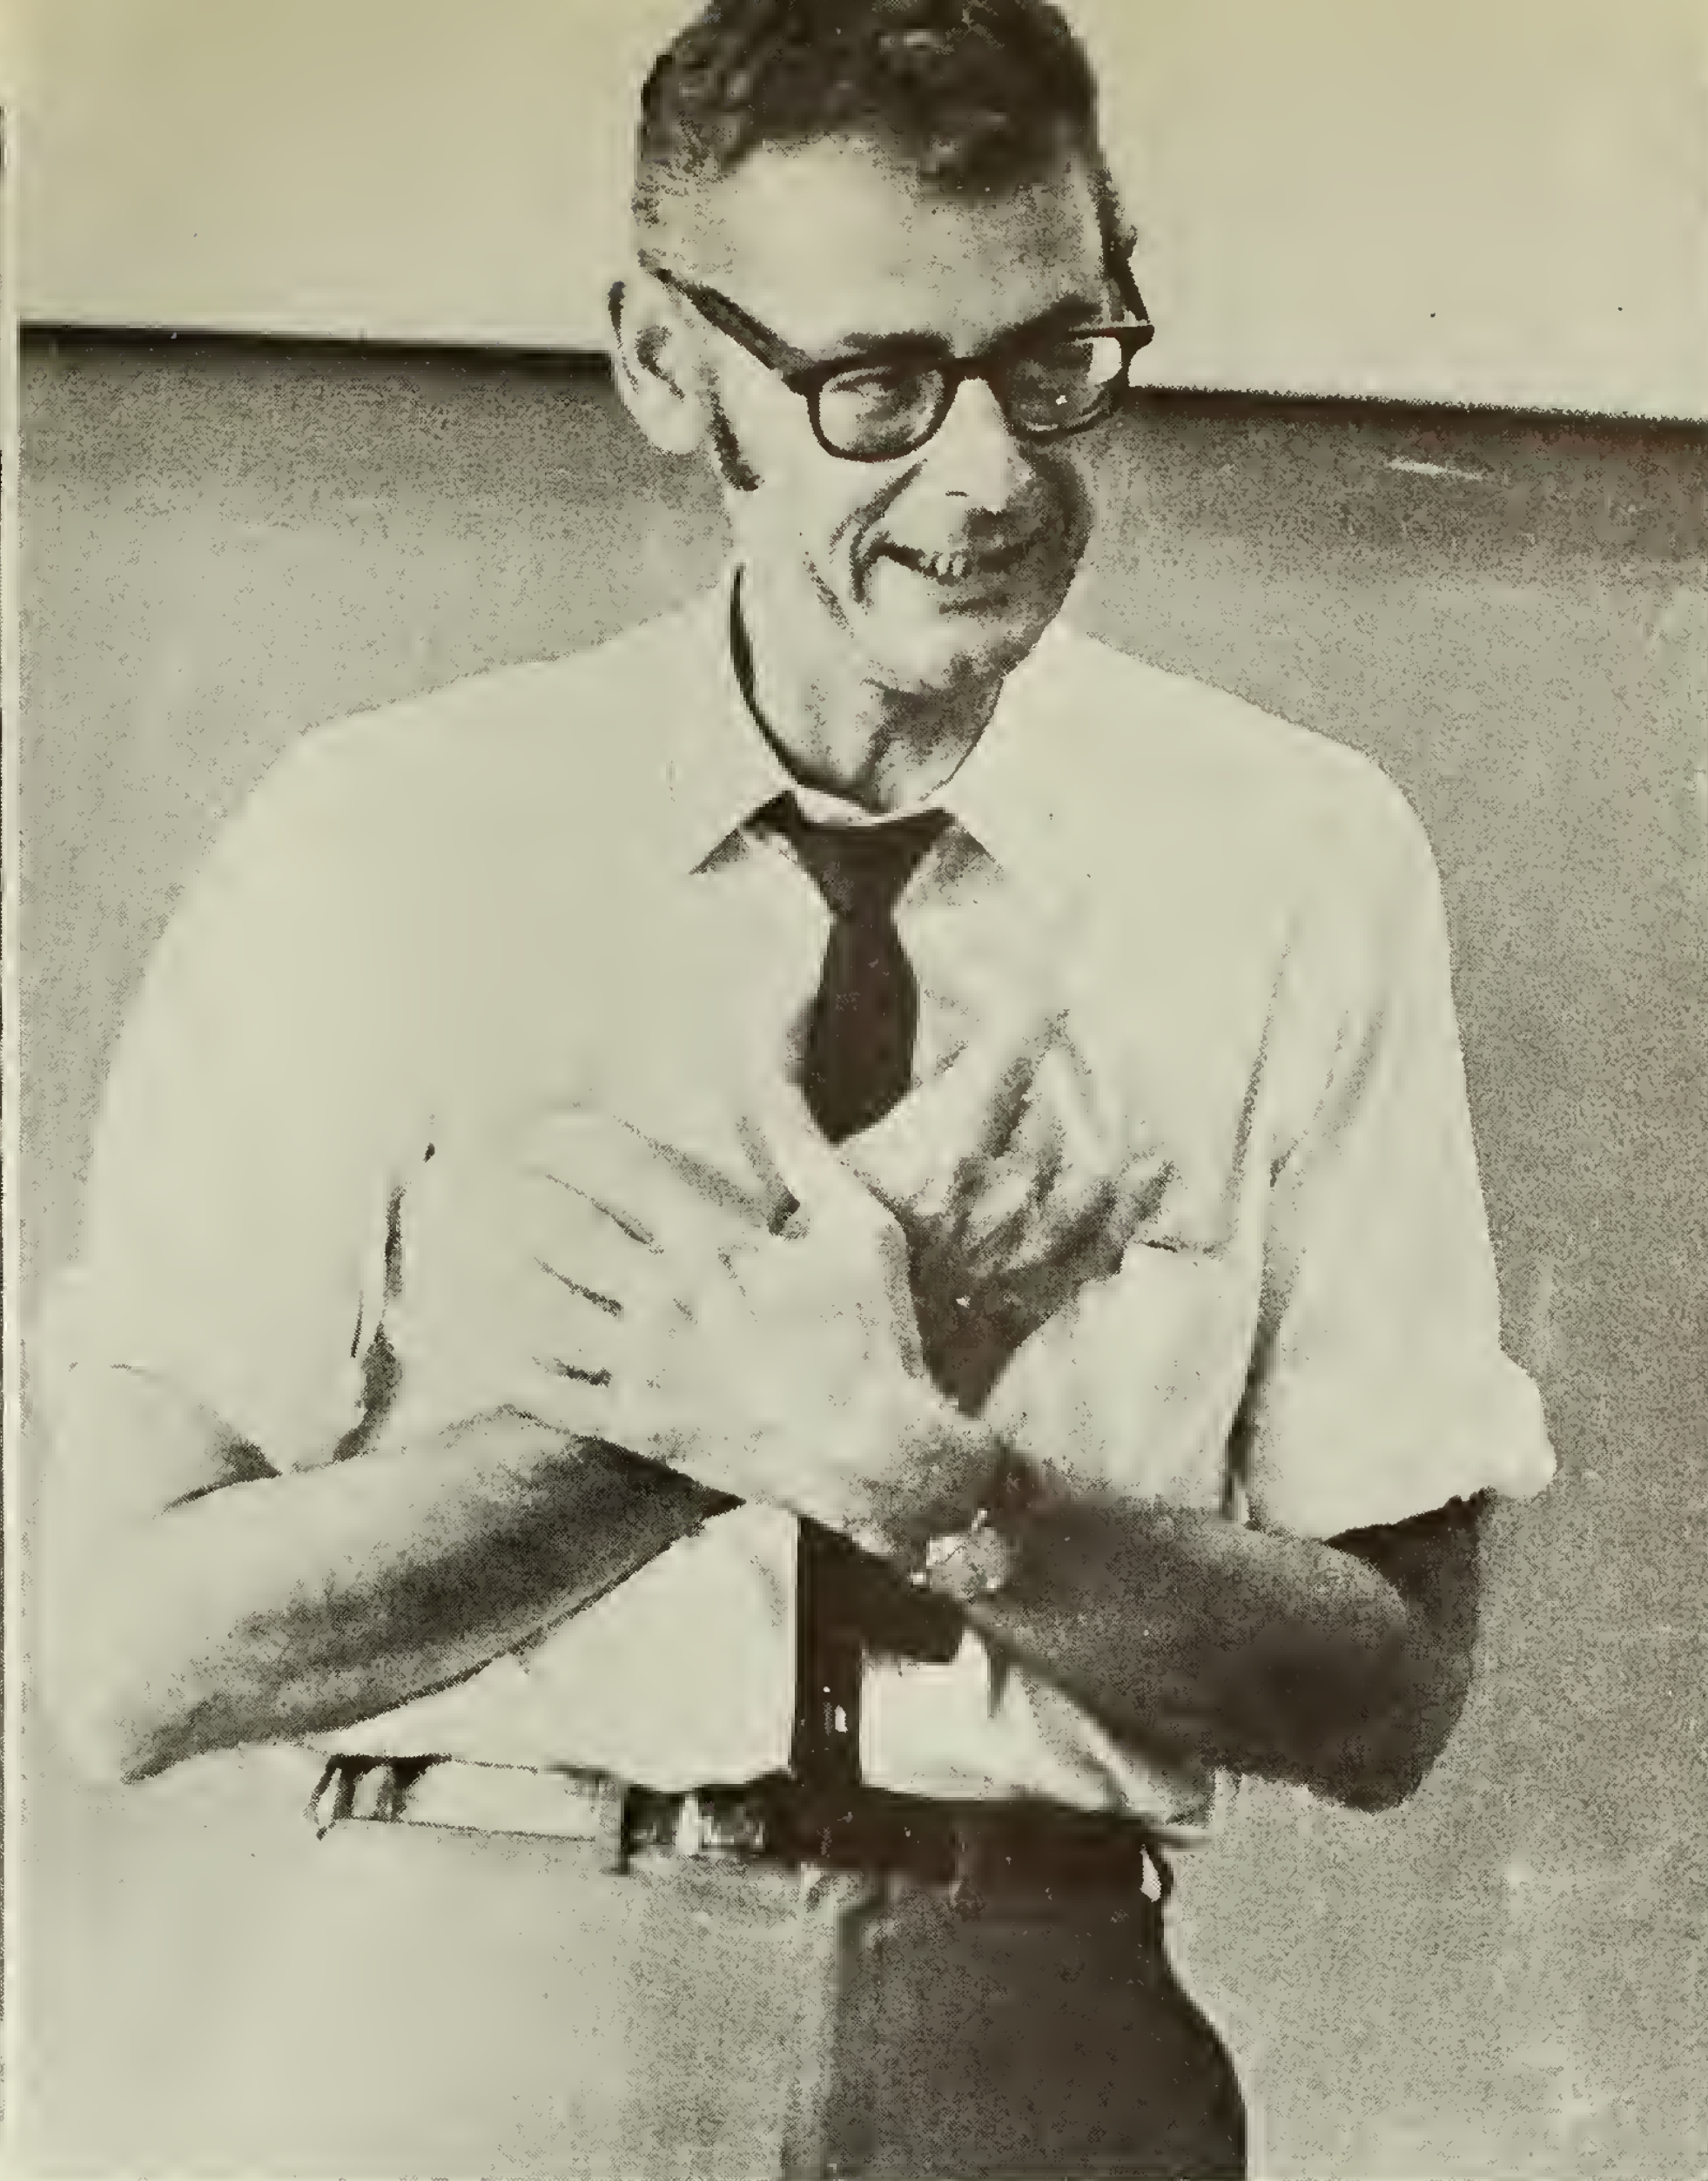

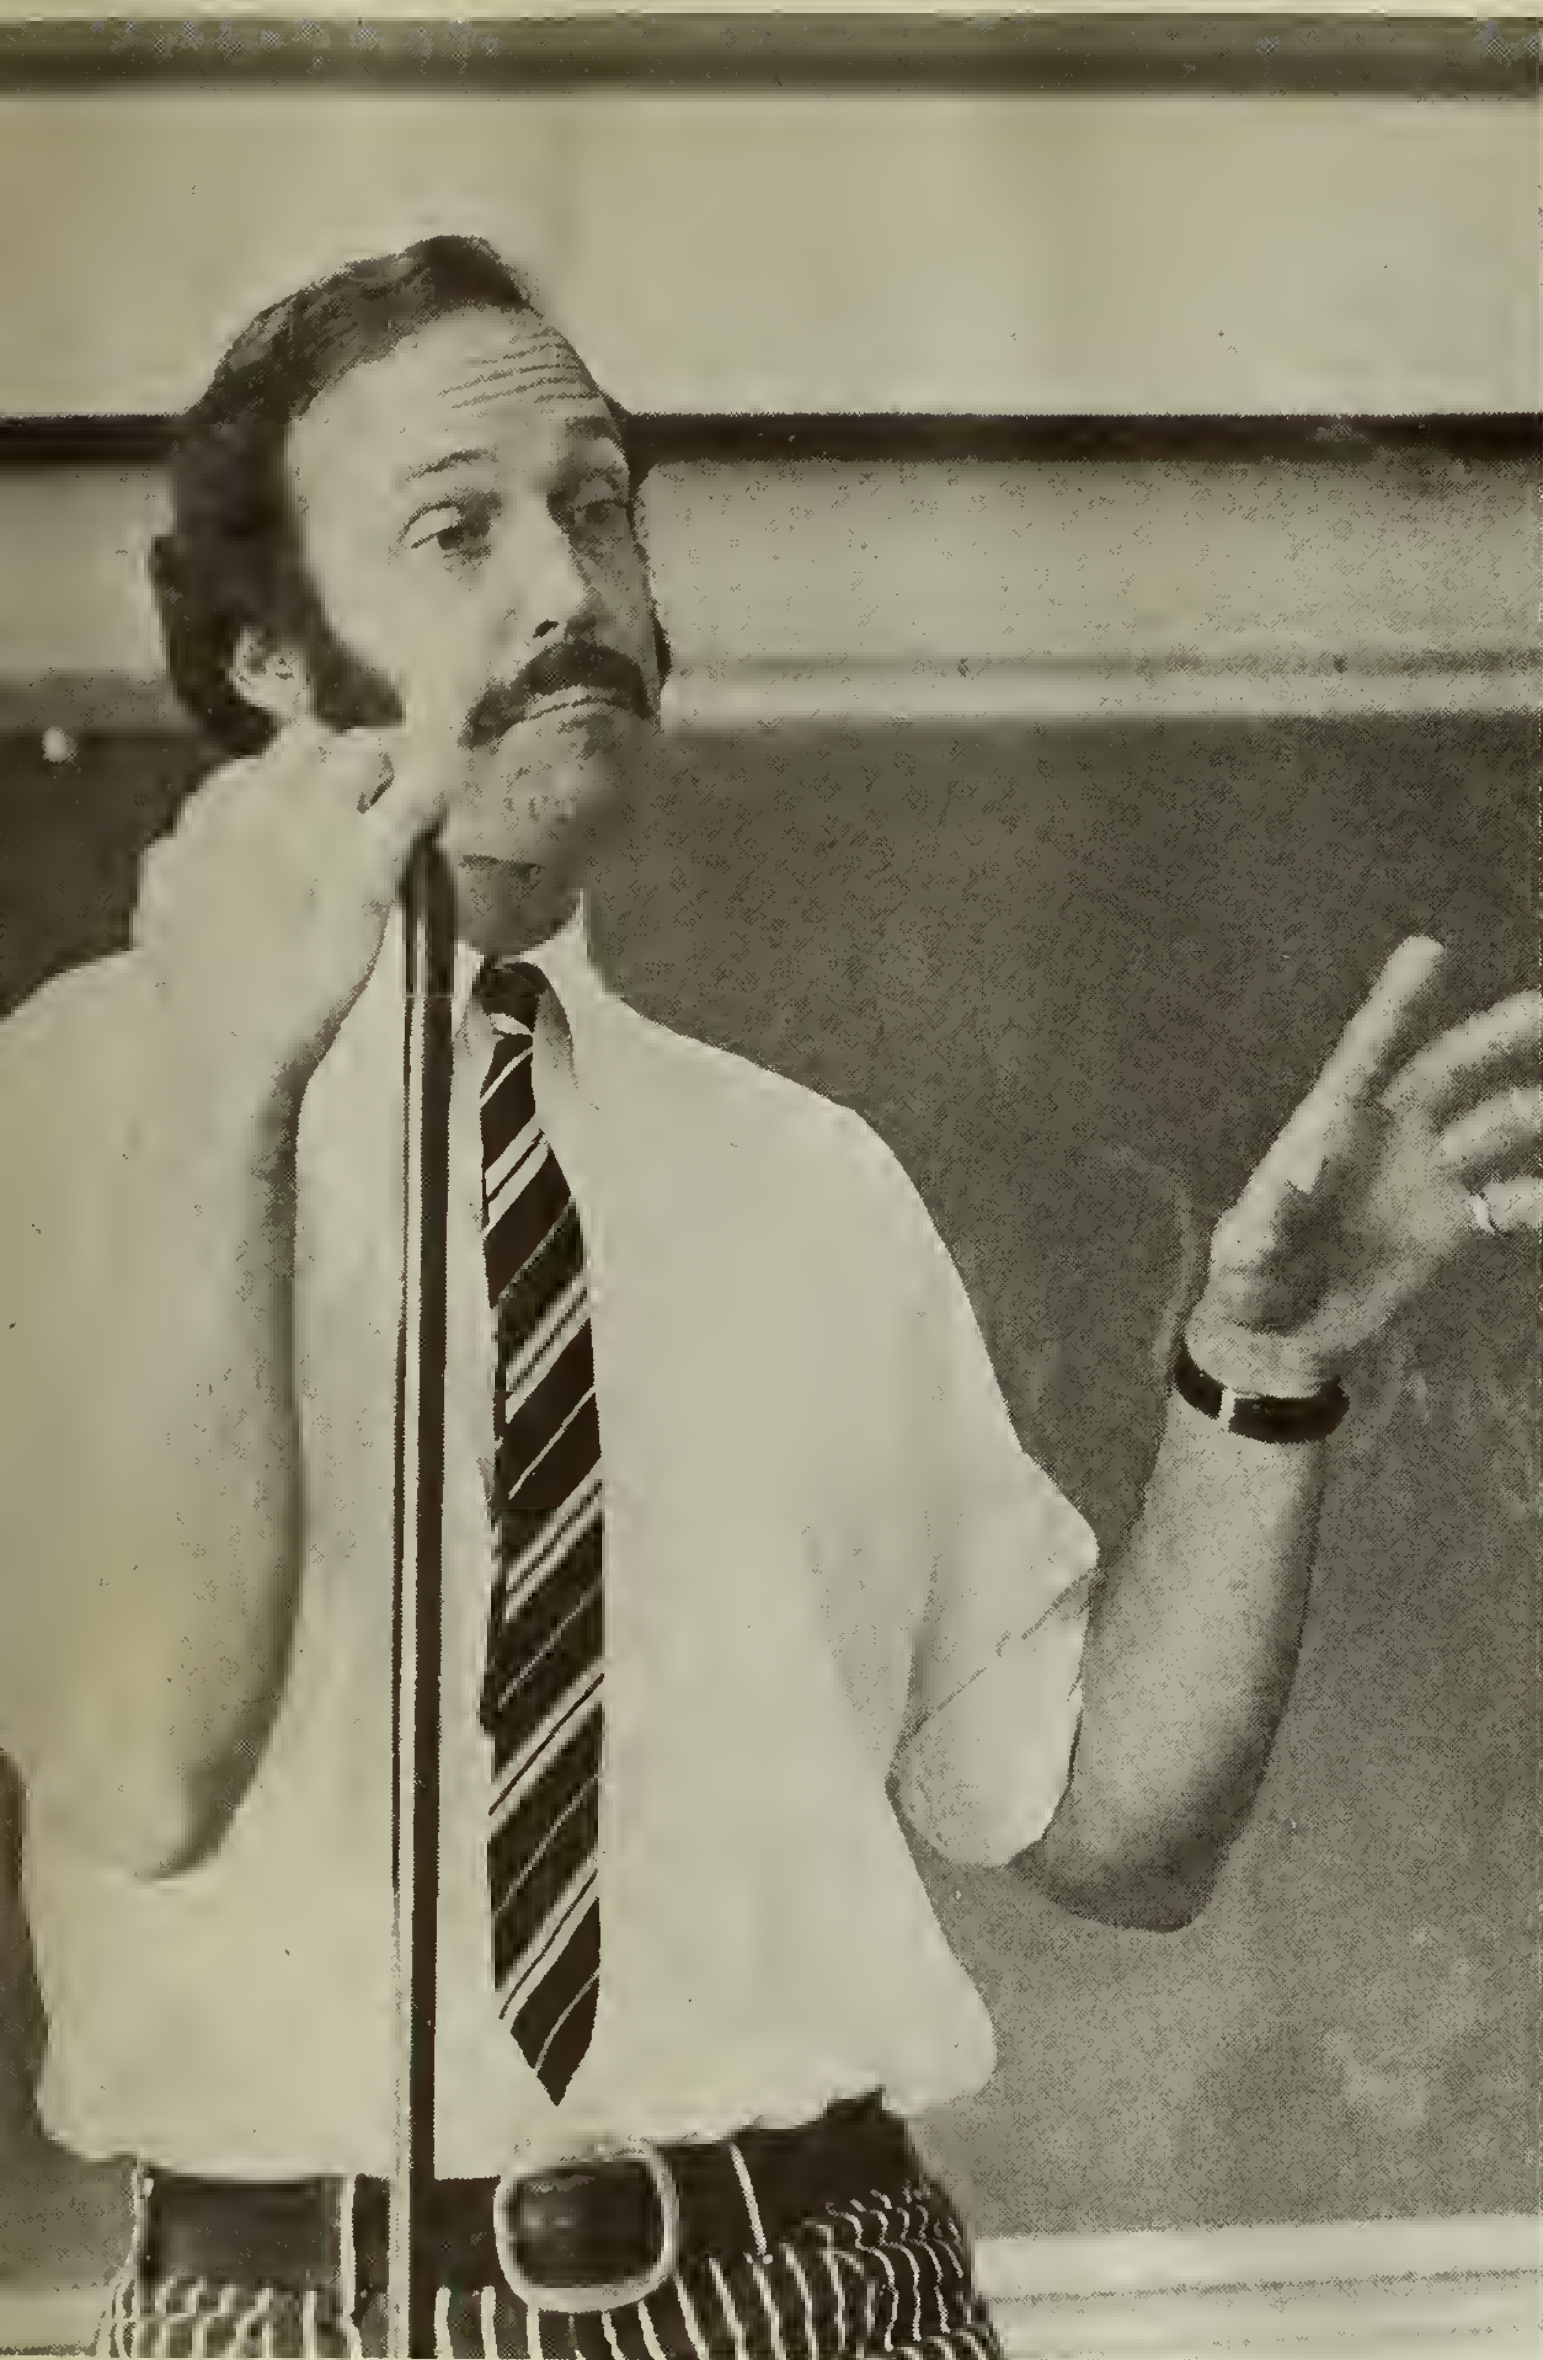

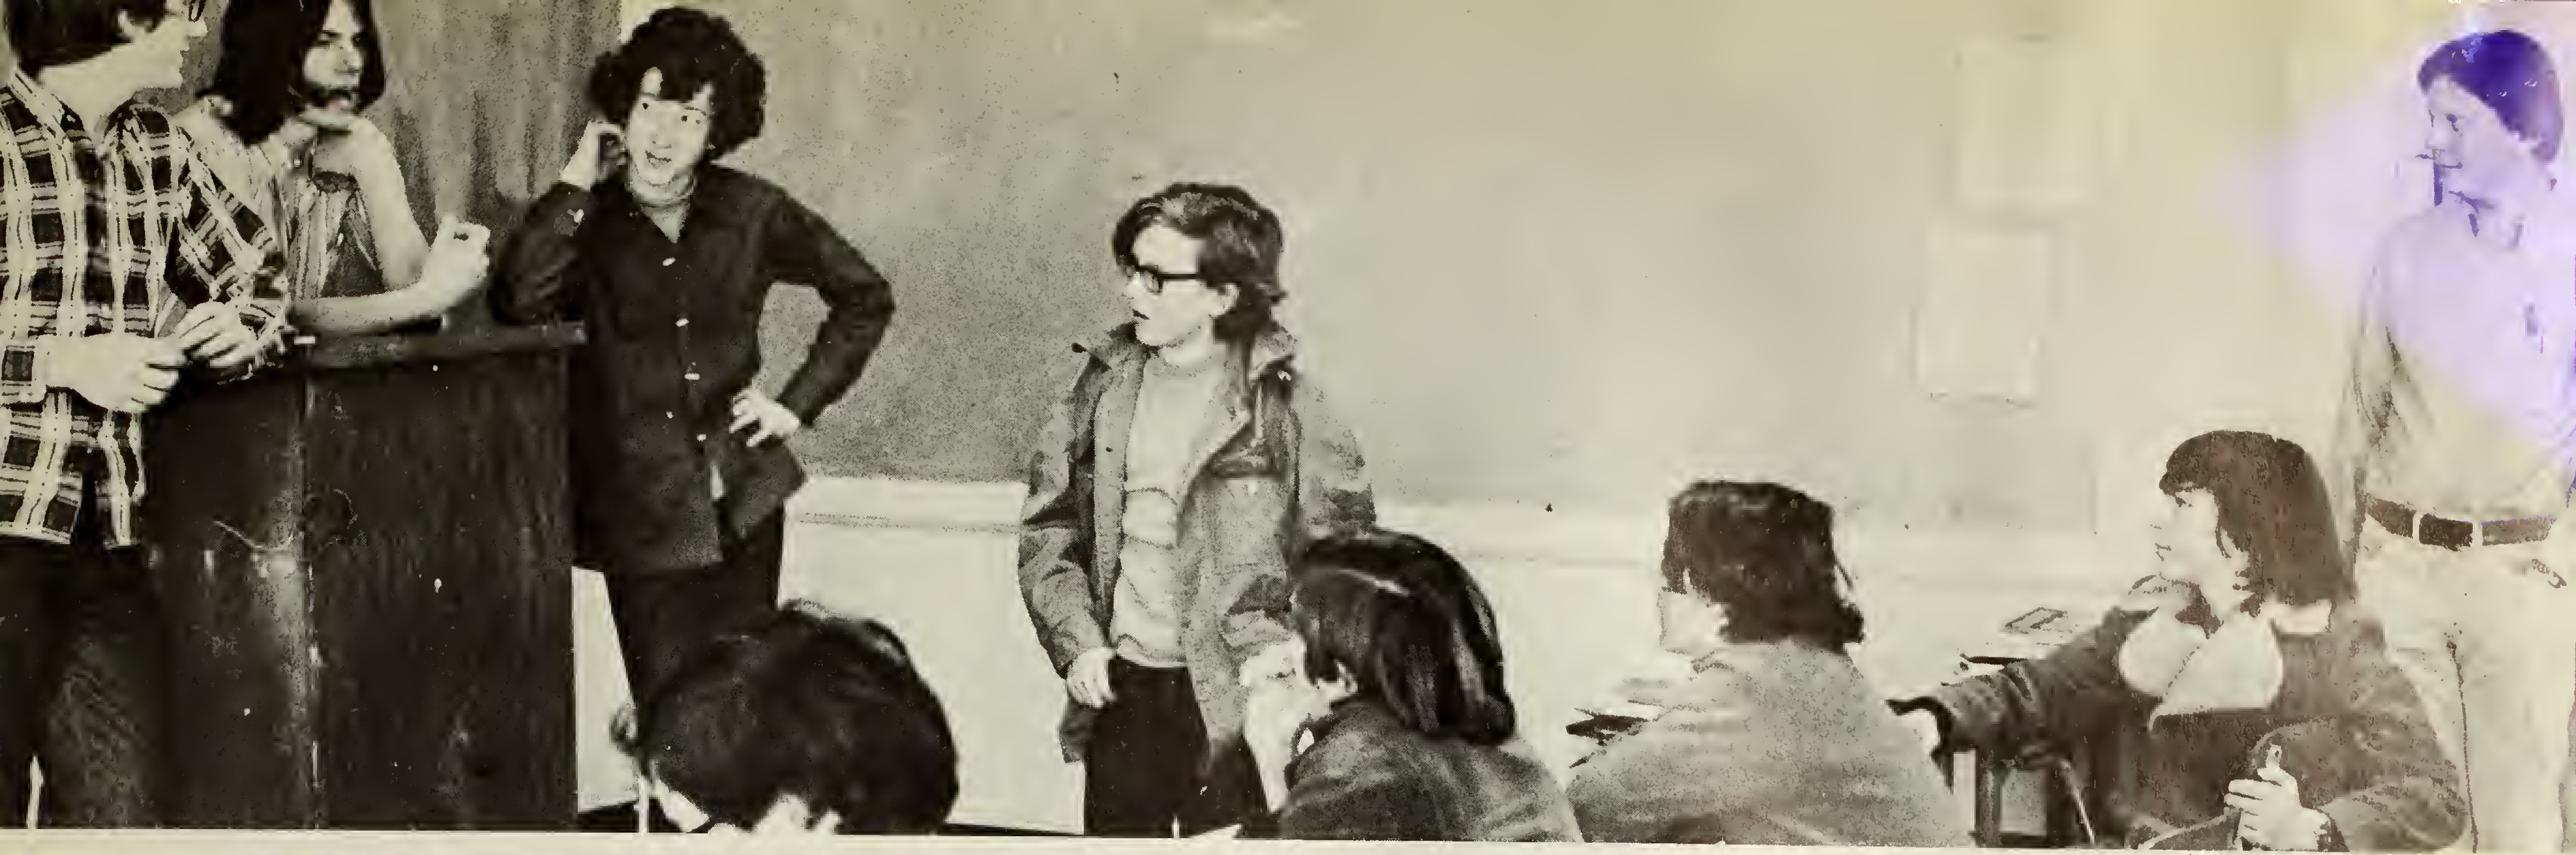

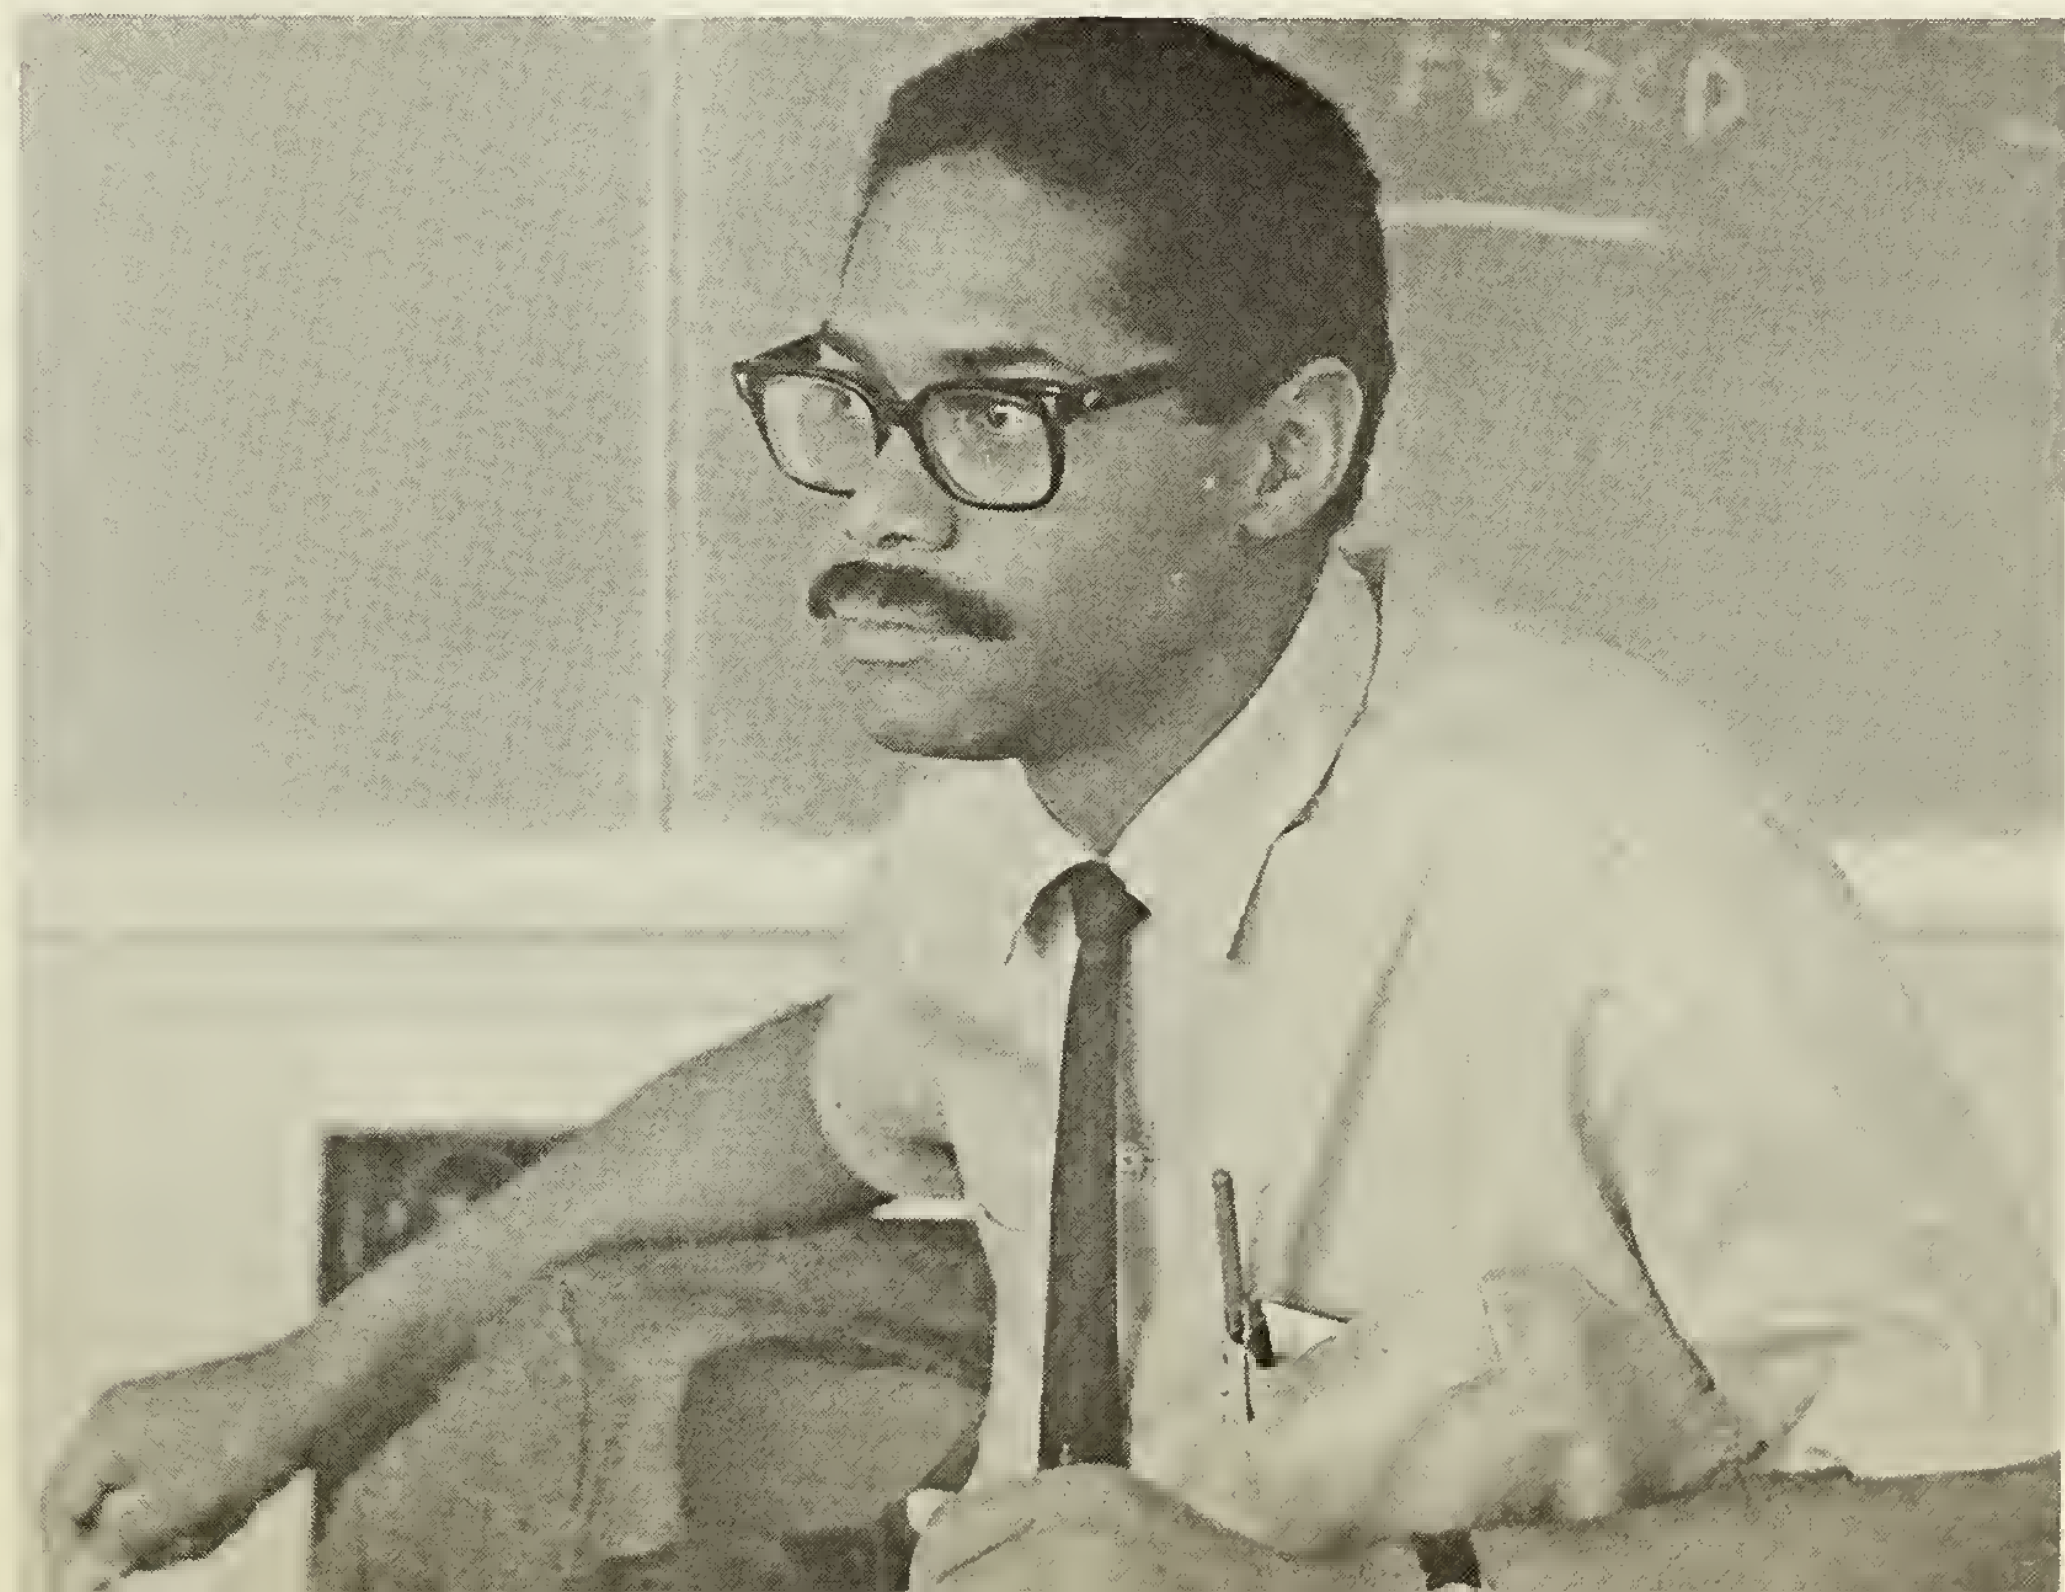

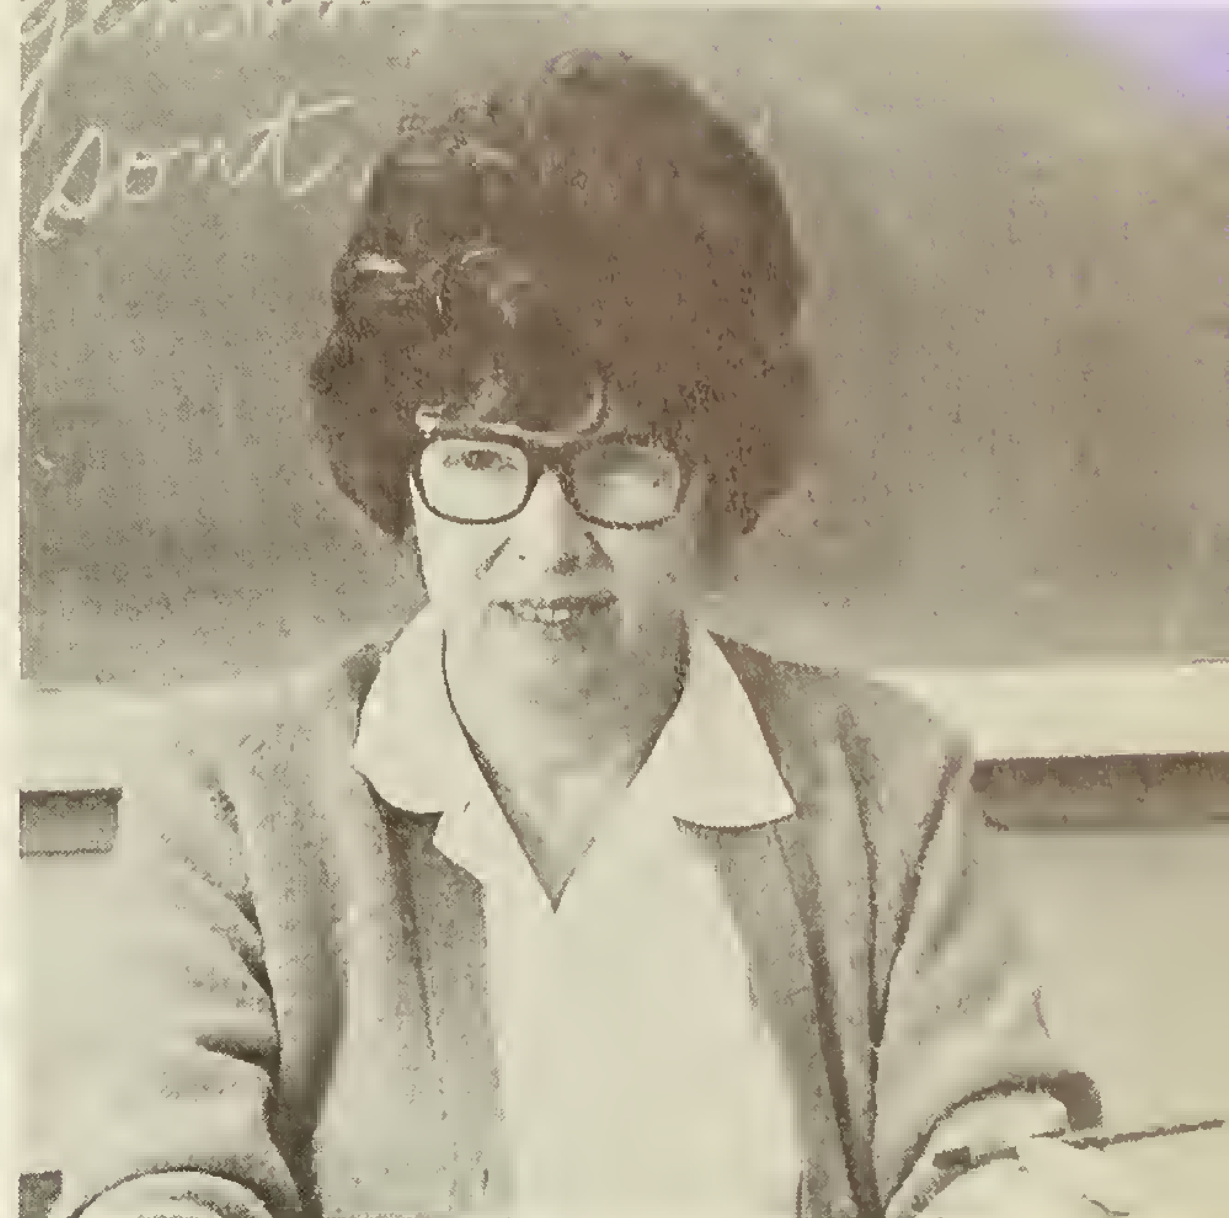

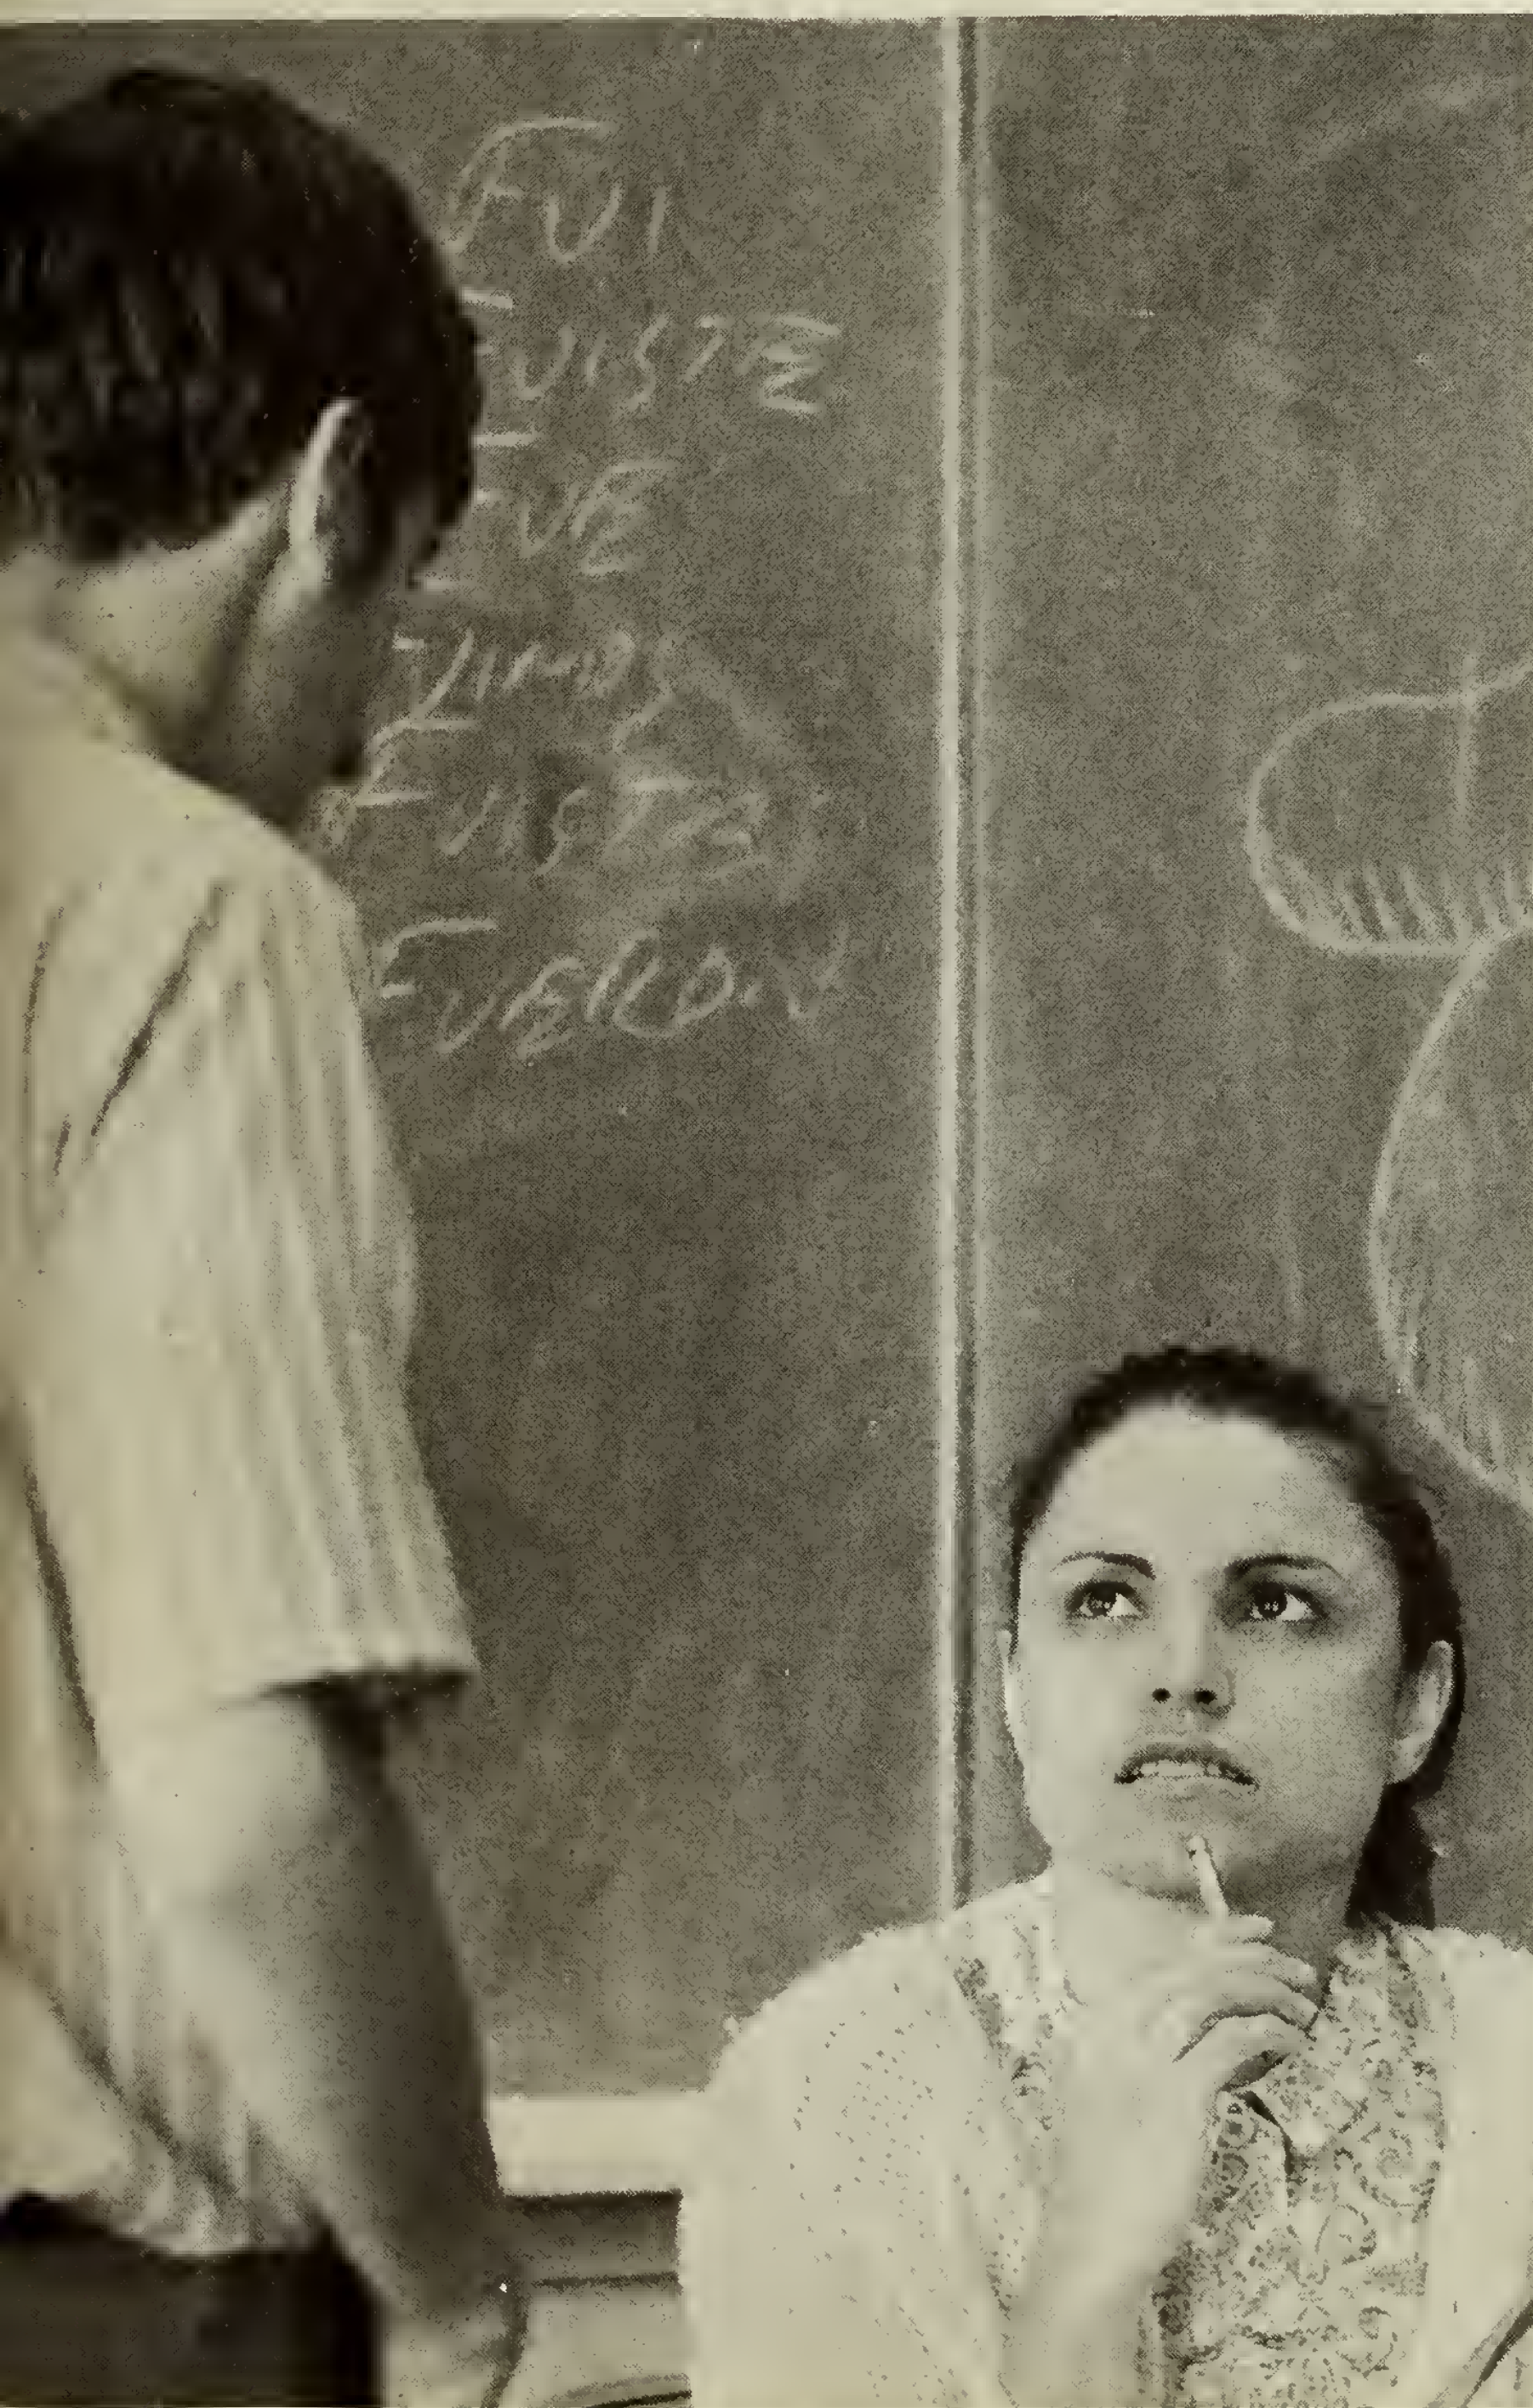

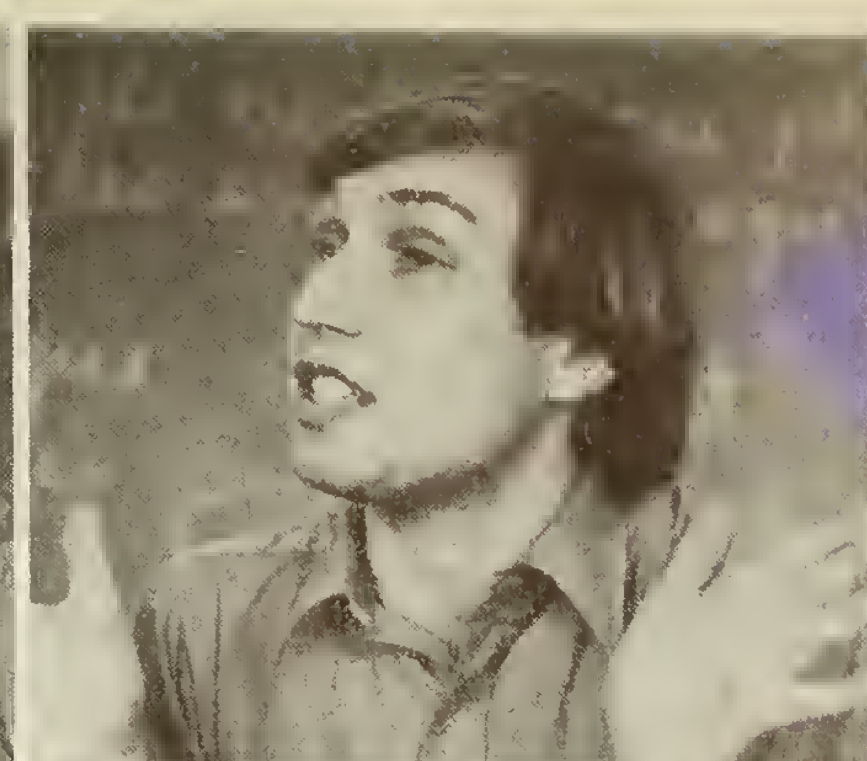

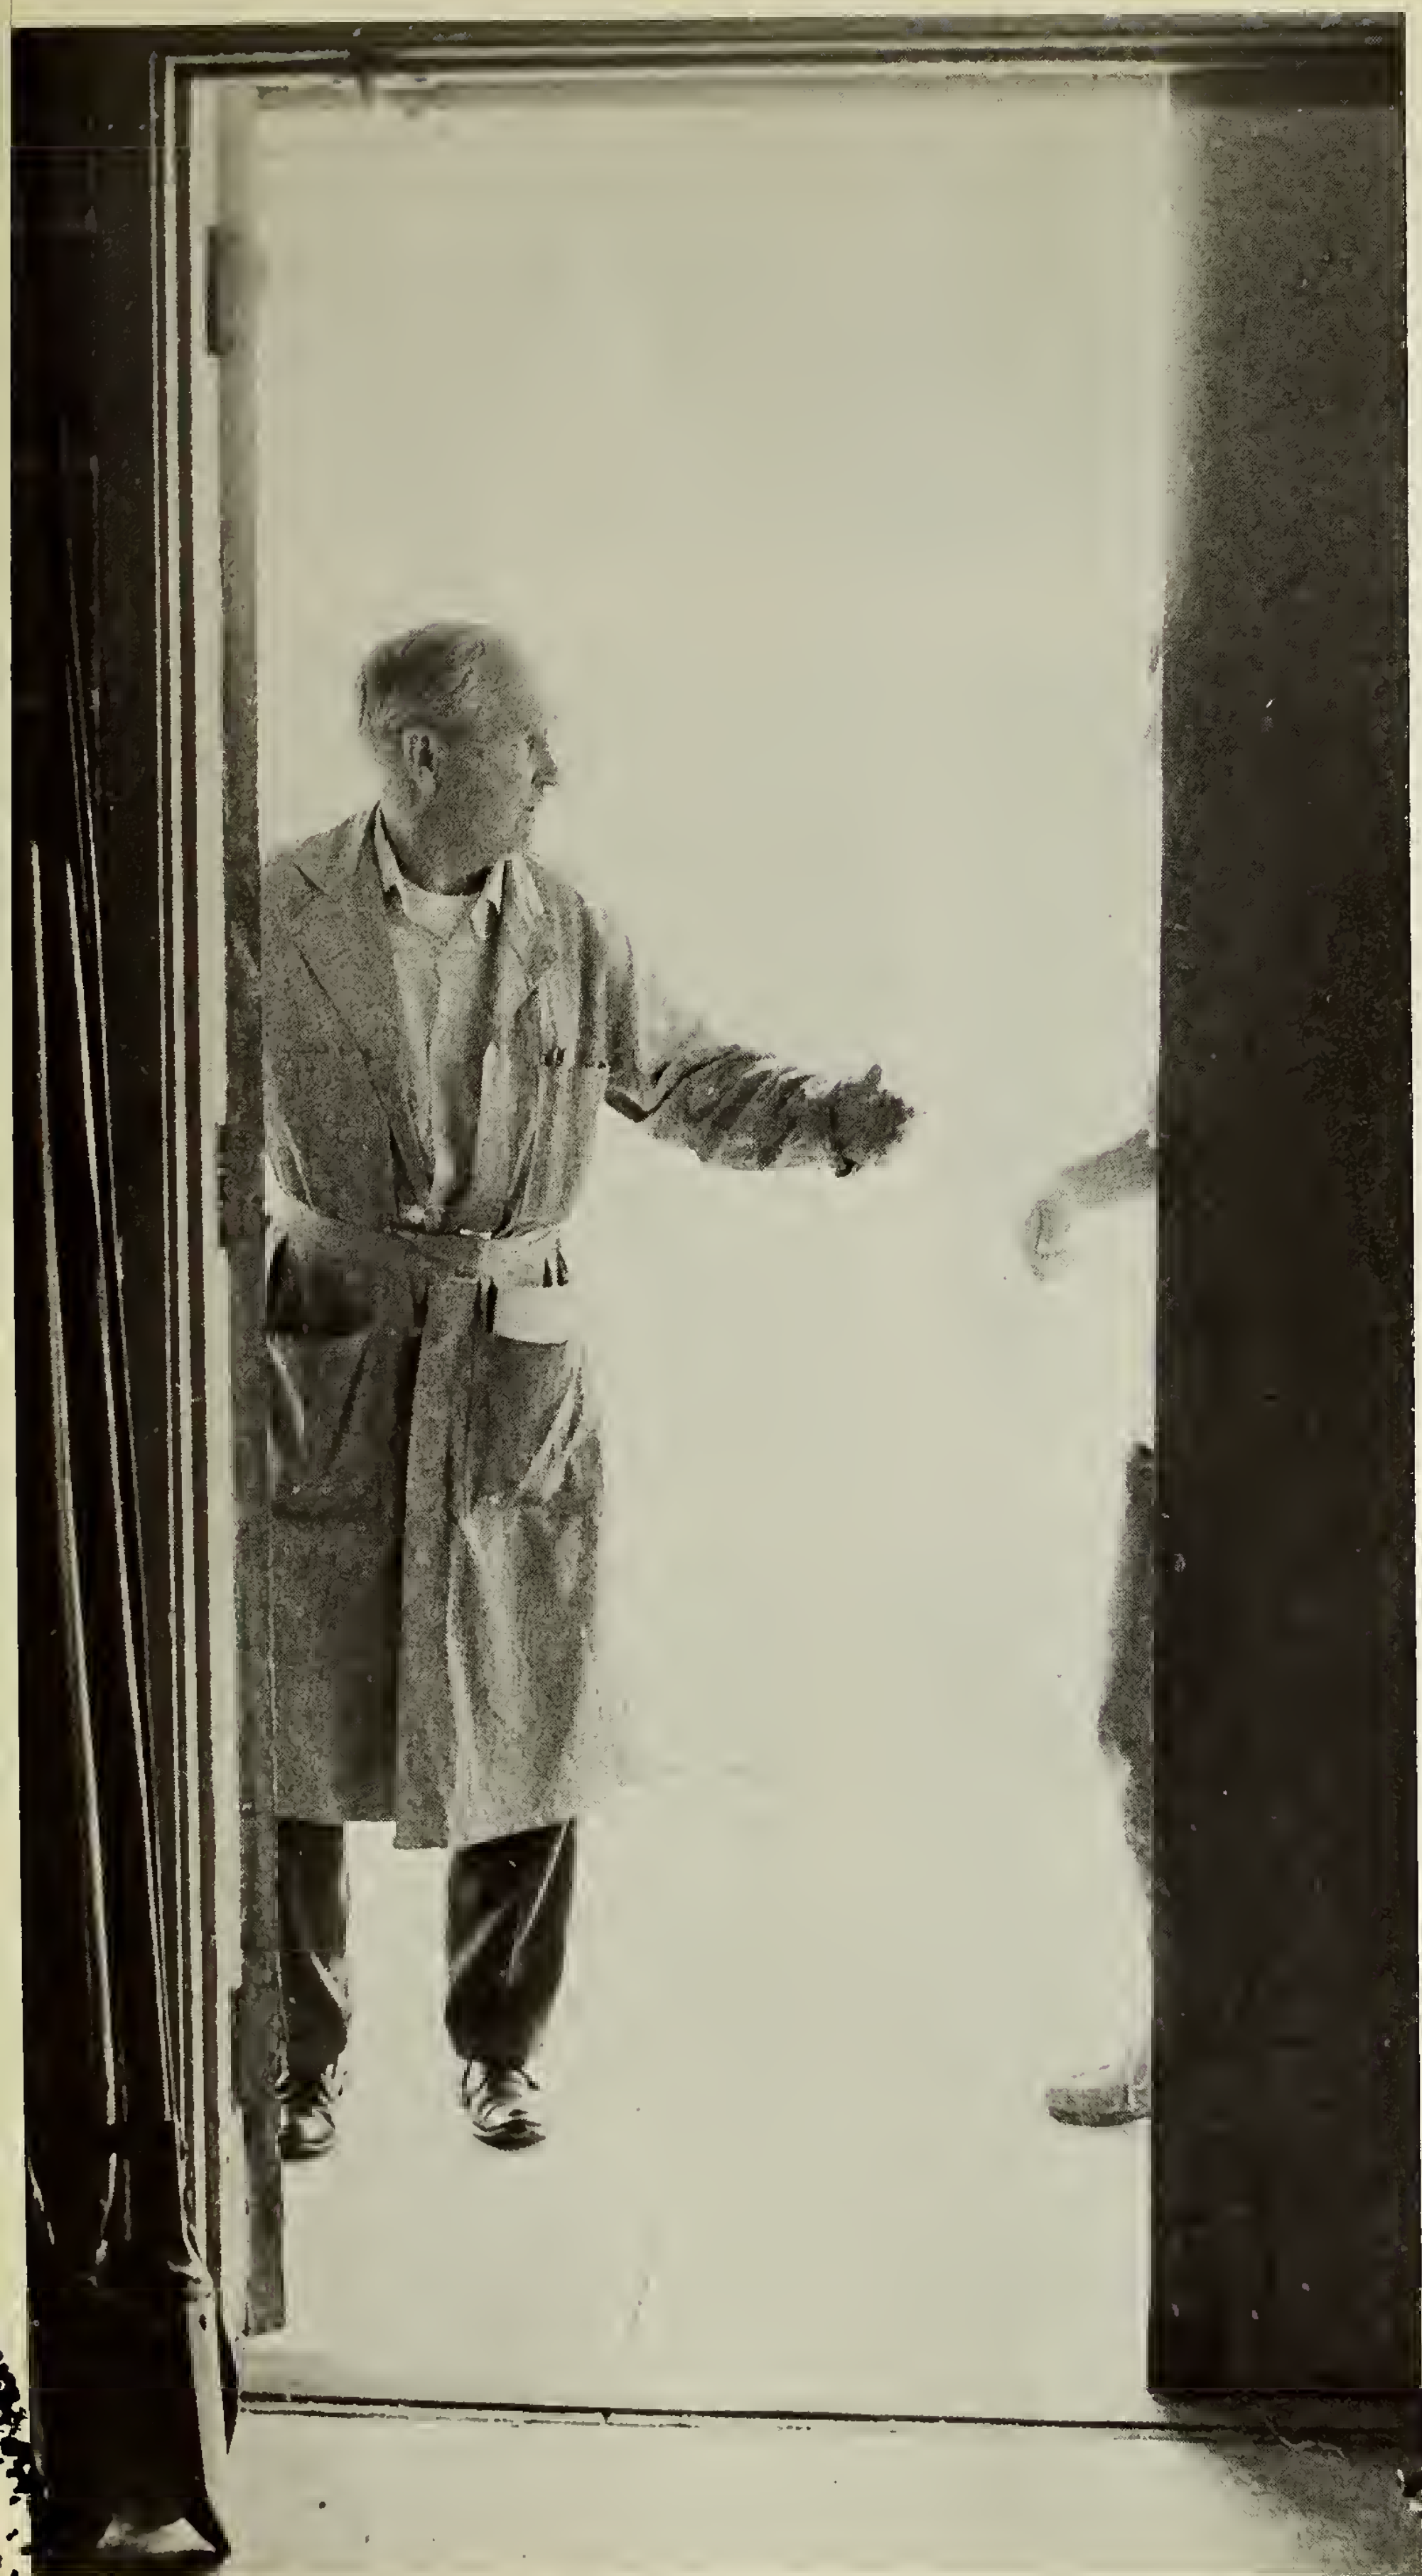

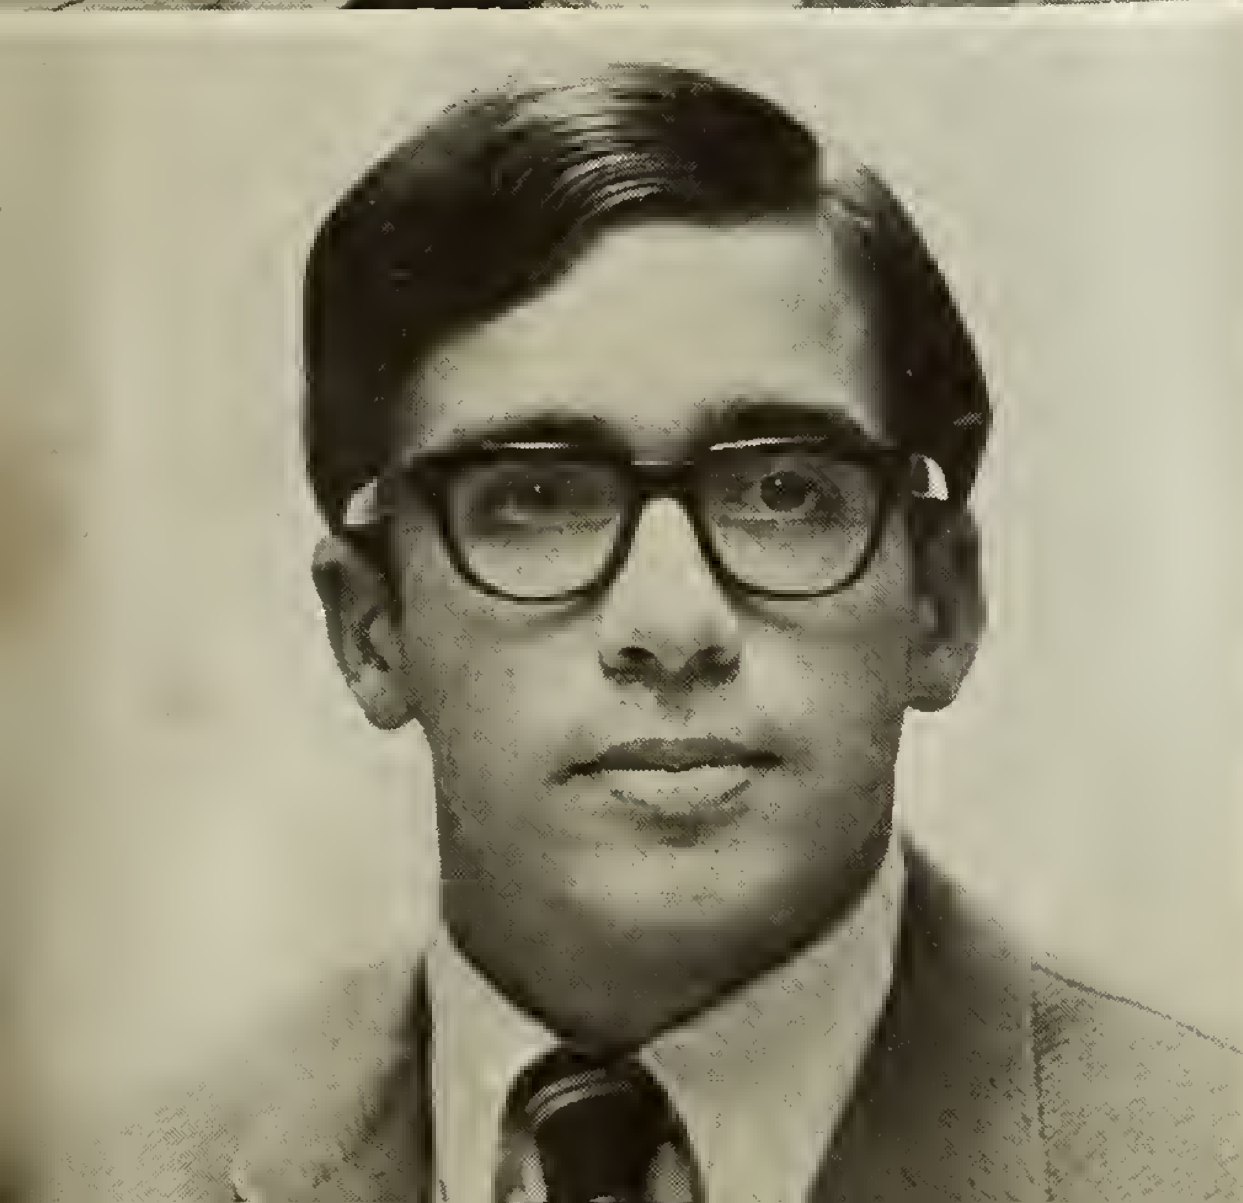

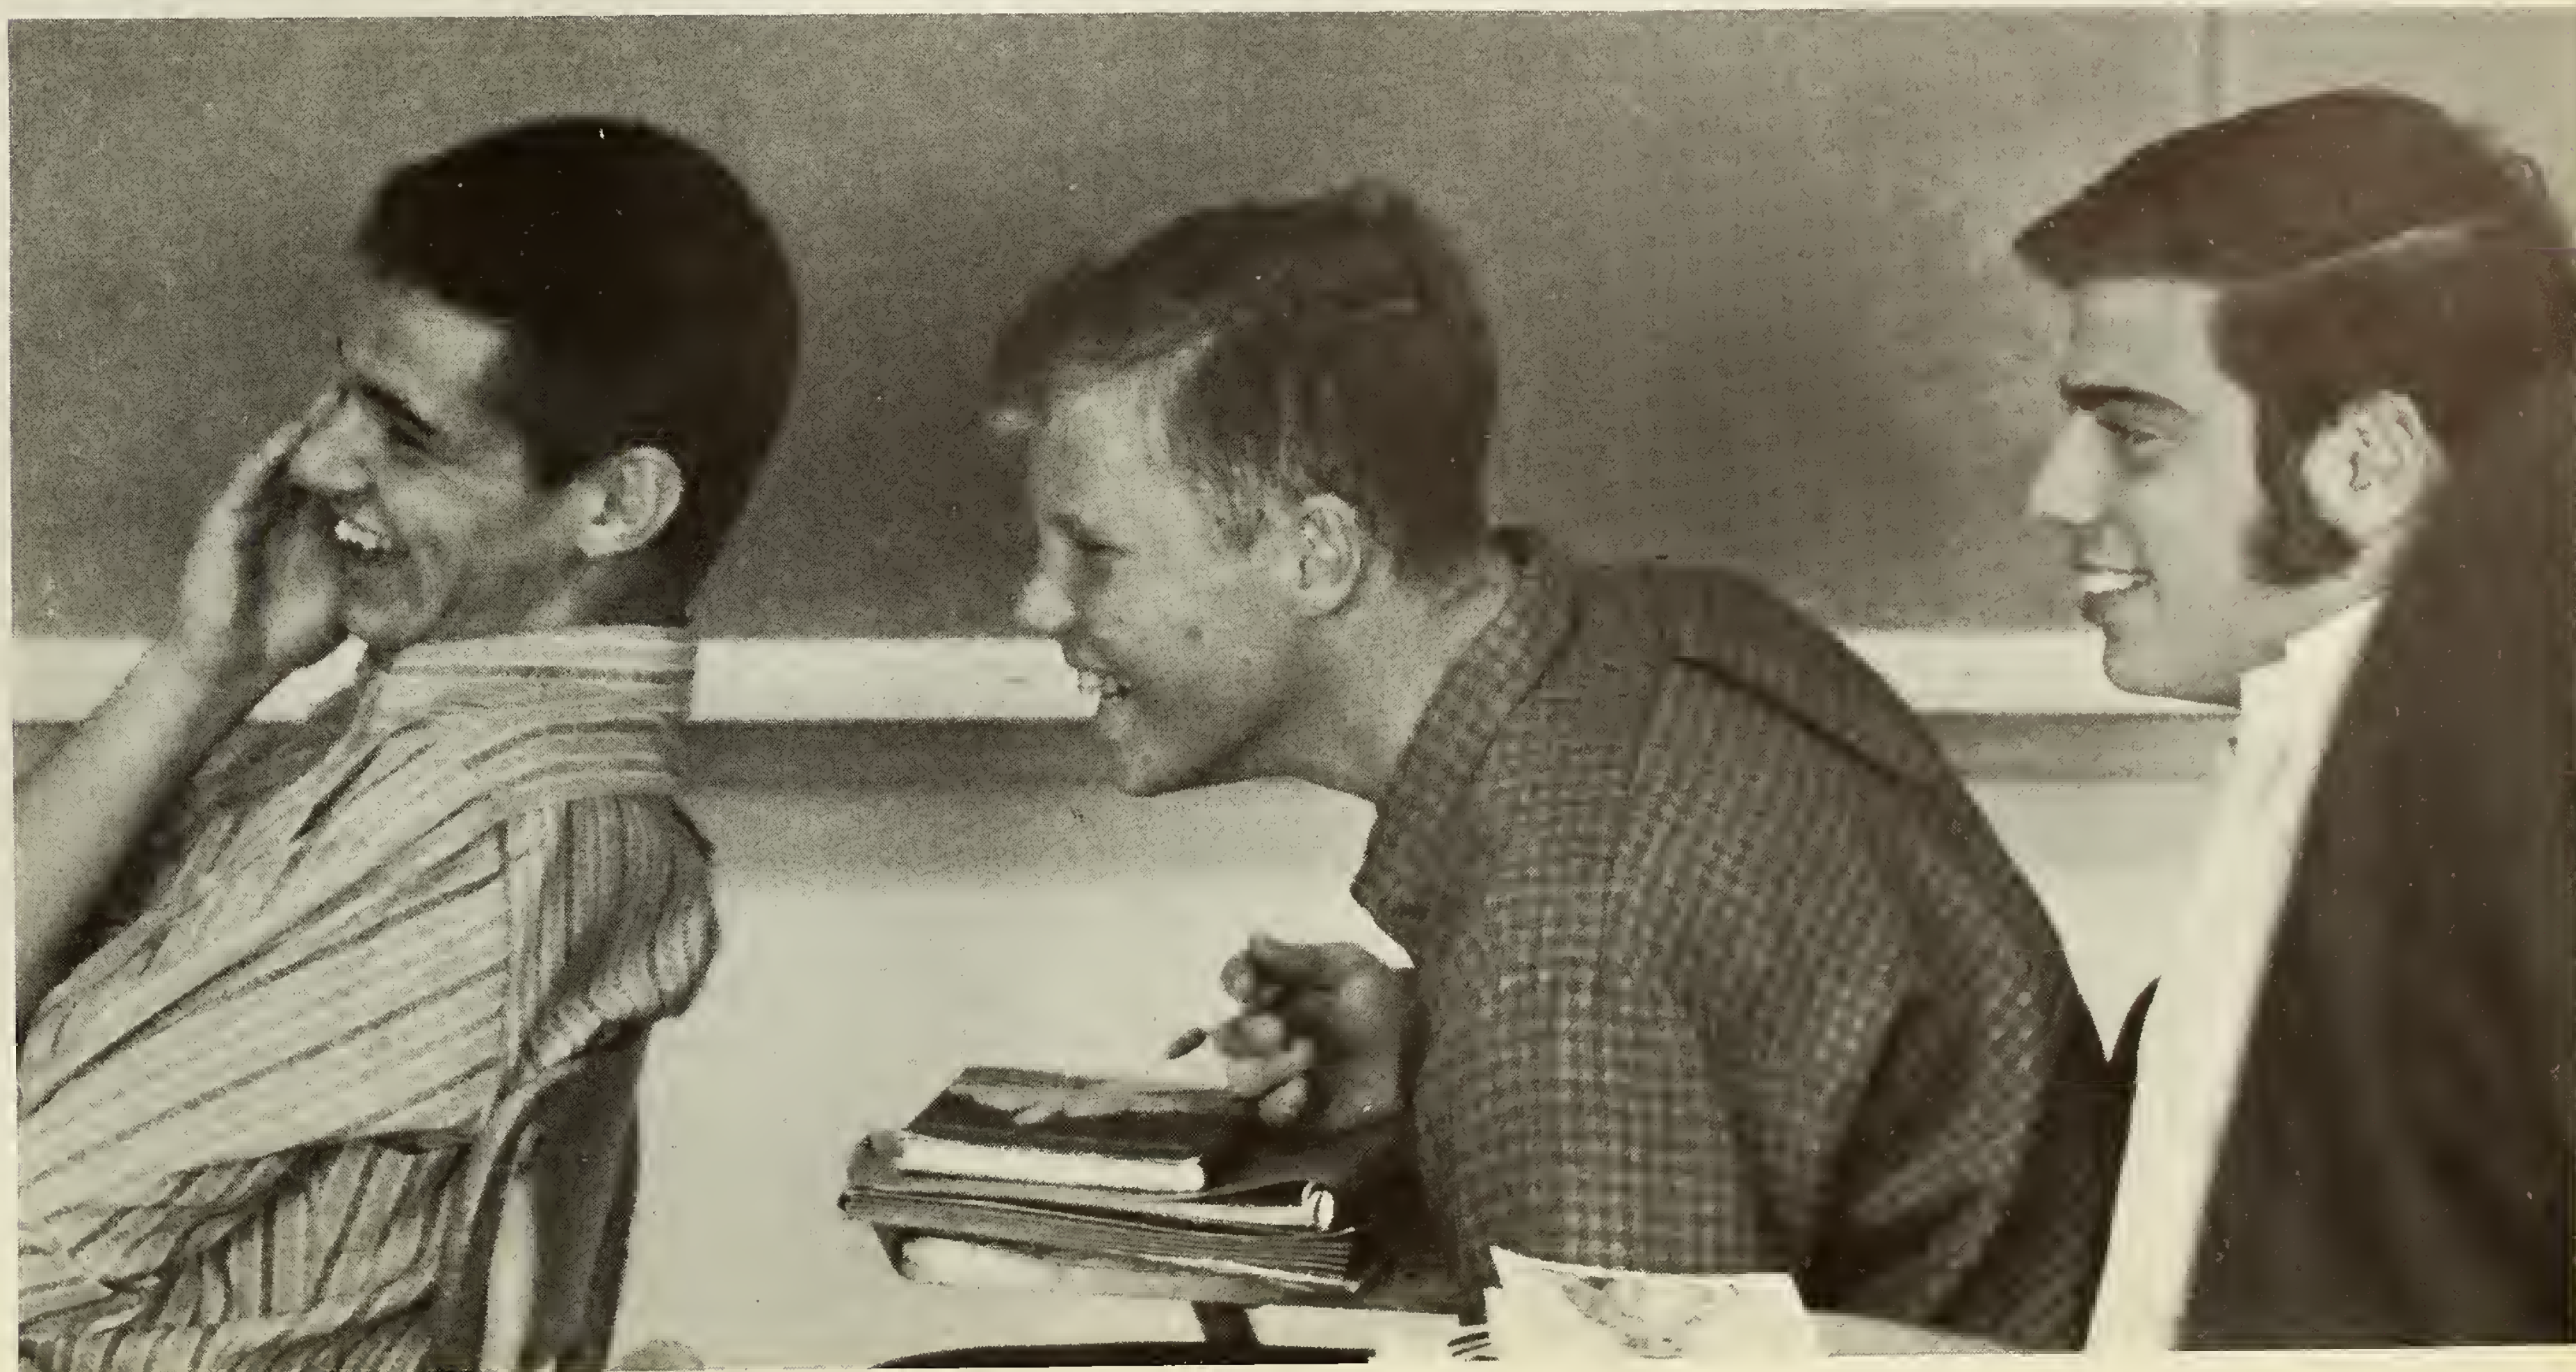

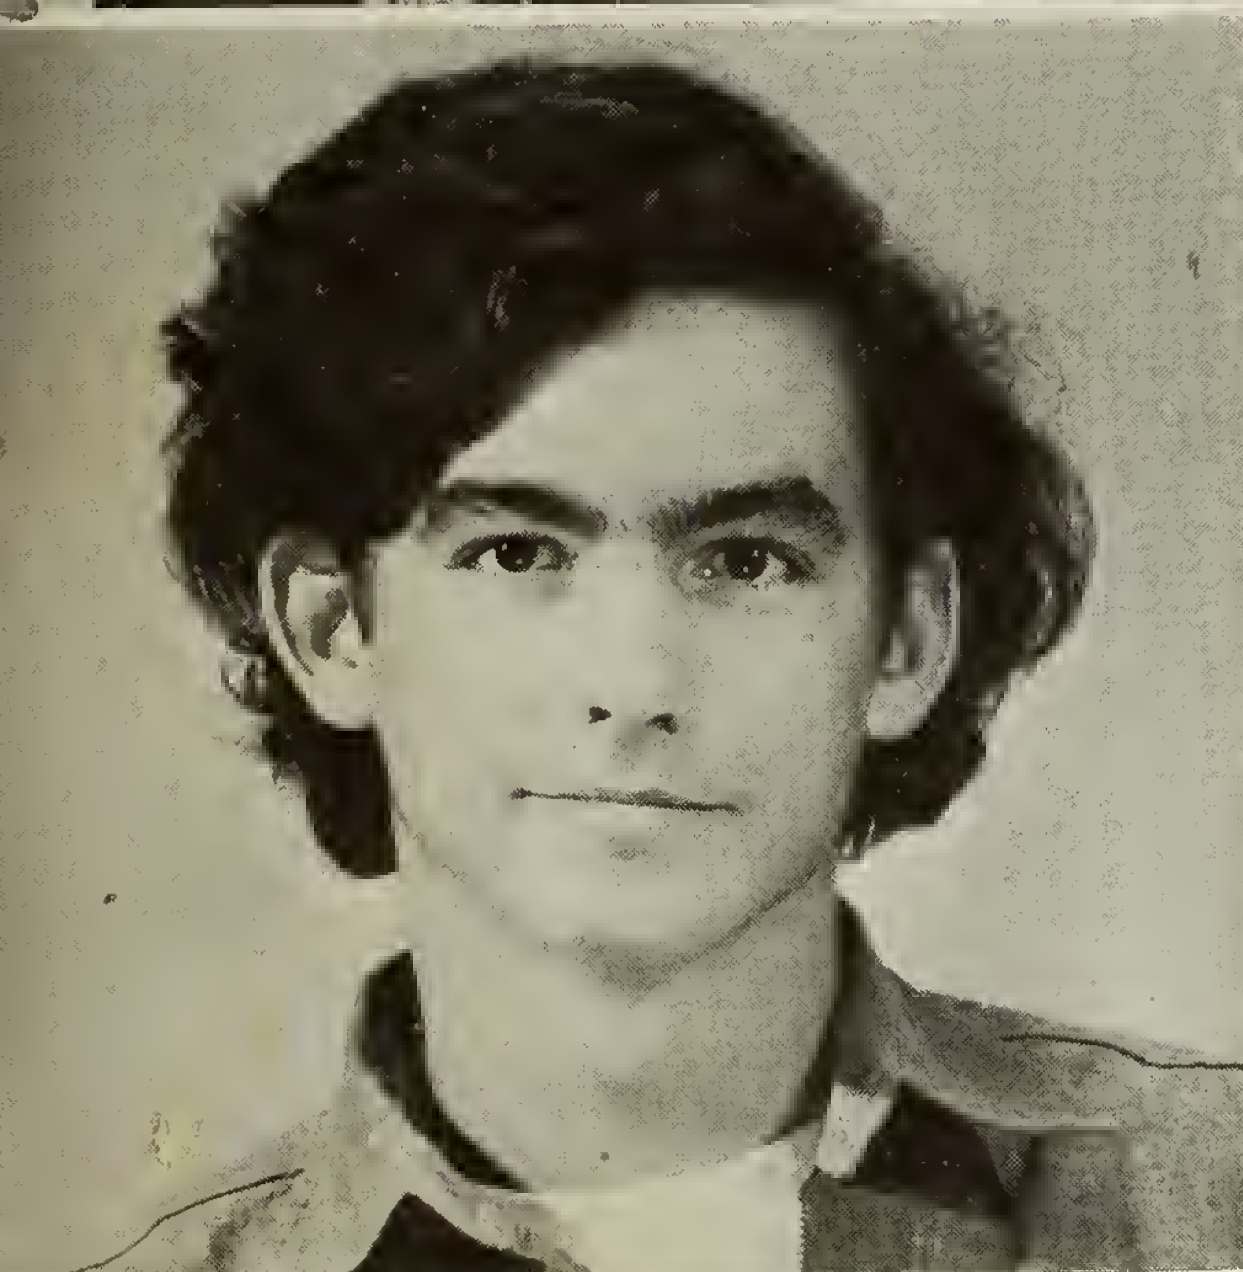

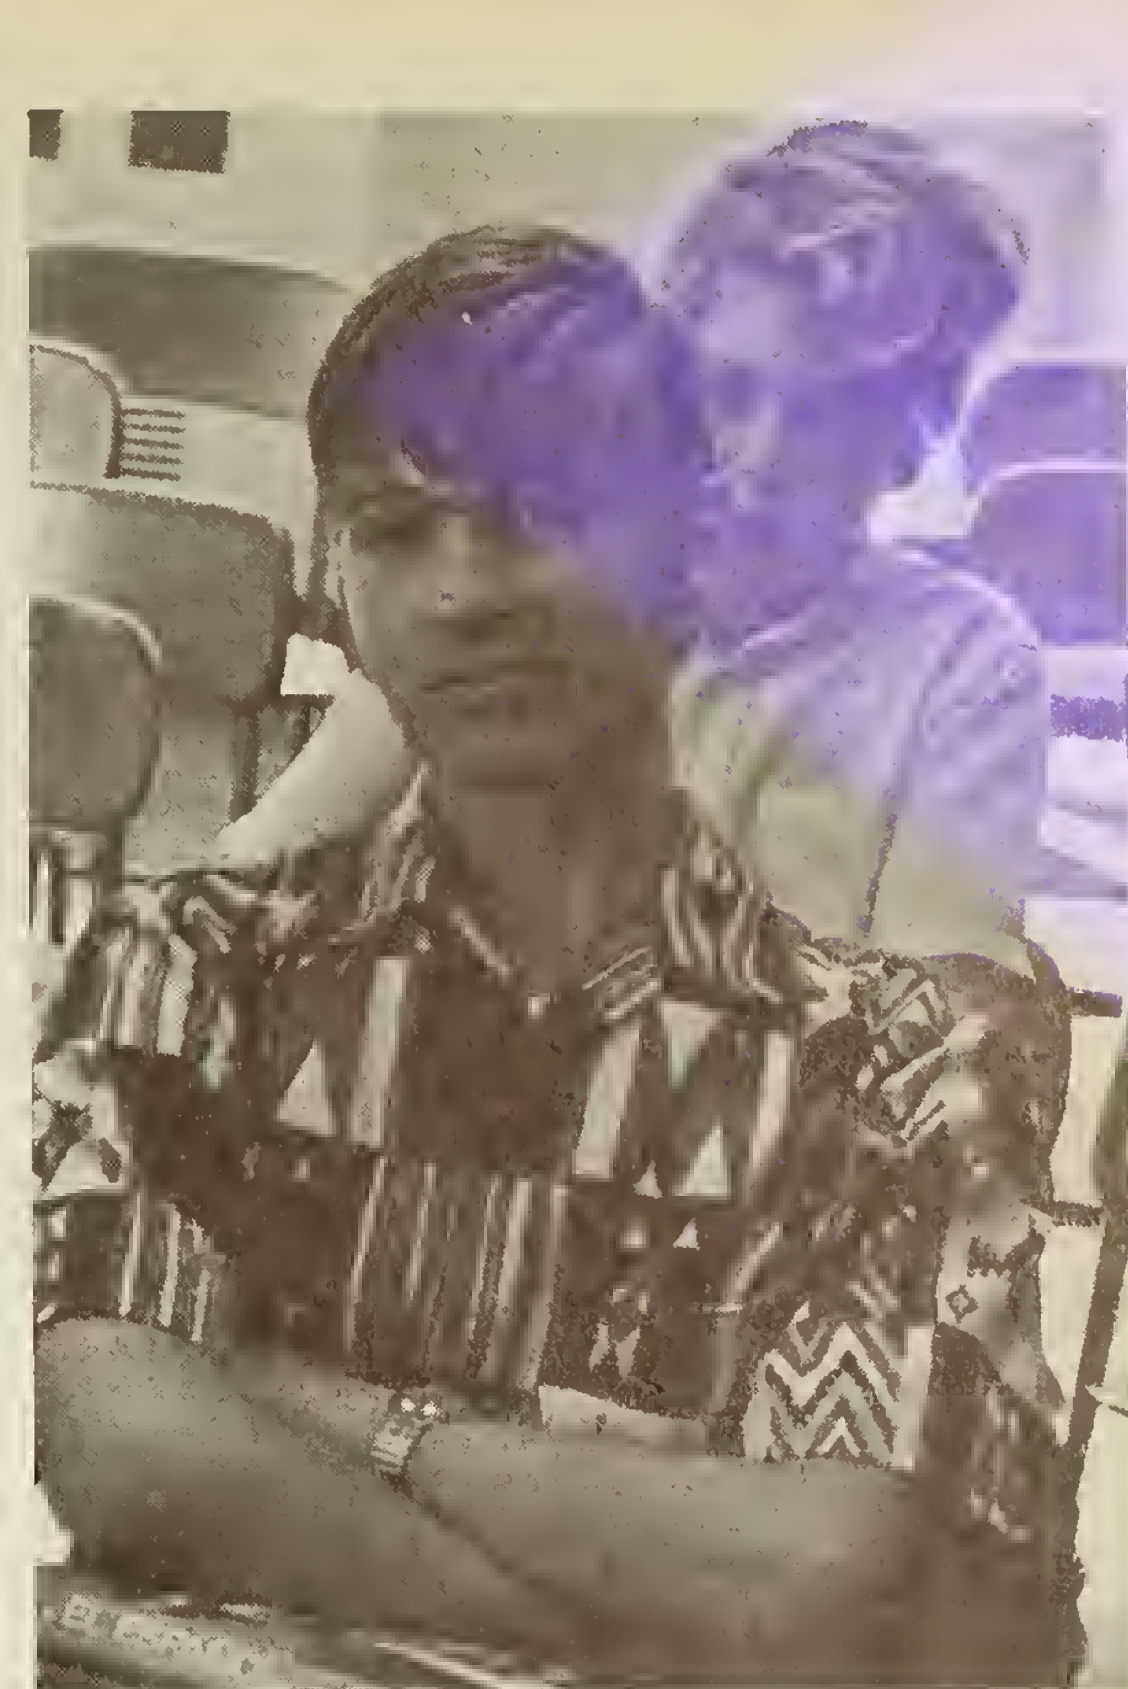

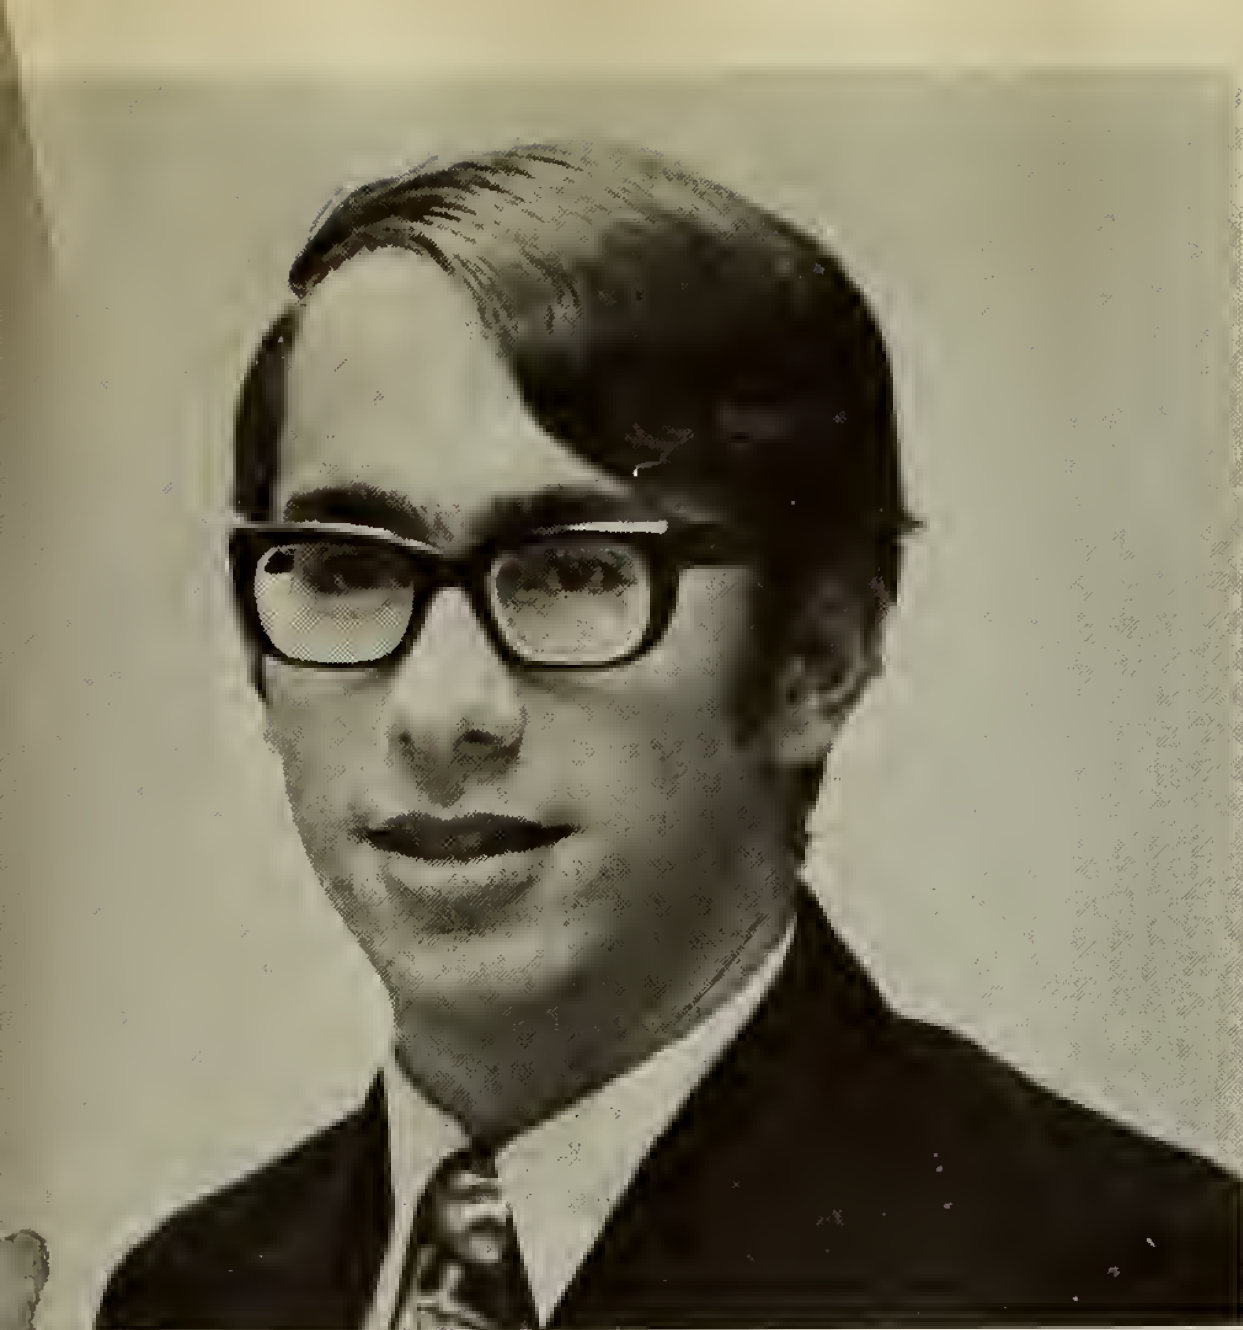

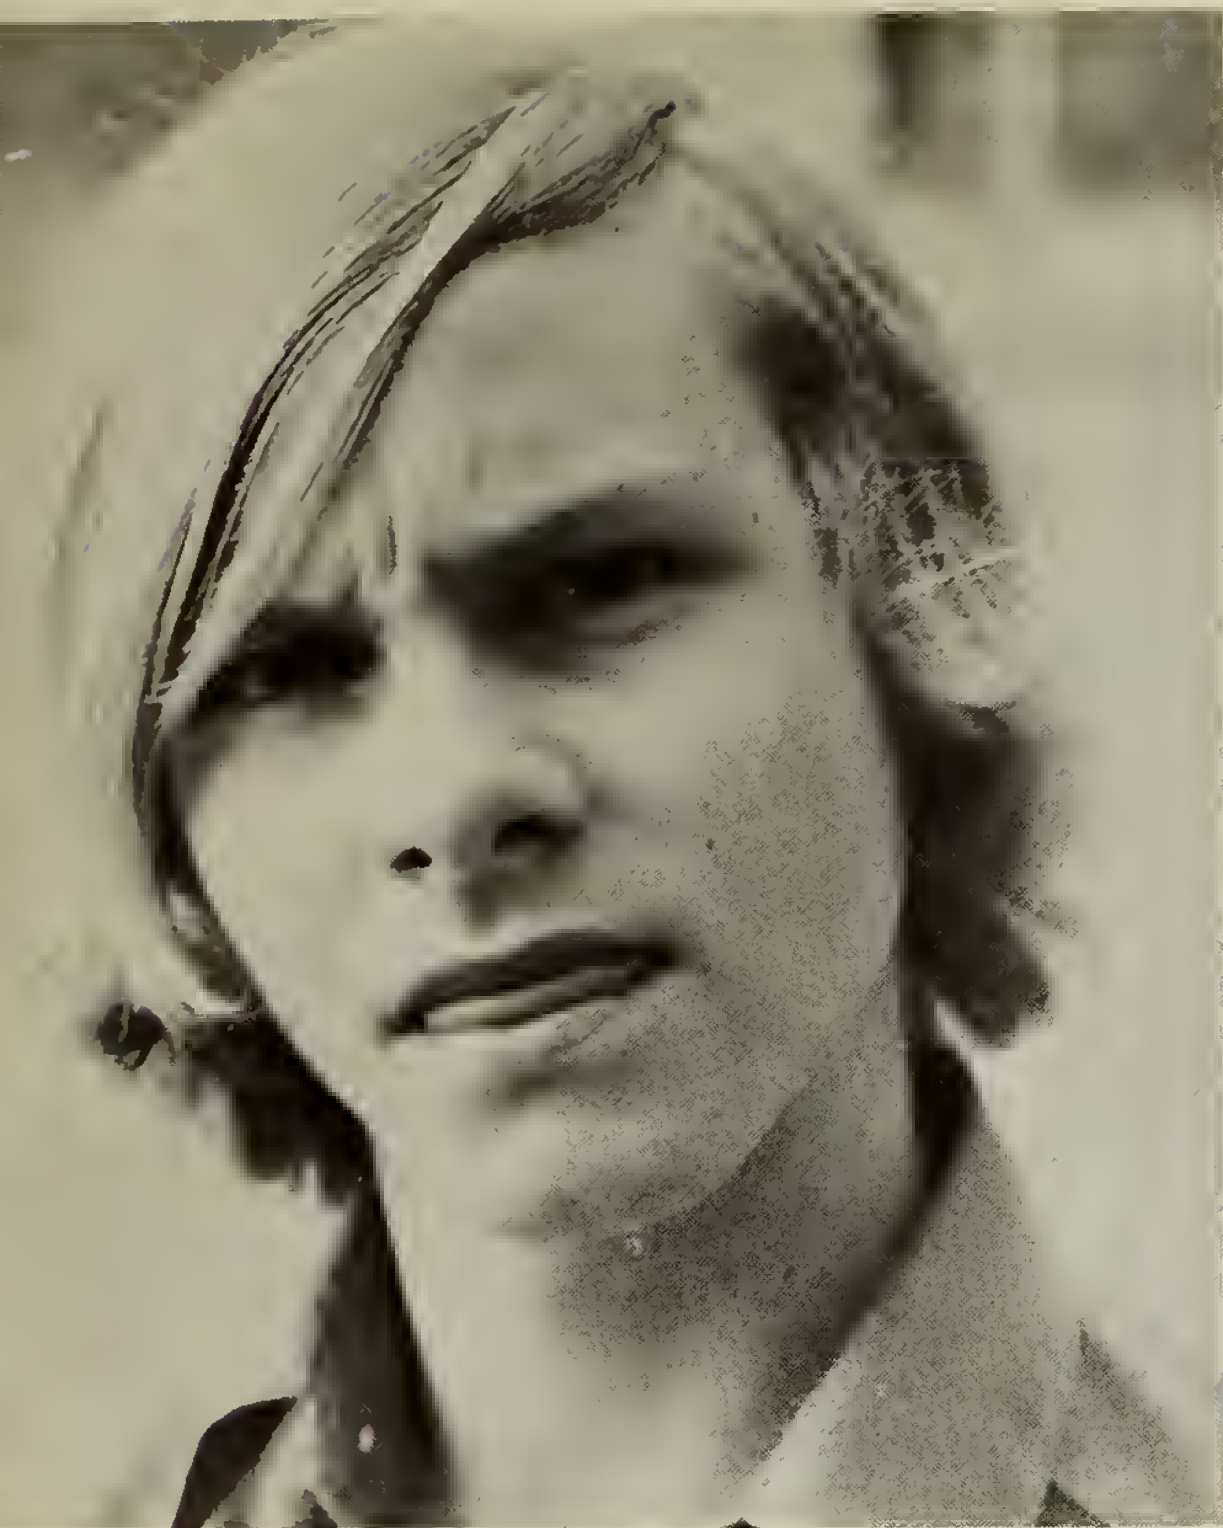

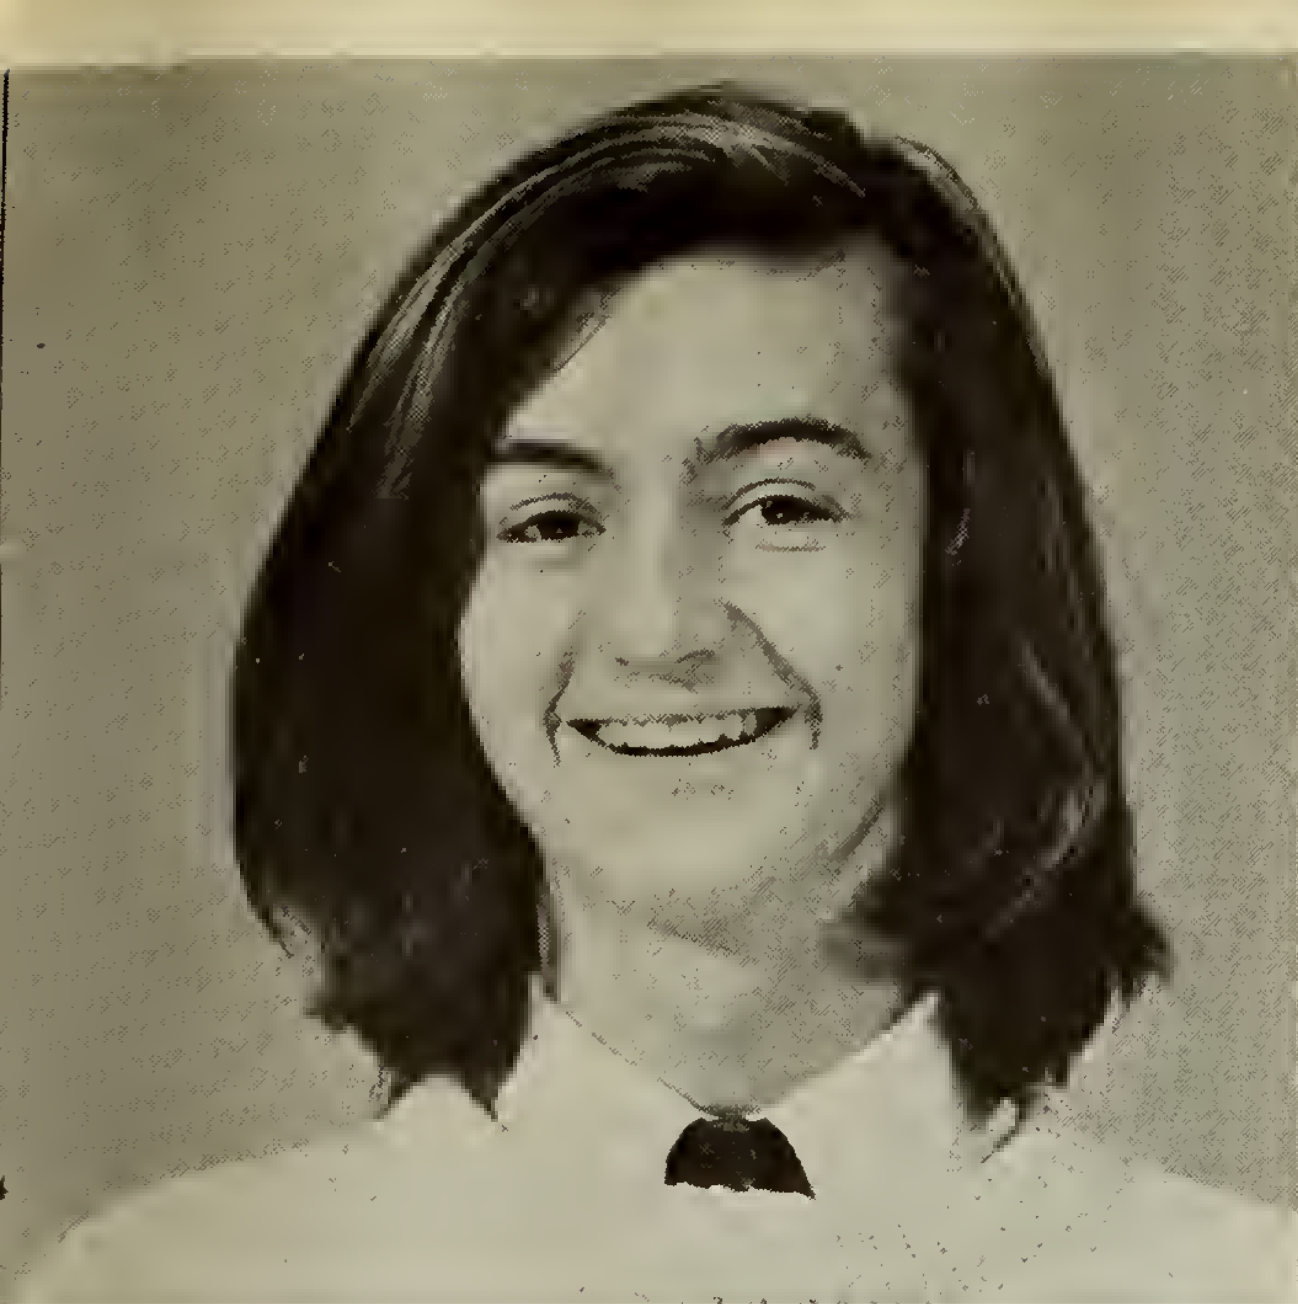

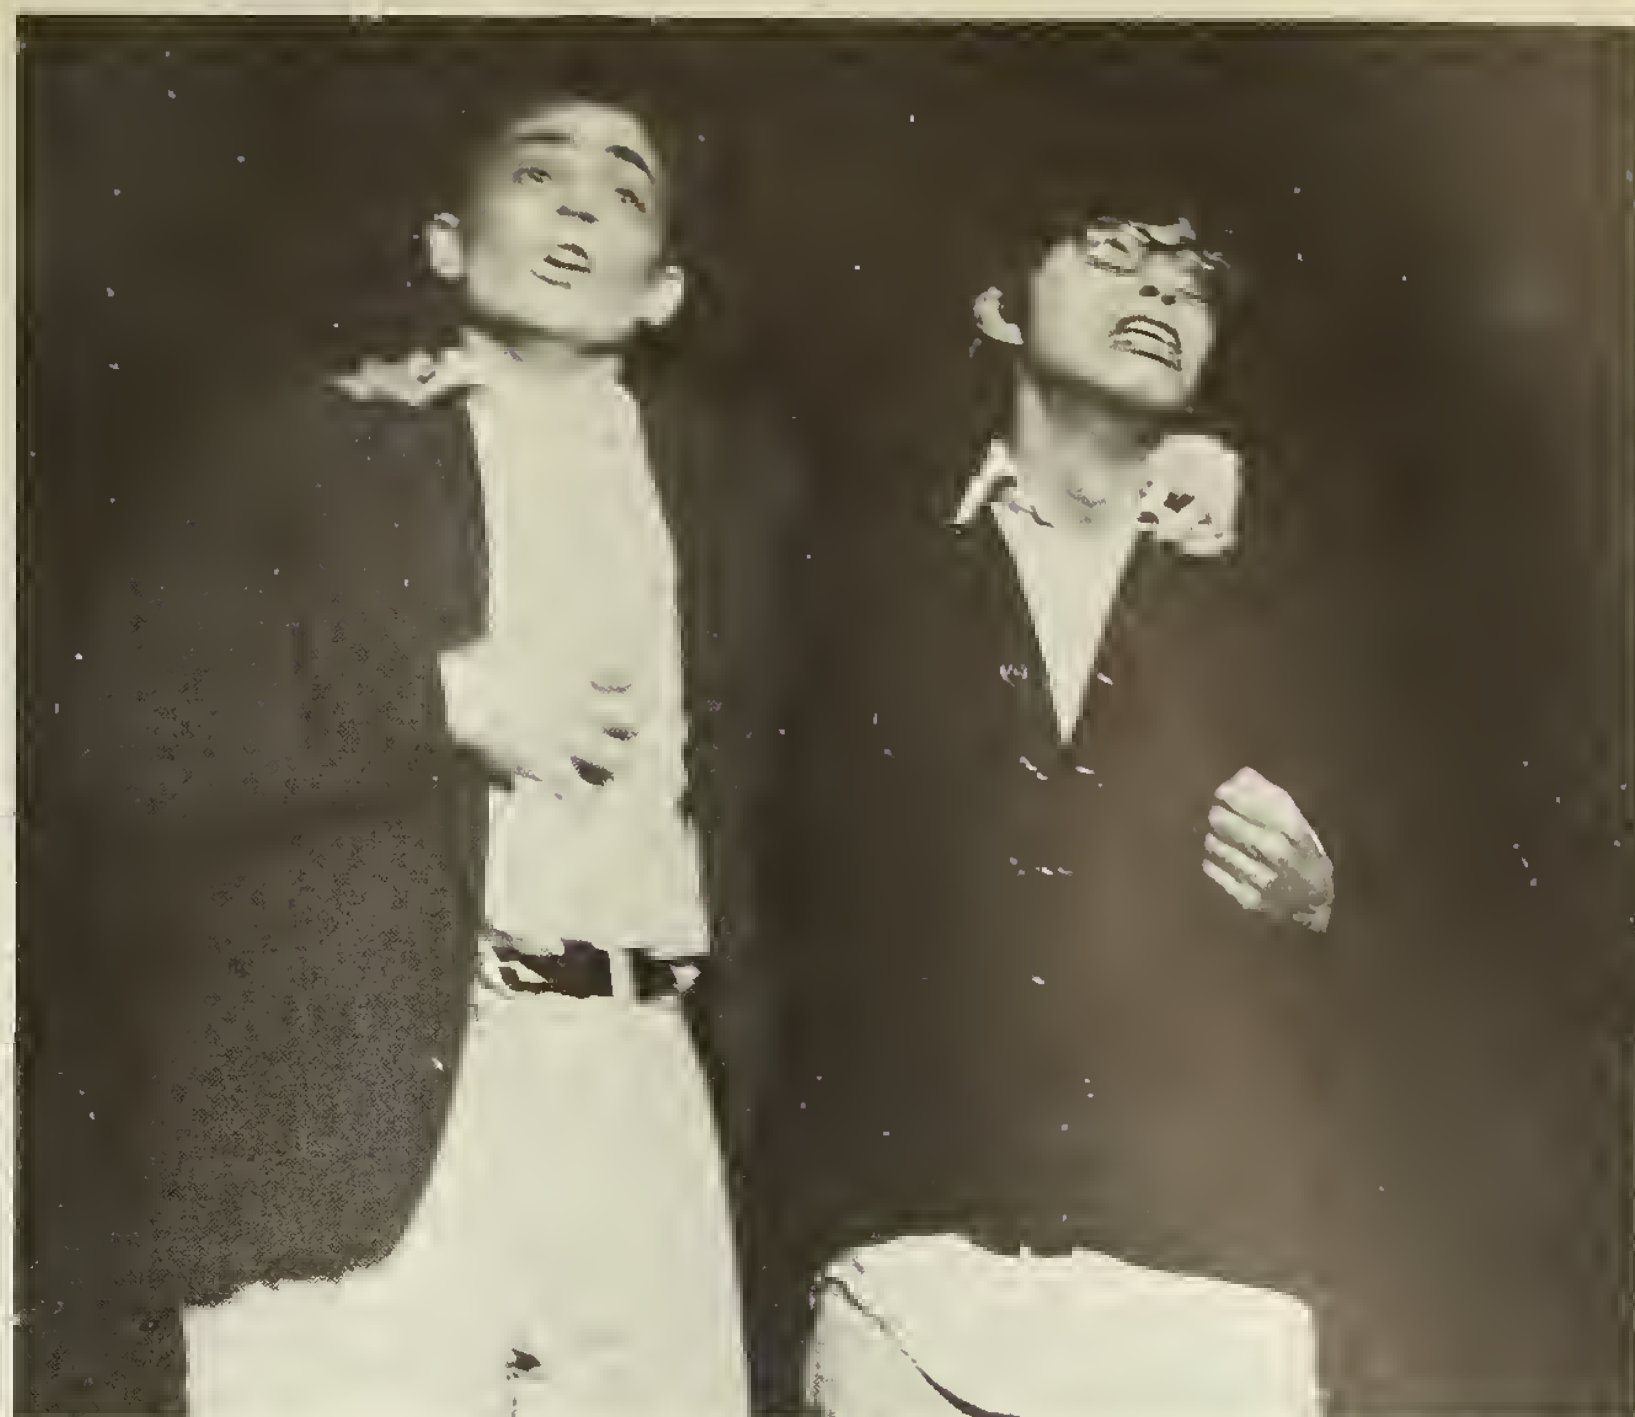

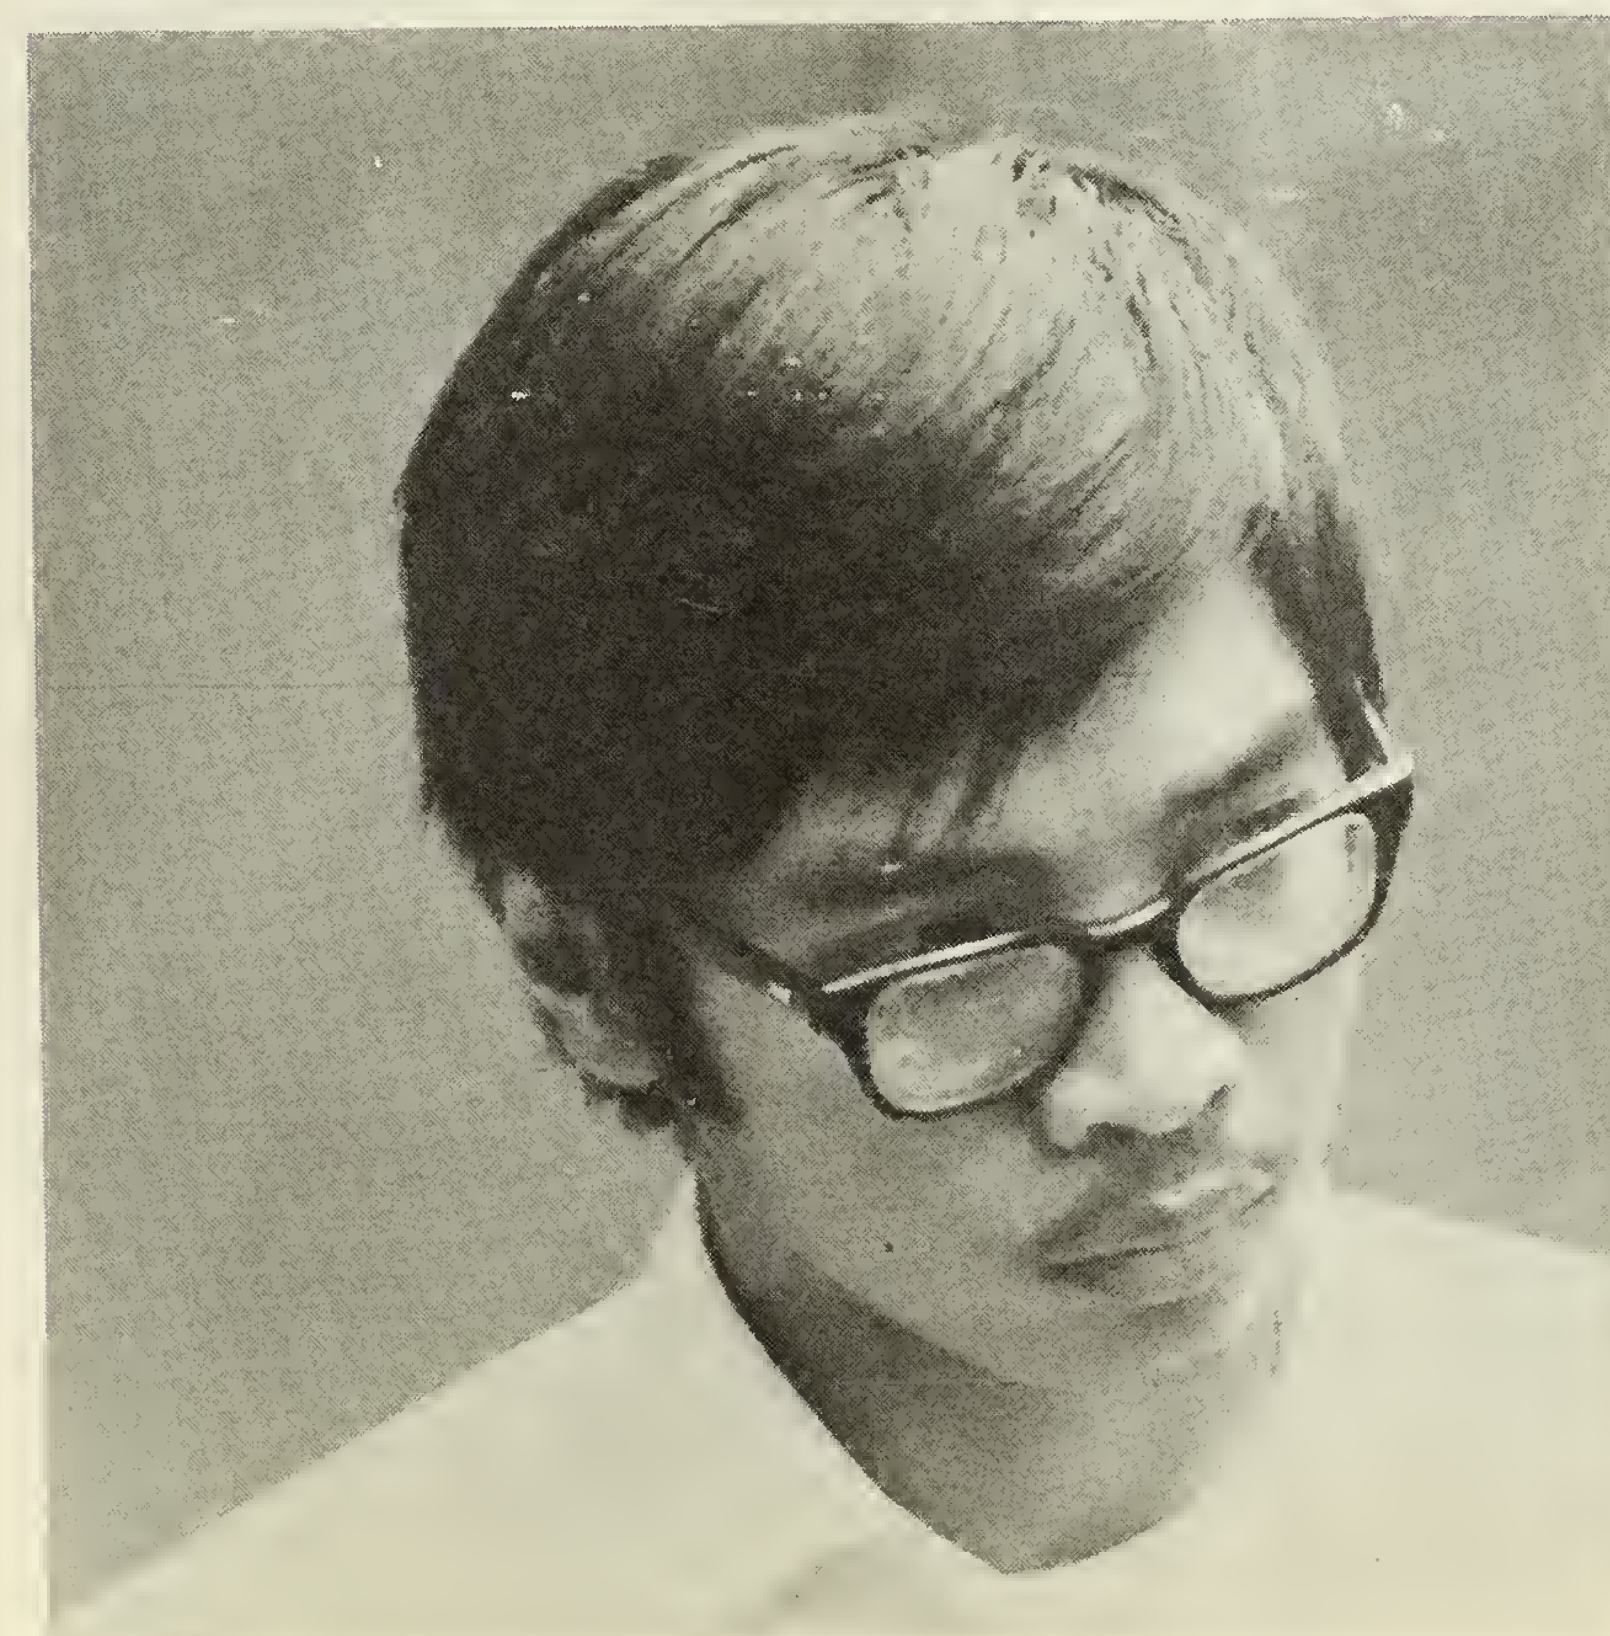

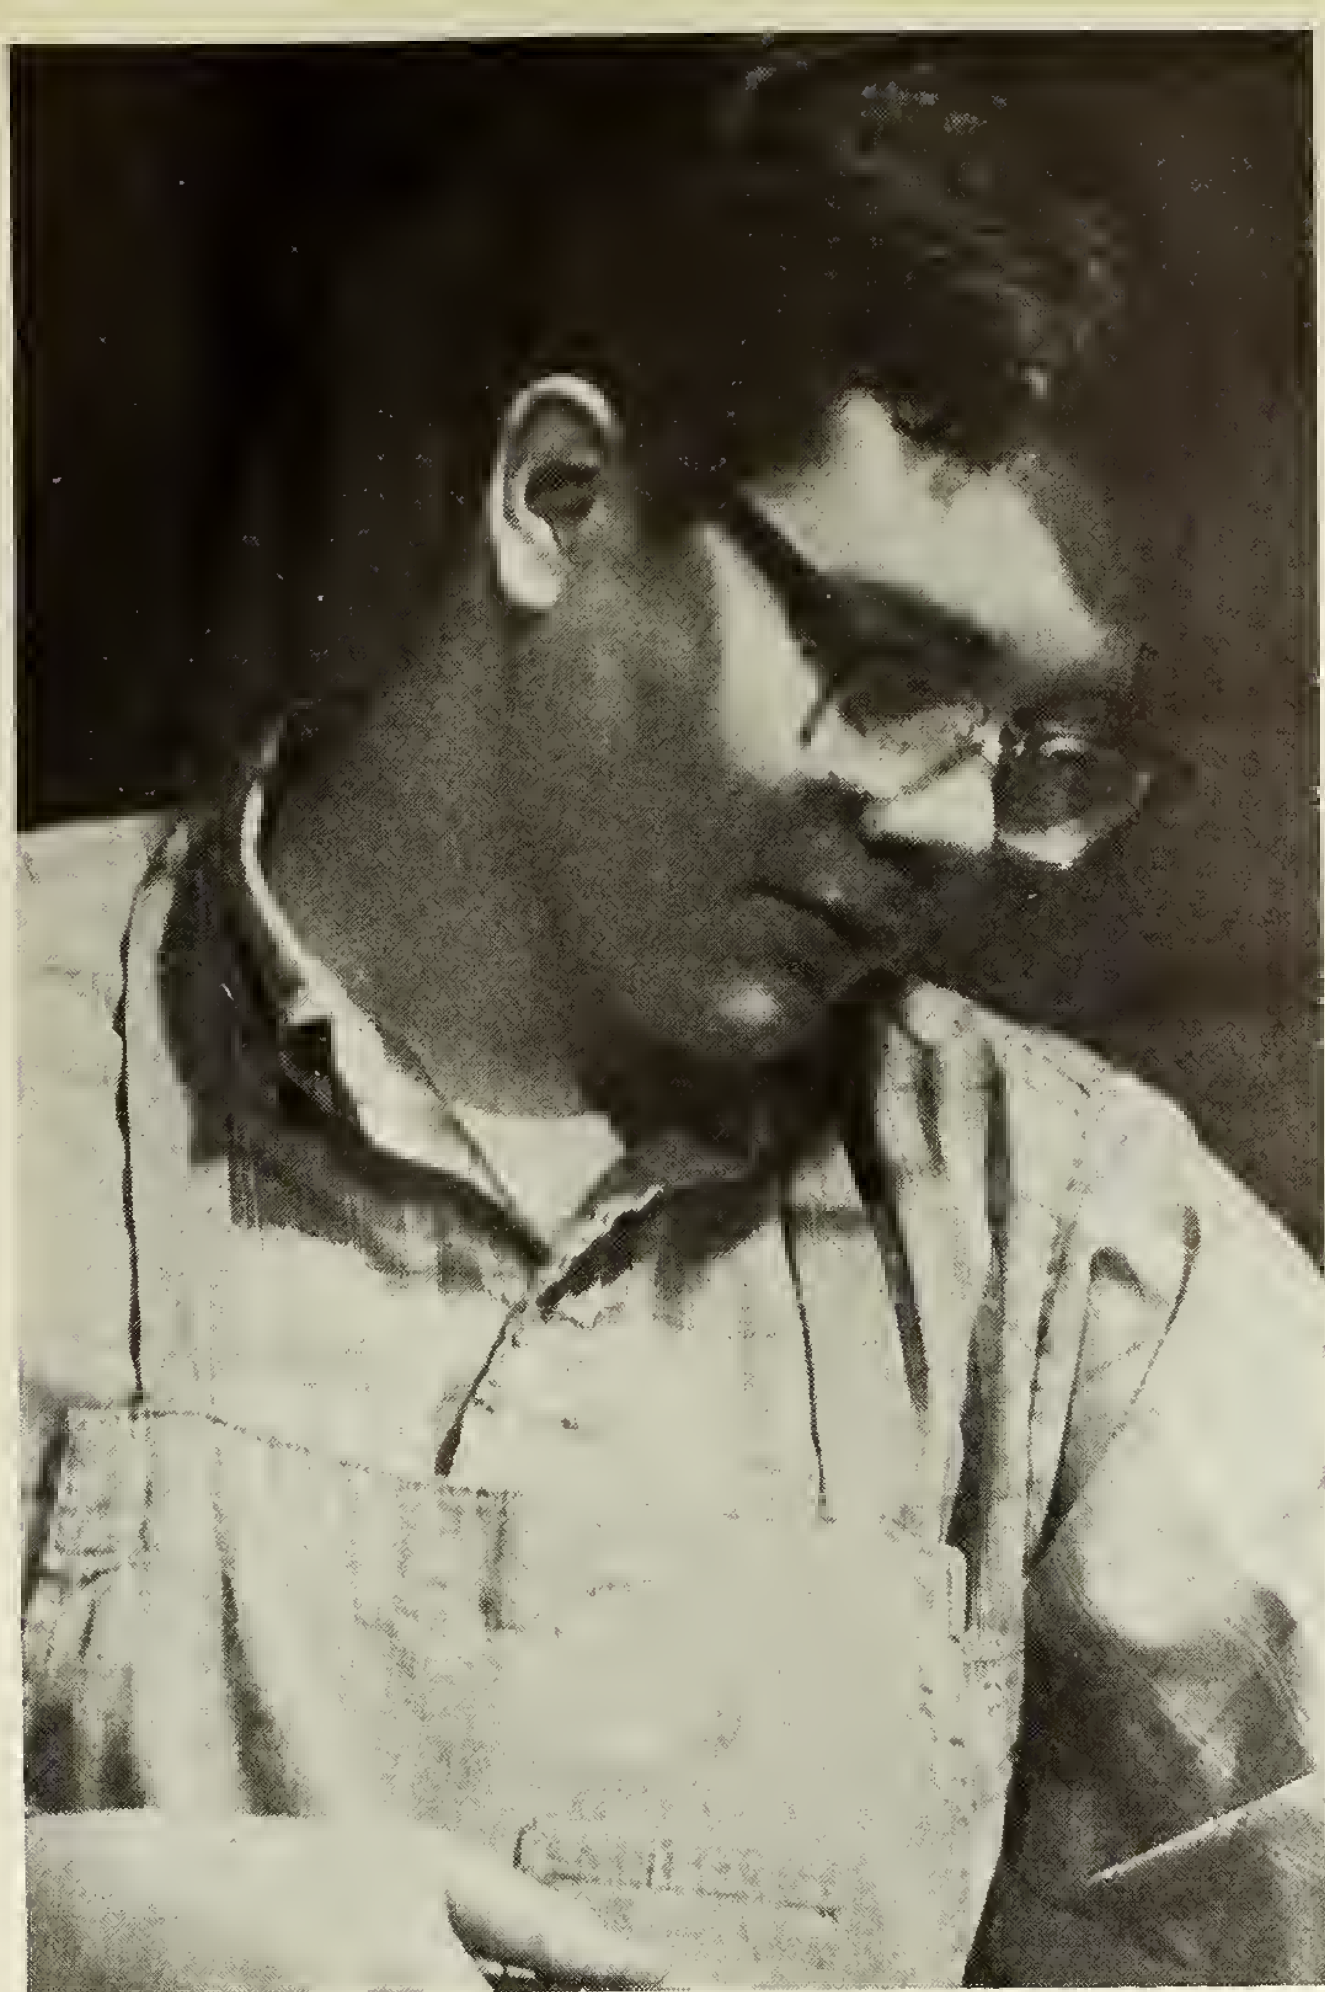

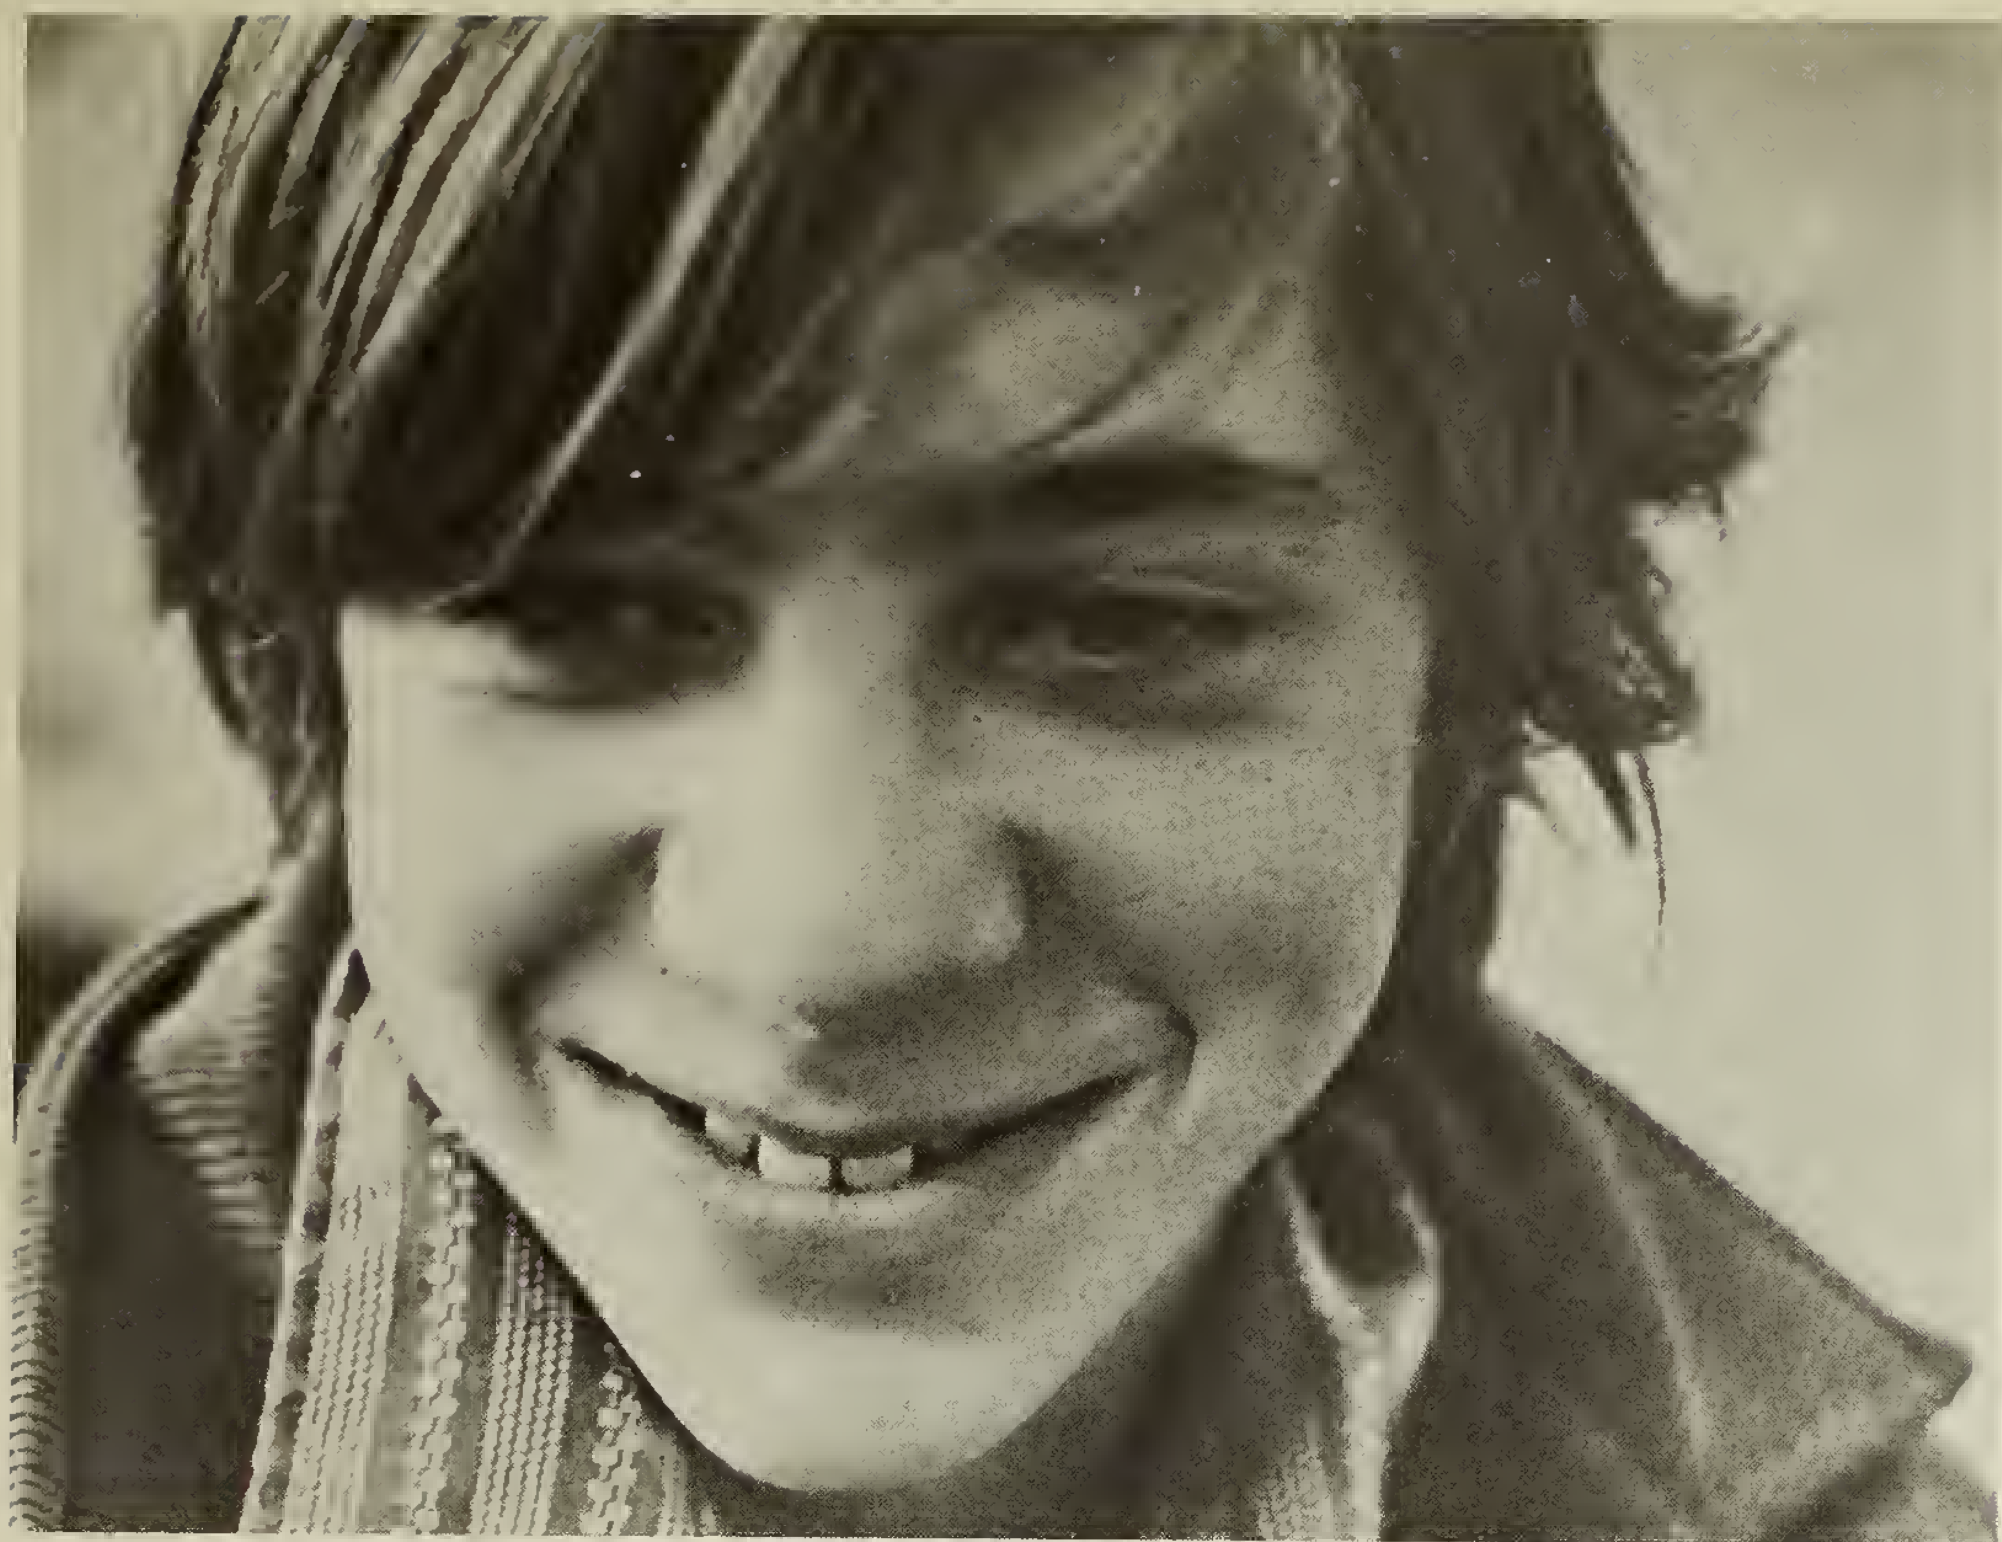

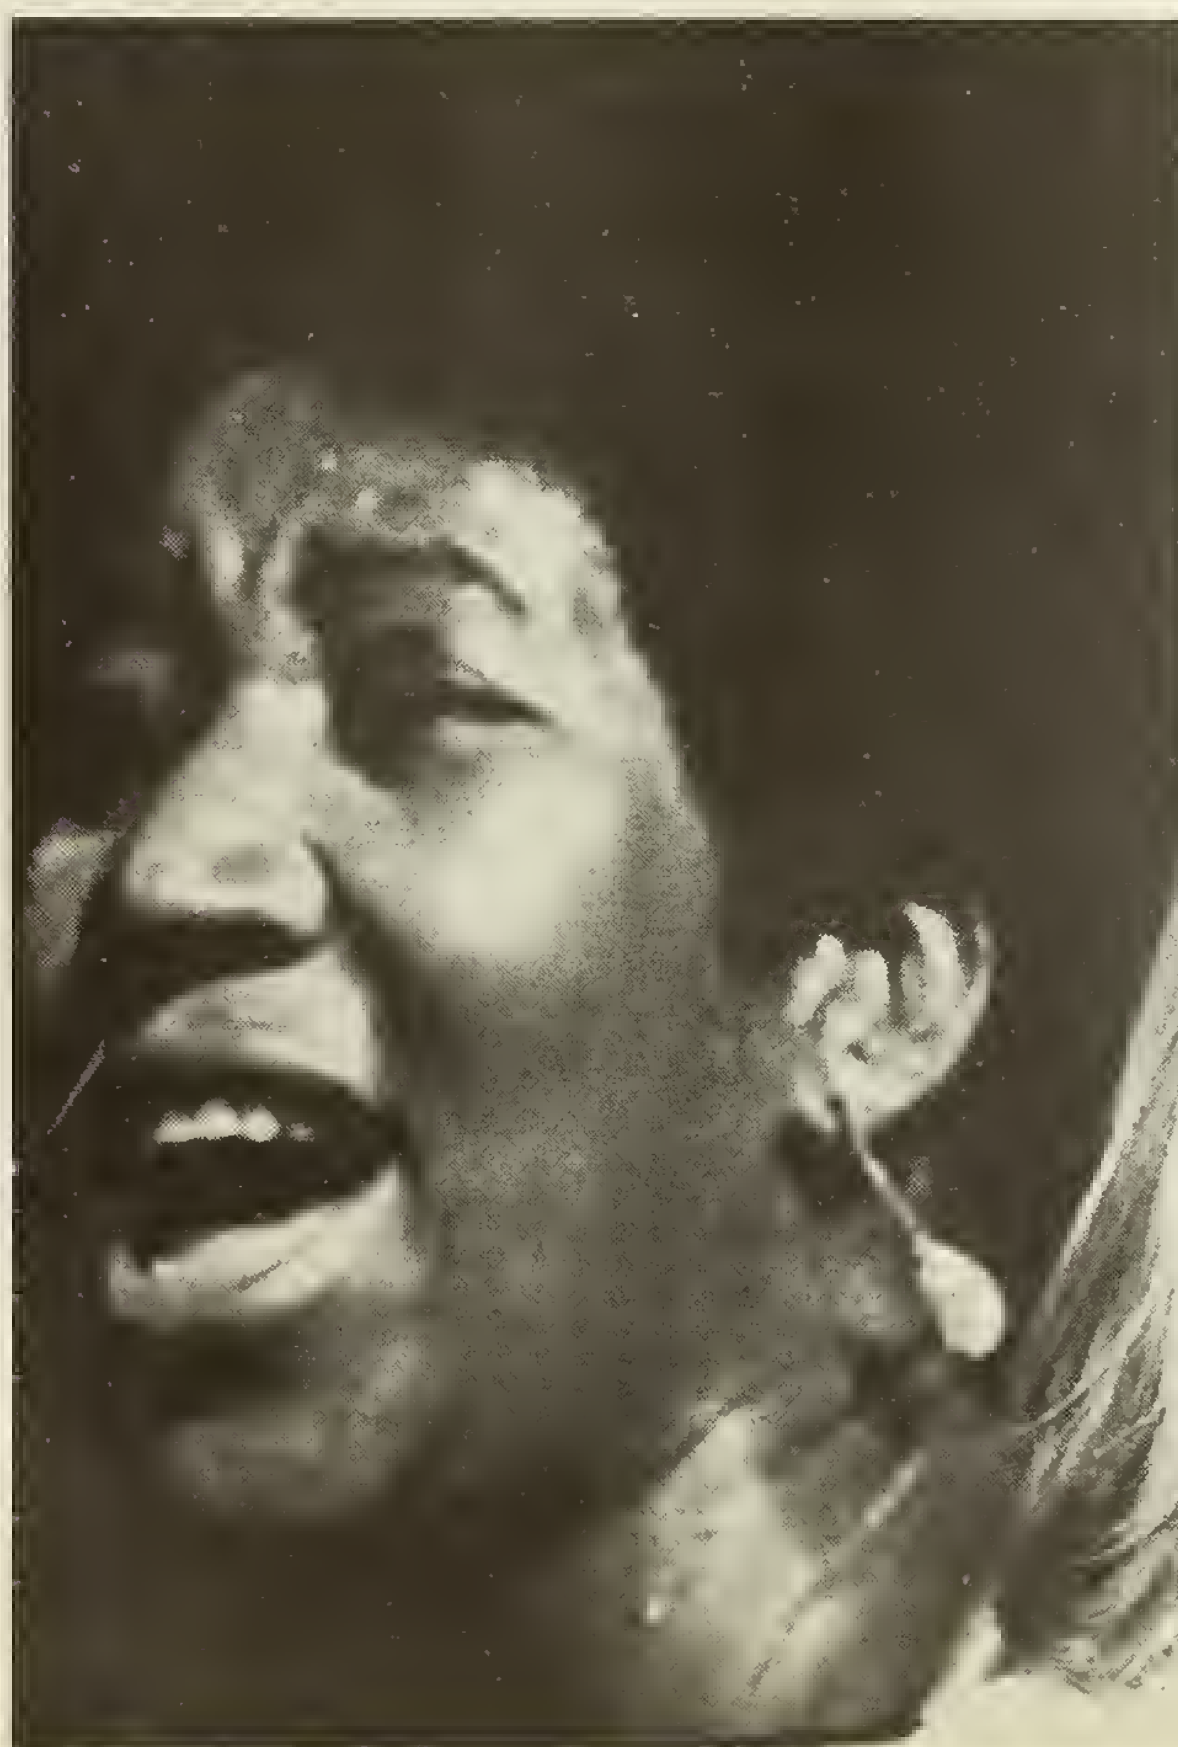

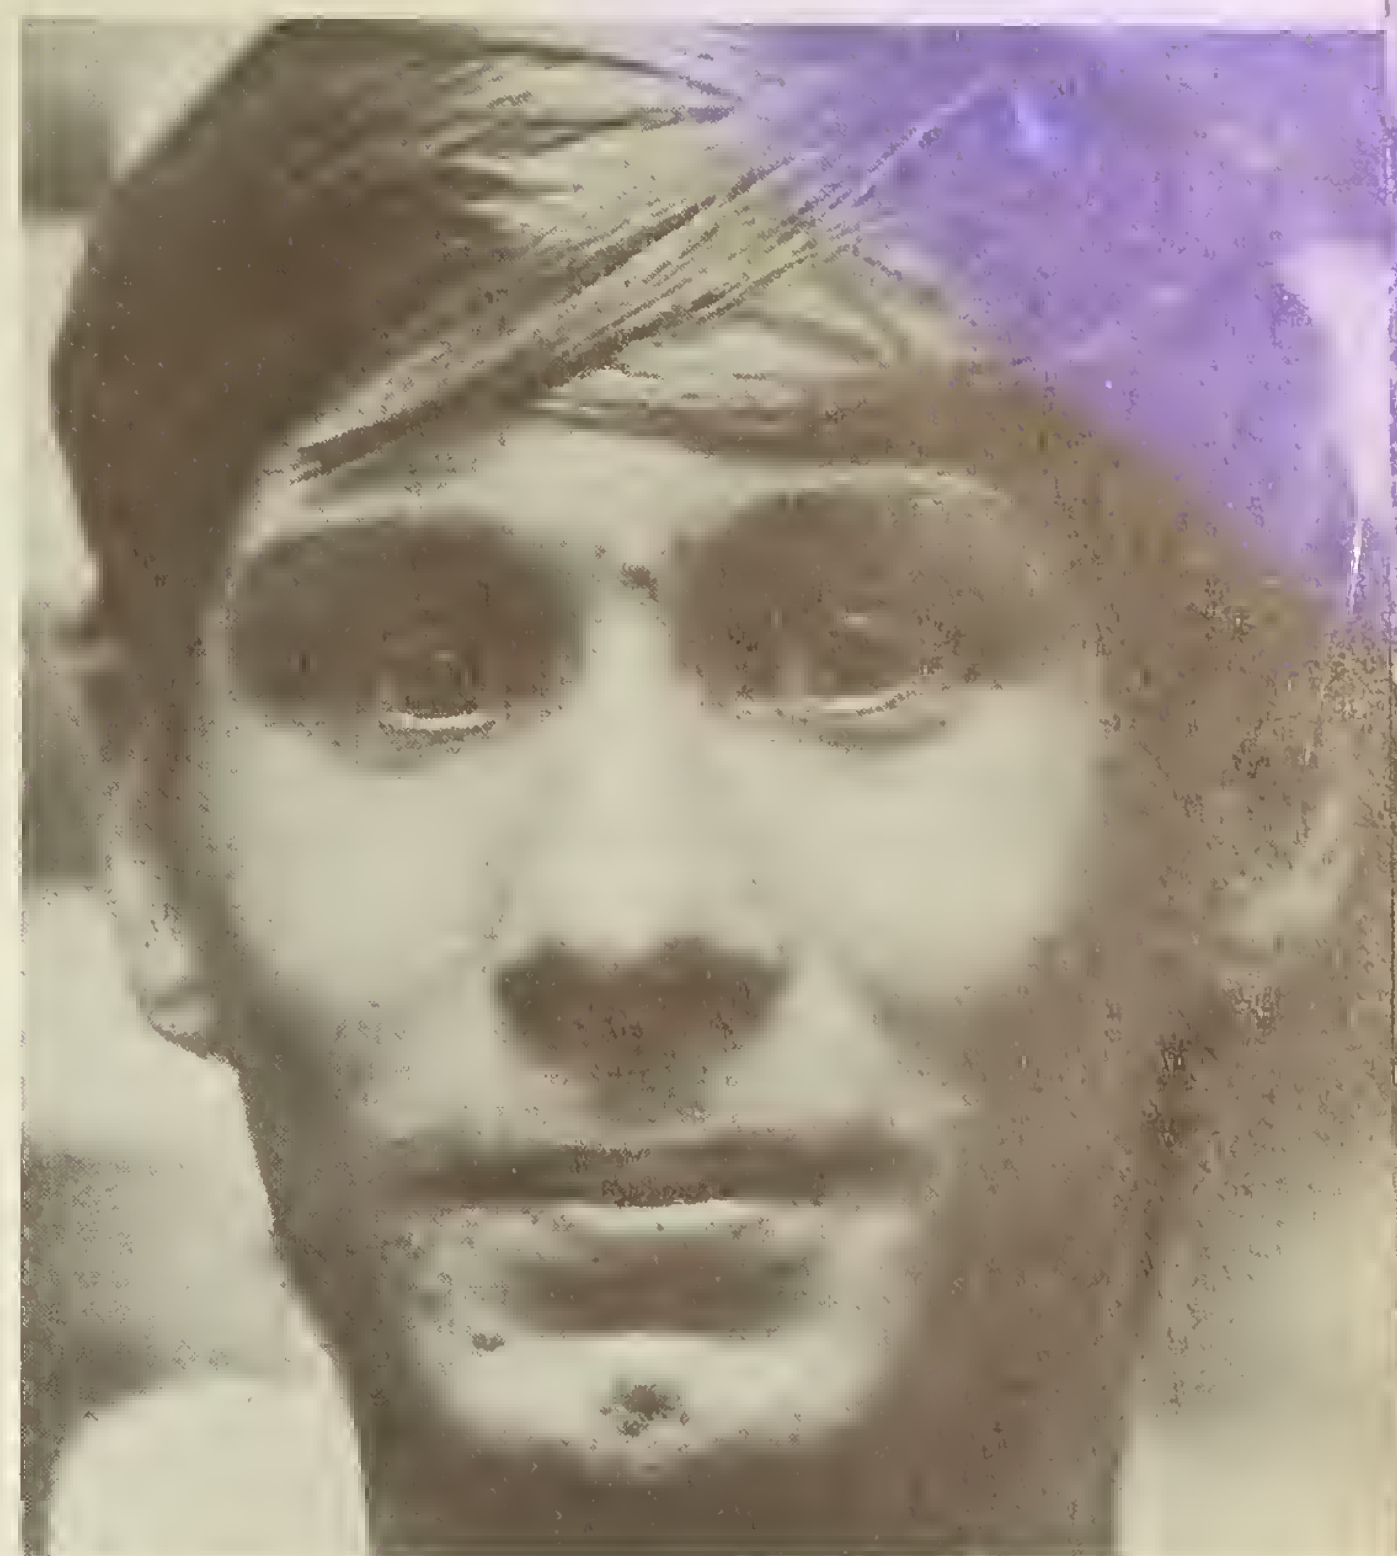

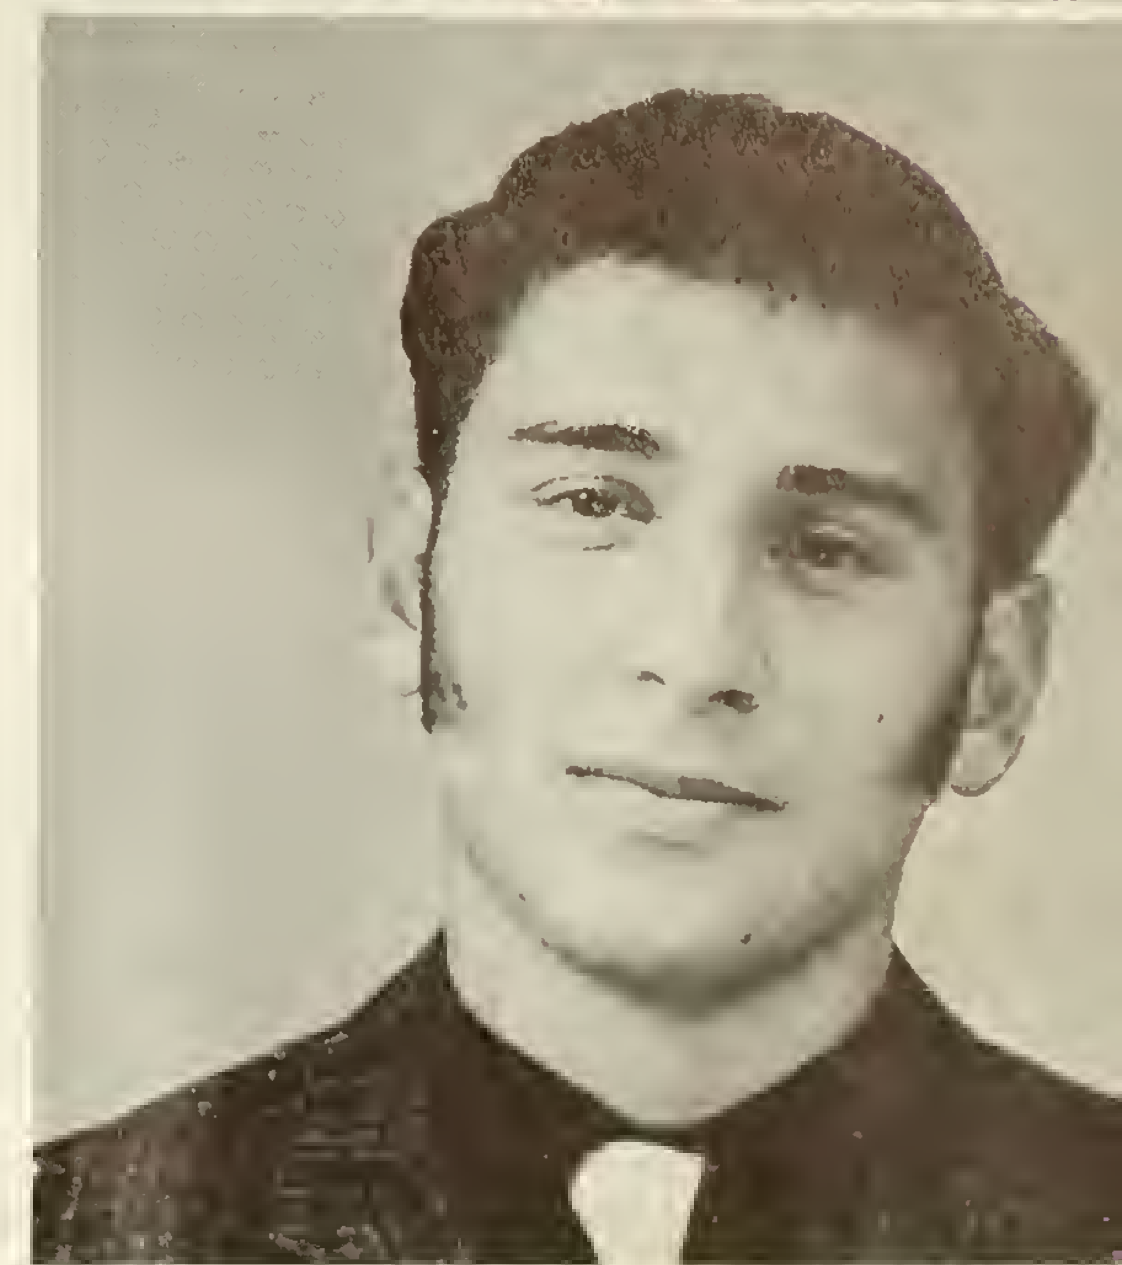

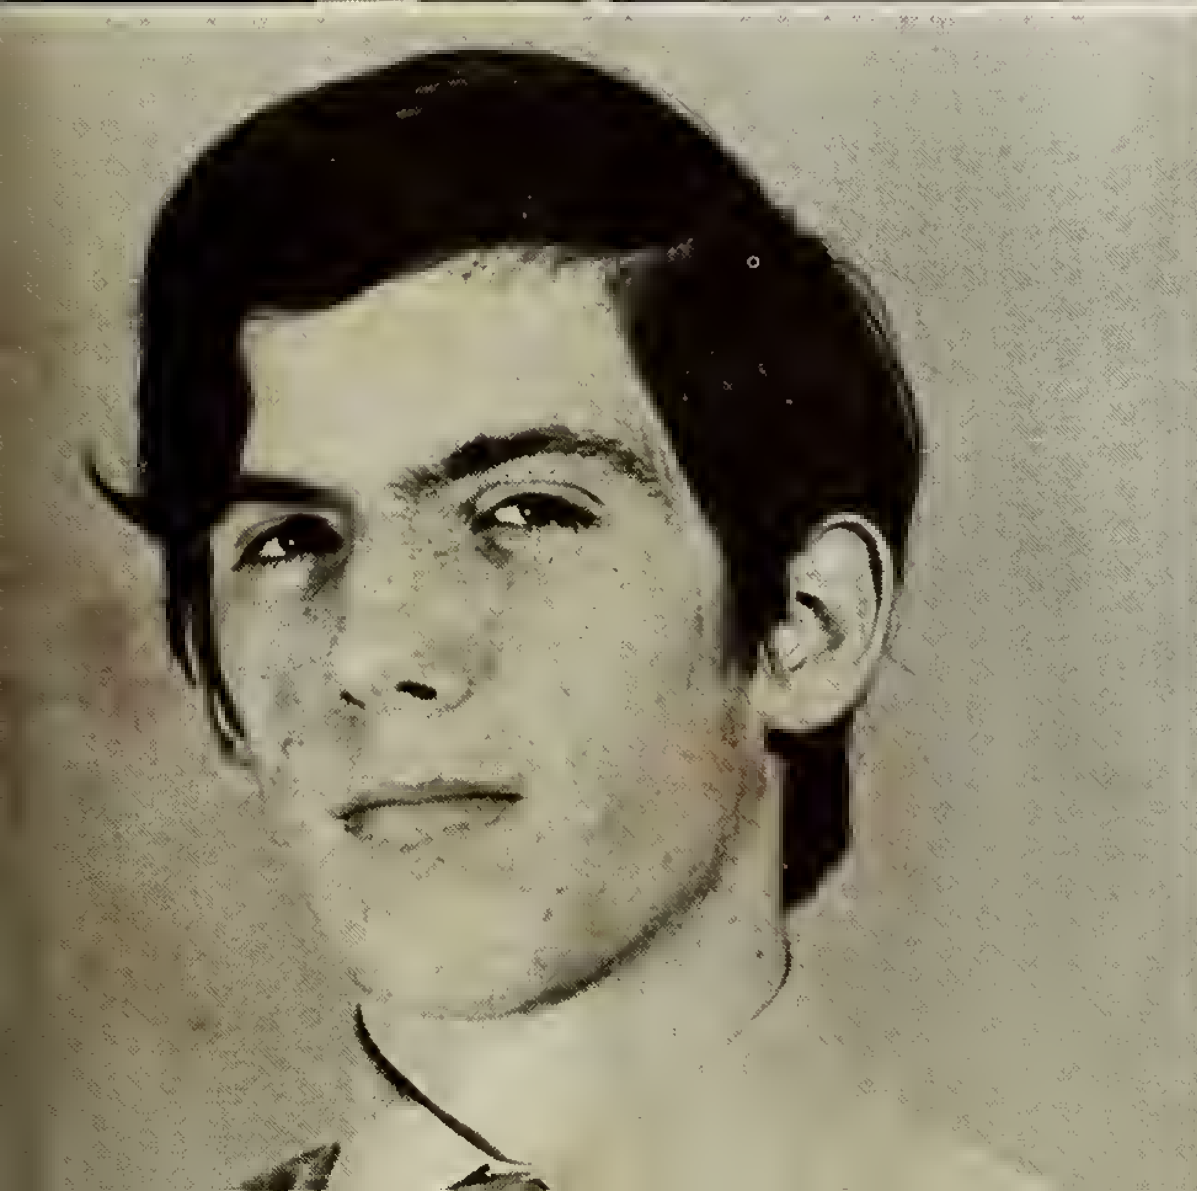

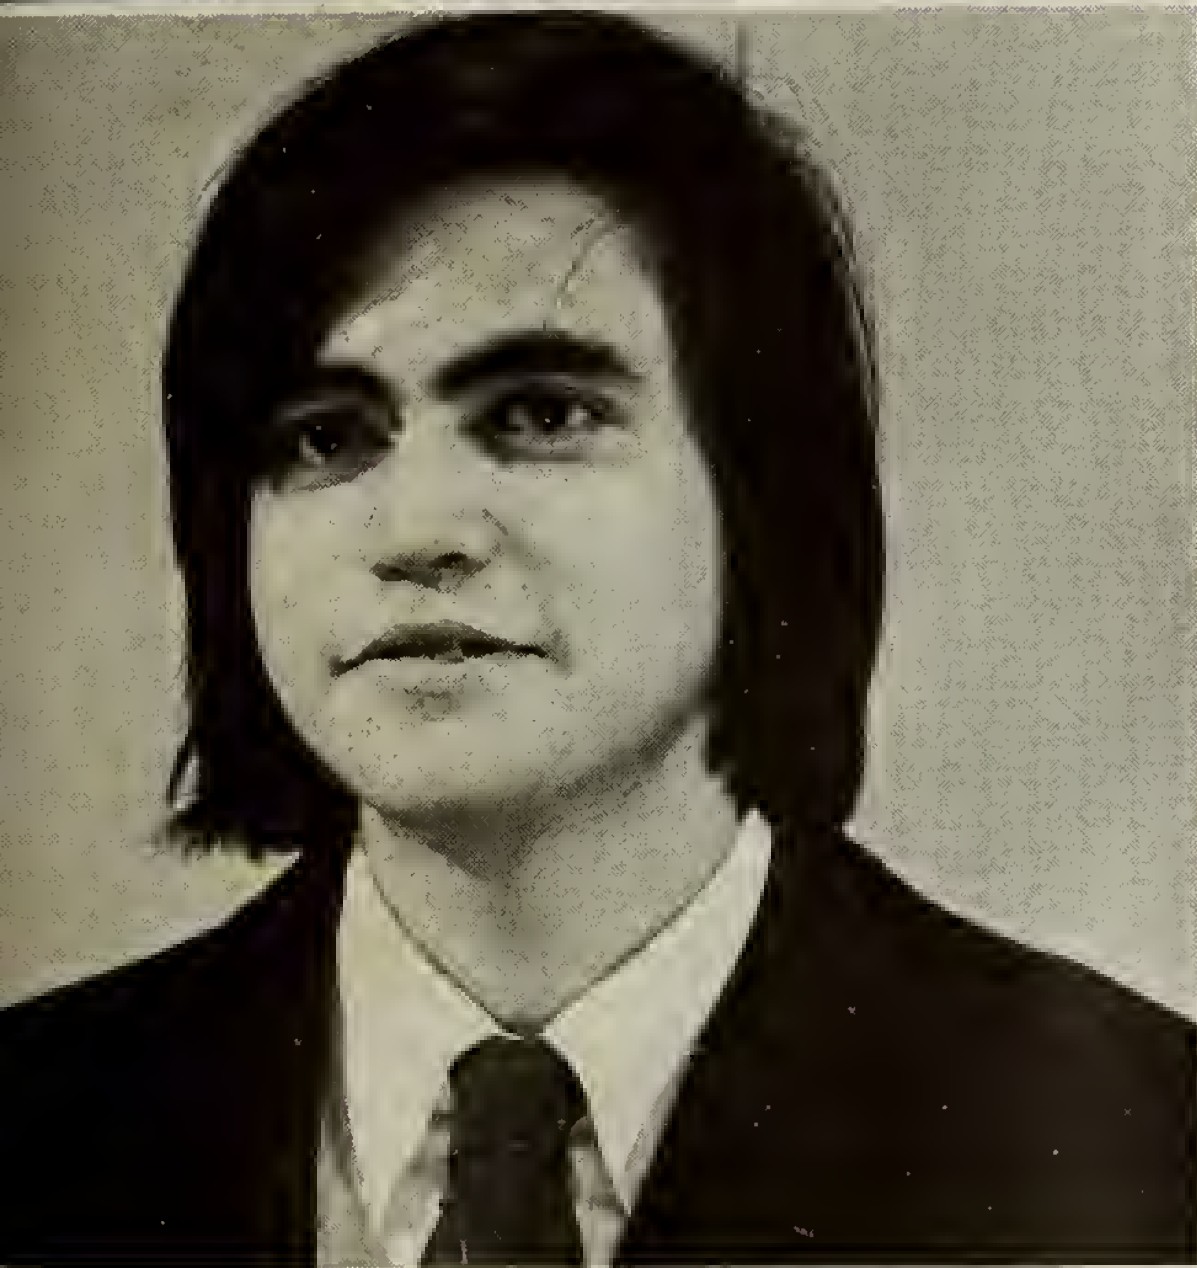

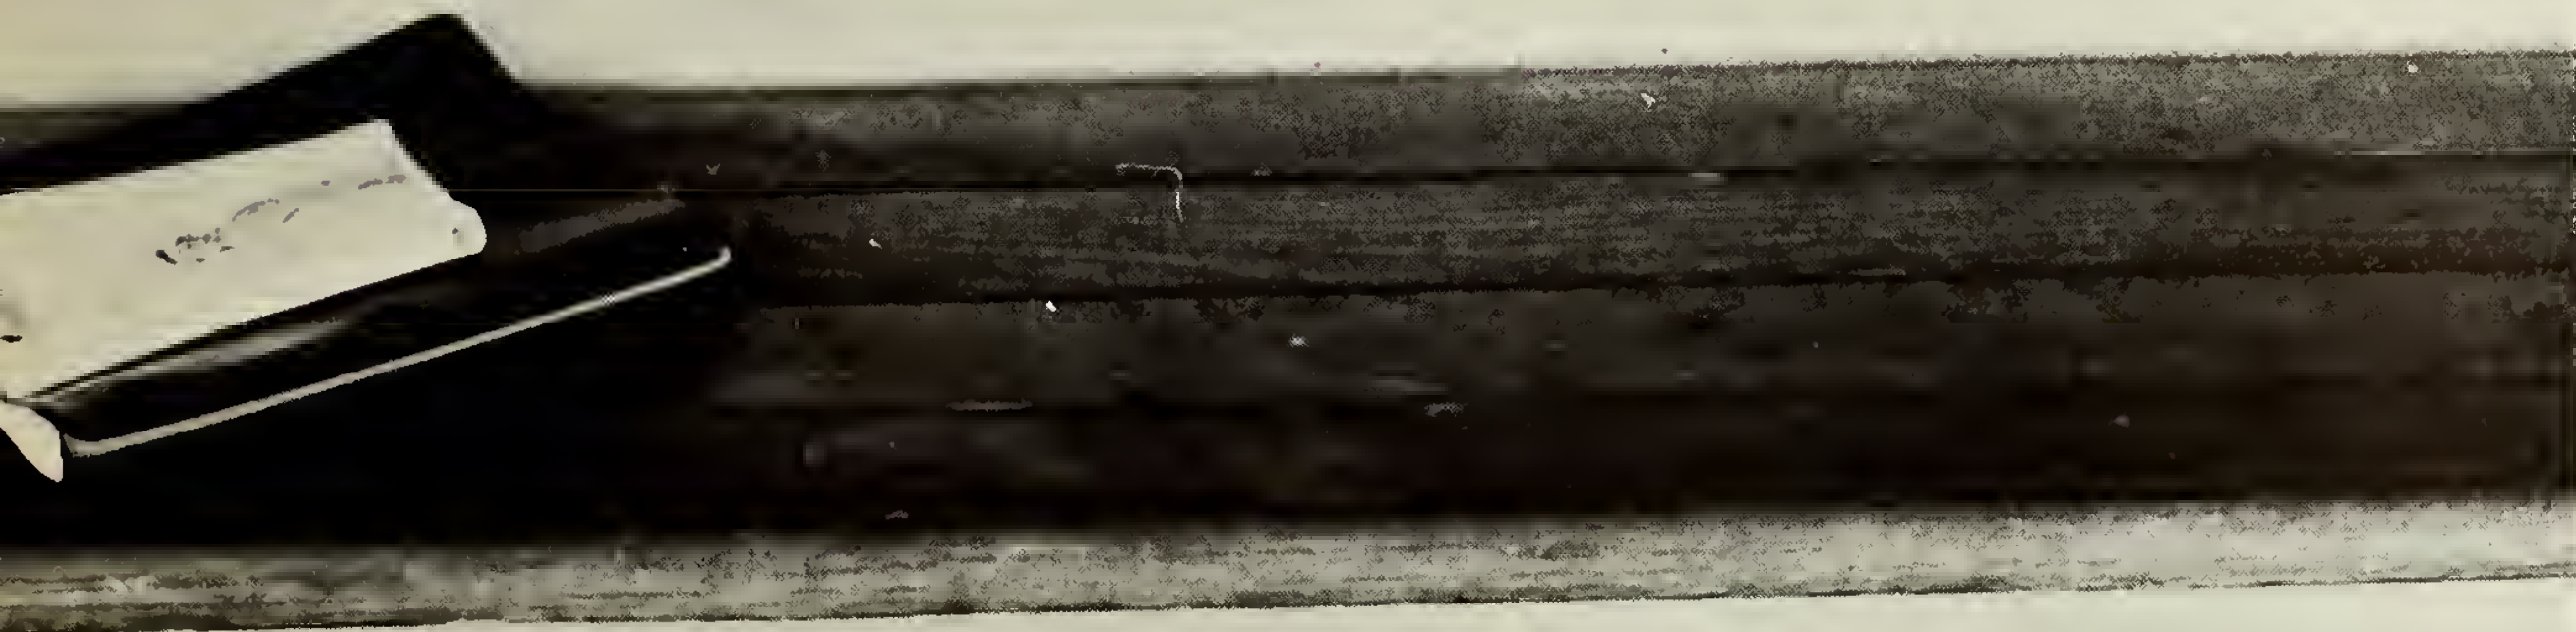

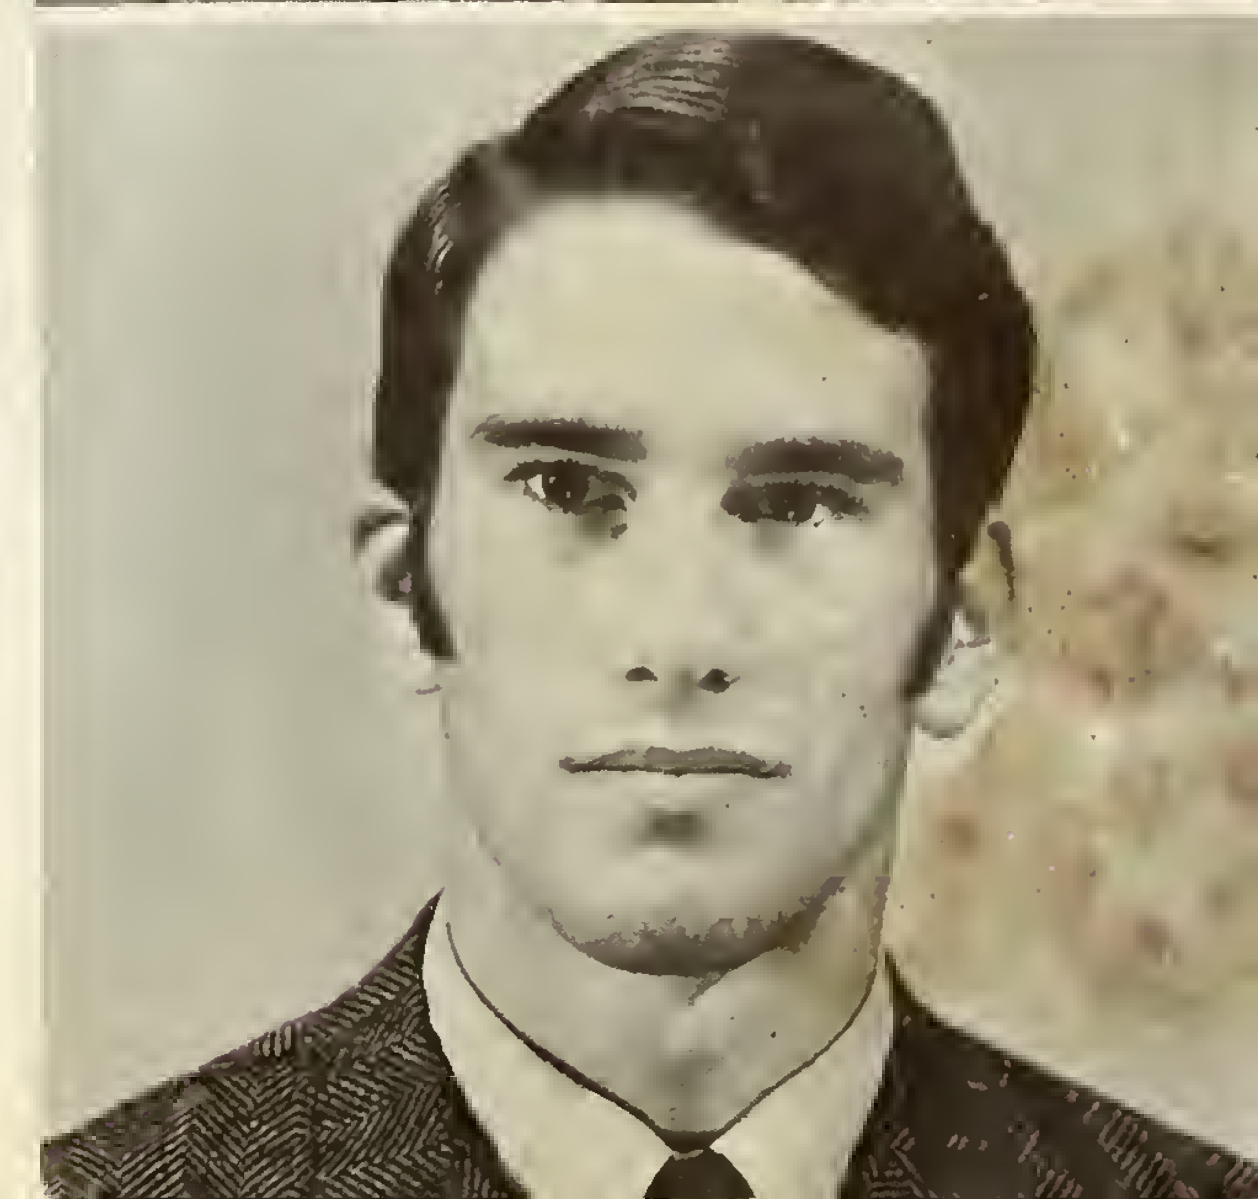

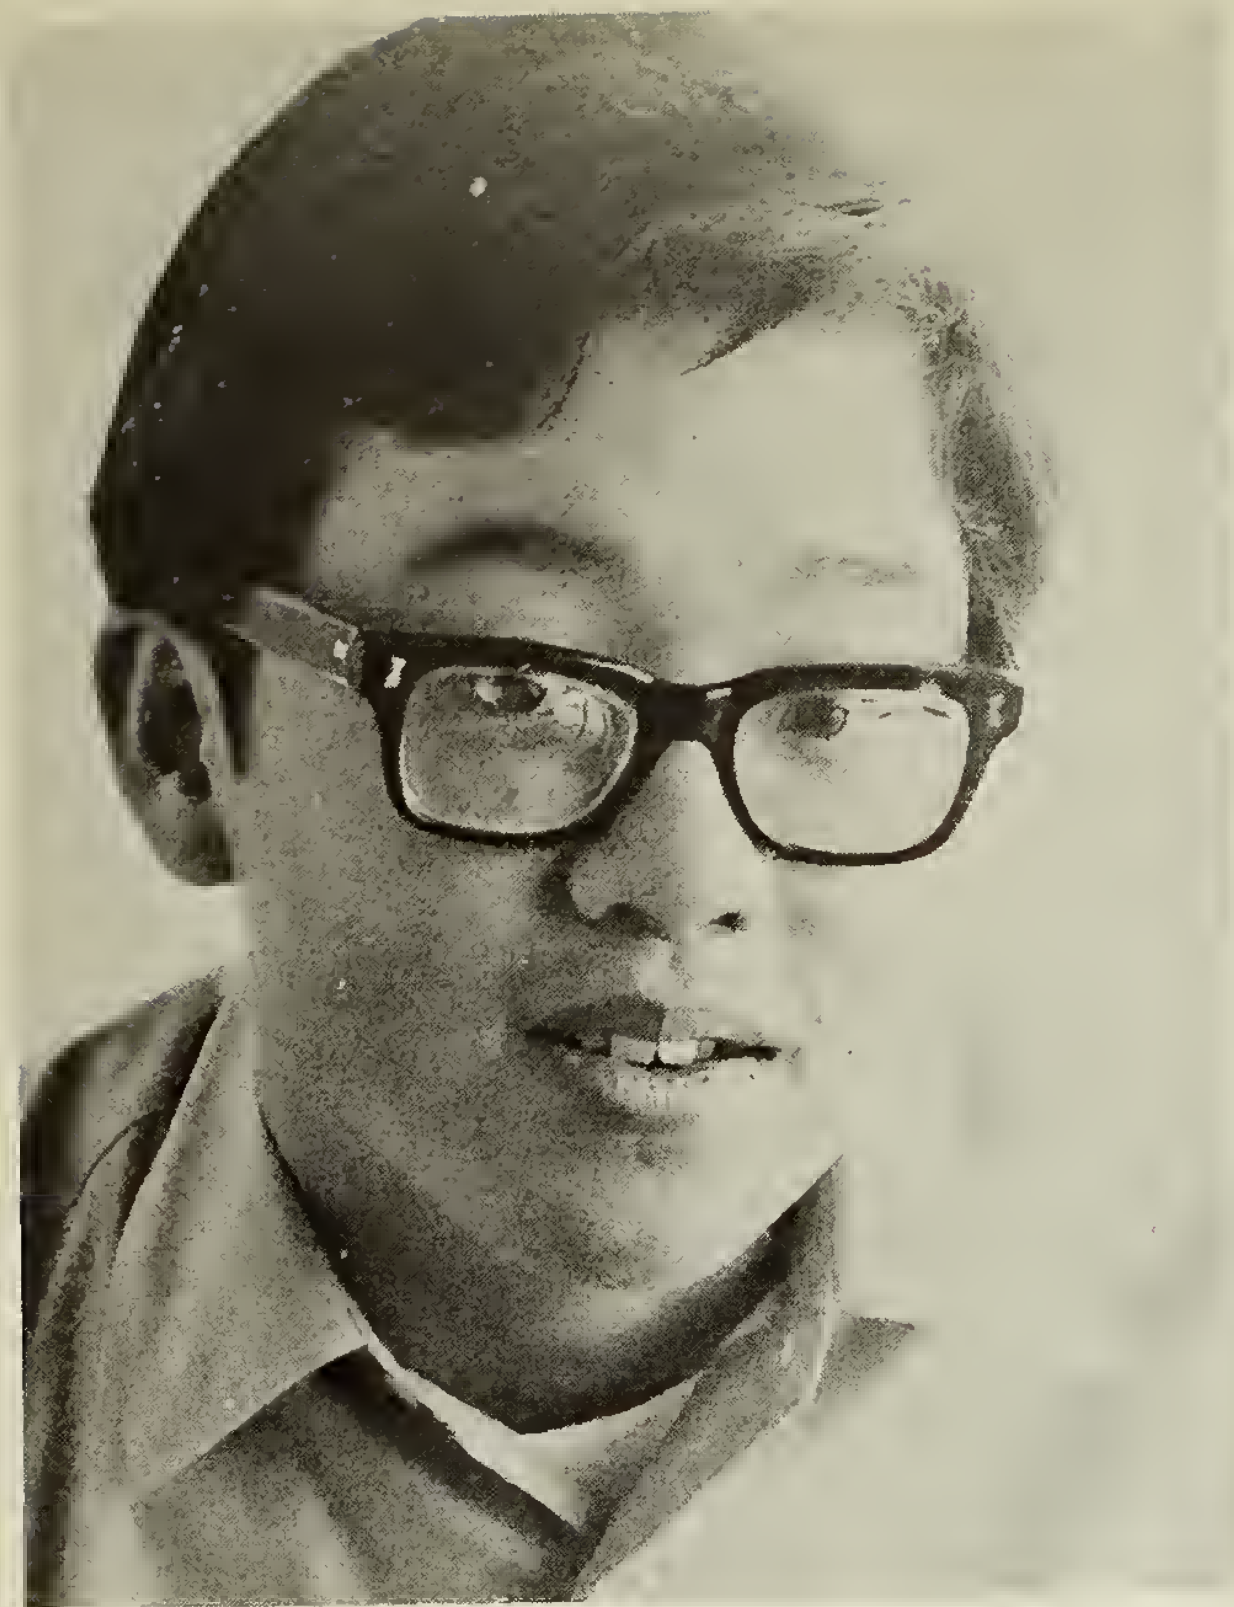

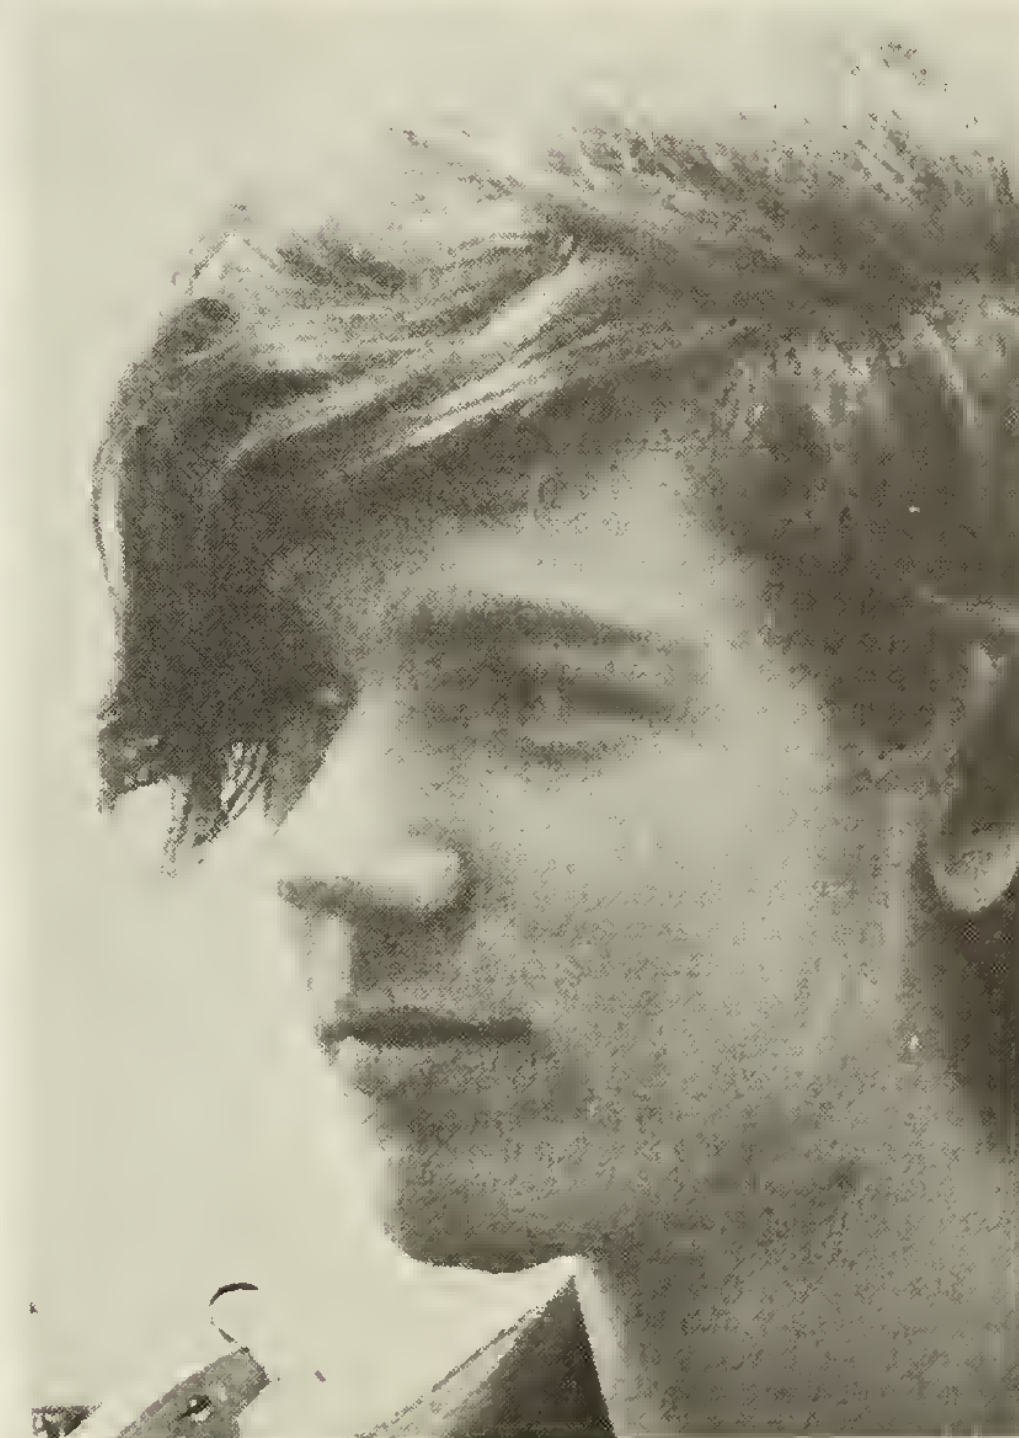

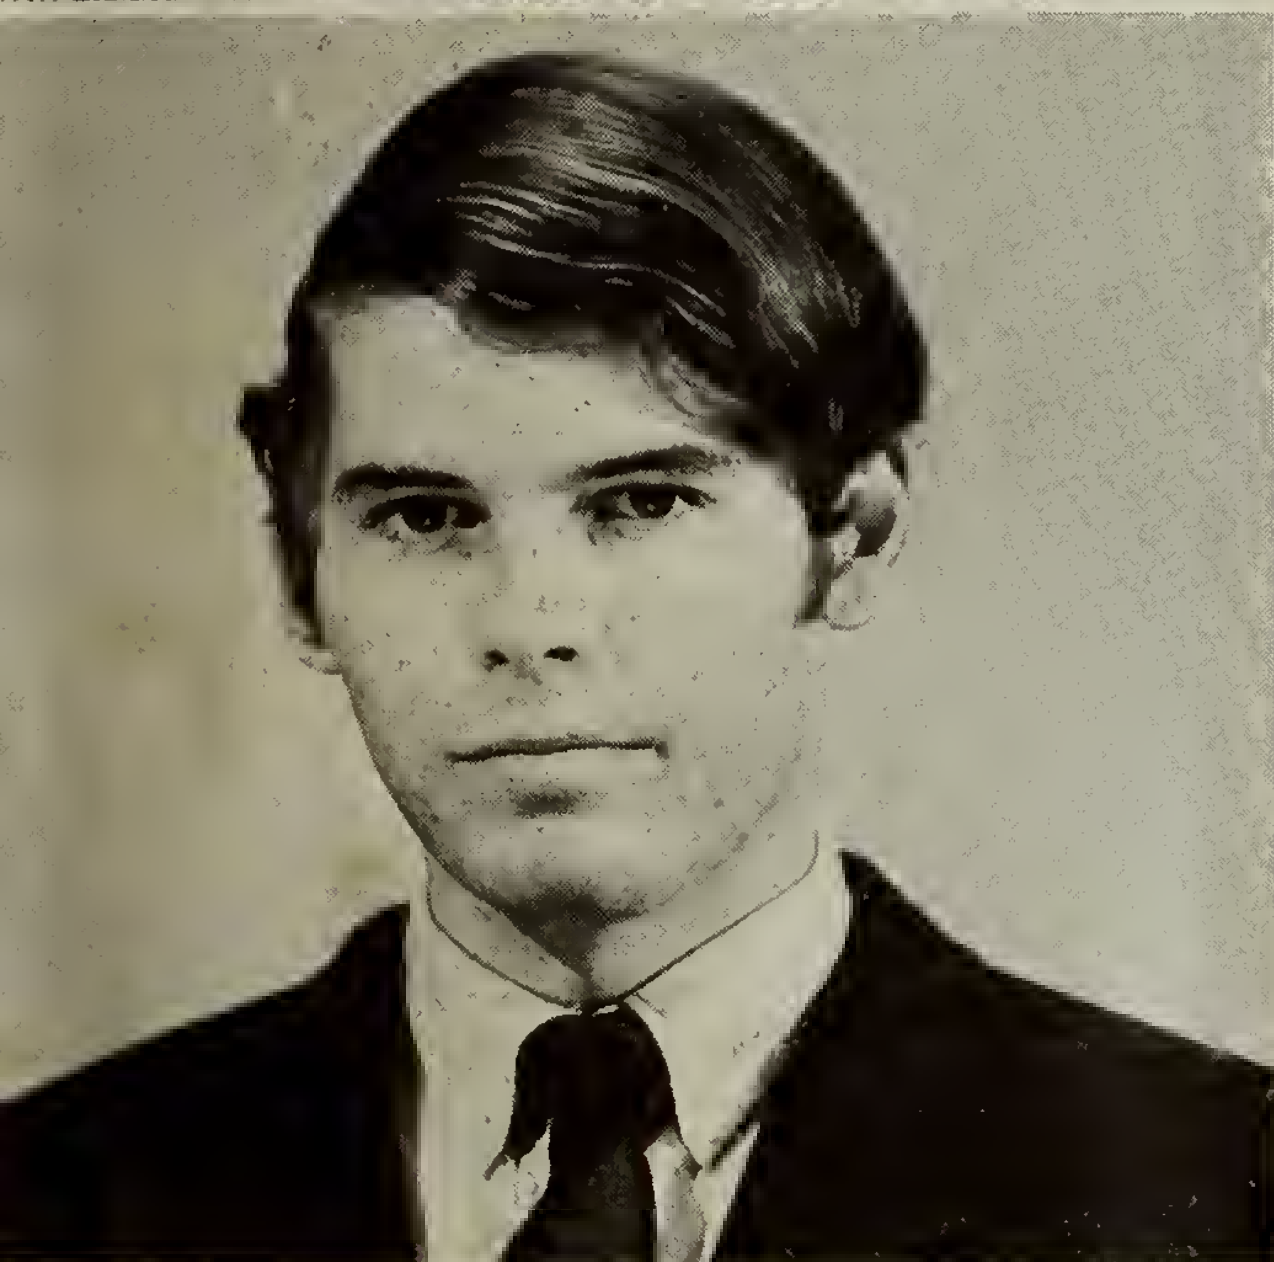

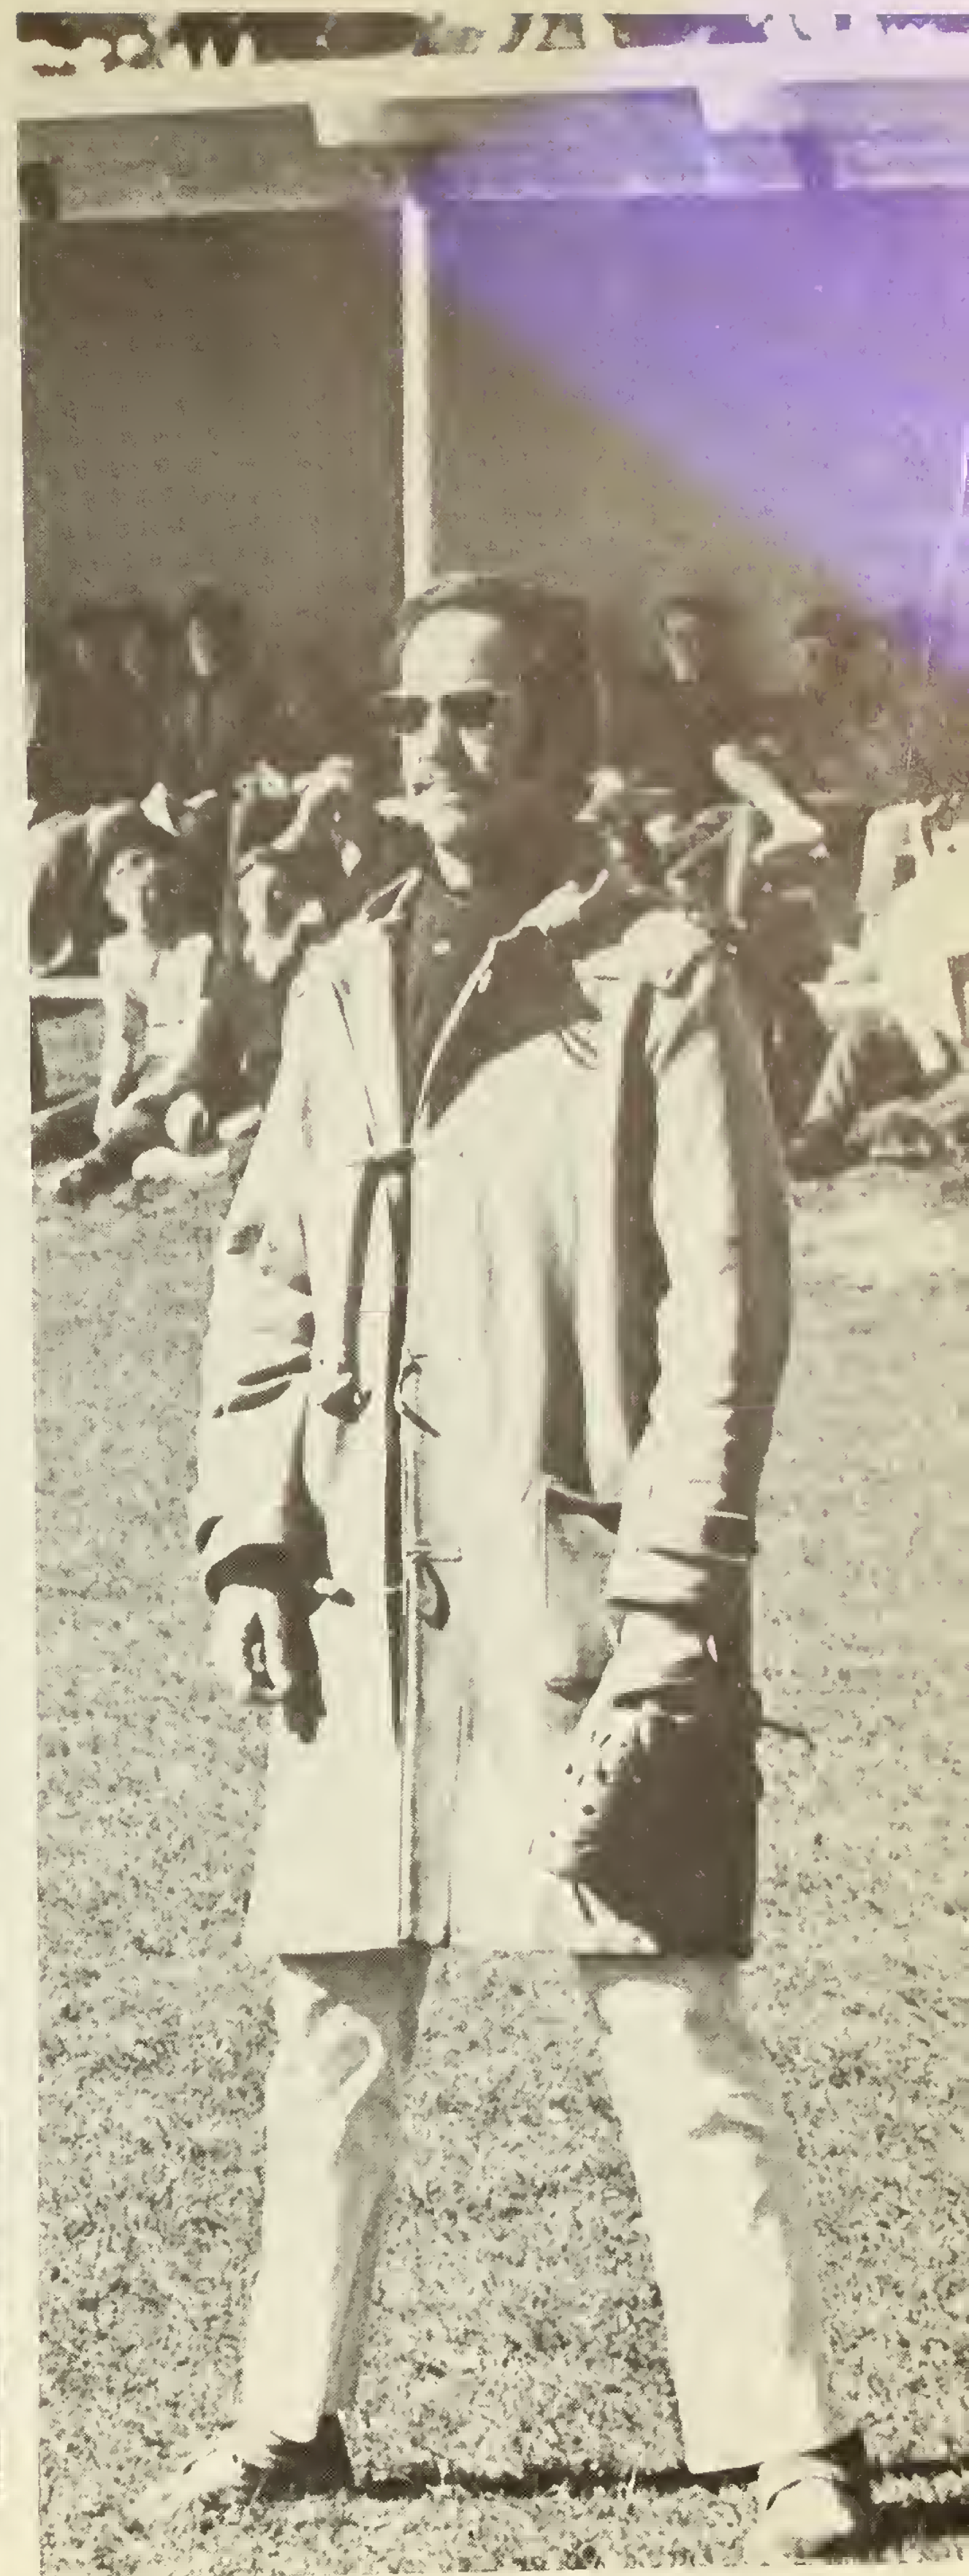

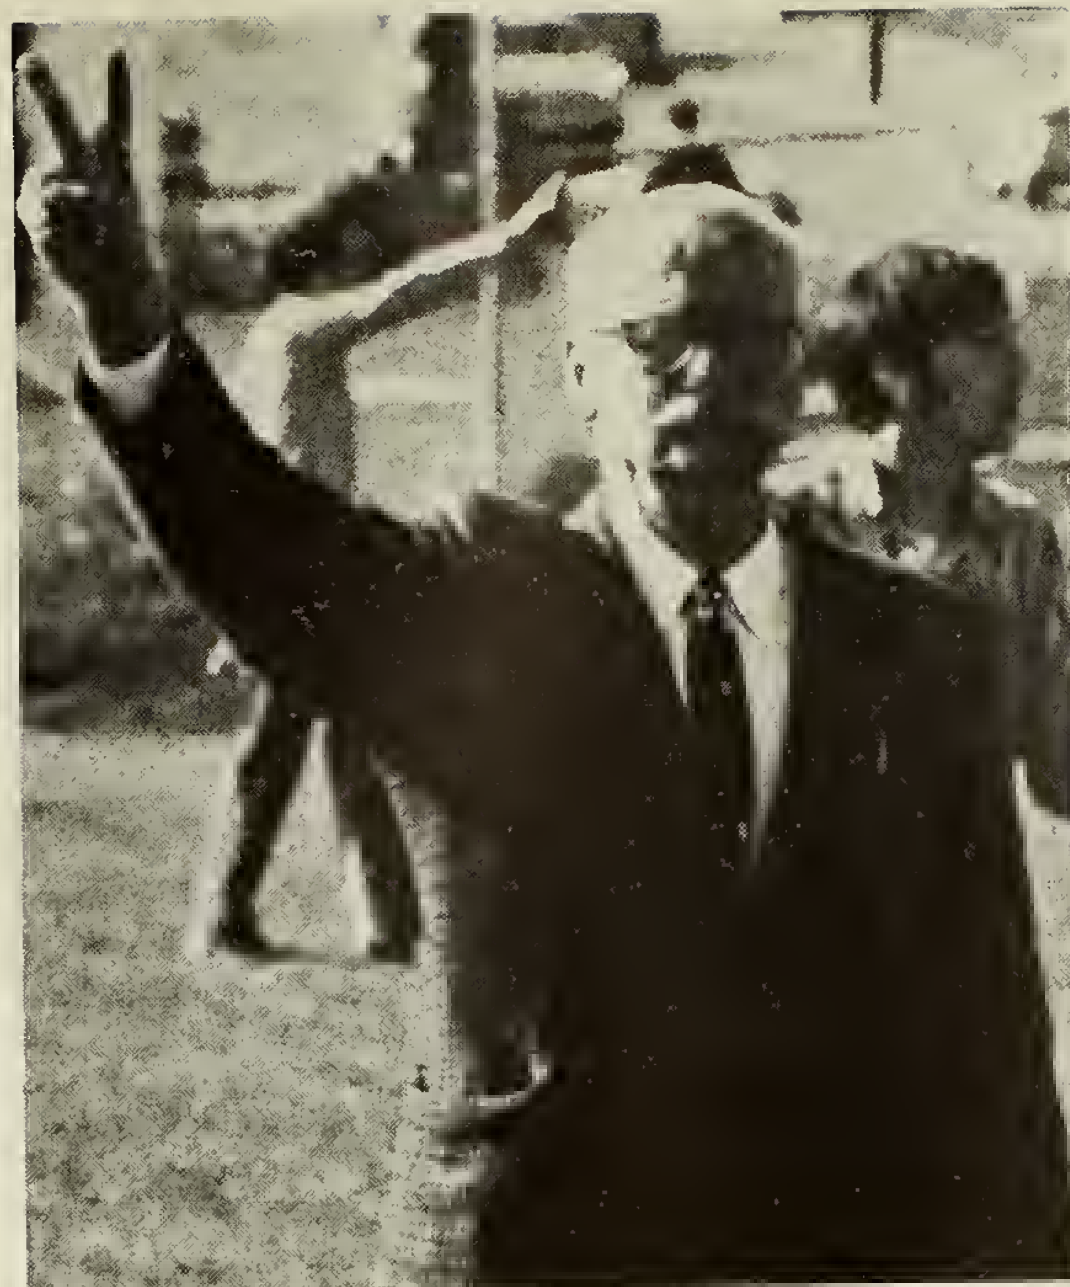

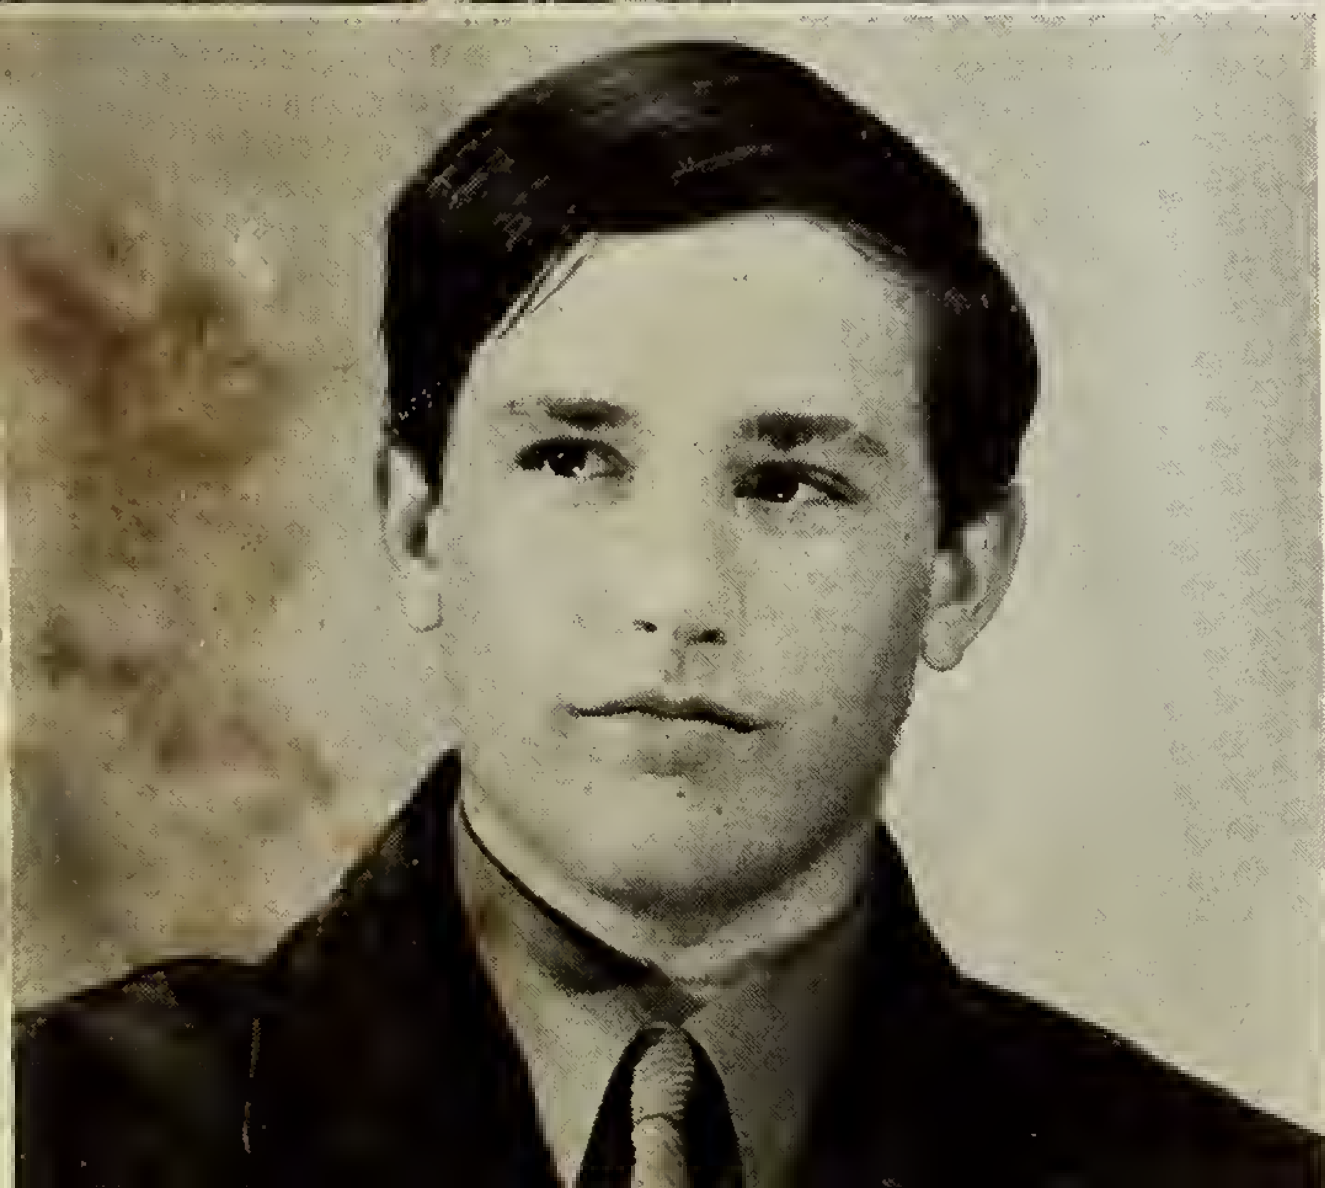

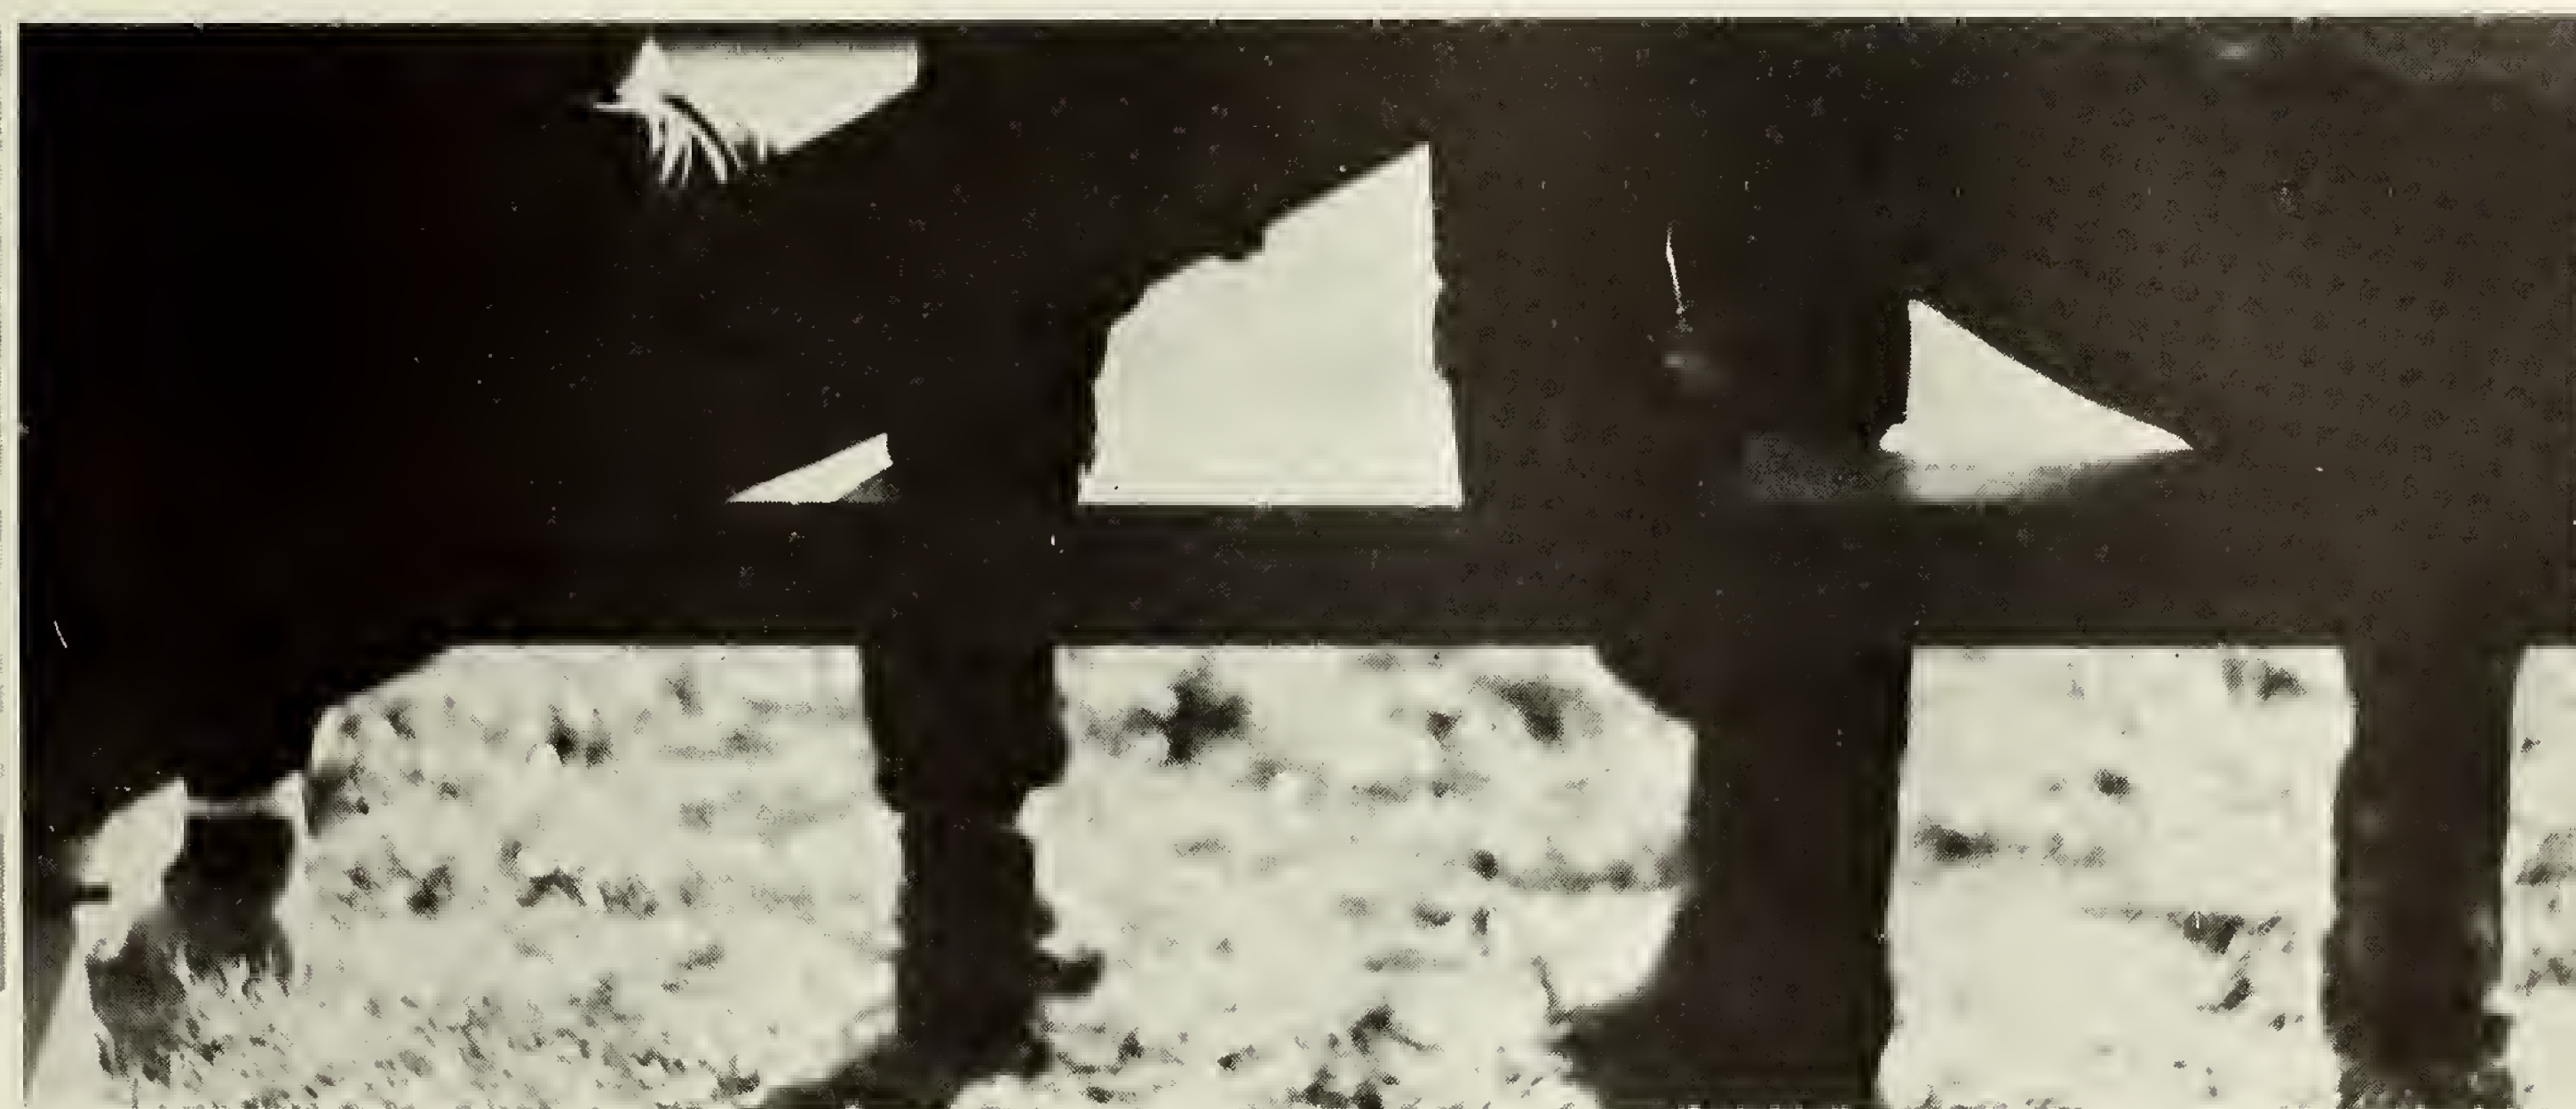

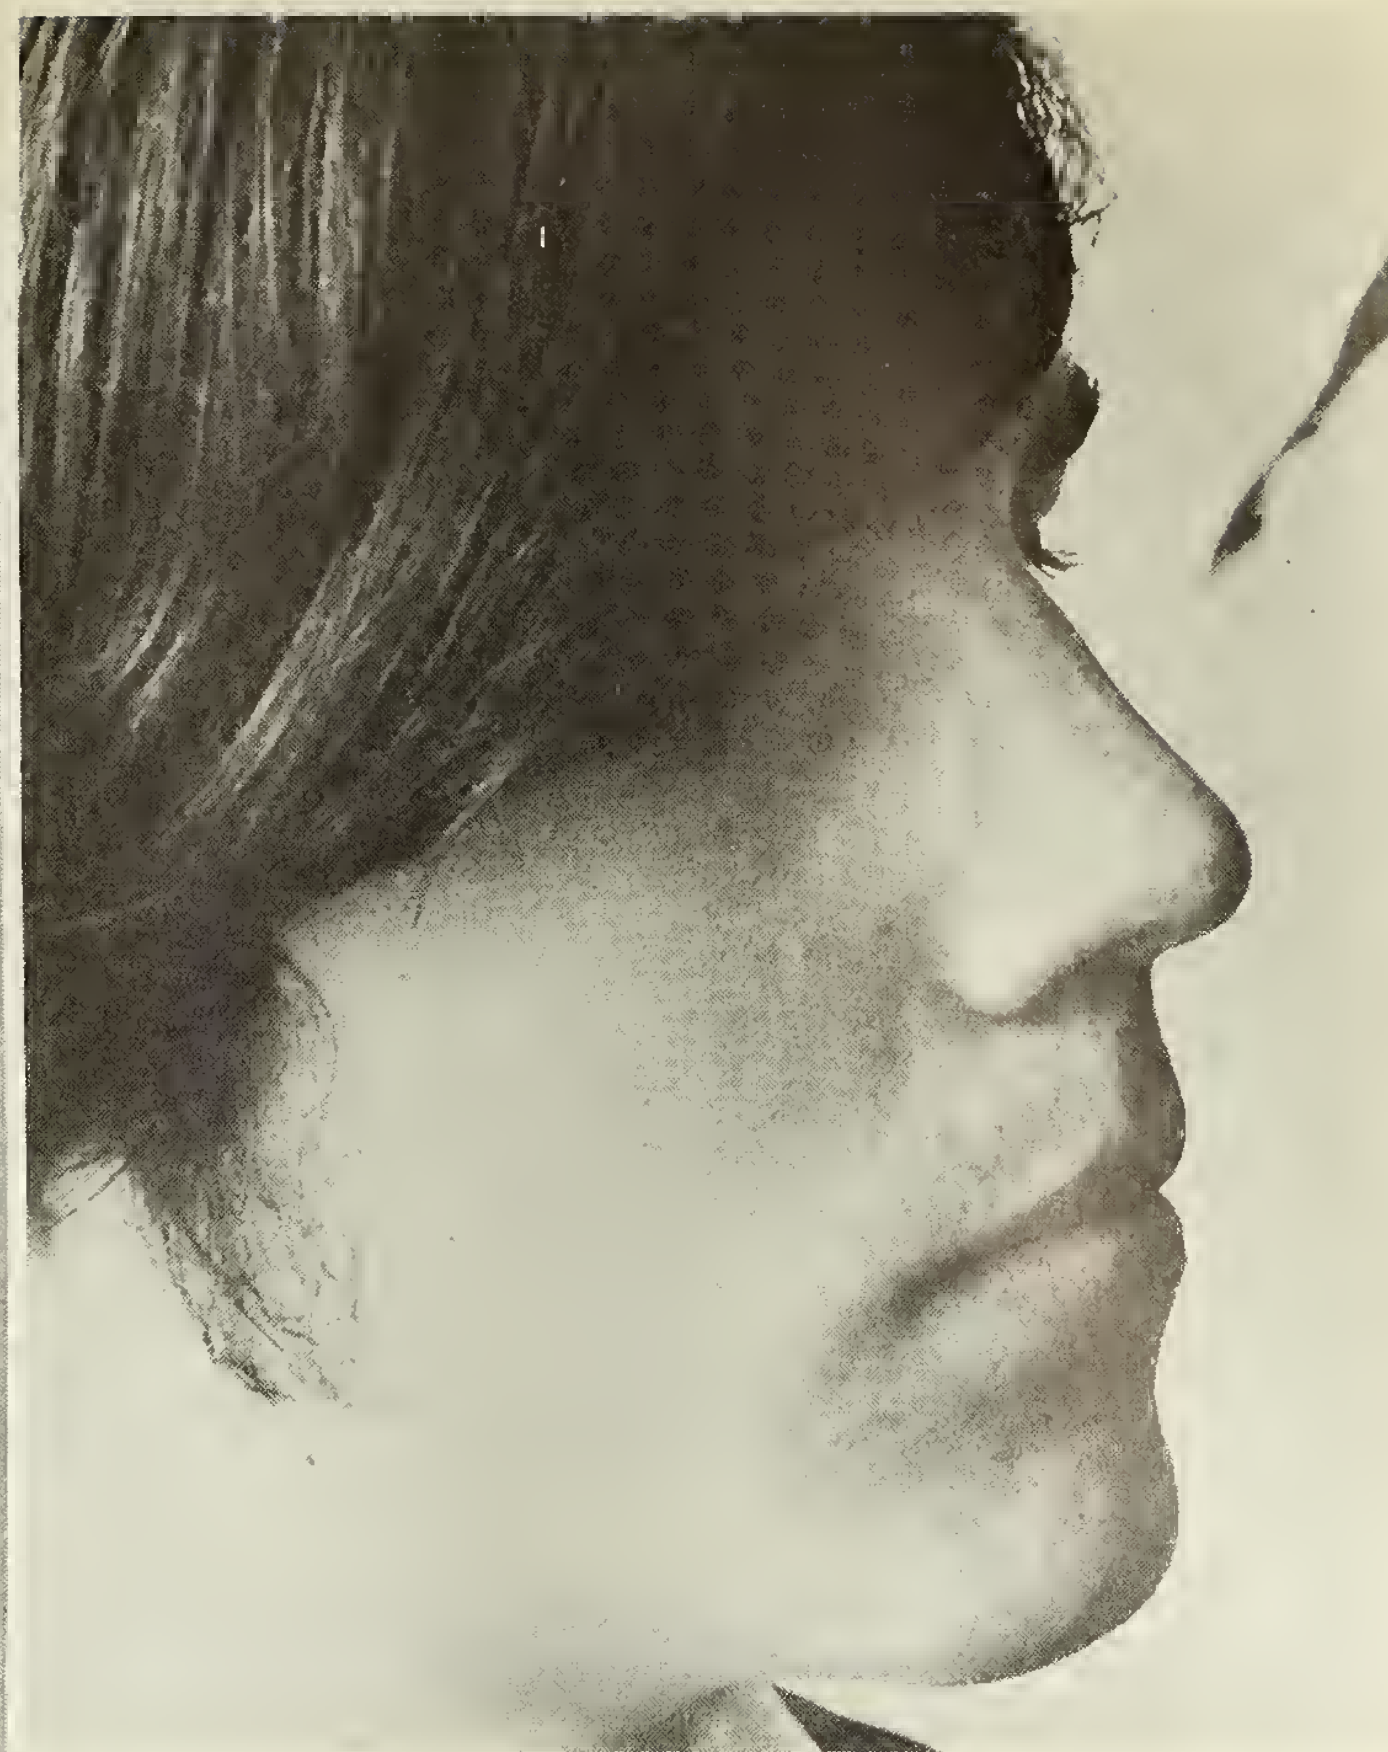

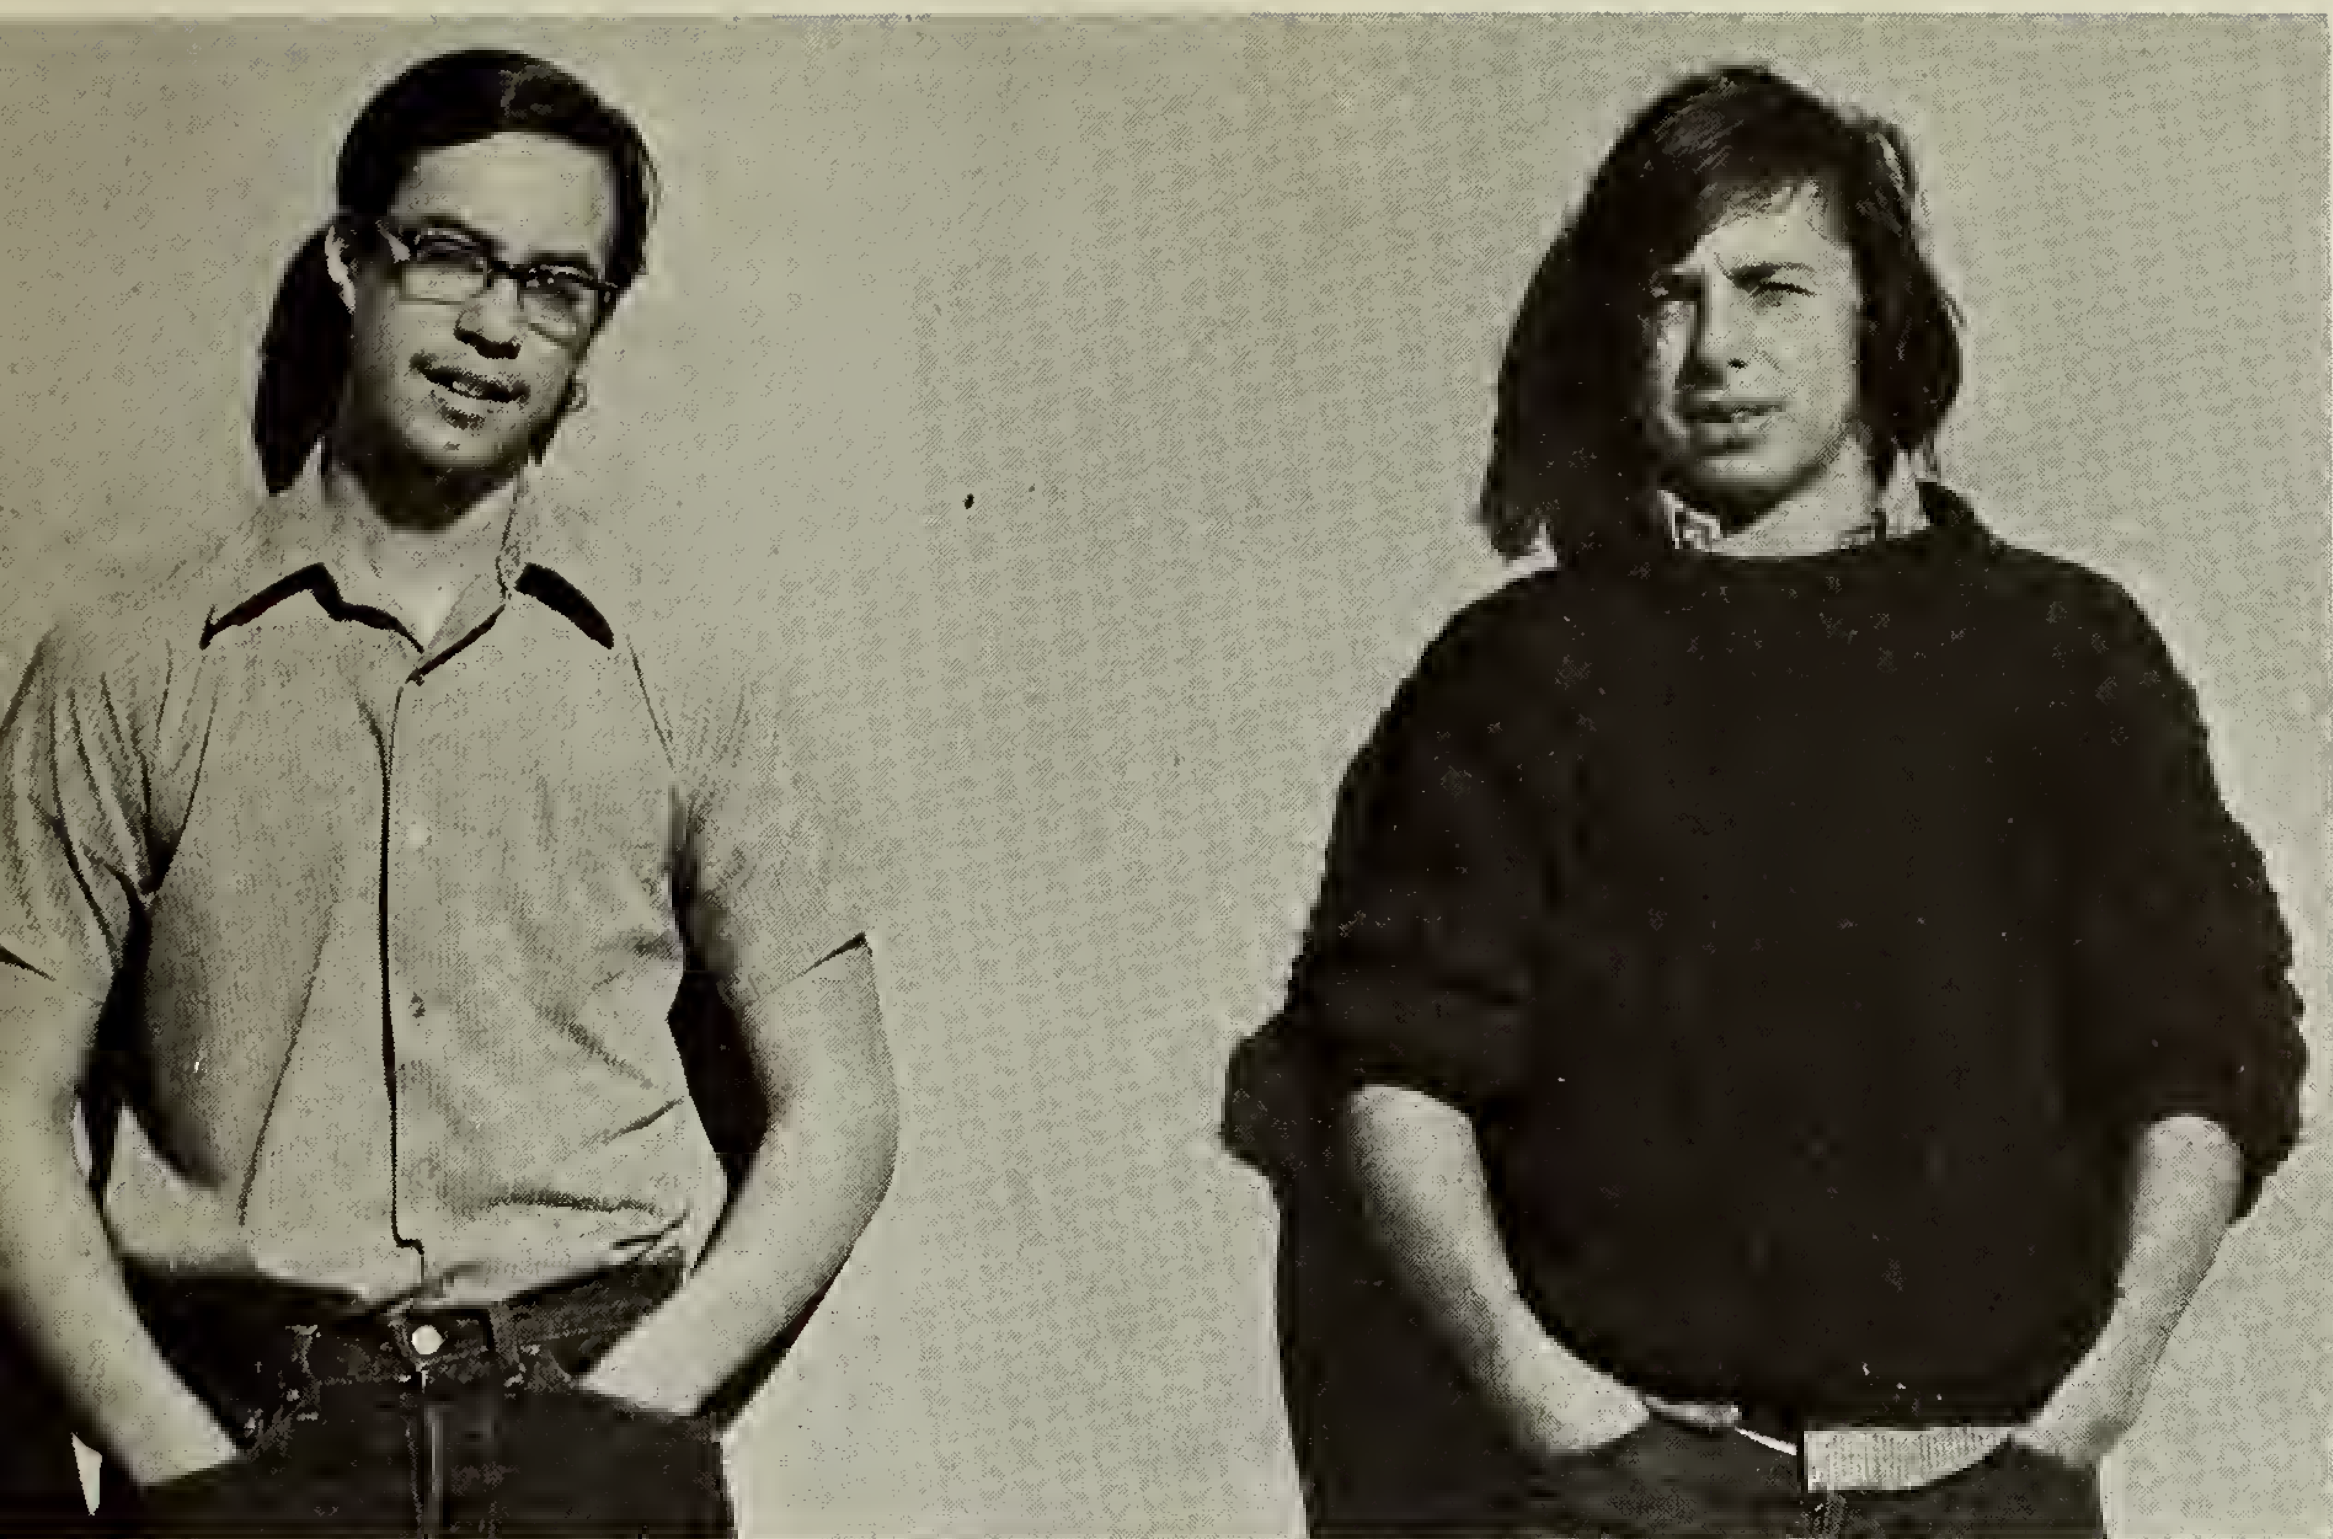

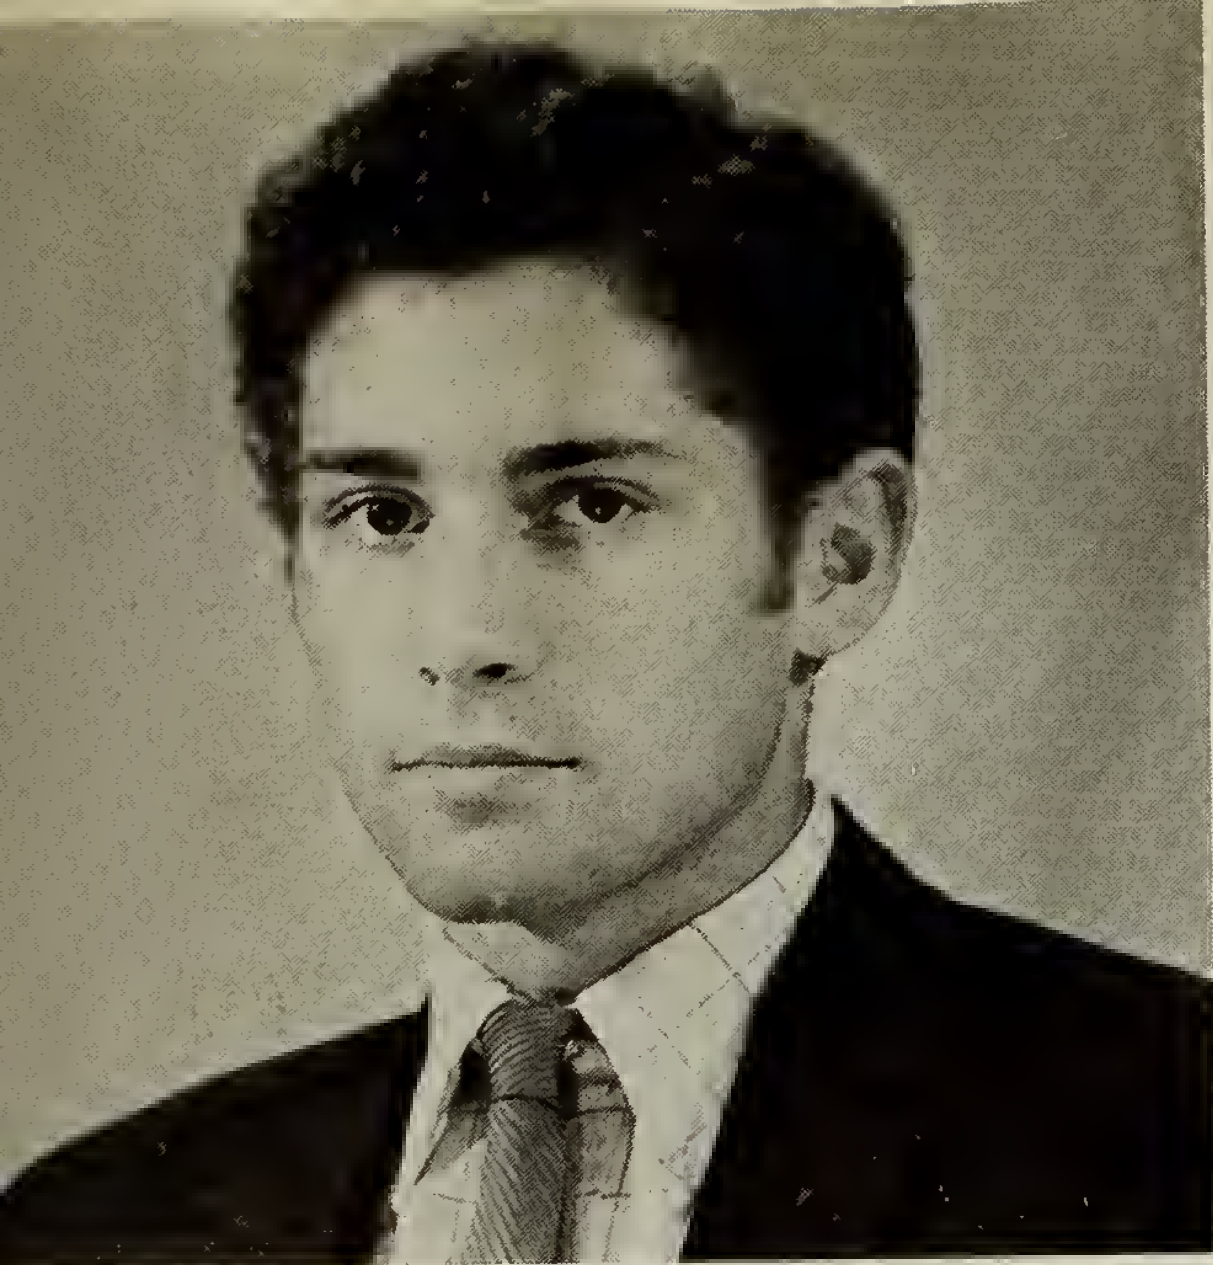

DIRECTOR'S MESSAGE

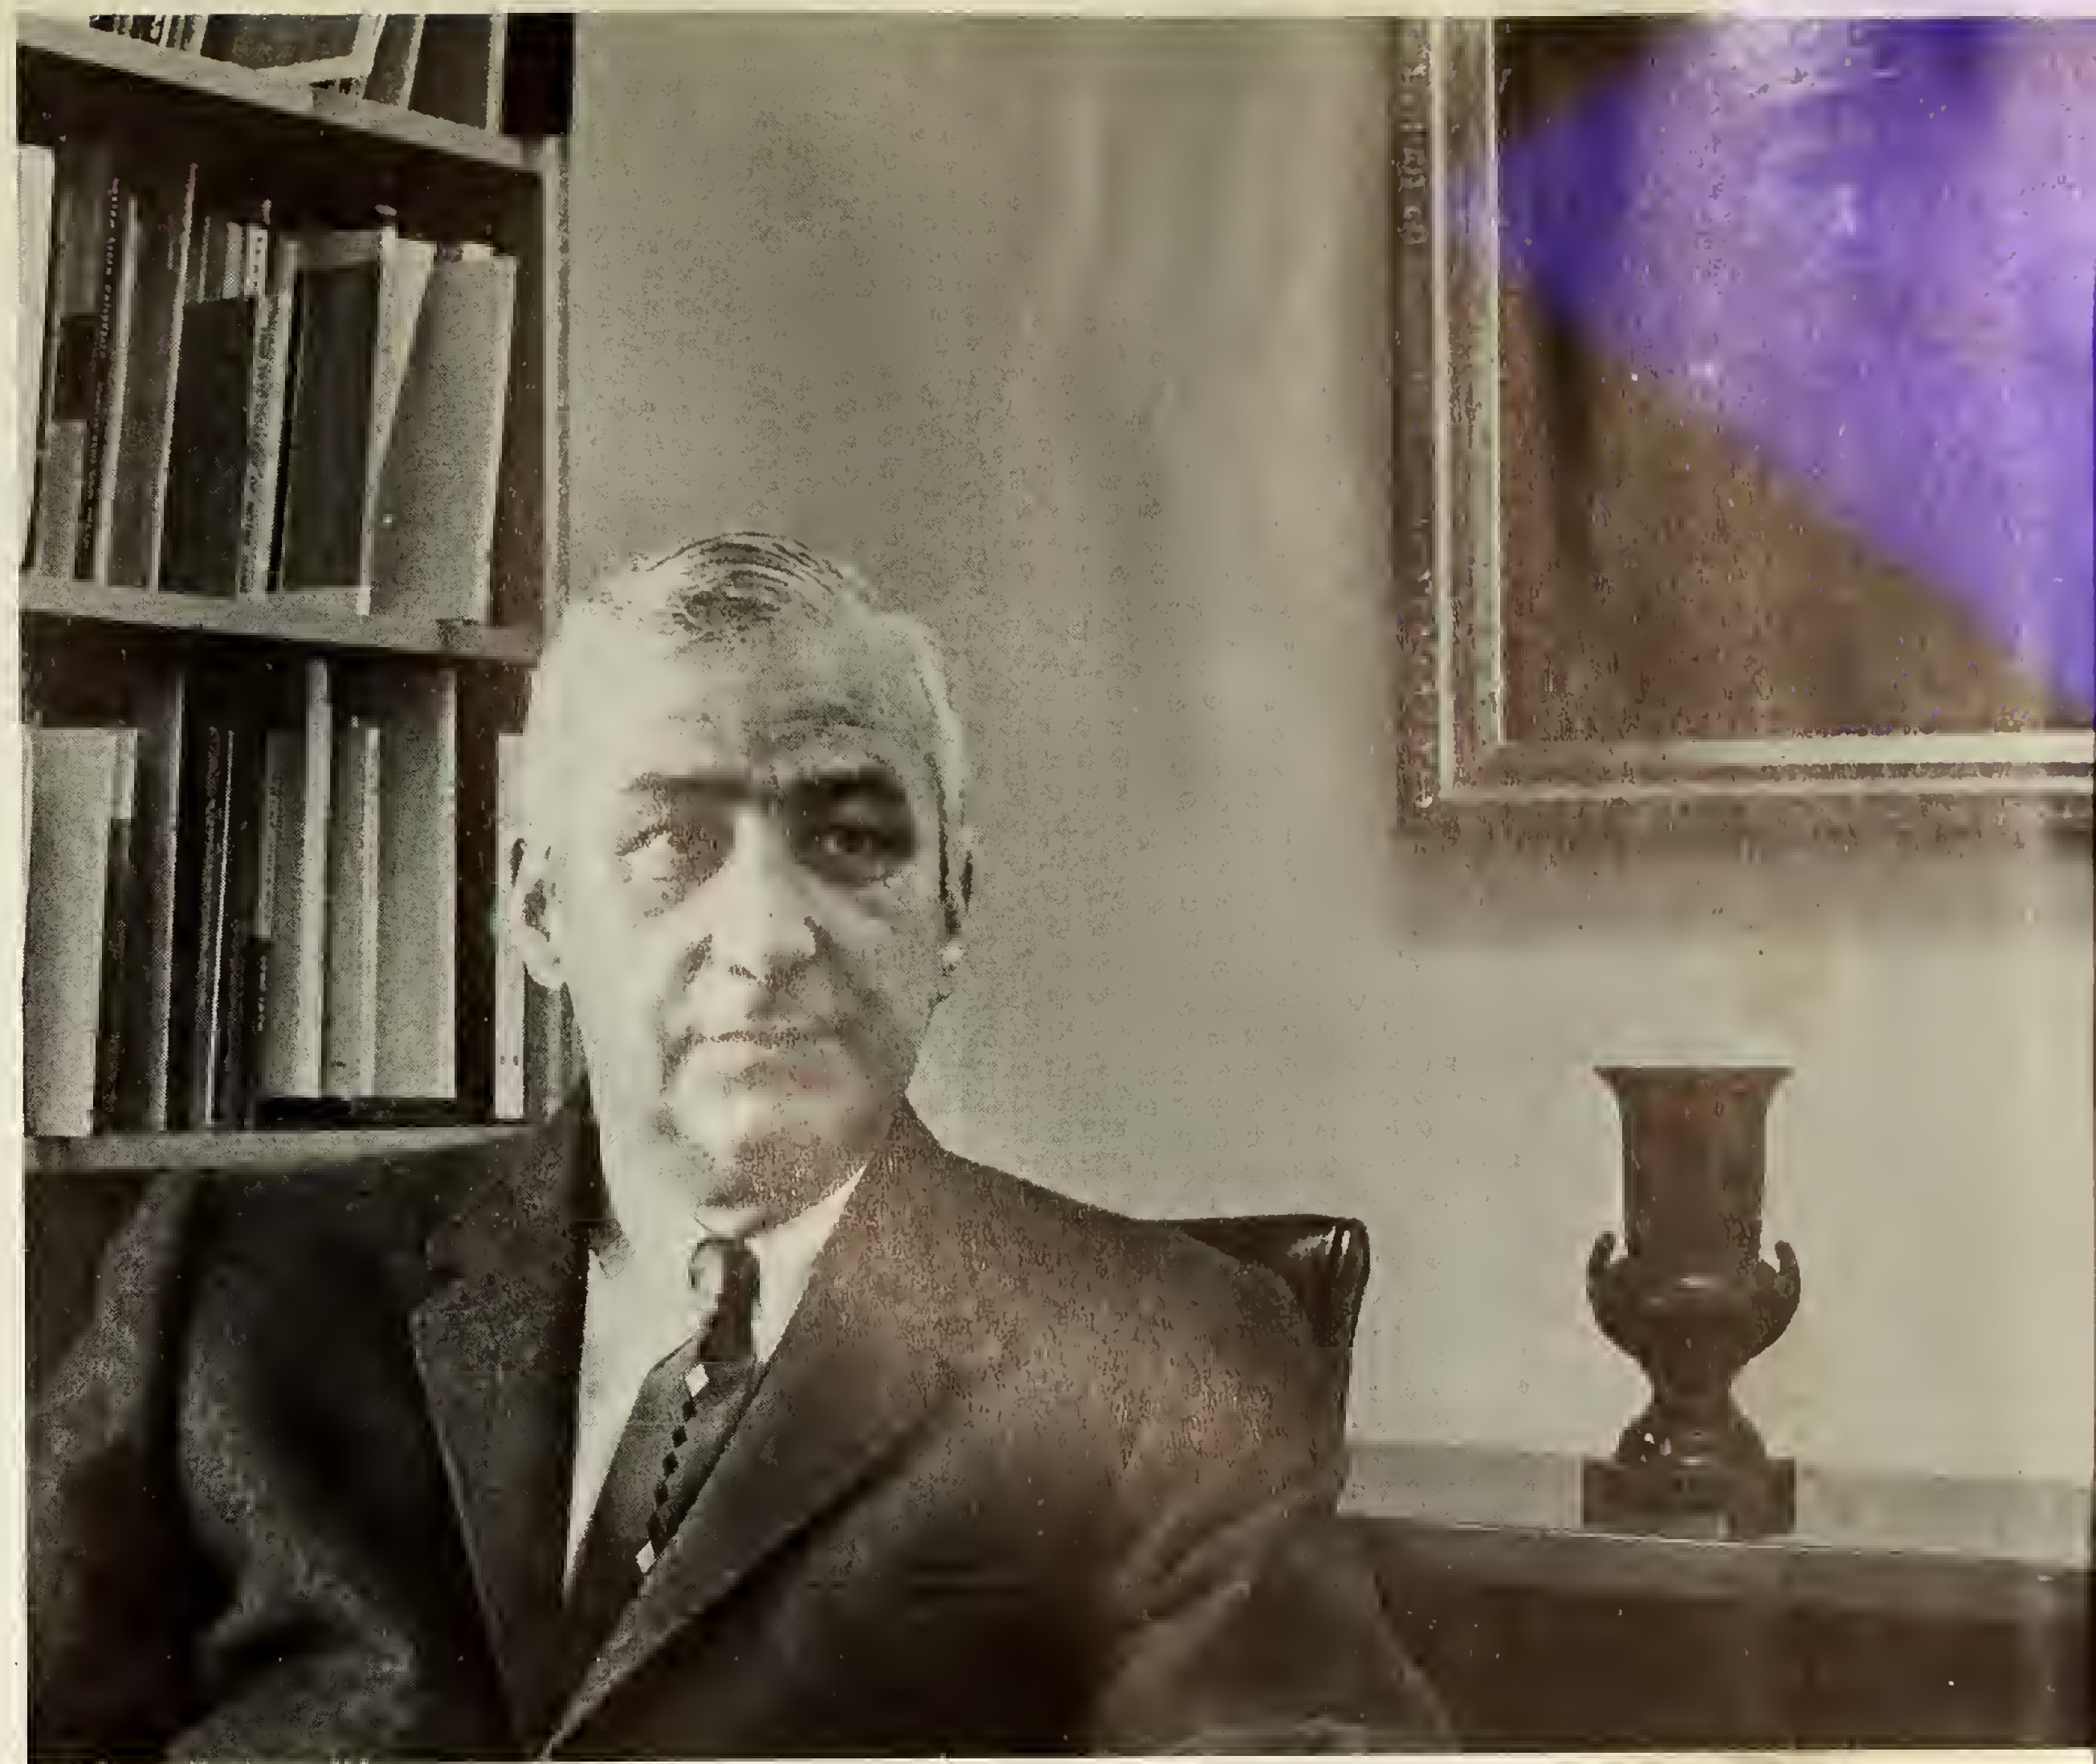

After completing some shopping recently, I was approached by the owner of the store who overheard my conversation with the salesman and wanted to verify I was associated with Lick-Wilmerding. I answered affirmatively; he shook my hand enthusiastically, and with unmistakable pride, told me the year he was graduated from Lick. (Further brief conversation included several amusing anecdotes from his school days which he had obviously enjoyed.)

Reflectively, it was natural to question the attitude of those "boys" who became those "men". Did they express the same pride as students? Did they realize THEN, as NOW, that "taking" comes to us automatically, but as one indication of maturation is the active realization that it must be balanced by the "giving"

...

You, as graduating seniors, now move away from your school home. I trust that in your years hence you will meet somewhere a person then serving this school and that you will share with those graduates preceeding you that enthusiastic pride. More than just being proud, I feel certain that most of you will be "giving" to life more than you are "taking". It is not enough to search for (and hopefully find) personal happiness and contentment: for continued happiness, you must be a productive contributor to your generation and those to follow. As you look through these pages in future years, I trust that memory will bring back happy and successful days spent at Lick and that you will frequently return.

SPORTS

TRACK

The track team seems to have shaped up nicely. We will have more athletes competing this year than in recent years including underclassmen competing in both Varsity and Junior Varsity categories; the lack of runners last year contributed to the poor showing of Lick in the B.C.L. finals.

Unfortunately, some of our lettermen of previous years will not be returning, hopefully some of the members will be able to fill in the gap created by the departure of these runners. We do have some fine runners with a great deal of promise, including Ron Davidson, rookie Kurt Egelhofer in the sprints, Pete Schumacher in the discus, and Tom Blumberg, who was all-league in the hundred and also placed high in the 220 and long jump.

There is good chance for a number of school records falling prey to this year's team.

-Tom Blumberg

BASEBALL

The Lick Varsity Baseball team figures to be a top contender for the BCL title in 1971. The success of the team will depend largely upon developing some new talent. Coming from a second-place finish last year, the Tigers saw most of the starting team graduate.

Returning from last year's team are Fred Maggiora at the hot box, Louie Bon in center field, and All-League shortstop Norm Althausen. Also back for a second season are Bill Harrington, Walter Hart, and Ed Tredinnick. Under the direction of new baseball coach Don Taylor, the Tigers look to be strong both offensively and defen-

sively. The team will have to come up with another pitcher to take the load off Norm Althausen, the only returning pitcher.

The team has some excellent rookie prospects in Robert Mateik, Brian King, Alan Gregerman, and Mike Cusledge. If these new players can come through, the Tigers could put it all together and take the BCL crown.

Norm Althausen

TENNIS

This year, under the direction of new coach and alumnus Andrew Wilson, the Tigers will be rebuilding the team with an abundance of young, eager tennis players. The number one position will unquestionably be held by the spectacular Duke Mahl known only to his friends as Dyke Marvel.

The number two position will be a struggle between Milan Kovacevic and Nick Bashkiroff, with the contention of promising sophomore Henry Sauvageot.

The doubles will be the spots to be improved in the shortest amount of time: this will depend on the teamwork of Brian McKee and Tony Hayes, with other teammates competing for the Varsity team. Returning lettermen will be Dyke Marvel, Nick Bashkiroff, Milan Kovacevic, Tony Hayes, and etc.

-Duke Mahl

J.V. BASKETBALL

The L-W Tiger J.V.'s (also called the Cats, by their massive following) had a very respectable 10-4 League season, despite a very mediocre pre-season. The Tigercubs were led by such stars as John Santos (alias Earl Monroe), who lead the team with a 17.73

points-per-game average, and John Welles, who broke the total point record by scoring over 320 points.

Finishing the Team were Ken Bronstein, the tough Mike Balma, Jim 'Poot' May, Scott (the Kid) Strehl, the Electric Dave Falk, Bad Boy Beltrano (Tony Belway), and the injury-ridden Alan Reiss.

SOCCKER

This year's soccer team came through its season with a far better name for itself than it has for at least for four years. The teams that had played Lick in the past came out of the games this year, no matter who won, with the feeling that there had been real competition; our of this feeling grew new respect for the Tigers within the league. The factors that were probably most responsible for Lick taking second place in its division were the interaction and coordination between team members; each member of the team felt responsible for the other members of the team and the challenge of the game. Winning wasn't easy, and neither was losing, but in whatever course the game proceeded, the team never gave up and the spirit was always there. It is this spirit within each player and the team as a whole that will put it all together for the Lick soccer team next year.

-Peter Rockrise

BASKETBALL

The Varsity Basketball team, under coach Don Taylor, was a scrappy and determined one. The Tigers fought to an 8-6 record and a fourth-place finish in the tough Bay Counties League.

The team was led by Lindsey Robbins and Ed Tredinnick, the leading scorers. Robbins consistently shot well from the outside,

while Ed was almost impossible to stop on his drives to the hoop. Bruce Fong gave the team a good ballhandler and shooter, while Fred Maggiora is one of the league's toughest rebounders. Rounding out the starting five was Norm Althausen, known for his defense and passing. Alan Gregerman was indispensable as a sixth with his clutch shooting. Comprising the rest of the team were Louie Bon, Mike Stirnus, Duke Mahl, Steve Clarke, Ed Anderson, Alan Menzies, and a very promising freshman, Ken Lewin.

Because of their lack of height, the team relied on their speed and shooting to best opponents. Given a few breaks, the Tigers would have probably made the playoffs, and finished higher. Despite their average record, this year's varsity team will be remembered as a determined and aggressive team.

-Norm Althausen

SWIMMING

This year's swim team, led by captain Charles Ashford, returns with veterans Ralph Ames, Craig Tronoff, and Jeff Freedman, with seven freshman to compete against old and new teams. Although it is too early in the year, Lick hopes to do well against strong teams, such as Robert Louis Stevenson and De la Salle. Among the new swimmers, are Rick Freedman and Sandy Ashford, who have already shown their value in the first meet against Petaluma.

Although they will be swimming against new teams, the junior varsity will sometimes compete with the varsity of other teams.

The new swimmers include: J. Busch, H. Dang, G. Gallardo, W. Johnson, and W. Adams.
